Rezoning Application

The purpose of zoning is to guide the development of land in accordance with the County's Comprehensive Plan, and to promote the public health, safety and general welfare of the County's residents. Zoning districts specify permitted land uses, minimum lot sizes, and certain site development standards such as setbacks and screening. Because Cochise County encompasses a large and diverse area, there are 34 individual zoning districts, ranging from rural and residential districts to business and industrial districts. When property is rezoned, all uses permitted within the new district can be permitted on the rezoned parcel.

Processing Fees	
\$400 rezoning to SM-174 or SM-87, \$450 + (\$2/acre (\$1,500 max.)) rezoning to RU-2, \$500 + (\$10/acre (\$3,000 max.)) rezoning to SR, R, SM-36, SM-18, SM-9, \$500 + (\$15/acre (\$4,000 max.)) rezoning to all other districts. Applicants may pay online with a credit card or mail a check to the Development Services Department at 1415 W Melody Ln, Building F, Bisbee, AZ 85603, payable to the Cochise County Treasurer.	

Required Submittals

- This application
- A concept plan
- A copy of the neighborhood notification letter and any information provided to the public
- A non-refundable processing fee

Property Info

Property Owner Name(s): Hardeep Cheira

Parcel Number(s) (APN): 408-34-005C

Total Acreage: 90.6 acres (per new survey attached)

Current Zoning Designation: RU-4

Proposed Zoning Designation: Light Industrial (LI)

Is the property a result of a new split or will the rezoning request result in more than one zoning district on a single tax parcel? If yes, a copy of a survey and associated legal description stamped by a surveyor or engineer licensed by the State of Arizona must be submitted with this application.

Yes

No

Is there a concurrent comprehensive plan amendment associated with this request?

Yes, state proposed category/designation

No

Project Info

Is this request consistent with all deed restrictions or private covenants in effect for this property? If applicable, please include a copy of these restrictions/covenants with this application.

Yes

N/A, no deed restrictions

Project Info Continued

Identify the utility company/service provider for each of the following services and state if additional provisions or future connections are required in the space below.

Service	Utility Company/Service Provider
Water/Well	City of Douglas
Sewer/Septic*	City of Douglas
Electricity	APS
Fire Protection	NA
Waste Disposal	City of Douglas (upon annexation, private company in the interim)

* If the property is, or will be, served by a septic system, indicate the location of the septic system and the 100% expansion area on the site plan. State whether the system is existing or proposed.

Supplemental Questions

1. State the reason for this request and why it should be supported.

To rezone 90.6 acres providing a development area near the new Douglas Commercial Port of Entry where light industrial businesses can be established. These activities are expected to create jobs, increase tax revenue, and increase property values in the surrounding area.

2. Describe all **existing** structures/uses present on the subject parcel. Note: Show the location and size of existing structures on the accompanying site plan.

90.6 acres of vacant land. The northern 10 acres has one well site, three old structures, and debris deposited on the site from previous owners. Removal of the structures and debris will occur during development. The structures are identified on the attached survey.

Supplemental Questions Continued

3. Describe all **proposed** structures/uses that will be placed on the parcel. Note: Show the location and size of proposed structures on the accompanying site plan.

Warehousing, and storage are the primary planned uses. See attached conceptual drawing.

4. Is the property adjacent to, or near, other parcels with the same zoning designation as what is being proposed? Explain.

Not at this time, but it is highly likely that the other landowners in the area will also seek similar rezoning to take advantage of the opportunities that the new port will bring.

5. Is the proposed zoning district more intense than the one in place currently? Please select one of the following statements:

- Not applicable, this is a request to a LESS intense zoning district.
- The proposed zoning is an extension of a similar density zoning within the area.
- The proposed zoning provides a transition between an existing less intense district and a more intensive district or an arterial street.
- The property can provide adequate protection to the adjacent less intense development in the form of enhanced screening, landscaping, setbacks, large lot size, building orientation, or other design measures.

6. What is the existing or proposed water source? If the property is, or will be, served by a private or shared well, show the existing or proposed location on the site plan.

City of Douglas through planned utility extensions.

7. Estimate the total gallons of water needed for the existing use of the site (daily or annual usage) NA (existing use is vacant land).

8. Estimate the total gallons of water needed for the proposed use of the site (daily or annual usage) To be determined by site specific future development needs. (low water use is projected)

Supplemental Questions Continued

9. List any strategies you will use, on site, to minimize water use, recycle water, and/or enhance onsite natural recharge.

The primary use is expected to be warehousing and storage which has low water use. All Cochise County requirements will be adopted in the building permit process as it relates to water use.

10. Describe the permanent legal access to the property. State which streets or easements will be used by traffic to enter or exit the property. Specify whether the vehicular access is from a public road, private road, or easement, and label all legal access on the concept plan.

Current access is provided via the existing James Ranch Road and a 25-foot ingress, egress, and utility easement running from the Northwest corner of the subject property to James Ranch Road. See attached survey. Some of our land will be dedicated to the public to create an intersection at the connector road and develop a frontage road running North and South on the West side of the property creating access to the subject property. This will allow access for the landowners to the north. See attached conceptual drawing.

11. What impact will this request have on the traffic volume of roads that serve the subject property?

A detailed traffic study will be completed as required by ADOT for the intersection to the connector road taking into account our proposed development as outlined in the conceptual drawing. Traffic volume will increase as the development fills in based on market conditions.

12. How many driveway cuts are proposed along streets or easements to allow site access? State whether this is an increase/decrease and whether any existing cuts will need relocation.

An intersection will be constructed on the West side of the property at the connector road and a frontage road will be developed running North and South on the West side of the property creating access to the subject property and the landowners to the north. Land will be dedicated to the public in coordination with Cochise County. Traffic will increase once the new commercial port of entry is completed, and construction progresses in the rezoned area of the subject property.

Supplemental Questions Continued

13. Describe your citizen review process (if applicable). Specifically, state whether you received any responses to your mailed notice or public meeting. Explain how your rezoning application has incorporated the feedback you received. Submit a copy of any material provided to the public.

A two-page notification letters was mailed out on April 22, 2025, to all the surrounding landowners as per county requirement. No responses were received.

14. Date of mailing by applicant: April 22, 2025

15. Mailing radius: 600 feet

16. Indicate whether the subject property occurs within the following (select at least one):

- Within the Sierra Vista Sub-Watershed Overlay Zone
- Within two miles of the San Pedro Riparian National Conservation Area
- Within one mile of the Babocomari River
- None of the above
- I'm not sure

17. If the subject property is within one of the previously mentioned zones, are you interested in a voluntary retirement of development rights in exchange for a concomitant density increases elsewhere in the County?

- Yes No Not Applicable

Acknowledgments Continued, Prop 207 Waiver

By typing their name below, the property owner acknowledges that the approval being sought by this application may cause a reduction in the existing rights to use, divide, sell or possess the private property that is the subject of this application. The property owner further acknowledges that it is the property owner who has requested the action sought by the filing of this application. Therefore, with full knowledge of all rights granted to the property owner pursuant to A.R.S. §12-1132 through 1138, the property owner does hereby waive any and all claims for diminution in value of the property with regard to any action taken by Cochise County as result of the filing of this application.

Dear Neighbor,

Subject: Notice of Proposed Rezoning in Cochise County

I am writing to inform you about a rezoning proposal near your property. The details are as follows:

Rezoning Overview: I wish to change the zoning of my property from RU-4 to Light Industry. The purpose of this rezoning is to build warehousing and storage.

Location: The rezoning is located south of W. Highway 80 and N. James Ranch Road west of Douglas AZ. The property is 92.09 acres (tax parcel 408-34-005C).

Public Hearing Information: Once my application is accepted by the county, two public hearings will be scheduled to discuss this rezoning proposal. The meetings will provide an opportunity for residents to express their views and/or concerns regarding the proposed changes.

How to Get Involved: You will soon receive a letter from the county, which will provide additional public hearing and case planner information. However, if you have any concerns, questions, or objections, I ask that you contact me first.
