- The right-of-way does not provide sole legal access to any current parcel.
- The abandonment area is an estimated 3.6 acres.
- The parcels and abandonment area combined would be an estimated 320.5 acres.
- A site review confirmed that the right-of-way is not open for use and is currently native desert with some vegetation.
- There are no objections from the Cochise County Planning Manager or the 911 Rural Addressing Coordinator.
- The Engineering department recommends the proposed abandonment.
