8.0 SELECTION PROCEDURES

The County Evaluation Committee's initial list of the SOQs will be used to select at least the top ranked three (3) Vendors, but not more than five (5) firms, for interviews. The interviews will establish the final ranking and list of the qualified firms.

The Evaluation Committee will use the following criteria during the interview process to establish the ranking of the final list of qualified Vendors:

- Presentation, Correctional/Jail/Detention Experience and Qualifications – 35%
- Knowledge of Project Scope – 20%

- Approach/Overall Vision of Project – 35%
- Technical/Design Innovations – 10%
