II. PATROL ACTIVITIES:

A. Time schedules for patrols will be flexible to allow for emergencies, other priorities, and day-to-day needs of both the Cooperator and the U.S. Forest Service. Ample time will be spent in each area to make residents and visitors aware that law enforcement officers are in the vicinity.

1. Patrol on following U.S. Forest Service roads:

U.S. Forest Service Roads on the Sierra Vista Ranger District and Douglas Ranger District, Coronado National Forest (see Exhibit B).

2. Patrol in the following campgrounds, developed sites, or dispersed areas:

Total reimbursement for this category shall not exceed the amount of: \$21,000.00.

III. SPECIAL ENFORCEMENT SITUATIONS:

A. Special Enforcement Situations include but are not limited to: Fire Emergencies, Drug Enforcement, and certain Group Gatherings.

B. Funds available for special enforcement situations vary greatly from year to year and must be specifically requested and approved prior to any reimbursement being authorized. Requests for funds should be made to the U.S. Forest Service designated representative listed in Item I-A of this Operating Plan. The designated representative will then notify the Cooperator whether funds will be authorized for reimbursement. If funds are authorized, the parties will then jointly prepare a revised Operating Plan.

1. Drug Enforcement: This will be handled on a case-by-case basis. The request will normally come from the Patrol Captain; however, it may come from the Special Agent in Charge or their designated representative. Reimbursement shall be made at the rates specified in Section I-B. Deputies assigned to the incident will coordinate all of their activities with the designated officer in charge of the incident.
2. Fire Emergency: During emergency fire suppression situations and upon request by the U.S. Forest Service pursuant to an incident resource order, the Cooperator agrees to provide special services beyond those provided under Section II-A, within the Cooperator's resource capabilities, for the enforcement of State and local laws related to the protection of persons and their property. The Cooperator will be compensated at the rate specified in Section I-B; the U.S. Forest Service will specify times and schedules. Upon concurrence of the local patrol Captain or their designated representative, an official from the Incident Management Team managing the incident, Cooperator personnel assigned to an incident where meals are provided will be entitled to such meals.

When requested by the U.S. Forest Service, initial response to wildfires by the Cooperator will not be reimbursed for the first 24 hours of support. If during the first 24 hours of wildfire support, the Incident Commander and/or Patrol Captain requests continued support past the initial 24 hours, then a resource order will be requested and all time, including the initial response time, will be reimbursed. This 24-hour initial support time does not include travel time to and from the wildfire incident.

All requests to provide additional law enforcement support on National Forest System lands during extreme fire conditions will become effective and reimbursable only when the U.S. Forest Service specifically requests

assistance through the Forest Dispatch or Expanded Dispatch Office, a Resource Order Number is provided, and the County Dispatch Office is notified of the request. Initial attack responses without a Resource Order by the U.S. Forest Service are not reimbursable.

Upon request and concurrence by and between both Parties:

The Cooperator shall:

- a. Provide the U.S. Forest Service fully equipped Sheriff's Deputies who meet the standards of training as listed in the Cooperative Law Enforcement Agreement, Provisions II-B, including appropriate vehicle(s), in numbers requested by the U.S. Forest Service to provide law enforcement for fire severity or fire suppression situations. These duties are above and beyond the customary duties that are routinely provided by the Sheriff's Office and will be covered under Special Enforcement Situations. The Sheriff's Deputies will continue to work under the direction and supervision of the Sheriff's Department. The Sheriff's Deputies will coordinate their patrol activities with the U.S. Forest Service Patrol Captain, or their designee, while assigned to each specific fire severity or fire suppression patrol area and coordinate their activities with the Incident Commander while assigned to each specific wildland fire severity or fire suppression situation. All Deputies assigned to a wildland fire severity or fire suppression situation are required to follow Check-in and Demobilization procedures.
- b. Assign Sheriff's Deputies requested by the U.S. Forest Service for fire severity or fire suppression situation patrols and law enforcement.

A Resource Order number must be issued by the U.S. Forest Service to support each request. The Resource Order number will be provided to the Cooperator by the U.S. Forest Service Dispatcher.
 - b. Post each Deputy's time and vehicle mileage to a Fire Time Report (Optional Form 288) to provide documentation to support payment of each itemized statement of expenditures provided by the Cooperator.
 - c. Reimburse the Cooperator for requested fire severity or fire suppression special enforcement situation services that are provided and covered under this Section, at the prevailing rates as per Section I, Paragraph B, of the current Operating Plan.
3. Group Gatherings: This includes but is not limited to situations which are normally unanticipated, or which typically include very short notices, large group gatherings such as rock concerts, demonstrations, and organization rendezvous. Upon authorization by a U.S. Forest Service representative listed in Section I-A for requested services of this nature, reimbursement shall be made at the rates specified in Section I-B.
