## Public Hearings - Public Comment Form

Docket Number SU24-23 (Desert Rose Cemetery)

Select one of the following: No, I do not support this request

Explanation My wife and I purchased our home within the 500' of this area not even 6 months ago. This drastically affects us emotionally as we do not feel comfortable living so close to a cemetery but this also affects us drastically financially. We are a single income household with a disabled daughter. It's proven that homes this close to a cemetery drop an adjacent property value 12% or more. We moved here because of the shooting that happened within Sierra Vista on 7th St where we lived not even 500' from as well. We don't feel comfortable living so close to more death. This is further affirmed by speaking with multiple real estate agents within the community and all agree that a home so close to a cemetery not only drops in value but is tougher to sell in the future. The idea of a cemetery is a noble one, but it shouldn't come at the expense of the surrounding people and the hard earned money we've all put into being able to purchase where we live.
