3. **Approval of the Minutes of February 13, 2026, meeting.** Lissa noted a couple of corrections. John Harkess made the motion to approve the minutes. Lissa seconded the motion, and the vote was as follows:
   AYES: Wohltmann, Harkess, Davis, Ray, and Chair Williams.
   NAYS: None.

4. **Update from the OHSO Grant Subcommittee.** Sean told everyone about the progress made on planning the events for the OHSO grant, which includes many of the events being planned for May Bike Month. He said the subcommittee had a productive meeting on February 26th and plans to meet again on March 23rd. He welcomed police and fire to look at some of the planned event dates and reach out to him if any of those dates work to get involved. Darrell asked what everyone who's volunteering should wear to the events and Sean suggested everyone wear the safety vests being acquired as part of the grant.

5. **Discussion of May Bike Month Activities.** The committee went through each date and talked about details. Sean said that on May 6 – the plan is to ride to school with the kids at Will Rogers – and then in the afternoon to ride home with the kids at Central Middle. Jennifer Thornton asked that we provide more details, like length of rides and exact times so that Visit Edmond can publicize the events and get more turnout. Lissa said that each of the casual rides is about 8 to 10 miles. The training ride for Cycle 66 is 20 miles**.** Jan suggested we create a more exhaustive list of events, which will include the city council proclamation and more school events than are listed due to lack of space on the public calendar. Lissa talked about the idea to have a Bike Bingo Card to help get volunteers to more events.

6. **Discussion of Ordinance Establishing the Edmond Bicycle Committee.** Vickie talked about a proposal to add a city councilperson to the EBC to help relay information from the EBC to the Council. She said Councilor Moore was enthusiastic about helping. Darrell said he felt that having a city council liaison on the EBC would be good to clear up any miscommunications and keep

everyone on the same page. Chase asked about whether the member would be a voting member or non-voting and Vickie said the councilperson would be a non-voting member. Chase liked the idea and so did John. Vickie said the EBC would vote on changes at the next meeting.

7. **Update from the Edmond Mobility Commission.** Chase informed the Committee about the last Mobility Commission meeting, which mostly consisted of a presentation from Freese and Nichols about the 2nd and Broadway Corridors Study being finalized. He said the plans are focused not only on safety but also revitalization. He said the plans are slated for adoption by Council in May.

8. **Upcoming Events and Announcements.** Lissa announced that April 7 will be the first Edmond Casual Ride of the year. Trey announced that Al's is having a 40th Birthday Party on June 20th and the shop has also helped sponsor an event at Bluff Creek Park on March 29th. Catherine said the Bluff Creek event is the first race of the Tour de Dirt Series of races. CJ said the annual Central 5k race is happening on the UCO campus at Broncho Lake at 8am on March 29th. Trey announced there's a ribbon cutting on May 20th for the pavilion under construction at the Arcadia Lake parking lot on Post Road. OMBA was awarded a grant and has built a pavilion with picnic tables at the site. Bart said ODOT would be providing message boards on Route 66 prior to the Cycle 66 to warn drivers about the upcoming race. And Darrell suggested that everyone posts to social media when they ride around town or participate in all the events we're planning to make more people aware of all the exciting things we're doing in Edmond. Jan gave a quick update on the NW Trail connector project and said the trail will be much more narrow and less intrusive on the forest.

9. **Citizen Comments. None**
