PRESENTATION

Presentation by Mr. Britt Hanson, Chief Civil Deputy County Attorney, regarding current legal statistics and trends.

Mr. Hanson used a PowerPoint presentation to brief the Board on current legal statistics and trends. He noted that the civil division handled adoptions, mental health commitments, public fiduciary services, tax appeals, tax foreclosures, bankruptcy cases, election cases, merit commission cases, civil rights commission cases, notices of claim, public records requests, and planning & zoning - hazard abatements and zoning violations.

Vice-Chairman asked about the hazard abatement process.

He moved on to current staff and their duties, as well as the clients represented by the civil division.

Chairman English asked if the civil division represented the Justice Courts.

Mr. Hanson said that the civil division did not represent the Justice Courts because it could be construed as a conflict of interest.

Vice-Chairman Call asked about the majority of notice of claims.

Mr. Hanson said that the vast majority were small vehicle claims that are handled by the Risk Manager.
