Letter from Mr. and Ms. Deleo

November 5, 2022

Drew Sanders
City Manager, Cortez
City Hall, 123 Rogers Smith Street
Cortez, CO 81321

Dear Mr. Sanders:

We would like to take this opportunity to commend especially, the performance of a city employee at the Cortez Public Library – Mr. Darren Uptain.

Mr. Uptain's knowledge, competence, devotion to duty, kind demeanor and level of service to Jan, me, and others has been consistently above very satisfactory and of the highest order, most laudably professional. These past two years have been very trying for us and we have needed the extra help at the Library, whether it was with computer issues and challenges, cellphone interface, library resources, requested research, Interlibrary loans, etc.

For that matter, it is worth mentioning that the service provided by the Director, Ms. Isabella Sharpensteen and employee, Laura McHenry, has been excellent. Other staff members, Lisa, Sally Jo, Heather, Donna, et al. have been particularly helpful to us and is much appreciated as well.

Our local Library is an important public institution to us in Montezuma County and we hope that the citizens of Montezuma County, city and county officials will continue to support it wholeheartedly.

These employees are a credit, not only to themselves and to the City Library, but also to the City of Cortez they represent.

We felt perhaps, it might be encouraging and helpful to you that you be advised of the sentiments of some local citizens regarding these public servants of the City of Cortez.

With our warmest regards and appreciation,

John and Jan DeLeo
