SIGNATURES

TO: Cochise County Planning Division Manager - Christine McLachlan

We the undersigned, disapprove of the proposed request for a rezoning from RU-4 to GB and developing as such on APN 104-75-006 (13.04 acres)

Docket CPA 23-03 and RZ 23-11

We do not agree or approve of any commercial development on the property. Currently within a 6 mile radius of property, there are quik stops, gas stations, convenience shops and restaurants to meet the needs of the area. This proposed change would be encroaching into a residential area and only benefiting the out of town owner.
