3.1 Provision of Access. Company hereby grants Customer a non-exclusive, non-transferable (except in compliance with Section 15.6 of the MSA) right to access and use the Platform during the Subscription Term, solely for use by Authorized Service Recipients in accordance with the terms and conditions set forth in this Addendum. Such use is limited to Customer's internal use. The total number of Authorized Service Recipients and buildings covered (if applicable) set forth in the applicable Order Form cannot be decreased during the Subscription Term, and the total number of Authorized Service Recipients and buildings for which the Platform is used (if applicable) will not exceed the number set forth in the applicable Order Form, except as expressly agreed to in writing by the Parties and, if increased, subject to any appropriate adjustment of the fees payable in connection therewith. If any amount owing by Customer under this or any other agreement for the Services is 30 days or more overdue, Company may, without limiting Company's other rights and remedies, accelerate Customer's unpaid fee obligations under such agreements so that all such obligations become immediately due and payable, and suspend Company's use of the Platform until such amounts are paid in full.

Customer shall not disclose the results of any benchmark tests run on the Platform, without the prior written approval of Company.

3.3 Passwords. Customer and its Authorized Service Recipients are responsible for keeping its passwords and access credentials associated with the Platform confidential and assumes all responsibility for doing the same. Neither Customer nor any Authorized Service Recipients shall sell or transfer them to any other person or entity.
