Please check one:

In accordance with the Floodplain Regulations for Cochise County, the above petitioner hereby applies for a Variance.

In accordance with the Floodplain Regulations for Cochise County, the above petitioner hereby files an Appeal.

REQUEST Variance in fence installation from 3' above grade to 12" above grade. we will keep debris from blocking as to allow water flow on a schedule of no less than once a month & more as necessary.

APPLICANT'S STATEMENT (Cite grounds for Variance or Appeal)

Per our special use permit we are obligated to install a non permeable fence to reduce dust from neighboring property as 3' will not help reduce dust
