***INTRODUCTIONS***

***ITEMS FOR DISCUSSION***

**Board of Supervisors**

1. Discussion and possible direction regarding the County's Strategic Plan specifically discussing the Geographical Information System (GIS).

Mr. Casey presented this topic with an overview of the topics he would be covering today.

Mr. Wilson went over the cloud GIS architecture. He explained current products used and what base they are using. he moved on to how we are moving everything local to the cloud.

Mr. Casey went over the benefits of the new system and explained that Board approval was needed to make this information public.

The Board asked about historic data.

Mr. Gilligan said that he wanted the Board to be aware of this rollout as it was good information with a better map experience and addressed accessibility for the public.

Chairman Judd adjourned the meeting at 11:50 a.m.
