

Dear Sunsites/Pearce Fire District Board,

I am writing to express my interest in serving on the Sunsites/Pearce Fire District Board. As someone who is deeply invested in the safety, well-being, and long-term sustainability of our community, I would welcome the opportunity to contribute my experience and perspective in support of the District's mission.

My background includes hands-on experience in fire suppression, which has given me a clear understanding of emergency response operations, the challenges faced by frontline personnel, and the importance of strong leadership and resource management. This experience has instilled in me a deep respect for the critical role that fire districts play in protecting lives and property, particularly in rural communities like ours.

In addition to my fire suppression experience, I have worked within city government, where I developed a strong foundation in public administration, budgeting, and financial planning. I have been directly involved in developing and managing budgets, evaluating resource allocation, and ensuring compliance with applicable policies and regulations. This experience has equipped me with the ability to approach decisions thoughtfully, balancing fiscal responsibility with the need to maintain high-quality public services.

I believe my combined experience in emergency services and municipal government would allow me to contribute meaningfully to the Board. I am committed to supporting transparency, responsible financial stewardship, and strategic planning that ensures the District remains well-equipped to serve the community both now and in the future.

Thank you for considering my interest in this role. I would be honored to serve and support the continued success of the Sunsites/Pearce Fire District.

Sincerely,

Olivia Beemer
