My Name is Edward Mulkey and I would like to offer my name for consideration as a candidate for the Pearce Sunsites Fire District Board. I am concerned that without sufficient board members control of our fire department will by default be taken over by the county. I believe control of the board should remain within the district. Here is a brief resume for your consideration,

1. I am married to Dianne and between us we have five children scattered around the country
2. We live in Sunsites and have for 21 years
3. I am a member and past president of our neighborhood watch group called Community On Patrol (COP)
4. I have been on the Sunsites Library board for 6 years
5. I have been on my church (Wynne Chapel) board for 4 years
6. I am a retiree from AT&T
7. I have a BS in Electrical Engineering and a masters degree in mathematics
8. I served in the US Air Force

If there is anything else you would like to know feel free to contact me by email (morningstar194345@outlook.com) or telephone (520-254-3201). Thank you for your time and consideration.
