Special Use Application

Special Uses are activities or uses that, because of their unique characteristics, potentially could generate greater impacts than uses permitted in a zoning district. Due to these greater impacts, special uses are not granted administratively. Rather, they must be reviewed and approved by the Planning and Zoning Commission at a public hearing.

Is this request consistent with all deed restrictions or private covenants in effect for this property? If applicable, please include a copy of these restrictions/covenants with this application.

Yes

No

N/A, no deed restrictions

Supplemental Questions

1. Please state the reason for this request and why it should be supported.

I am requesting a special use to allow the storage and display of containers that are for sale. This is an appropriate business use along Charleston Road.

2. Describe all **existing** structures/uses present on the subject property. Note: Show the location and size of existing structures on the accompanying site plan.

No existing structures. I have a permit for accessory structures that intend to build within the next year and I may build a residence in the future.

3. Describe all **proposed** structures/uses that will be placed on the property. Note: Show the location and size of proposed structures on the accompanying site plan.

See above.

4. What materials will be used to construct the new building(s)? (Note, for an existing building(s), please also list the construction type(s), i.e., factory-built building, wood, block, metal).

Accessory buildings will be either metal or prefabricated steel.

5. Will the project be constructed/completed within one year or phased?

One year

Phased

Supplemental Questions Continued

5.a. If this is a phased project, describe the phases here and physically depict them on the site plan.

n/a

6. Describe all intermediate and final products/services that will be produced/offered/sold, if applicable.

Only storage containers (8'X20' or 8'X40').

7. What are the days of the week and hours of operation (if applicable)?

Daylight hours that are convenient for the customer.

8. What are the number of employees expected to work onsite?

Initially: 1

Future: 1

9. Describe the permanent legal access to the property. State which streets or easement will be used by traffic to enter or exit the property. Specify whether the vehicular access is from a public road, private road, or easement, and label all legal access on the concept plan.

My property has direct access to Charleston Road. I understand a county right of way permit may be required for my driveway.

10. What impact will this have on the traffic volume of roads that serve the subject property?

Minimal impact considering the existing traffic volume on Charleston Road.

10.a. Number of passenger vehicles entering and leaving the site (per day/week)?

5/week

10.b. Number of large trucks entering and leaving the site (per day/week)?

0/week

Supplemental Questions Continued

10.c. At what time of day, day of week, and season (if applicable) will traffic be the heaviest?

Customer traffic varies but Saturdays will likely be the busiest.

11. How many driveway cuts are proposed along streets or easements to allow site access? State whether this is an increase/decrease and whether any existing cuts will need relocation.

One driveway cut with county authorization.

12. What is your water source? If your property is served by a well, show the existing or proposed location of the well on the site plan. State whether the well is private or shared (if applicable).

The property does not have access to water.

13. Total gallons of water needed for the proposed use, either daily or annually: None

14. List any strategies you will use on site to minimize water use, recycle water, and/or enhance onsite natural recharge.

Water catchment systems will be used if possible.

15. Describe your citizen review process. Specifically, state whether you received any responses to your mailed notice or public meeting. Explain how your special use application has incorporated the feedback you received. Upload a copy of the mailed notice to the portal.

Mailed letters to property owners identified on notification list provided by the County.

Supplemental Questions Continued

15.a. Date of mailing by applicant: 8/28/2025

15.b. Mailing radius: 1000'

16. Describe any outdoor activity associated with your special use proposal, if applicable.

Outside storage of cargo containers. No fabrication will occur onsite.

17. Will outdoor storage of equipment, materials or products be needed? If yes, show the location on the site plan. Describe any measures to be taken to screen this storage from neighboring properties.

Yes, as depicted on the site plan.

18. Will any noise or vibrations be produced that can be heard or felt on neighboring properties on a regular basis? if yes; describe the level and duration of this noise. What measures are you proposing to prevent this noise from being heard on neighboring properties?

No.

19. Will odors be created? If yes, what measures will be taken to prevent these odors from escaping onto neighboring properties?

No.

Supplemental Questions Continued

20. Will any on-site activities attract pests, such as flies or mice? If yes, what measures will be taken to mitigate/discourage their presence?

No.

21. Will additional dust be created on a regular basis? If yes, what measures will be taken to prevent this dust from escaping onto neighboring properties or roadways?

No, but I will apply gravel if dust becomes an issue.

22. Do you anticipate the use of any hazardous or dangerous materials? If yes, please complete a "Hazardous or Polluting Materials Attachment" and attach it to this application.

Yes

No

23. Do you anticipate the need to clear more than one acre of vegetation? If so, describe the proposed dust and erosion control measures to be used and show their approximate location on site plan, if appropriate. Also, indicate if any drainage pattern alterations are proposed or necessary.

I have not cleared an acre but understand if I do the County will require a clearing permit.
