Dear Sheriff Dannels,

One of the core missions of the Support Our Sheriffs Foundation is to provide funding to Sheriffs' Offices to help promote the safety of communities across the United States.

On behalf of the Board of Directors of the Foundation, it is my honor to award your Office a grant in the amount of \$390,000.00 (three hundred and ninety thousand dollars.) This grant is in furtherance of our continued partnership and to assist you in better serving the citizens of Cochise County.

The funds can be used at your professional discretion. However, the Foundation requires any Sheriff's Office accepting our grant funding to provide the Board with a summary overview of how the monies were used, or how the funds will continue to be used, within six months from the date of deposit of the grant proceeds.

Please extend the Board's sincere gratitude to the men and women of the Cochise County Sheriff's Office for the great work they do each day to promote the law enforcement profession.

Sincerely,
