EQUITY FOR STUDENTS, EDUCATORS, AND OTHER PROGRAM BENEFICIARIES

Section 427 of the General Education Provisions Act (GEPA) ([20 U.S.C. 1228a](#)) applies to applicants for grant awards under this program.

To address this provision and receive funding, LEAs must provide responses to the following:

Applicants are not required to have mission statements or policies that align with equity in order to submit an application.

"To serve Cochise County as an education service agency (ESA) providing guidance, advocacy, programs, and services which support Cochise County Schools, county free library districts, and municipal libraries."

We use our allocation every year to pay for our Jail Educator to attend the Arizona Correctional Educators Symposium - "a learning and sharing opportunity where teachers, corrections officers, and other industry professionals from all around Arizona gather to teach, learn, view, shop and support Secure Care Education in a collaborative, productive, positive environment."

* 2. Based on your proposed project or activity, what barriers may impede equitable access and participation of students, educators, or other beneficiaries?

national origin, disability, age, language, migrant status, rural status, homeless status or housing insecurity, pregnancy, parenting, or caregiving status, and sexual orientation.

Health or lack of availability.

* 3. Based on the barriers identified, what steps will you take to address such barriers to equitable access and participation in the proposed project or activity?

We will find an alternate to attend in their stead.

* 4. What is your timeline, including targeted milestones, for addressing these identified barriers?

We have more than a year to address any conflicts that arise.

Eligibility

The local education agency (LEA) assures that it meets all eligibility criteria established in Part B of the Individuals with Disabilities Education Act as Amended by the Individuals with Disabilities Education Act Amendments of 2004 (PL 108-446) and the Education Department General Administrative Regulations.

The LEA assures it has budgeted in fiscal year for the education of children with disabilities, at least the same total, or per capita amount, from either of the following sources (state and local funds combined, or local funds only) as the LEA spent for that purpose from the same source for the most recent prior year for which information is available, 34 C.F.R. § 300.203.

The LEA assures it has obtained a Unique Entity ID (changed from the DUNS Number) and has registered with the CCR.

In addition, the LEA is not identified as ineligible by the Excluded Parties List System at <https://www.sam.gov/SAM/>. The LEA further assures that all contracted vendors paid with federal funds are not identified by the Excluded Parties List System. Upon request, the local educational agency shall make this complete application available to the public for review.

Throughout the period of the grant award the LEA will comply with all requirements of:

Parts A and B of the Individuals with Disabilities Education Act (IDEA) as Amended by the Individuals with Disabilities Education Act Amendments of 2004 (PL 108-446), and IDEA Federal Regulations; The Arizona Revised Statutes' administrative regulations on special education; All other requirements that are not inconsistent with IDEA, PL 108-446 found in;

- The Education Department General Administrative Regulations (EDGAR); and
- Uniform Grant Guidance, Title 2, Code of Federal Regulations Part 200.

The local educational agency has the opportunity to request a hearing if the State Educational Agency finds areas of noncompliance and consequently disapproves this application and receipt of federal funds. The hearing procedures will be conducted according to Education Department General Administrative Regulations, 34 C.F.R. § 76.401, which are included in this application package. They are also available at <https://www2.ed.gov/policy/fund/guid/uniform-guidance/index.html>.

All applicants should first read the Individuals with Disabilities Education Act (IDEA) Entitlement Application documentation, which is located on the ESS Program Management page - <http://www.azed.gov/specialeducation>. This documentation details the provisions which affect the Public Education Agencies (PEAs) funding application, including information expectations for each funding application to be submitted.

All-encompassing IDEA assurances are required to be read and signed prior to substantial approval of the funding application. These assurances are required beyond the general statement of assurance for all PEAs in the state. The special education director, superintendent, or charter holder must complete the Statement of Assurances survey in the ESS Portal of ADEConnect.

If any funds are required or voluntarily used for CEIS, CCEIS and/or Proportionate Share, these items should be explicitly identified in the Budget in separate budget narrative line items for those expenditures.

Questions should be directed to the ESS Program Management staff at: essprogmgmt@azed.gov

Please visit the ESS Program Management website to view allocation amounts, proportionate share obligations for districts, maximum CEIS values, allowable expenditures guidance, and additional technical assistance documents for the IDEA Consolidated - Entitlement Grant, <http://www.azed.gov/specialeducation>.

ESS Program Management will not be able to grant substantial approval of the funding application until the LEA has:

- General Statement of Assurances accepted by ADE Grants Management
- IDEA Statement of Assurances completed in ESS Portal
- Complete budget and funding application submitted to LEA Authorized Representative Approved
- Met requirements for IDEA Maintenance of Effort Eligibility test

Questions regarding dates and deadlines (with the exception of reimbursement requests deadlines) should be directed to ESS Program Management staff.

IDEA Part B Consolidated Checklist

Cochise County Sheriffs Office (026002000) Public District - FY 2026 - Medium Risk - IDEA Part B Consolidated - Rev 1 - IDEA Part B Consolidated Checklist

This checklist is a means of communication between the ADE and LEAs regarding the allowability and allocability of the items submitted in the funding application. Please follow the steps below to ensure that the funding application contains items that are in compliance with program requirements.

- After the LEA submits the application, the ADE will review the application and mark each section as OK, Not Applicable, or Attention Needed. If the application contains no items that are marked as Attention Needed, the application approval process will continue.
- If the application contains items that are marked as Needs Attention, the application cannot be approved and will be returned to the LEA for edits. The LEA will review the checklist for items that are marked Attention Needed and make the necessary changes to those items. Only the checked items in the sections marked Attention Needed are to be corrected and/or explained. Each section marked Attention Needed also has a place where the ADE may provide notes to explain items needing attention. The LEA should check for notes and additional comments.
- Once the LEA has made the necessary adjustments, the LEA will resubmit the application. If the ADE determines that the item has been corrected, Attention Needed will be changed to OK by the ADE Reviewer. If the items needing attention still have not been corrected, the application will be returned again to the LEA with a status of Not Approved.
- Applications that contain no items that are marked Attention Needed can be moved forward through the approval process.
