The first event is UCO Earth Day on April 22nd.

5. **Discussion of May Bike Month Activities.** The committee went through each activity and talked more about the details for each. Sean and Kurt gave an update on the plans for the Memorial High School Ride to School. Plans are to have 4 groups riding to school from different spots and arriving at about 8:30. Central Middle School – volunteers are needed to help table from 2:15 to 3:30. Michelle Magnusson is planning an activity. Lissa said the first casual ride of the year had 15 riders and it went great. Hugh said the Major Taylor group ride will be on May 2nd from 9-12 starting at Douglass High School. He said there's a group meeting weekly to discuss. The contractor just had a concrete pour scheduled today. He mentioned some utility issues they've encountered. There was a question about whether signage would be needed at the intersection of the trail meeting with the Spring Creek Trail. Teresa asked about rumble strips. Good discussion of potential challenges there and possibly needing some signs. A completion date is expected to be around November. Questions also about the low-water crossing and cleaning up after storms. Kickingbird Bike Lanes – blacktop just put down. Environmental review still ongoing. Brad mentioned that ODOT could help get to 80/20 on funding potentially with end-of-fiscal-year funds. There's a walk-the-alignment taking place next week at Creek Bend Phase 2. Brad talked about the 2 bridges that will be required to complete the project. Darrell said this project has been discussed and been in progress/plans for 20 years, probably. The Spring Creek Trail connection along I-35 N to the YMCA and Library is going to be let between Aug-Oct. This is happening fast. The YMCA is scheduled to be open in November. Brad mentioned a new bridge on Post Road that will have pedestrian/bike infrastructure, which will certainly help with future plans for a sidepath along Post Road connecting the Route 66 Trail to the Arcadia Lake Trail. Not a lot of progress to report on Spring Creek to Carl Reherman due to the still-ongoing environmental review.

8. **Upcoming Events and Announcements.** Phil announced that ACOG has an active transportation survey posted and he's got posters to give out to help spread the word. Chase mentioned Al's Bicycles having a 40th Birthday Party on June 20th.
