SUMMARY

AUDIT USA Presentation

To the

Cochise County Board of Supervisors

December 4, 2025

5 POINT PLAN TO VERIFY ELECTIONS

On behalf of AUDIT USA, I will present a proposal to the Board for making its elections transparent and publicly verified. This will include a 5-point plan that includes:

1. Transparent verification of eligible voters
2. Transparent verification of who voted
3. Verification that the number of ballots = number of voters
4. Verification of the Cast Vote Record to ballot images
5. Random sample audit of ballot images to paper ballots

This plan will maintain complete anonymity of how individual voters voted, and will allow verification of election results down to the precinct level. We want to help restore trust in our elections.

Sincerely,
