CITY COUNCIL REPORT

City Council Regular **3.**

FROM: Douglas Dancs, Director of Public Works

DATE: 02/26/2024

SUBJECT: **Award Contract for Various Traffic Improvements, Project 369**

RECOMMENDATION

Award a contract to Yunex LLC, for $68,030, for installation of various traffic improvements, and authorize a contingency of $10,200.

DISCUSSION

The Capital Improvement Program includes an annual project for the construction of identified traffic signal or striping improvements throughout the city brought forward to the Traffic Commission. For the current fiscal year, the City Traffic Engineer identified the following traffic improvements: a Radar Speed Feedback Sign on Crescent Avenue (between Denni Street and Sumner Place) and a Rectangular Rapid Flashing Beacon (RRFB) system at the intersection of Moody Street and Newman Avenue. The Traffic Commission received a presentation regarding these improvements and concurred with the Traffic Engineer's recommendations.

Radar Speed Feedback Signs measure the speed of approaching vehicles, alert drivers if they are traveling above the designated speed limit, and discourage speeding. Most recently, these signs were installed on Orangewood Avenue, between Valley View Street and Holder Street. RRFB systems consist of pedestrian-activated flashing lights at unsignalized crosswalks, which increases visibility and driver compliance. This will be the fourth RRFB system in the city.

Public Works solicited three bids from qualified contractors specializing in this type of work. Yunex LLC is the low bidder, has completed several similar projects for other local agencies in Orange County, and currently provides citywide traffic signal maintenance services for Cypress. City staff will inspect the project. A summary of project award information is attached.

BUDGET IMPACT

Total estimated project costs will not exceed $78,230 and sufficient amounts are budgeted in the Measure M2 Special Revenue Fund for this project.

CITY COUNCIL REPORT

City Council Regular **4.**

FROM: Douglas Dancs, Director of Public Works

DATE: 02/26/2024

SUBJECT: **Approve a Task Order Amendment for the Myra Avenue Pump Station No. 1 Evaluation**

RECOMMENDATION

Approve a $24,980 amendment to the task order with AKM Consulting Engineers for the Myra Avenue Pump Station No. 1 Evaluation.

DISCUSSION

In January 2023, the City Council approved a task order to its on-call storm drain consultant, AKM Consulting Engineers, for $84,022 to evaluate the Myra Avenue Pump Station No. 1. The existing pump station on Myra Avenue discharges stormwater into the Orange County Flood Control District's (OCFCD) Carbon Creek Channel, is over 60 years old, and does not meet current design standards. The current design flow of 90 cubic feet per second (cfs) was based on design standards at that time, but now must be increased to 133 cfs to meet current Hydrology Manual standards. This increase in calculated discharge appears negligible but requires acknowledgment from OCFCD.

In December 2023, AKM submitted a preliminary engineering design report to OCFCD and had follow-up meetings with County staff. The County subsequently requested additional information for their evaluation, including plans and technical studies. This additional work was not part of the original task order scope, nor did the County require this information previously for the other two pump stations along Myra Avenue. AKM submitted a proposal for these additional services for $24,980. The County can further evaluate the proposed project once the requested information is compiled and submitted for review.

BUDGET IMPACT

Sufficient amounts are available in the City Capital Projects Fund budget for Myra Pump Station No. 1 design to proceed with this task order amendment.

City of Cypress, Engineering Division
5275 Orange Avenue
Cypress, CA 90630

Attention: Mr. Nick Mangkalakiri, P.E., City Engineer

Subject: Proposal for Additional Services for Myra Pump Station No. 1 PDR and Veterans Park Pump Station No. 6 Evaluation

Dear Mr. Mangkalakiri:

AKM Consulting Engineers (AKM) needs to conduct additional work on the Myra Pump Station No.1 Preliminary Design Report to determine if the Orange County Public Works/Flood Control District (County) will allow discharge of flows in excess of the current pump station capacity. This work will involve developing a new outlet structure design, meetings with the County staff, and preparation of a technical report requesting the increase in the flow. Should this request be accepted by the County, it will eliminate the need to construct a large in-line detention basin in Myra Avenue, at a significant savings in the cost of the project.

To complete this work, AKM requests a time and material budget not to exceed $24,980 as detailed in the table below:

Task	Description	Principal/ Rate	Project Engineer/Rate	Senior Engineer/Rate	Hours	Cost
		$246	$227	$209		
1	Project Management	12			12	$2,952
2	Design of Outlet to Carbon Creek Channel	8	64		72	$16,496
3	Meetings with Orage County Staff	8			8	$1,968
4	Prepare Technical Memorandum	4	4	8	16	$3,564
	Total Hours	32	68	8	108	
	Cost	$7,872	$15,436	$1,672		$24,980

We have attached our rate schedule for reference. AKM will not exceed the established budget without prior written authorization from the City of Cypress.

We appreciate the opportunity to submit this request, and look forward to being of service to the City of Cypress. If you have any questions or require additional information, please do not hesitate in contacting the undersigned.

CITY OF CYPRESS

CITY COUNCIL REPORT

City Council Regular **5.**

FROM: Peter Grant, City Manager

DATE: 02/26/2024

SUBJECT: **Authorize Electric Vehicle Charging Stations Promotional Fee Waivers**

RECOMMENDATION

Authorize the City Manager to waive electric vehicle charging station fees at City facilities to promote Earth Day and up to two additional days annually.

DISCUSSION

Promotional fee waivers or discounts for electric vehicle charging are commonly offered nationwide on Earth Day to encourage citizens to take actions to reduce their carbon footprint. The City has 16 charging stations available to the public at Lexington Park. Offering free charging days at City facilities will also promote new electric vehicle charging stations planned for the Civic Center, Community Center, Senior Center, Arnold Cypress Park and Public Works Maintenance Yard.

The electric vehicle charging fee is established as part of the City's Master Fee Schedule, which is updated annually during the budget process. The fee is $0.34/ per KWh plus $5.00/ hour after three hours. Lexington Park's 16 chargers generate fees of approximately $450 per month, which helps offset the cost of operating the equipment.

The recommendation authorizes the City Manager to offer up to three electric vehicle free charging promotions. It is estimated a free charging day at Lexington Park would result in fee waivers of less than $100 per day. Hopefully, the promotions increase awareness of the City's chargers, further reducing carbon footprints and generating more revenue.

BUDGET IMPACT

The recommendation will result in small decreases to General Fund revenues. The fee waivers associated with Lexington Park are estimated to decrease District General Fund revenues by less than $100 per promotion.

CITY COUNCIL REPORT

City Council Regular **6.**

FROM: Mark Lauderback, Chief of Police

DATE: 02/26/2024

SUBJECT: **Award On-Call Contracts for Police Department Pre-Employment Background Investigation Services**

RECOMMENDATION

Award on-call contracts for Police Department pre-employment background investigations services to RCS Investigations, Gallatin Investigations and Horsemen Investigations.

DISCUSSION

The Police Department is required to conduct pre-employment background investigations on all new employees. Due to the complexity of these investigations and the importance of remaining fair and impartial, background investigations are largely handled by outside third-party firms. The two current on-call contracts for pre-employment background investigations expire in February.

The City conducted a Request for Proposals (RFP) for on-call background investigation services and received eight responses. The three firms of RCS Investigations, Gallatin Investigations and Horsemen Investigations were rated the highest in the RFP process. RCS Investigations currently provides background investigation services to Cypress and both Gallatin Investigations and Horsemen Investigations have extensive experience providing similar services to other agencies in Southern California.

Having multiple on-call contracts provides the Police Department with a pool of resources to assist with multiple pre-employment background investigations simultaneously, and ensures police officer and civilian vacancies are filled as efficiently as possible. The City utilizes similar on-call contracts for a variety of services throughout all departments, including within the Police Department for internal affairs investigations. The initial on-call contracts are for three years with two optional one-year extensions.

There is currently $35,000 budgeted in the General Fund to conduct an average of 20-25 background investigations annually in the Police Department. Rates are set in each respective on-call contract and vary for sworn vs. non-sworn applicants. Over the past five years, the average cost to conduct a background investigation has gone up by more than

12%.

BUDGET IMPACT

The Police Department typically oversees approximately 15-25 pre-employment background investigations annually. The on-call rates charged for an individual investigation vary between sworn and non-sworn applicants, and the average cost to conduct a background investigation has increased by approximately 15% when compared to the existing on-call contracts. It is anticipated the $35,000 budgeted for pre-employment background investigations will be sufficient to pay for necessary on-call services through the end of the fiscal year.

LEGAL REVIEW

The City Attorney has approved the agreements as to form.

CITY OF CYPRESS
AGREEMENT FOR CONTRACT SERVICES FOR POLICE DEPARTMENT BACKGROUND INVESTIGATIONS

THIS AGREEMENT FOR CONTRACT SERVICES (herein "Agreement") is made and entered into this 26th day of February, 2024, by and between the CITY OF CYPRESS, a California municipal corporation ("City") and Gallatin Investigations LLC, a Limited Liability corporation, a California based company (herein "Contractor").

NOW, THEREFORE, the parties hereto agree as follows:

1. SERVICES OF CONTRACTOR

1.1 Scope of Services. In compliance with all of the terms and conditions of this Agreement, the Contractor shall perform the work or services set forth in the "Scope of Services" attached hereto as Exhibit "A" and incorporated herein by reference. Contractor warrants that it has the experience and ability to perform all work and services required hereunder and that it shall diligently perform such work and services in a professional and satisfactory manner.

1.2 Compliance With Law. All work and services rendered hereunder shall be provided in accordance with all ordinances, resolutions, statutes, rules, and regulations of the City and any Federal, State or local governmental agency of competent jurisdiction.

1.3 Licenses, Permits, Fees and Assessments. Contractor shall obtain at its sole cost and expense such licenses, permits, and approvals as may be required by law for the performance of the services required by the Agreement.

1.4 Special Requirements. Additional terms and conditions of this Agreement, if any, which are made a part hereof are set forth in the "Special Requirements" attached hereto as Exhibit "B" and incorporated herein by this reference. In the event of a conflict between the provisions of Exhibit "B" and any other provisions of this Agreement, the provisions of Exhibit "B" shall govern.

2. COMPENSATION

2.1 Contract Sum. For the services rendered pursuant to this Agreement, Contractor shall be compensated in accordance with the "Schedule of Compensation" attached hereto as Exhibit "C" and incorporated herein by this reference, but not exceeding available amounts contained in the City Council approved budget for services and purchases herein (See Exhibits "B" and C") (the "Contract Sum").

2.2 Invoices. Each month Contractor shall furnish to City an original invoice for all work performed and expenses incurred during the preceding month in a form approved by City's Director of Finance. By submitting an invoice for payment under this Agreement, Contractor is certifying compliance with all provisions of the Agreement. The invoice shall detail charges for all necessary and actual expenses by the following categories: labor (by sub-category), travel, materials, equipment, supplies, and sub-contractor contracts. Sub-contractor charges shall

also be detailed by such categories. Contractor shall not invoice City for any duplicate services performed by more than one person.

City shall independently review each invoice submitted by the Contractor to determine whether the work performed and expenses incurred are in compliance with the provisions of this Agreement. Except as to any charges for work performed or expenses incurred by Contractor which are disputed by City, City will use its best efforts to cause Contractor to be paid within forty-five (45) days of receipt of Contractor's correct and undisputed invoice; however, Contractor acknowledges and agrees that due to City warrant run procedures, the City cannot guarantee that payment will occur within this time period. In the event any charges or expenses are disputed by City, the original invoice shall be returned by City to Contractor for correction and resubmission. Review and payment by the City of any invoice provided by the Contractor shall not constitute a waiver of any rights or remedies provided herein or any applicable law.

2.3 Additional Services. City shall have the right at any time during the performance of the services, without invalidating this Agreement, to order extra work beyond that specified in the Scope of Services or make changes by altering, adding to or deducting from said work. No such extra work may be undertaken unless a written order is first given by the Contract Officer to the Contractor, incorporating therein any adjustment in (i) the Contract Sum for the actual cost of the extra work, and/or (ii) the time to perform this Agreement, which said adjustments are subject to the written approval of the Contractor. Any increase in compensation of up to ten percent (10%) of the Contract Sum but not exceeding a total contract amount of Five Thousand Dollars ($5,000) or in the time to perform of up to ninety (90) days may be approved by the Contract Officer. Any greater increases, taken either separately or cumulatively, must be approved by the City Council. No claim for an increase in the Contract Sum or time for performance shall be valid unless the procedures established in this Section are followed.

3. PERFORMANCE SCHEDULE

3.1 Time of Essence. Time is of the essence in the performance of this Agreement.

3.2 Schedule of Performance. Contractor shall commence the services pursuant to this Agreement upon receipt of a written notice to proceed and shall perform all services within the time period(s) established in the "Schedule of Performance" attached hereto as Exhibit "D" and incorporated herein by this reference. When requested by the Contractor, extensions to the time period(s) specified in the Schedule of Performance may be approved in writing by the Contract Officer but not exceeding thirty (30) days cumulatively.

3.3 Force Majeure. The time period(s) specified in the Schedule of Performance for performance of the services rendered pursuant to this Agreement shall be extended because of any delays due to unforeseeable causes beyond the control and without the fault or negligence of the Contractor, including, but not restricted to, acts of God or of the public enemy, unusually severe weather, fires, earthquakes, floods, epidemics, quarantine restrictions, riots, strikes, freight embargoes, wars, litigation, and/or acts of any governmental agency, including the City, if the Contractor shall within ten (10) days of the commencement of such delay notify the Contract Officer in writing of the causes of the delay. The Contract Officer shall ascertain the facts and the extent of delay, and extend the time for performing the services for the period of the enforced delay when and if in the judgment of the Contract Officer such delay is

justified. The Contract Officer's determination shall be final and conclusive upon the parties to this Agreement. In no event shall Contractor be entitled to recover damages against the City for any delay in the performance of this Agreement, however caused, Contractor's sole remedy being extension of the Agreement pursuant to this Section.

3.4 Term. Unless earlier terminated in accordance with Article 7 of this Agreement, this Agreement shall continue in full force and effect until completion of the services but not exceeding one (1) year from the date hereof, except as otherwise provided in the Schedule of Performance (Exhibit "D").

4. COORDINATION OF WORK

4.1 Representative of Contractor. Lisa Matteroli, Owner is hereby designated as being the representative of Contractor authorized to act on its behalf with respect to the work and services specified herein and make all decisions in connection therewith. All personnel of Contractor and any authorized agents shall be under the exclusive direction of the representative of Contractor. Contractor shall utilize only competent personnel to perform services pursuant to this Agreement. Contractor shall make every reasonable effort to maintain the stability and continuity of Contractor's staff and subcontractors, and shall keep City informed of any changes.

4.2 Contract Officer. Support Services Division Captain, or such person as may be designated by the City Manager, is hereby designated as being the representative the City authorized to act in its behalf with respect to the work and services specified herein and to make all decisions in connection therewith ("Contract Officer").

4.3 Prohibition Against Subcontracting or Assignment. Contractor shall not contract with any entity to perform in whole or in part the work or services required hereunder without the express written approval of the City. Neither this Agreement nor any interest herein may be assigned or transferred, voluntarily or by operation of law, without the prior written approval of City. Any such prohibited assignment or transfer shall be void.

4.4 Independent Contractor. Neither the City nor any of its employees shall have any control over the manner, mode or means by which Contractor, its agents or employees, perform the services required herein, except as otherwise set forth. Contractor shall perform all services required herein as an independent contractor of City with only such obligations as are consistent with that role. Contractor shall not at any time or in any manner represent that it or any of its agents or employees are agents or employees of City, or that it is a member of a joint enterprise with City.

5. INSURANCE AND INDEMNIFICATION

5.1 Insurance Coverages. The Contractor shall procure and maintain, at its sole cost and expense, in a form and content satisfactory to City, during the entire term of this Agreement including any extension thereof, the following policies of insurance which shall cover all elected and appointed officers, employees and agents of City:

(a) Commercial General Liability Insurance (Occurrence Form CG0001 or equivalent). A policy of comprehensive general liability insurance written on a per occurrence basis for bodily injury, personal injury and property damage. The policy of insurance shall be in

an amount not less than $1,000,000.00 per occurrence or if a general aggregate limit is used, either the general aggregate limit shall apply separately to this contract/location, or the general aggregate limit shall be twice the occurrence limit.

(b) Worker's Compensation Insurance. A policy of worker's compensation insurance in such amount as will fully comply with the laws of the State of California and which shall indemnify, insure and provide legal defense for the Contractor against any loss, claim or damage arising from any injuries or occupational diseases occurring to any worker employed by or any persons retained by the Contractor in the course of carrying out the work or services contemplated in this Agreement.

(c) Automotive Insurance (Form CA 0001 (Ed 1/87) including "any auto" and endorsement CA 0025 or equivalent). A policy of comprehensive automobile liability insurance written on a per occurrence for bodily injury and property damage in an amount not less than either (i) bodily injury liability limits of $100,000 per person and $300,000 per occurrence and property damage liability limits of $150,000 per occurrence or (ii) combined single limit liability of $1,000,000. Said policy shall include coverage for owned, non-owned, leased, hired cars, and any other automobile.

(d) Professional Liability. Professional liability insurance appropriate to the Contractor's profession. This coverage may be written on a "claims made" basis, and must include coverage for contractual liability. The professional liability insurance required by this Agreement must be endorsed to be applicable to claims based upon, arising out of or related to services performed under this Agreement. The insurance must be maintained for at least 5 consecutive years following the completion of Contractor's services or the termination of this Agreement. During this additional 5-year period, Contractor shall annually and upon request of the City submit written evidence of this continuous coverage.

(e) Additional Insurance. Policies of such other insurance, as may be required in the Special Requirements in Exhibit "B".

(f) Subcontractors. Contractor shall include all subcontractors as insureds under its policies or shall furnish separate certificates and certified endorsements for each subcontractor. All coverages for subcontractors shall be subject to all of the requirements stated herein.

5.2 General Insurance Requirements.

All of the above policies of insurance shall be primary insurance and shall name the City, elected and appointed officers, employees and agents as additional insureds and any insurance maintained by City or officers, employees or agents may apply in excess of, and not contribute with Contractor's insurance. The insurer is deemed hereof to waive all rights of subrogation and contribution it may have against the City, officers, employees and agents and their respective insurers. The insurance policy must specify that where the primary insured does not satisfy the self-insured retention, any additional insured may satisfy the self-insured retention. All of said policies of insurance shall provide that said insurance may not be amended or cancelled by the insurer or any party hereto without providing thirty (30) days prior written notice by certified mail return receipt requested to the City. In the event any of said policies of insurance are cancelled, the Contractor shall, prior to the cancellation date, submit new evidence of insurance in

conformance with this Section 5.1 to the Contract Officer. No work or services under this Agreement shall commence until the Contractor has provided the City with Certificates of Insurance, additional insured endorsement forms or appropriate insurance binders evidencing the above insurance coverages and said Certificates of Insurance or binders are approved by the City. City reserves the right to inspect complete, certified copies of and endorsement to all required insurance policies at any time. Any failure to comply with the reporting or other provisions of the policies including breaches or warranties shall not affect coverage provided to City.

The insurance required by this Agreement shall be satisfactory only if issued by companies qualified to do business in California, rated "A" or better in the most recent edition of Best Rating Guide, The Key Rating Guide or in the Federal Register, and only if they are of a financial category Class VII or better, unless such requirements are waived by the City's Risk Manager or other designee of the City due to unique circumstances.

5.3 Indemnification. To the full extent permitted by law, Contractor agrees to indemnify, defend and hold harmless the City, its officers, employees and agents ("Indemnified Parties") against, and will hold and save them and each of them harmless from, any and all actions, either judicial, administrative, arbitration or regulatory claims, damages to persons or property, losses, costs, penalties, obligations, errors, omissions or liabilities whether actual or threatened (herein "claims or liabilities") that may be asserted or claimed by any person, firm or entity arising out of or in connection with the negligent performance of the work, operations or activities provided herein of Contractor, its officers, employees, agents, subcontractors, or invitees, or any individual or entity for which Contractor is legally liable ("indemnitors"), or arising from Contractor's or indemnitors' reckless or willful misconduct, or arising from Contractor's or indemnitors' negligent performance of or failure to perform any term, provision, covenant or condition of this Agreement, and in connection therewith:

a. Contractor will defend any action or actions filed in connection with any of said claims or liabilities and will pay all costs and expenses, including legal costs and attorney's fees incurred in connection therewith;

b. Contractor will promptly pay any judgment rendered against the City, its officers, agents or employees for any such claims or liabilities arising out of or in connection with the negligent performance of or failure to perform such work, operations or activities of Contractor hereunder; and Contractor agrees to save and hold the City, its officers, agents, and employees harmless therefrom;

c. In the event the City, its officers, agents or employees is made a party to any action or proceeding filed or prosecuted against Contractor for such damages or other claims arising out of or in connection with the negligent performance of or failure to perform the work, operation or activities of Contractor hereunder, Contractor agrees to pay to the City, its officers, agents or employees, any and all costs and expenses incurred by the City, its officers, agents or employees in such action or proceeding, including but not limited to, legal costs and attorney's fees.

Contractor shall incorporate similar indemnity agreements with its subcontractors and if it fails to do so Contractor shall be fully responsible to indemnify City hereunder therefore, and failure of City to monitor compliance with these provisions shall not be a waiver hereof. This indemnification includes claims or liabilities arising from any negligent or wrongful act, error or

omission, or reckless or willful misconduct of Contractor in the performance of professional services hereunder. The provisions of this Section do not apply to claims or liabilities occurring as a result of City's sole negligence or willful acts or omissions, but, to the fullest extent permitted by law, shall apply to claims and liabilities resulting in part from City's negligence, except that design professionals' indemnity hereunder shall be limited to claims and liabilities arising out of the negligence, recklessness or willful misconduct of the design professional. The indemnity obligation shall be binding on successors and assigns of Contractor and shall survive termination of this Agreement.

6. RECORDS, REPORTS, AND RELEASE OF INFORMATION

6.1 Records. Contractor shall keep, and require subcontractors to keep, such ledgers, books of accounts, invoices, vouchers, canceled checks, reports, studies or other documents relating to the disbursements charged to City and services performed hereunder (the "books and records"), as shall be necessary to perform the services required by this Agreement and enable the Contract Officer to evaluate the performance of such services and shall keep such records for a period of three years following completion of the services hereunder. The Contract Officer shall have full and free access to such books and records at all times during normal business hours of City, including the right to inspect, copy, audit and make records and transcripts from such records.

6.2 Reports. Contractor shall periodically prepare and submit to the Contract Officer such reports concerning the performance of the services required by this Agreement or as the Contract Officer shall require.

6.3 Confidentiality and Release of Information.

(a) All information gained or work product produced by Contractor in performance of this Agreement shall be considered confidential, unless such information is in the public domain or already known to Contractor. Contractor shall not release or disclose any such information or work product to persons or entities other than the City without prior written authorization from the Contract Officer.

(b) Contractor shall not, without prior written authorization from the Contract Officer or unless requested by the City Attorney, voluntarily provide documents, declarations, letters of support, testimony at depositions, response to interrogatories or other information concerning the work performed under this Agreement. Response to a subpoena or court order shall not be considered "voluntary" provided Contractor gives the City notice of such court order or subpoena.

(c) If Contractor provides any information or work product in violation of this Agreement, then the City shall have the right to reimbursement and indemnity from Contractor for any damages, costs and fees, including attorney's fees, caused by or incurred as a result of Contractor's conduct.

(d) Contractor shall promptly notify the City should Contractor be served with any summons, complaint, subpoena, notice of deposition, request for documents, interrogatories, request for admissions or other discovery request, court order or subpoena from any party regarding this Agreement and the work performed thereunder. The City retains the right, but has

no obligation, to represent Contractor or be present at any deposition, hearing or similar proceeding. Contractor agrees to cooperate fully with the City and to provide the City with the opportunity to review any response to discovery requests provided by Contractor.

6.4 Ownership of Documents. All studies, surveys, data, notes, computer files, reports, records, drawings, specifications, maps, designs, photographs, documents and other materials (the "documents and materials") prepared by Contractor in the performance of this Agreement shall be the property of the City and shall be delivered to the City upon request of the Contract Officer or upon the termination of this Agreement, and Contractor shall have no claim for further employment or additional compensation as a result of the exercise by the City of its full rights of ownership use, reuse, or assignment of the documents and materials hereunder. Moreover, Contractor with respect to any documents and materials that may qualify as "works made for hire" as defined in 17 U.S.C. § 101, such documents and materials are hereby deemed "works made for hire" for the City.

7. ENFORCEMENT OF AGREEMENT AND TERMINATION

7.1 California Law. This Agreement shall be interpreted, construed and governed both as to validity and to performance of the parties in accordance with the laws of the State of California. Legal actions concerning any dispute, claim or matter arising out of or in relation to this Agreement shall be instituted in the Superior Court of the County of Orange, State of California. In the event of litigation in a U.S. District Court, venue shall lie exclusively in the Central District of California, in the County of Orange, State of California.

7.2 Disputes; Default. In the event that Contractor is in default under the terms of this Agreement, the City shall not have any obligation or duty to continue compensating Contractor for any work performed after the date of default. Instead, the City may give notice to Contractor of the default and the reasons for the default. The notice shall include the timeframe in which Contractor may cure the default. This timeframe is presumptively thirty (30) days, but may be extended, if circumstances warrant. During the period of time that Contractor is in default, the City shall hold all invoices and shall, when the default is cured, proceed with payment on the invoices. If Contractor does not cure the default, the City may take necessary steps to terminate this Agreement under this Article.

7.3 Legal Action. In addition to any other rights or remedies, either party may take legal action, in law or in equity, to cure, correct or remedy any default, to recover damages for any default, to compel specific performance of this Agreement, to obtain declaratory or injunctive relief, or to obtain any other remedy consistent with the purposes of this Agreement. Notwithstanding any contrary provision herein, Contractor shall file a statutory claim pursuant to Government Code Sections 905 et. seq. and 910 et. seq., in order to pursue any legal action under this Agreement.

Except with respect to rights and remedies expressly declared to be exclusive in this Agreement, the rights and remedies of the parties are cumulative and the exercise by either party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other party.

7.4 Termination Prior to Expiration of Term. This Section shall govern any termination of this Contract except as specifically provided in the following Section for termination for cause. The City reserves the right to terminate this Contract at any time, with or without cause, upon written notice to Contractor. In addition, the Contractor may terminate this Contract at any time for cause, upon sixty (60) days' advance written notice to City. Upon receipt of any notice of termination, Contractor shall immediately cease all services hereunder except such as may be specifically approved by the Contract Officer. Except where the Contractor has initiated termination, the Contractor shall be entitled to compensation for all services rendered prior to the effective date of the notice of termination and for any services authorized by the Contract Officer thereafter in accordance with the Schedule of Compensation or such as may be approved by the Contract Officer. In the event the Contractor has initiated termination, the Contractor shall be entitled to compensation only for the reasonable value of the work product actually produced hereunder, but not exceeding the compensation provided therefore in the Schedule of Compensation Exhibit "C". In the event of termination without cause pursuant to this Section, the terminating party need not provide the non-terminating party with the opportunity to cure pursuant to Section 7.2.

7.5 Termination for Default of Contractor. If termination is due to the failure of the Contractor to fulfill its obligations under this Agreement, City may, after compliance with the provisions of Section 7.2, take over the work and prosecute the same to completion by contract or otherwise, and the Contractor shall be liable to the extent that the total cost for completion of the services required hereunder exceeds the compensation herein stipulated (provided that the City shall use reasonable efforts to mitigate such damages), and City may withhold any payments to the Contractor for the purpose of set-off or partial payment of the amounts owed the City as previously stated.

8. MISCELLANEOUS

8.1 Covenant Against Discrimination. Contractor covenants that, by and for itself, its heirs, executors, assigns and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of race, color, creed, religion, sex, gender, sexual orientation, marital status, national origin, ancestry, or other protected class in the performance of this Agreement. Contractor shall take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to their race, color, creed, religion, sex, gender, sexual orientation, marital status, national origin, ancestry, or other protected class

8.2 Non-liability of City Officers and Employees. No officer or employee of the City shall be personally liable to the Contractor, or any successor in interest, in the event of any default or breach by the City or for any amount, which may become due to the Contractor or to its successor, or for breach of any obligation of the terms of this Agreement.

8.3 Notice. Any notice, demand, request, document, consent, approval, or communication either party desires or is required to give to the other party or any other person shall be in writing and either served personally or sent by prepaid, first-class mail, in the case of the City, to the City Manager and to the attention of the Contract Officer (with her/his name and City title), City of Cypress, 5275 Orange Avenue, Cypress, California 90630 and in the case of the Contractor, to the person(s) at the address designated on the execution page of this Agreement.

Either party may change its address by notifying the other party of the change of address in writing. Notice shall be deemed communicated at the time personally delivered or in seventy-two (72) hours from the time of mailing if mailed as provided in this Section.

8.4 Integration; Amendment. It is understood that there are no oral agreements between the parties hereto affecting this Agreement and this Agreement supersedes and cancels any and all previous negotiations, arrangements, agreements and understandings, if any, between the parties, and none shall be used to interpret this Agreement. This Agreement may be amended at any time by the mutual consent of the parties by an instrument in writing.

8.5 Severability. In the event that part of this Agreement shall be declared invalid or unenforceable by a valid judgment or decree of a court of competent jurisdiction, such invalidity or unenforceability shall not affect any of the remaining portions of this Agreement which are hereby declared as severable and shall be interpreted to carry out the intent of the parties hereunder unless the invalid provision is so material that its invalidity deprives either party of the basic benefit of their bargain or renders this Agreement meaningless.

8.6 Waiver. No delay or omission in the exercise of any right or remedy by non-defaulting party on any default shall impair such right or remedy or be construed as a waiver. A party's consent to or approval of any act by the other party requiring the party's consent or approval shall not be deemed to waive or render unnecessary the other party's consent to or approval of any subsequent act. Any waiver by either party of any default must be in writing and shall not be a waiver of any other default concerning the same or any other provision of this Agreement.

8.7 Attorney's Fees. If either party to this Agreement is required to initiate or defend or made a party to any action or proceeding in any way connected with this Agreement, the prevailing party in such action or proceeding, in addition to any other relief which any be granted, whether legal or equitable, shall be entitled to reasonable attorney's fees, whether or not the matter proceeds to judgment.

8.8 Interpretation.

The terms of this Agreement shall be construed in accordance with the meaning of the language used and shall not be construed for or against either party by reason of the authorship of this Agreement or any other rule of construction which might otherwise apply.

8.9 Counterparts.

This Agreement may be executed in counterparts, each of which shall be deemed to be an original, and such counterparts shall constitute one and the same instrument.

8.10 Warranty & Representation of Non-Collusion. No official, officer, or employee of City has any financial interest, direct or indirect, in this Agreement, nor shall any official, officer, or employee of City participate in any decision relating to this Agreement which may affect his/her financial interest or the financial interest of any corporation, partnership, or association in which (s)he is directly or indirectly interested, or in violation of any corporation, partnership, or association in which (s)he is directly or indirectly interested, or in violation of any State or municipal statute or regulation. The determination of "financial interest" shall be

consistent with State law and shall not include interests found to be "remote" or "noninterests" pursuant to Government Code Sections 1091 or 1091.5. Contractor warrants and represents that it has not paid or given, and will not pay or give, to any third party including, but not limited to, any City official, officer, or employee, any money, consideration, or other thing of value as a result or consequence of obtaining or being awarded any agreement. Contractor further warrants and represents that (s)he/it has not engaged in any act(s), omission(s), or other conduct or collusion that would result in the payment of any money, consideration, or other thing of value to any third party including, but not limited to, any City official, officer, or employee, as a result of consequence of obtaining or being awarded any agreement. Contractor is aware of and understands that any such act(s), omission(s) or other conduct resulting in such payment of money, consideration, or other thing of value will render this Agreement void and of no force or effect.

Contractor's Authorized Initials

The persons executing this Agreement on behalf of the parties hereto warrant that (i) such party is duly organized and existing, (ii) they are duly authorized to execute and deliver this Agreement on behalf of said party, (iii) by so executing this Agreement, such party is formally bound to the provisions of this Agreement, and (iv) the entering into this Agreement does not violate any provision of any other Agreement to which said party is bound. CITY OF CYPRESS
AGREEMENT FOR CONTRACT SERVICES FOR POLICE DEPARTMENT BACKGROUND INVESTIGATIONS

THIS AGREEMENT FOR CONTRACT SERVICES (herein "Agreement") is made and entered into this 26th day of February, 2024, by and between the CITY OF CYPRESS, a California municipal corporation ("City") and RCS Investigations & Consulting, a Limited Liability corporation, a California based company (herein "Contractor").

NOW, THEREFORE, the parties hereto agree as follows:

1. SERVICES OF CONTRACTOR

1.1 Scope of Services. In compliance with all of the terms and conditions of this Agreement, the Contractor shall perform the work or services set forth in the "Scope of Services" attached hereto as Exhibit "A" and incorporated herein by reference. Contractor warrants that it has the experience and ability to perform all work and services required hereunder and that it shall diligently perform such work and services in a professional and satisfactory manner.

1.2 Compliance With Law. All work and services rendered hereunder shall be provided in accordance with all ordinances, resolutions, statutes, rules, and regulations of the City and any Federal, State or local governmental agency of competent jurisdiction.

1.3 Licenses, Permits, Fees and Assessments. Contractor shall obtain at its sole cost and expense such licenses, permits, and approvals as may be required by law for the performance of the services required by the Agreement.

1.4 Special Requirements. Additional terms and conditions of this Agreement, if any, which are made a part hereof are set forth in the "Special Requirements" attached hereto as Exhibit "B" and incorporated herein by this reference. In the event of a conflict between the provisions of Exhibit "B" and any other provisions of this Agreement, the provisions of Exhibit "B" shall govern.

2. COMPENSATION

2.1 Contract Sum. For the services rendered pursuant to this Agreement, Contractor shall be compensated in accordance with the "Schedule of Compensation" attached hereto as Exhibit "C" and incorporated herein by this reference, but not exceeding available amounts contained in the City Council approved budget for services and purchases herein (See Exhibits "B" and C") (the "Contract Sum").

2.2 Invoices. Each month Contractor shall furnish to City an original invoice for all work performed and expenses incurred during the preceding month in a form approved by City's Director of Finance. By submitting an invoice for payment under this Agreement, Contractor is certifying compliance with all provisions of the Agreement. The invoice shall detail charges for all necessary and actual expenses by the following categories: labor (by sub-category), travel, materials, equipment, supplies, and sub-contractor contracts. Sub-contractor charges shall

also be detailed by such categories. Contractor shall not invoice City for any duplicate services performed by more than one person.

City shall independently review each invoice submitted by the Contractor to determine whether the work performed and expenses incurred are in compliance with the provisions of this Agreement. Except as to any charges for work performed or expenses incurred by Contractor which are disputed by City, City will use its best efforts to cause Contractor to be paid within forty-five (45) days of receipt of Contractor's correct and undisputed invoice; however, Contractor acknowledges and agrees that due to City warrant run procedures, the City cannot guarantee that payment will occur within this time period. In the event any charges or expenses are disputed by City, the original invoice shall be returned by City to Contractor for correction and resubmission. Review and payment by the City of any invoice provided by the Contractor shall not constitute a waiver of any rights or remedies provided herein or any applicable law.

2.3 Additional Services. City shall have the right at any time during the performance of the services, without invalidating this Agreement, to order extra work beyond that specified in the Scope of Services or make changes by altering, adding to or deducting from said work. No such extra work may be undertaken unless a written order is first given by the Contract Officer to the Contractor, incorporating therein any adjustment in (i) the Contract Sum for the actual cost of the extra work, and/or (ii) the time to perform this Agreement, which said adjustments are subject to the written approval of the Contractor. Any increase in compensation of up to ten percent (10%) of the Contract Sum but not exceeding a total contract amount of Five Thousand Dollars ($5,000) or in the time to perform of up to ninety (90) days may be approved by the Contract Officer. Any greater increases, taken either separately or cumulatively, must be approved by the City Council. The Contract Officer shall ascertain the facts and the extent of delay, and extend the time for performing the services for the period of the enforced delay when and if in the judgment of the Contract Officer such delay is

justified. The Contract Officer's determination shall be final and conclusive upon the parties to this Agreement. In no event shall Contractor be entitled to recover damages against the City for any delay in the performance of this Agreement, however caused, Contractor's sole remedy being extension of the Agreement pursuant to this Section.

3.4 Term. Unless earlier terminated in accordance with Article 7 of this Agreement, this Agreement shall continue in full force and effect until completion of the services but not exceeding one (1) year from the date hereof, except as otherwise provided in the Schedule of Performance (Exhibit "D").

Neither the City nor any of its employees shall have any control over the manner, mode or means by which Contractor, its agents or employees, perform the services required herein, except as otherwise set forth. The Contractor shall procure and maintain, at its sole cost and expense, in a form and content satisfactory to City, during the entire term of this Agreement including any extension thereof, the following policies of insurance which shall cover all elected and appointed officers, employees and agents of City:

Said policy shall include coverage for owned, non-owned, leased, hired cars, and any other automobile.

(d) Professional Liability. Professional liability insurance appropriate to the Contractor's profession. This coverage may be written on a "claims made" basis, and must include coverage for contractual liability. The professional liability insurance required by this Agreement must be endorsed to be applicable to claims based upon, arising out of or related to services performed under this Agreement. The insurance must be maintained for at least 5 consecutive years following the completion of Contractor's services or the termination of this Agreement. During this additional 5-year period, Contractor shall annually and upon request of the City submit written evidence of this continuous coverage.

(e) Additional Insurance. Policies of such other insurance, as may be required in the Special Requirements in Exhibit "B".

(f) Subcontractors. Contractor shall include all subcontractors as insureds under its policies or shall furnish separate certificates and certified endorsements for each subcontractor. All coverages for subcontractors shall be subject to all of the requirements stated herein.

5.2 General Insurance Requirements.

All of the above policies of insurance shall be primary insurance and shall name the City, elected and appointed officers, employees and agents as additional insureds and any insurance maintained by City or officers, employees or agents may apply in excess of, and not contribute with Contractor's insurance. The insurer is deemed hereof to waive all rights of subrogation and contribution it may have against the City, officers, employees and agents and their respective insurers. The insurance policy must specify that where the primary insured does not satisfy the self-insured retention, any additional insured may satisfy the self-insured retention. All of said policies of insurance shall provide that said insurance may not be amended or cancelled by the insurer or any party hereto without providing thirty (30) days prior written notice by certified mail return receipt requested to the City. In the event any of said policies of insurance are cancelled, the Contractor shall, prior to the cancellation date, submit new evidence of insurance in

conformance with this Section 5.1 to the Contract Officer. No work or services under this Agreement shall commence until the Contractor has provided the City with Certificates of Insurance, additional insured endorsement forms or appropriate insurance binders evidencing the above insurance coverages and said Certificates of Insurance or binders are approved by the City. City reserves the right to inspect complete, certified copies of and endorsement to all required insurance policies at any time. Any failure to comply with the reporting or other provisions of the policies including breaches or warranties shall not affect coverage provided to City.

The insurance required by this Agreement shall be satisfactory only if issued by companies qualified to do business in California, rated "A" or better in the most recent edition of Best Rating Guide, The Key Rating Guide or in the Federal Register, and only if they are of a financial category Class VII or better, unless such requirements are waived by the City's Risk Manager or other designee of the City due to unique circumstances.

5.3 Indemnification. To the full extent permitted by law, Contractor agrees to indemnify, defend and hold harmless the City, its officers, employees and agents ("Indemnified Parties") against, and will hold and save them and each of them harmless from, any and all actions, either judicial, administrative, arbitration or regulatory claims, damages to persons or property, losses, costs, penalties, obligations, errors, omissions or liabilities whether actual or threatened (herein "claims or liabilities") that may be asserted or claimed by any person, firm or entity arising out of or in connection with the negligent performance of the work, operations or activities provided herein of Contractor, its officers, employees, agents, subcontractors, or invitees, or any individual or entity for which Contractor is legally liable ("indemnitors"), or arising from Contractor's or indemnitors' reckless or willful misconduct, or arising from Contractor's or indemnitors' negligent performance of or failure to perform any term, provision, covenant or condition of this Agreement, and in connection therewith:

a. Contractor will defend any action or actions filed in connection with any of said claims or liabilities and will pay all costs and expenses, including legal costs and attorney's fees incurred in connection therewith;

b. Contractor will promptly pay any judgment rendered against the City, its officers, agents or employees for any such claims or liabilities arising out of or in connection with the negligent performance of or failure to perform such work, operations or activities of Contractor hereunder; and Contractor agrees to save and hold the City, its officers, agents, and employees harmless therefrom;

c. In the event the City, its officers, agents or employees is made a party to any action or proceeding filed or prosecuted against Contractor for such damages or other claims arising out of or in connection with the negligent performance of or failure to perform the work, operation or activities of Contractor hereunder, Contractor agrees to pay to the City, its officers, agents or employees, any and all costs and expenses incurred by the City, its officers, agents or employees in such action or proceeding, including but not limited to, legal costs and attorney's fees.

Contractor shall incorporate similar indemnity agreements with its subcontractors and if it fails to do so Contractor shall be fully responsible to indemnify City hereunder therefore, and failure of City to monitor compliance with these provisions shall not be a waiver hereof. This indemnification includes claims or liabilities arising from any negligent or wrongful act, error or

omission, or reckless or willful misconduct of Contractor in the performance of professional services hereunder. The provisions of this Section do not apply to claims or liabilities occurring as a result of City's sole negligence or willful acts or omissions, but, to the fullest extent permitted by law, shall apply to claims and liabilities resulting in part from City's negligence, except that design professionals' indemnity hereunder shall be limited to claims and liabilities arising out of the negligence, recklessness or willful misconduct of the design professional. The indemnity obligation shall be binding on successors and assigns of Contractor and shall survive termination of this Agreement.

6. RECORDS, REPORTS, AND RELEASE OF INFORMATION

6.1 Records. Contractor shall keep, and require subcontractors to keep, such ledgers, books of accounts, invoices, vouchers, canceled checks, reports, studies or other documents relating to the disbursements charged to City and services performed hereunder (the "books and records"), as shall be necessary to perform the services required by this Agreement and enable the Contract Officer to evaluate the performance of such services and shall keep such records for a period of three years following completion of the services hereunder. The Contract Officer shall have full and free access to such books and records at all times during normal business hours of City, including the right to inspect, copy, audit and make records and transcripts from such records.

6.2 Reports. Contractor shall periodically prepare and submit to the Contract Officer such reports concerning the performance of the services required by this Agreement or as the Contract Officer shall require.

6.3 Confidentiality and Release of Information.

(a) All information gained or work product produced by Contractor in performance of this Agreement shall be considered confidential, unless such information is in the public domain or already known to Contractor. Contractor shall not release or disclose any such information or work product to persons or entities other than the City without prior written authorization from the Contract Officer.

(b) Contractor shall not, without prior written authorization from the Contract Officer or unless requested by the City Attorney, voluntarily provide documents, declarations, letters of support, testimony at depositions, response to interrogatories or other information concerning the work performed under this Agreement. Response to a subpoena or court order shall not be considered "voluntary" provided Contractor gives the City notice of such court order or subpoena.

(c) If Contractor provides any information or work product in violation of this Agreement, then the City shall have the right to reimbursement and indemnity from Contractor for any damages, costs and fees, including attorney's fees, caused by or incurred as a result of Contractor's conduct.

(d) Contractor shall promptly notify the City should Contractor be served with any summons, complaint, subpoena, notice of deposition, request for documents, interrogatories, request for admissions or other discovery request, court order or subpoena from any party regarding this Agreement and the work performed thereunder. The City retains the right, but has

no obligation, to represent Contractor or be present at any deposition, hearing or similar proceeding. Contractor agrees to cooperate fully with the City and to provide the City with the opportunity to review any response to discovery requests provided by Contractor.

6.4 Ownership of Documents. All studies, surveys, data, notes, computer files, reports, records, drawings, specifications, maps, designs, photographs, documents and other materials (the "documents and materials") prepared by Contractor in the performance of this Agreement shall be the property of the City and shall be delivered to the City upon request of the Contract Officer or upon the termination of this Agreement, and Contractor shall have no claim for further employment or additional compensation as a result of the exercise by the City of its full rights of ownership use, reuse, or assignment of the documents and materials hereunder. Moreover, Contractor with respect to any documents and materials that may qualify as "works made for hire" as defined in 17 U.S.C. § 101, such documents and materials are hereby deemed "works made for hire" for the City.

7. ENFORCEMENT OF AGREEMENT AND TERMINATION

7.1 California Law. This Agreement shall be interpreted, construed and governed both as to validity and to performance of the parties in accordance with the laws of the State of California. Legal actions concerning any dispute, claim or matter arising out of or in relation to this Agreement shall be instituted in the Superior Court of the County of Orange, State of California. In the event of litigation in a U.S. District Court, venue shall lie exclusively in the Central District of California, in the County of Orange, State of California.

7.2 Disputes; Default. In the event that Contractor is in default under the terms of this Agreement, the City shall not have any obligation or duty to continue compensating Contractor for any work performed after the date of default. Instead, the City may give notice to Contractor of the default and the reasons for the default. The notice shall include the timeframe in which Contractor may cure the default. This timeframe is presumptively thirty (30) days, but may be extended, if circumstances warrant. During the period of time that Contractor is in default, the City shall hold all invoices and shall, when the default is cured, proceed with payment on the invoices. If Contractor does not cure the default, the City may take necessary steps to terminate this Agreement under this Article.

7.3 Legal Action. In addition to any other rights or remedies, either party may take legal action, in law or in equity, to cure, correct or remedy any default, to recover damages for any default, to compel specific performance of this Agreement, to obtain declaratory or injunctive relief, or to obtain any other remedy consistent with the purposes of this Agreement. Notwithstanding any contrary provision herein, Contractor shall file a statutory claim pursuant to Government Code Sections 905 et. seq. and 910 et. seq., in order to pursue any legal action under this Agreement.

Except with respect to rights and remedies expressly declared to be exclusive in this Agreement, the rights and remedies of the parties are cumulative and the exercise by either party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other party.

7.4 Termination Prior to Expiration of Term. This Section shall govern any termination of this Contract except as specifically provided in the following Section for termination for cause. The City reserves the right to terminate this Contract at any time, with or without cause, upon written notice to Contractor. In addition, the Contractor may terminate this Contract at any time for cause, upon sixty (60) days' advance written notice to City. Upon receipt of any notice of termination, Contractor shall immediately cease all services hereunder except such as may be specifically approved by the Contract Officer. Except where the Contractor has initiated termination, the Contractor shall be entitled to compensation for all services rendered prior to the effective date of the notice of termination and for any services authorized by the Contract Officer thereafter in accordance with the Schedule of Compensation or such as may be approved by the Contract Officer. In the event the Contractor has initiated termination, the Contractor shall be entitled to compensation only for the reasonable value of the work product actually produced hereunder, but not exceeding the compensation provided therefore in the Schedule of Compensation Exhibit "C". In the event of termination without cause pursuant to this Section, the terminating party need not provide the non-terminating party with the opportunity to cure pursuant to Section 7.2.

7.5 Termination for Default of Contractor. If termination is due to the failure of the Contractor to fulfill its obligations under this Agreement, City may, after compliance with the provisions of Section 7.2, take over the work and prosecute the same to completion by contract or otherwise, and the Contractor shall be liable to the extent that the total cost for completion of the services required hereunder exceeds the compensation herein stipulated (provided that the City shall use reasonable efforts to mitigate such damages), and City may withhold any payments to the Contractor for the purpose of set-off or partial payment of the amounts owed the City as previously stated.

8. MISCELLANEOUS

8.1 Covenant Against Discrimination. Contractor covenants that, by and for itself, its heirs, executors, assigns and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of race, color, creed, religion, sex, gender, sexual orientation, marital status, national origin, ancestry, or other protected class in the performance of this Agreement. Contractor shall take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to their race, color, creed, religion, sex, gender, sexual orientation, marital status, national origin, ancestry, or other protected class

8.3 Notice. Any notice, demand, request, document, consent, approval, or communication either party desires or is required to give to the other party or any other person shall be in writing and either served personally or sent by prepaid, first-class mail, in the case of the City, to the City Manager and to the attention of the Contract Officer (with her/his name and City title), City of Cypress, 5275 Orange Avenue, Cypress, California 90630 and in the case of the Contractor, to the person(s) at the address designated on the execution page of this Agreement.

This Agreement may be amended at any time by the mutual consent of the parties by an instrument in writing.

8.5 Severability. In the event that part of this Agreement shall be declared invalid or unenforceable by a valid judgment or decree of a court of competent jurisdiction, such invalidity or unenforceability shall not affect any of the remaining portions of this Agreement which are hereby declared as severable and shall be interpreted to carry out the intent of the parties hereunder unless the invalid provision is so material that its invalidity deprives either party of the basic benefit of their bargain or renders this Agreement meaningless.

8.6 Waiver. No delay or omission in the exercise of any right or remedy by non-defaulting party on any default shall impair such right or remedy or be construed as a waiver. A party's consent to or approval of any act by the other party requiring the party's consent or approval shall not be deemed to waive or render unnecessary the other party's consent to or approval of any subsequent act. Any waiver by either party of any default must be in writing and shall not be a waiver of any other default concerning the same or any other provision of this Agreement.

8.7 Attorney's Fees. If either party to this Agreement is required to initiate or defend or made a party to any action or proceeding in any way connected with this Agreement, the prevailing party in such action or proceeding, in addition to any other relief which any be granted, whether legal or equitable, shall be entitled to reasonable attorney's fees, whether or not the matter proceeds to judgment.

8.8 Interpretation.

The terms of this Agreement shall be construed in accordance with the meaning of the language used and shall not be construed for or against either party by reason of the authorship of this Agreement or any other rule of construction which might otherwise apply.

8.9 Counterparts.

This Agreement may be executed in counterparts, each of which shall be deemed to be an original, and such counterparts shall constitute one and the same instrument.

8.10 Warranty & Representation of Non-Collusion. No official, officer, or employee of City has any financial interest, direct or indirect, in this Agreement, nor shall any official, officer, or employee of City participate in any decision relating to this Agreement which may affect his/her financial interest or the financial interest of any corporation, partnership, or association in which (s)he is directly or indirectly interested, or in violation of any corporation, partnership, or association in which (s)he is directly or indirectly interested, or in violation of any State or municipal statute or regulation. The determination of "financial interest" shall be

Contractor warrants and represents that it has not paid or given, and will not pay or give, to any third party including, but not limited to, any City official, officer, or employee, any money, consideration, or other thing of value as a result or consequence of obtaining or being awarded any agreement. Contractor further warrants and represents that (s)he/it has not engaged in any act(s), omission(s), or other conduct or collusion that would result in the payment of any money, consideration, or other thing of value to any third party including, but not limited to, any City official, officer, or employee, as a result of consequence of obtaining or being awarded any agreement. Contractor is aware of and understands that any such act(s), omission(s) or other conduct resulting in such payment of money, consideration, or other thing of value will render this Agreement void and of no force or effect.

NOW, THEREFORE, the parties hereto agree as follows:

1. SERVICES OF CONTRACTOR

In compliance with all of the terms and conditions of this Agreement, the Contractor shall perform the work or services set forth in the "Scope of Services" attached hereto as Exhibit "A" and incorporated herein by reference. Contractor warrants that it has the experience and ability to perform all work and services required hereunder and that it shall diligently perform such work and services in a professional and satisfactory manner.

1.4 Special Requirements. Additional terms and conditions of this Agreement, if any, which are made a part hereof are set forth in the "Special Requirements" attached hereto as Exhibit "B" and incorporated herein by this reference. In the event of a conflict between the provisions of Exhibit "B" and any other provisions of this Agreement, the provisions of Exhibit "B" shall govern.

2. COMPENSATION

2.1 Contract Sum. For the services rendered pursuant to this Agreement, Contractor shall be compensated in accordance with the "Schedule of Compensation" attached hereto as Exhibit "C" and incorporated herein by this reference, but not exceeding available amounts contained in the City Council approved budget for services and purchases herein (See Exhibits "B" and C") (the "Contract Sum").

By submitting an invoice for payment under this Agreement, Contractor is certifying compliance with all provisions of the Agreement. Sub-contractor charges shall

also be detailed by such categories. Contractor shall not invoice City for any duplicate services performed by more than one person.

City shall independently review each invoice submitted by the Contractor to determine whether the work performed and expenses incurred are in compliance with the provisions of this Agreement. In the event any charges or expenses are disputed by City, the original invoice shall be returned by City to Contractor for correction and resubmission. Review and payment by the City of any invoice provided by the Contractor shall not constitute a waiver of any rights or remedies provided herein or any applicable law.

2.3 Additional Services. City shall have the right at any time during the performance of the services, without invalidating this Agreement, to order extra work beyond that specified in the Scope of Services or make changes by altering, adding to or deducting from said work. The Contract Officer shall ascertain the facts and the extent of delay, and extend the time for performing the services for the period of the enforced delay when and if in the judgment of the Contract Officer such delay is

justified. The Contract Officer's determination shall be final and conclusive upon the parties to this Agreement. In no event shall Contractor be entitled to recover damages against the City for any delay in the performance of this Agreement, however caused, Contractor's sole remedy being extension of the Agreement pursuant to this Section.

3.4 Term. Unless earlier terminated in accordance with Article 7 of this Agreement, this Agreement shall continue in full force and effect until completion of the services but not exceeding one (1) year from the date hereof, except as otherwise provided in the Schedule of Performance (Exhibit "D").

5.2 General Insurance Requirements.

All of the above policies of insurance shall be primary insurance and shall name the City, elected and appointed officers, employees and agents as additional insureds and any insurance maintained by City or officers, employees or agents may apply in excess of, and not contribute with Contractor's insurance. The insurer is deemed hereof to waive all rights of subrogation and contribution it may have against the City, officers, employees and agents and their respective insurers. The insurance policy must specify that where the primary insured does not satisfy the self-insured retention, any additional insured may satisfy the self-insured retention. All of said policies of insurance shall provide that said insurance may not be amended or cancelled by the insurer or any party hereto without providing thirty (30) days prior written notice by certified mail return receipt requested to the City. In the event any of said policies of insurance are cancelled,

the Contractor shall, prior to the cancellation date, submit new evidence of insurance in conformance with this Section 5.1 to the Contract Officer. No work or services under this Agreement shall commence until the Contractor has provided the City with Certificates of Insurance, additional insured endorsement forms or appropriate insurance binders evidencing the above insurance coverages and said Certificates of Insurance or binders are approved by the City. City reserves the right to inspect complete, certified copies of and endorsement to all required insurance policies at any time. Any failure to comply with the reporting or other provisions of the policies including breaches or warranties shall not affect coverage provided to City.

The insurance required by this Agreement shall be satisfactory only if issued by companies qualified to do business in California, rated "A" or better in the most recent edition of Best Rating Guide, The Key Rating Guide or in the Federal Register, and only if they are of a financial category Class VII or better, unless such requirements are waived by the City's Risk Manager or other designee of the City due to unique circumstances.

5.3 Indemnification. To the full extent permitted by law, Contractor agrees to indemnify, defend and hold harmless the City, its officers, employees and agents ("Indemnified Parties") against, and will hold and save them and each of them harmless from, any and all actions, either judicial, administrative, arbitration or regulatory claims, damages to persons or property, losses, costs, penalties, obligations, errors, omissions or liabilities whether actual or threatened (herein "claims or liabilities") that may be asserted or claimed by any person, firm or entity arising out of or in connection with the negligent performance of the work, operations or activities provided herein of Contractor, its officers, employees, agents, subcontractors, or invitees, or any individual or entity for which Contractor is legally liable ("indemnitors"), or arising from Contractor's or indemnitors' reckless or willful misconduct, or arising from Contractor's or indemnitors' negligent performance of or failure to perform any term, provision, covenant or condition of this Agreement, and in connection therewith:

a. Contractor will defend any action or actions filed in connection with any of said claims or liabilities and will pay all costs and expenses, including legal costs and attorney's fees incurred in connection therewith;

b. Contractor will promptly pay any judgment rendered against the City, its officers, agents or employees for any such claims or liabilities arising out of or in connection with the negligent performance of or failure to perform such work, operations or activities of Contractor hereunder; and Contractor agrees to save and hold the City, its officers, agents, and employees harmless therefrom;

c. In the event the City, its officers, agents or employees is made a party to any action or proceeding filed or prosecuted against Contractor for such damages or other claims arising out of or in connection with the negligent performance of or failure to perform the work, operation or activities of Contractor hereunder, Contractor agrees to pay to the City, its officers, agents or employees, any and all costs and expenses incurred by the City, its officers, agents or employees in such action or proceeding, including but not limited to, legal costs and attorney's fees.

Contractor shall incorporate similar indemnity agreements with its subcontractors and if it fails to do so Contractor shall be fully responsible to indemnify City hereunder therefore, and failure of City to monitor compliance with these provisions shall not be a waiver hereof. This

indemnification includes claims or liabilities arising from any negligent or wrongful act, error or omission, or reckless or willful misconduct of Contractor in the performance of professional services hereunder. The provisions of this Section do not apply to claims or liabilities occurring as a result of City's sole negligence or willful acts or omissions, but, to the fullest extent permitted by law, shall apply to claims and liabilities resulting in part from City's negligence, except that design professionals' indemnity hereunder shall be limited to claims and liabilities arising out of the negligence, recklessness or willful misconduct of the design professional. The indemnity obligation shall be binding on successors and assigns of Contractor and shall survive termination of this Agreement.

6. RECORDS, REPORTS, AND RELEASE OF INFORMATION

6.1 Records. Contractor shall keep, and require subcontractors to keep, such ledgers, books of accounts, invoices, vouchers, canceled checks, reports, studies or other documents relating to the disbursements charged to City and services performed hereunder (the "books and records"), as shall be necessary to perform the services required by this Agreement and enable the Contract Officer to evaluate the performance of such services and shall keep such records for a period of three years following completion of the services hereunder. regarding this Agreement and the work performed thereunder. The City retains the right, but has no obligation, to represent Contractor or be present at any deposition, hearing or similar proceeding. Contractor agrees to cooperate fully with the City and to provide the City with the opportunity to review any response to discovery requests provided by Contractor.

6.4 Ownership of Documents. All studies, surveys, data, notes, computer files, reports, records, drawings, specifications, maps, designs, photographs, documents and other materials (the "documents and materials") prepared by Contractor in the performance of this Agreement shall be the property of the City and shall be delivered to the City upon request of the Contract Officer or upon the termination of this Agreement, and Contractor shall have no claim for further employment or additional compensation as a result of the exercise by the City of its full rights of ownership use, reuse, or assignment of the documents and materials hereunder. In the event of litigation in a U.S. District Court, venue shall lie exclusively in the Central District of California, in the County of Orange, State of California.

7.2 Disputes; Default. Instead, the City may give notice to Contractor of the default and the reasons for the default. The notice shall include the timeframe in which Contractor may cure the default. This timeframe is presumptively thirty (30) days, but may be extended, if circumstances warrant. During the period of time that Contractor is in default, the City shall hold all invoices and shall, when the default is cured, proceed with payment on the invoices. Except with respect to rights and remedies expressly declared to be exclusive in this Agreement, the rights and remedies of the parties are cumulative and the exercise by either party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other party.

7.4 Termination Prior to Expiration of Term. This Section shall govern any termination of this Contract except as specifically provided in the following Section for termination for cause. The City reserves the right to terminate this Contract at any time, with or without cause, upon written notice to Contractor. In addition, the Contractor may terminate this Contract at any time for cause, upon sixty (60) days' advance written notice to City. Upon receipt of any notice of termination, Contractor shall immediately cease all services hereunder except such as may be specifically approved by the Contract Officer. Except where the Contractor has initiated termination, the Contractor shall be entitled to compensation for all services rendered prior to the effective date of the notice of termination and for any services authorized by the Contract Officer thereafter in accordance with the Schedule of Compensation or such as may be approved by the Contract Officer. In the event the Contractor has initiated termination, the Contractor shall be entitled to compensation only for the reasonable value of the work product actually produced hereunder, but not exceeding the compensation provided therefore in the Schedule of Compensation Exhibit "C". In the event of termination without cause pursuant to this Section, the terminating party need not provide the non-terminating party with the opportunity to cure pursuant to Section 7.2.

7.5 Termination for Default of Contractor. If termination is due to the failure of the Contractor to fulfill its obligations under this Agreement, City may, after compliance with the provisions of Section 7.2, take over the work and prosecute the same to completion by contract or otherwise, and the Contractor shall be liable to the extent that the total cost for completion of the services required hereunder exceeds the compensation herein stipulated (provided that the City shall use reasonable efforts to mitigate such damages), and City may withhold any payments to the Contractor for the purpose of set-off or partial payment of the amounts owed the City as previously stated.

8. MISCELLANEOUS

Any notice, demand, request, document, consent, approval, or communication either party desires or is required to give to the other party or any other person shall be in writing and either served personally or sent by prepaid, first-class mail, in the case of the City, to the City Manager and to the attention of the Contract Officer (with her/his name and City title), City of Cypress, 5275 Orange Avenue, Cypress, California 90630 and in the case of the Contractor, to the person(s) at the address designated on the execution page of this Agreement.

This Agreement may be amended at any time by the mutual consent of the parties by an instrument in writing.

8.5 Severability. In the event that part of this Agreement shall be declared invalid or unenforceable by a valid judgment or decree of a court of competent jurisdiction, such invalidity or unenforceability shall not affect any of the remaining portions of this Agreement which are hereby declared as severable and shall be interpreted to carry out the intent of the parties hereunder unless the invalid provision is so material that its invalidity deprives either party of the basic benefit of their bargain or renders this Agreement meaningless.

8.6 Waiver. No delay or omission in the exercise of any right or remedy by non-defaulting party on any default shall impair such right or remedy or be construed as a waiver. A party's consent to or approval of any act by the other party requiring the party's consent or approval shall not be deemed to waive or render unnecessary the other party's consent to or approval of any subsequent act. Any waiver by either party of any default must be in writing and shall not be a waiver of any other default concerning the same or any other provision of this Agreement.

8.7 Attorney's Fees. If either party to this Agreement is required to initiate or defend or made a party to any action or proceeding in any way connected with this Agreement, the prevailing party in such action or proceeding, in addition to any other relief which any be granted, whether legal or equitable, shall be entitled to reasonable attorney's fees, whether or not the matter proceeds to judgment.

8.8 Interpretation.

The terms of this Agreement shall be construed in accordance with the meaning of the language used and shall not be construed for or against either party by reason of the authorship of this Agreement or any other rule of construction which might otherwise apply.

8.9 Counterparts.

This Agreement may be executed in counterparts, each of which shall be deemed to be an original, and such counterparts shall constitute one and the same instrument.

8.10 Warranty & Representation of Non-Collusion. No official, officer, or employee of City has any financial interest, direct or indirect, in this Agreement, nor shall any official, officer, or employee of City participate in any decision relating to this Agreement which may affect his/her financial interest or the financial interest of any corporation, partnership, or association in which (s)he is directly or indirectly interested, or in violation of any corporation, partnership, or association in which (s)he is directly or indirectly interested, or in violation of any State or municipal statute or regulation. CITY OF CYPRESS

CITY COUNCIL REPORT

City Council Regular **7.**

FROM: Mark Lauderback, Chief of Police

DATE: 02/26/2024

SUBJECT: **Approve an Agreement for Police Department Car Rentals**

RECOMMENDATION

1. Approve a three-year Agreement with Enterprise Holdings for an amount not expected to exceed $142,963; and

2. Increase appropriations in the Narcotics Asset Seizure (Department of Justice) Fund by $4,000.

DISCUSSION

Three Police Officers are assigned rental cars as part of their special assignments, which include undercover investigations and surveillance. Rental cars offer the flexibility to change vehicles throughout the year, including the ability to have access to different sized vehicles, depending on the type of investigation or surveillance taking place. Currently, one officer utilizes a sedan-style vehicle and the other two officers use larger vehicles.

The State Department of General Services (DGS) has procured long-term rental car agreements with Enterprise Holdings. Municipal Code Section 21A-10(e) allows cooperative purchasing programs which provide a more efficient and cost-effective method of procurement due to volume pricing. Cooperative agreements allow the City to receive the same competitively-bid terms and prices offered to other government agencies. The DGS contract for 2024 provides a monthly rental rate (including all taxes and licensing fees) of $1,431 for large vehicles and $820 for sedan-style vehicles.

BUDGET IMPACT

The cost of the three vehicles will not exceed $44,171 during the first year and the DSG agreement allows for pricing to be adjusted annually each March. It is estimated the annual rental costs will increase eight percent each of the next two years.

Sufficient amounts are available in the General Fund and Narcotics Asset Seizure (Department of Treasury) to pay for two vehicles through the end of the fiscal year.

However, an additional appropriation of $4,000 is required in the Narcotics Asset Seizure (Department of Justice) Fund to pay for the third vehicle through June 30, 2024. Future budgets will incorporate the anticipated vehicle costs consistent with the terms of the three-year agreement.

CITY COUNCIL REPORT

City Council Regular **8.**

FROM: Matt Burton, Director of Finance and Administrative Services

DATE: 02/26/2024

SUBJECT: **Receive and File the Investment Report for the Month Ended January 31, 2024**

RECOMMENDATION

Receive and file the attached investment report.

DISCUSSION

California Government Code Section 53607 and Cypress Municipal Code Section 2-18(f) requires the submission of a monthly investment report to the City Council. As of January 31, 2024, the City had $204.6 million (current market value) in cash and investments and the interest return (yield) on the public funds investments was 4.41%. As required by the Government Code, all investments are in conformity with the City's investment policy and sufficient cash flows are available to meet the next six months of estimated expenditures.

The attached Summary of Cash and Investments present the investments held by the City of Cypress as of January 31, 2024. The Investment Reports consist of the following five summaries:

1. Summary of Cash and Investments - Provides the total portfolio of the City.
2. Changes in Cash and Investments - Provides a two-month cash flow analysis by fund type. These separate fund types allow for restricted monies to be segregated and tracked separately. The total ending amount agrees to the current market value shown in the Summary of Cash and Investments.
3. Investments at Market Value by Maturity Date - Provides a list of investments by maturity date, and an indication of the liquidity (ability to turn into cash) of the investments. The California Government Code restricts the type of investments eligible for public funds. The City’s Investment Policy further defines permitted investments. These restrictions in investment types and the terms of allowable investments result in limited yields on City investments.
4. Interfund Investments - Indicates outstanding loans between City funds. There are three approved loans due to the Infrastructure Reserve Fund from the Cypress Recreation and Park District General Fund related to the construction of Lexington Park

and the rehabilitation of Arnold Cypress Park.

5. Summary of Cash and Investments Held In Trust - Presents investments held in trust by the Public Agency Retirement Services (PARS) for offsetting unfunded pension liabilities. The pension trust amounts can only be used for future pension obligations. The legal restrictions on the allowable investment types are less restrictive than those in the City's portfolio, which provides the potential for higher yields to be earned over the long-term on investments held in the pension trust.

As mentioned previously, the City had $204.6 (current market value) in cash and investments at January 31, 2024. The investments included Federal Agencies Debt ($155.5 million) and Investment Pools ($45.7 million). The City's bank accounts held $3.4 million on January 31, 2024.

A portion of the investment portfolio is invested in the State Investment Pool (Local Agency Investment Fund or LAIF) which is managed by investment experts and provides a diversified investment pool for local agencies to invest. By using the combined size of the participating cities and agencies, the State Pool can provide a competitive yield, liquidity and investment knowledge that otherwise would not be available to a single entity.

The amount of cash in the City’s checking accounts fluctuates based on the maturity of investments, daily cash receipts, and when vendors and employees are paid. The daily balances maintained in the checking accounts provide credits which offset monthly bank charges. In addition to the Federal Depository Insurance Corporation (FDIC) which insures the first $250,000, excess checking deposits are secured by banks, government, or mortgage securities valued between 110% and 150% of the deposits.

CITY COUNCIL REPORT

City Council Regular **9.**

FROM: Matt Burton, Director of Finance and Administrative Services

DATE: 02/26/2024

SUBJECT: **Receive and File Register of Warrants, Transfers, and Wires Issued for the Period of January 6, 2024 through February 9, 2024.**

RECOMMENDATION

Receive and file the attached payment register summarized below for the period of January 6, 2024 through February 9, 2024:

- Electronic Funds Transfers 14381 through 14544
- Warrants 64335 through 64531
- Payroll Transfers W1520 through W1522

DISCUSSION

Payments to vendors for goods and services received and/or rendered are initiated and approved by the requesting department in accordance with proper purchasing guidelines. Processing of these payments occurs centrally in the City's Finance Department with payments issued bi-weekly. A register listing of these payments is presented monthly to the City Council for approval. This register also includes any Electronic Funds Transfers (EFT), outgoing payroll transfers or wires issued since the previous register was presented to the City Council. Voided payments (if any) are also identified.

All payments are processed on the City's financial management software system. This system generates a payment batch register, sorted by warrant number (or EFT/Wire number), and presents the invoice amount and a description of the payment issued.

BUDGET IMPACT

Total warrants, transfers, and wires issued (net of any voided payments) during the period of January 6, 2024 through February 9, 2024 are $6,027,986.89.

CITY OF CYPRESS

CITY COUNCIL REPORT

City Council Regular **10.**

FROM: Fred Galante, City Attorney

DATE: 02/26/2024

SUBJECT: **Conduct a Public Hearing to Take Testimony Regarding the Composition of Potential City Council Election Districts, Select a Final Map, and Approve the First Reading of an Ordinance Adding Article XII, Sections 2-135 through 2-138 to Chapter 2 of the Municipal Code Establishing a By-District Election System**

RECOMMENDATION

1. Conduct a public hearing to take testimony on draft City Council election district maps; and

2. Select a final City Council election district map and sequence of elections; and

3. Approve the first reading of an Ordinance adding Article XII, Sections 2-135 through 2-138 to Chapter 2 of the Municipal Code establishing a by-district election system and adoption of an exemption from CEQA.

DISCUSSION

On January 10, 2024, the City Council adopted Resolution No. 6953 initiating the process to transition from an at-large election system to a by-district election system. This will create five districts, with each district having a single City Council representative who must reside within that district. The City Council retained National Demographics Corporation (NDC) to lead the community through the process of establishing districts. NDC has served hundreds of local governments since its founding in 1979. The company is especially well known for its districting and redistricting work with local governments. NDC has established a reputation as the leading demographic expert in California, having performed demographic assessments of and/or moves to by-district elections for over 350 jurisdictions. NDC has completed more than 450 districting or redistricting projects with counties, school districts, cities, water districts, and other local jurisdictions. Nationally recognized as a pioneer in good government districting and redistricting, NDC has unmatched expertise in the issues, questions, and decisions jurisdictions face in any discussion regarding districting, redistricting, the California and Federal Voting Rights Act and related election system choices.

The first step in the transition process was two public hearings to solicit testimony on the composition of City Council districts. These public hearings were January 22 and January 29. The public was invited to provide testimony about the Cypress' communities of interest and other local factors that should be considered while drafting district boundaries. The second phase of the transition process was the February 12 public hearing to obtain public testimony on draft maps and election sequences. On February 12, the City Council reviewed draft maps and directed NDC and staff to return with various map revisions. The revised maps and new maps received from the public were published February 19, complying with the requirement that draft maps be available for at least seven days before the public hearing. The draft maps were posted on the City's website (www.mapcypress.org), available at City Hall and are attached.

At the February 26 meeting, following NDC's presentation and questions from Council Members, it is recommended that the City Council open the public hearing and take public testimony. After public testimony is complete, the City Council may ask NDC or staff to respond to questions from the public. Once any follow-up questions from Council Members have been responded to, it is recommended that the City Council close the public hearing. At the conclusion of the public hearing, it is recommended that Council Members share their thoughts on the draft maps, select a map and election sequence, and introduce the first reading of an Ordinance establishing the by-district election system.

In reviewing draft maps and creating district boundaries, the City must comply with the following federal and state-mandated criteria:

Federal
1. Each district shall contain a nearly equal population.
2. Each district shall be drawn in a manner that complies with the Federal Voting Rights Act.
3. No district shall be drawn with race as the predominate factor.

State
1. Districts shall be geographically contiguous.
2. Districts shall be drawn in a manner that minimizes the division of neighborhoods and local communities of interest.
3. District boundaries shall be easily identifiable and understandable by residents.
4. Districts shall be drawn to encourage geographical compactness.
5. Districts shall not favor or discriminate against an incumbent, political candidate, or political party.

NEXT STEPS

The agreement with plaintiffs Nagpal, Shapiro and Southwest Voter Registration Education Project requires that on February 26 the City:

1. Select a five-district map.
2. Identify two of the five districts that will hold elections for Council Members in November 2024 and the other three districts that will hold elections for Council Members in 2026.
3. Select the district with the highest percentage of Asian American voters, as measured by citizen voting age population estimates, to be one of the two districts to have its election in 2024.

The map and election sequence selected by the City Council must be approved by the plaintiffs. The final public hearing is scheduled for March 11 and includes City Council consideration of the second reading of the Ordinance establishing the by-district election

system.

BUDGET IMPACT
None.

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF CYPRESS ADDING ARTICLE XII, SECTIONS 2-135 THROUGH 2-138 TO CHAPTER 2 OF THE CYPRESS MUNICIPAL CODE ESTABLISHING A BY-DISTRICT ELECTION SYSTEM AND ADOPTION OF AN EXEMPTION FROM CEQA

Summary: This ordinance establishes a by-district election system for City Council elections.

WHEREAS, members of the City Council of the City of Cypress ("City") are currently elected in "at-large" elections, in which each Council Member is elected by the registered voters of the entire City; and

WHEREAS, on January 8, 2024, City entered into a settlement agreement with Southwest Voter Registration Education Project, Kathryn Shapiro, and Malini Nagpal of the complaint alleging that the City's at-large electoral system violates the California Voting Rights Act ("CVRA"); and

WHEREAS, California Government Code Section 34886 permits the legislative body of a city to adopt an ordinance to change its method of election from an "at-large" system to a "by-district" system in which each council member is elected only by the voters in the district in which the candidate resides; and

WHEREAS, under the provisions of California Elections Code Section 10010, a city that changes the method of electing council members from an at-large election system to a by-district method of election requires five public hearings, which includes at least two public hearings prior to the release and consideration of any draft voting district maps, and two public hearings following the release of draft voting district maps; and

WHEREAS, on January 10, 2024, the City Council adopted Resolution No. 6953 declaring its intention to transition from an "at-large" election system to a "by-district" election system in conformance with the CVRA and establishing the timeframe for doing so; and

WHEREAS, the City retained the services of a qualified demographer to provide a detailed analysis of the City's current demographics and to prepare draft maps that divide the City into voting districts in a manner consistent with the intent and purpose of the CVRA and all other applicable laws; and

WHEREAS, as required by California Elections Code Section 10010, the City Council held public hearings at the regular and special City Council meetings on January 22 and 29, 2024, to consider input from the public on the composition of City Council districts; and

WHEREAS, the City Council considered all oral and written information, testimony, and comments received during the public review process. All draft maps were published at least seven days before the public hearing at which they were discussed; and

WHEREAS, at a public hearing on February 26, 2024, the City Council agreed to sequence elections such that elections for Districts ____ and ____ would occur at the November 2024 municipal election, and every four years thereafter, and elections for Districts _____, _____, and _____ would occur at the November 2026 municipal election, and every four years thereafter; and

WHEREAS, at a public hearing on March 11, 2024, the City Council voted to proceed with a final map, identified as Map _____; and

WHEREAS, the purpose of this Ordinance is to enact, pursuant to California Government Code Section 34886 and in furtherance of the purposes of the CVRA, an ordinance providing for the election of members of the City Council of the City of Cypress by district in single-member districts as reflected in Exhibit "A" to this Ordinance.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF CYPRESS, CALIFORNIA DOES HEREBY ORDAIN AS FOLLOWS:

Section 1. **Code Amendment.** Chapter 2 of the Cypress Municipal Code is hereby amended by adding Article XII to the existing Chapter to read as follows:

"**Chapter 2 Administration**

Article XII City Council Elections.

Section 2-135 - Declaration of purpose.
Section 2-136 - City council districts established.
Section 2-137 - Election of members of the city council by district.
Section 2-138 - Commencement of election by district.

Section 2-135 - Declaration of purpose.

The City Council of the City of Cypress hereby declares that the change of method of electing members of this council hereby enacted is being made in furtherance of the California Voting Rights Act of 2001.

Section 2-136 - City Council Districts Established.

Five city council districts ("districts") are hereby established in the City Cypress**.** The boundaries of each district shall be as described on the map attached to Ordinance No. _____ as Exhibit "A".

A. The districts specified above shall continue in effect until they are amended or repealed in accordance with law. Should the law be changed in a manner which would allow the city council to utilize a structure other than voting districts, the city council may revisit its voting system to determine which voting system is best suited for the city.

B. Districts shall be adjusted following each decennial federal census, as required by the Elections Code and other applicable law.

Section 2-136 - Election of members of the city council by district.

A. Following the effective date of this ordinance and upon the commencement of "by-district" elections in the order established in Section 2-138 of this Code, members of the city council shall be elected "by district" as defined in California Government Code Section 34871 or any successor statute.

B. Registered voters signing nomination papers or voting for a member of the city council shall be residents of the geographical area making up the district from which the member is to be elected.

C. Except as provided in subsection D, below, each council member elected by district must reside in that district and be a registered voter in that district, and any candidate for city council must reside in, and be a registered voter in, the district in which they seek election at the time nomination papers are issued, pursuant to Government Code Section 34882 and Elections Code Section 10227. Termination of residency in a district by a council member shall create an immediate vacancy for that district unless a substitute residence within the district is established within thirty days after that termination of residency.

D. An at-large council member shall continue in office until the expiration of the full term to which they were elected or appointed and until their successor is qualified. If vacancies in council member offices elected at-large occur before expiration of the full term thereof, such vacancies shall be filled pursuant to California Government Code Section 36512.

E. Upon expiration of the full term of each council member elected at-large, that council member's successor shall be elected on a by-district basis in

the districts established in Section 2-136 and as provided in Section 2-138.

Section 2-138 - Election of members of the city council by district. Commencing with the general municipal election in November of 2024 and thereafter, the voters in districts ___ and ___ shall elect members of the city council by district for full four (4) year terms. At the general municipal election in 2026 and thereafter, the voters in districts ____, ____ and ____ shall elect members of the city council by district for full four (4) year terms."

Section 2. **Technical Adjustments.** If necessary to facilitate the implementation of this Ordinance, the City Clerk is authorized to make technical adjustments to the district boundaries that do not substantively affect the populations in the districts, the eligibility of candidates, or the residence of elected officials within any district. The City Clerk shall consult with the City Manager and City Attorney concerning any technical adjustments deemed necessary and shall advise the City Council of any such adjustments required in the implementation of the districts.

Section 3. **CEQA.** The City Council finds that the proposed amendments to the Cypress Municipal Code are exempt from the requirements of the California Environmental Quality Act pursuant to Title 14 of the California Code of Regulations, Section 15061(b)(3) because it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.

Section 4**.** **Severability.** If any section, subsection, sentence, clause, or phrase of this ordinance is for any reason held to be invalid or unconstitutional by a decision of any court of any competent jurisdiction, such decision shall not affect the validity of the remaining portions of this ordinance. The City Council hereby declares that it would have passed this ordinance, and each and every section, subsection, sentence, clause and phrase thereof not declared invalid or unconstitutional without regard to whether any portion of the ordinance would be subsequently declared invalid or unconstitutional.

Section 5. This Ordinance shall become effective on the thirty-first (31st) day after its passage and adoption, and within fifteen (15) days after its final passage and the City Clerk shall cause it to be posted and published and circulated in the City in the manner required by law and shall cause a copy of this Ordinance and its certification, together with proof of publication, to be entered in the Book of Ordinances of the City.

PASSED AND ADOPTED this 11th day of March, 2024.
