8AM

Members Present: Vice Chair Lissa Wohltmann, John Harkess, Megan Rector, Chase Ray, Hugh Gilliland
Ex-officio Members Present: Sean Wallace, Randy Payne, Brad Moery
Staff Present: Hannah Nolen, Jan Fees, David Derringer
Others Present: Taylor Wilson, Catherine Sharp, Steve Stulce, Brian Fairless, Bonnie Winslow, Mike Scheer, Bree Edmonds, Kurt Sampley, Kevin Farmer

1. **The meeting was called to order at 8:00 AM by Vice Chair Lissa Wohltmann in the Main Street Conference Room B at 22 E Main St Edmond, OK.**

2. **Introduction of Members and Guests**. Vice Chair, Wohltmann, welcomed everyone and introduced new member, Megan Rector, as well as Councilperson Moore. All present introduced themselves.

3. **Approval of the Minutes of June 12, 2026, meeting.** John Harkess made the motion to approve the minutes. Hugh seconded the motion, and the vote was as follows:
   AYES: Wohltmann, Harkess, Gilliland, Rector, and Ray.
   NAYS: None.

4. **Discussion of Edmond Trails Map.** David Derringer showed everyone a sample of what the new Edmond Trails Map - finished product will look like. Comments and edits had been sent prior to the meeting to Sean and he had passed them on to David. John asked about whether we should show the NW Connector Trail as completed since construction has already started on it. Jan said the trail description noted that it was under construction so maybe we should leave it shown as unfinished. Chase noted some confusion over the wayfinding routes and asked that staff make it more clear in the "types of facilities" section. David said printing quotes had already been received and the job could be completed in 2-4 weeks. Final edits will be sent to Sean, who will pass them along to David and then a new final draft will be sent around to EBC before printing begins.

5. **Update from the OHSO Grant Subcommittee.** Sean gave an update on the progress made on the FFY2027 OHSO grant that ends September 30. He said there are 2 events remaining and one will be completed on August 29th with a Vision Zero table at the Edmond Farmers Market. The other will be an event UCO is putting on for September 16, where Sean will again set up a Vision Zero table and give out bike/ped safety gear and info. He said only about $12,000 of the $38,600 will be spent this year, unfortunately. He hopes with the same grant next year to spend more of the money by finding more materials eligible to be purchased and by getting materials ordered more quickly during the procurement process.

6. **Discussion of e-Bikes and e-Motos.** Jan started this discussion by telling everyone about the League of American Bicyclists webinar staff attended earlier in the week. Cities and states around the country are now dealing with kids riding e-Motos on the streets and trails and these vehicles can go much faster than class 1-2-3 e-Bicycles. These e-Motos have been widely seen on Edmond streets. Sean said that feedback from PD was that our local ordinances needed to define e-Motos in order to give law enforcement the power to enforce some much-needed safety measures. The committee asked for volunteers to help staff bring recommendations to the next meeting. Lissa, Brian and John volunteered.

7. **Update from the Edmond Mobility Commission Meeting: June 18, 2026.** Chase said the Commission heard a presentation from OneTransit about the upcoming vote on funding commuter rail in the Oklahoma City metro. The vote will be for a new 1% sales tax. John said there are lots of economic benefits to approving it and it's not just for a commuter rail between OKC, Edmond and Norman. It would also include potential routes to Tinker Air Force Base and to Will Rogers airport.

8. **Upcoming Events and Announcements.** Sean mentioned the Boards and Commissions Appreciation Event scheduled for Tuesday, September 29th from 5:30 to 7:30 at City Hall. All members are welcome. He also noted the Edmond Library display and thanked everyone who helped put it together. Kevin said the OBS Streak will be Sept 13. Jan said Cycle 66 is October 4th and she needs rest stop volunteers. Bree said Cycle 66 will have a ribbon-cutting at Frenzy on Sept 10th at 4pm.

9. **Citizen Comments.** Taylor mentioned the Arcadia Lake Beach Festival on August 29/30.

10. **Comments from the Edmond Bicycle Committee Chair and Members.** John talked about the need for the City of Edmond to do crash investigations, like he's read about StrongTowns doing. He mentioned the bicyclist hit on Broadway and how we shouldn't accept that this kind of thing just happens and we shouldn't just ask why was he riding where he was at that time of night. He said we don't know why. He's been trying to find out. Lissa asked about the signals at 2nd and Bryant and how the intersection is really dangerous for bicyclists and pedestrians. This prompted a discussion about no turn on red signs and stop signs vs stop lights and Lead Pedestrian Intervals. Hugh said there was a really good article from AAA in the latest Edmond Life & Leisure about bike safety. Brad let everyone know of Teresa Stephens' passing and provided funeral arrangements information.

11. Adjournment. The meeting was adjourned at 9:29 AM. The motion was made by John. Hugh seconded the motion, and the vote was as follows.

AYES: Wohltmann, Gilliland, Harkess, Ray and Rector.

NAYS: None
