- The road does not provide the sole legal access to any current parcel.
- The abandonment area is 1.24 acres.
- If approved and combined the total of all parcels would be 4.83 acres.
- There are no known utility conflicts.
- A site review of the proposed abandonment confirmed that the right-of-way is not open for vehicle travel and is currently native desert with vegetation.
- The department received one letter in objection to the proposed abandonment.
- There are no objections from the County Planning Manager & the County Rural Addressing Coordinator.
- The Engineering Department recommends the proposed abandonment.
