Dear Christine,

On behalf of K Ranch, LLC, and D & R Ranch, LLC, R.L. Workman Homes, LLC requests an extension of the Assurance Agreement Kings Ranch at Coronado Subdivision, Trust No. 321365.

I apologize for the lapse of the Assurance agreement, it was an oversight, however, the subdivision is currently active and on-going combining both home building and development. We are currently awaiting County acceptance of the improvements into the County and release of the lots from the Assurance Agreement.

Request the Assurance Agreement be extended for the maximum allowable time in an effort to preclude any other request for extension.

Sincerely,

Robert L. Workman
