Public Hearings - Public Comment Form

Docket Number	SUA25-01 (Cherokee Trail Appeal)
Select one of the following:	No, I do not support this request
Explanation	I think with these out-of-town visitors, they would increase the traffic in the neighborhood, they would want to explore the property and possibly come on other people's property also increasing the noise in a otherwise quiet, secluded area where we live. I will be returning as my primary residence in 60 days. To this property..

Public Hearings - Public Comment Form

Select one of the following:	Yes, I support this request
Explanation	Mr Clement and his family have been great neighbors. He has enhanced the visual appeal of his property by planting trees not only near his his home, but along the fence line. Someone who does things such as this would NOT purposely cause a devaluation of his or other neighbor's property. He maintains our shared access road on his own dime.
