City of Edmond
Notice of Public Meeting

The City of Edmond encourages participation from all its citizens. To request an accommodation due to a disability, please contact the ADA Coordinator at least 48 hours prior to a scheduled meeting. The ADA Coordinator can be contacted by email: ADAcoordinator@edmondok.gov or phone: 405-359-4518.

Parks and Recreation Advisory Board
Regular Meeting Agenda
MAC Conference Room at Mitch Park, 2733 Marilyn Williams Drive, Edmond, Oklahoma
4:00 p.m., Thursday, March 26, 2026

Notice to the Public

Official action can only be taken on items which appear on the agenda. The Parks and Recreation Advisory Board may discuss, adopt, approve, amend, reject, deny, strike or continue any item listed on the agenda. When more information is needed to act on an item, the Parks and Recreation Advisory Board may refer the matter to City of Edmond staff for additional study. Under certain circumstances, items are deferred/continued to a specific later date or stricken from the agenda entirely.

1. Call to Order.

2. Consideration of Approval of Meeting Minutes: February 19, 2026.

3. Introduction of New Parks and Recreation Advisory Board Member.

4. Presentation and Discussion of the Draft Parks Department Budget for Fiscal Year 2027.

5. Update and Discussion Regarding the Arcadia Lake / Deep Fork River Trash Interception Feasibility Study.

6. Updates and Discussion of Parks & Recreation Activity Reports and Projects, Including:

   - A.C. Caplinger
   - Pelican Bay
   - Hafer Park Projects
   - Lamb Nature Preserve
   - KickingBird Pickleball
   - Westborough Park
   - Joint Use Library & YMCA
   - Edmond Trail Projects

- Superlative Asset Valuation
- Staff & Park Highlights
- Liaison Reports

7. Citizen Comments.

   This is an opportunity for residents and non-residents to address the Parks and Recreation Advisory Board on Parks and Recreation Advisory Board related matters not on the agenda or scheduled for a public hearing. All remarks must be directed to the Chair of the meeting, are limited to three minutes or less, and must otherwise be made in accordance with Section I of the City Council / Public Works Authority rules, available here and upon request at City Hall.

8. Comments from the Parks and Recreation Advisory Board Chair and Members.

9. Adjournment.

PARKS AND RECREATION ADVISORY BOARD
February 19, 2026

1) **Meeting called to order** by Taylor Hildenbrand at 4:05 p.m. at the MAC, Parks and Recreation Administration, 2733 Marilyn Williams Drive, Edmond, Oklahoma. The agenda for this meeting was posted in City Hall on February 12, 2026, at 2:27 p.m. Parks & Recreation Advisory Board members present: Taylor Hildenbrand, Gary Bartley, Saundra Naifeh, Earl London, Rick Smith, Anthony Rose, Gena Money (in later), and Ashley Bradley. Visit Edmond staff present: Jennifer Thornton. Parks and Recreation staff present: Brad Raney, Frank Hale, Zach Paty, Blaze VanOsdol, and Cheryl Tettleton.
Absent: Jerel Cowan, Laura Robertson, and Chris Anderson

2) **Consideration of Approval of Meeting Minutes – January 15, 2026.** Rick Smith motioned to approve the minutes; Saundra Naifeh seconded the motion. **Motion carried as follows:**
AYES: Taylor Hildenbrand, Gary Bartley, Saundra Naifeh, Earl London, Rick Smith, Anthony Rose, and Ashley Bradley
NAYS: None

3) **Presentation and Consideration for Support of a Beach Sprint Rowing Event at Arcadia Lake.** Presented by Jennifer Thornton. Mike Knopp of Riversport OKC approached Edmond about the possibility of holding this event at Arcadia Lake. (Gena Money in at 4:08 p.m.) The sport is run-row-run. It has experienced rapid growth in participation and will be a new sport at the 2028 Olympics. The hope is to position Arcadia Lake as an ongoing central U.S. hub for the sport. The competitions have a festival-type atmosphere, with live music, beach games, vendors and food trucks. The sport is viewer and participant friendly. This inaugural U.S. festival could tie in to celebrations for the Rt 66 centennial and America 250. The Visit Edmond board has committed to contributing $100,000 toward the cost of hosting this event ($50K from FY26 funds and $50K from FY27 funds). Edmond would provide volunteers to work the event, with the UCO boathouse serving as the host for sport-related camps. USRowing would facilitate the event and manage the budget (including the funds contributed by Visit Edmond). The event is planned for August 29 & 30 at Edmond Park, which would be unavailable during this time for regular public use; however, the rest of the lake's parks would still be available. In response to board questions: There is a lot of available parking, but shuttles would also be made available. Eight boats are needed to run the event. There will be a lot of sponsorship opportunities. USRowing would carry the insurance, adding the city for this event. The Corps would have to approve the food trucks. An advisory board/working committee will form starting in April. This item will be taken to Council in March. Gary Bartley motioned to support the event; Saundra Naifeh seconded the motion. **Motion carried as follows:**
AYES: Taylor Hildenbrand, Gary Bartley, Saundra Naifeh, Earl London, Rick Smith, Anthony Rose, Gena Money, and Ashley Bradley
NAYS: None

4) **Presentation and Discussion of the Mitch Park Master Plan.** Presented by Frank Hale. The presented plan is a draft, not final. The draft plan will also be presented to Council on March 23. Feedback from this board, Council, and other stakeholders will shape the final plan. Some key things to note include a realignment of the 5K trail, addition of dog parks, pickleball, a splash pad, a turf rectangular field with multiple flex fields, and additional parking behind the YMCA and near the turf & practice fields. Rerouting the 5K would increase safety by not

going across the main entry to the park, would provide a better start/stop area with room for vendors, and would help to activate the amphitheater area. The existing trail would not be removed. The farmers market shown behind the MAC is not intended to replace the downtown market, but to better accommodate outdoor markets held in Mitch Park. It would still operate with popup tents, not permanent structures. Some disk golf changes have been made recently, with new tee pads, secondary baskets (to make the existing course 36 baskets), and general course improvements. The plan only includes one turf field. Previous studies about turf fields indicated there was a need/want for them, but Mitch Park isn't the place to put them. The practice fields would be marked but not developed. A splash pad, restroom, and fenced tot lot playground would be located near the fields. Multiple board members preferred not to include the dog parks and didn't like their proximity to the trails. The idea of locating the dog parks near the skate park was to bring more people to this area, which could help to reduce vandalism and other issues. A couple of board members advocated including a tennis court(s) in the plan. The plan includes two look-out towers, two additional pavilions, and some educational stations along the trails. The Miracle League would still have a ballfield. The AMBUCS are currently working to design and fund an upgraded ADA playground replacement. Rather than relocating the park maintenance yard, better screening is indicated.

5) **Updates and Discussion of Parks & Recreation Activity Reports and Projects, including:**
Presented by Brad Raney and Frank Hale.
   - **Staff & Park Highlights** – Blaze VanOsdol was recognized for her role with the Parks department, starting as the front desk attendant and now serving as the assistant for the parks marketing team and weekly Farmers Market. Her work organizing and sourcing bands for the summer Concerts in the Park series was highlighted. Zach Paty highlighted Ted Anderson Park. He provided some history and information about Ted Anderson's accomplishments – and we learned that Ted Anderson had been the principal when Earl was a student!
   - **A.C. Caplinger –** Projected to open in May. Turf is beginning to be rolled out.
   - **Pelican Bay** – The Myrtha pool liner is being installed. More leaks were discovered in the main drain system, which may delay pool opening until mid-June. The contractor is doing a good job, with everyone putting in long days/weeks to help keep the project on schedule.
   - **Hafer Park Projects –** No update.
   - **Lamb Nature Preserve** – Still waiting on the environmental study needed for the grant. The geotechnical survey is needed before design can be completed. Mitigation of some invasive plants is already in process.
   - **KickingBird Pickleball** – Waiting on manufacture and delivery of the fabric membrane. The structural repairs are complete.
   - **Westborough Park** – New playground equipment has been delivered and will be installed over the next few weeks. The existing excavator toy will be moved to Clegern Park. The spring-mounted toys will be saved for now but are not expected to be repurposed, as they are well past their usefulness.
   - **Joint Use Library & YMCA –** This project was managed by Andy Conyers but has been reassigned to Brad, so it has been added to the update list. It is expected to open in October 2026. The library portion is further along. The second floor of the Y was poured this week.

- **Edmond Trail Projects** – Clearing has started for the northwest connector (Midwest Blvd to Spring Creek Trail). City Council executive session scheduled to discuss Creek Bend property.
- **Strategic Plan** – No update.
- **Superlative Asset Valuation** – The draft plan is due at the end of this month.
- **Liaison Reports –**
  - Arcadia Lake Comm. didn't meet.
  - Golf - Ashley reported that the board reviewed methods planned for use to prevent damage to the course from freezing temperatures. They also reviewed the draft (FY27) budget. They discussed a couple of the planned projects. They also voted to raise the fees for range balls. It would be $2-3 based on the quantity. The course is being "loved to death" and this is one way to decrease usage.
  - Park Conservancy/Uncommon Ground – Fundraising appears to be on target. They are regularly touring big donors.

6) **Citizen Comments.** None.

7) **Comments from the Parks and Recreation Advisory Board Chair and Members.** None.

8) **Adjournment.** Gary Bartley motioned for adjournment of the meeting at 5:49 p.m.; Gena Money seconded the motion. **Motion carried as follows:**
AYES: Taylor Hildenbrand, Gary Bartley, Saundra Naifeh, Earl London, Rick Smith, Anthony Rose, Gena Money, and Ashley Bradley
NAYS: None

Arcadia Lake Trash Interception Feasibility

FREESE AND NICHOLS

Project Purpose

- Evaluate options to reduce floatable debris entering Arcadia Lake
- Improve efficiency of trash collection and maintenance
- Identify feasible interception locations within the Deep Fork Watershed
- Recommend cost-effective, maintainable long-term solution

Study Approach

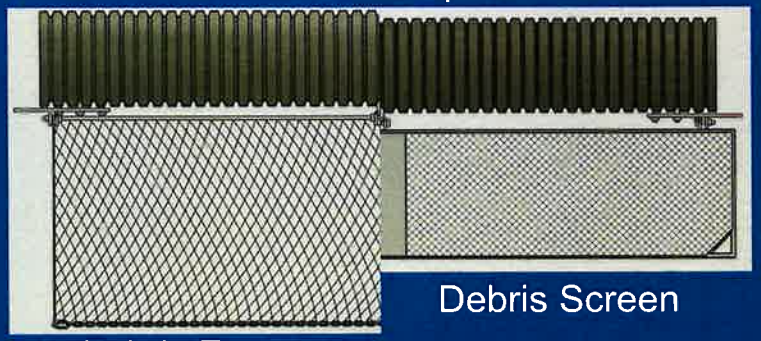

- Review existing hydraulic analyses in the Deep Fork watershed
- Evaluation of trash interception technologies
- Identification and screening of potential collection sites
- Development of conceptual Opinion of Probably Construction Cost and implementation strategy

Trash Boom

Trash Trap

Debris Screen

Fabric Fence

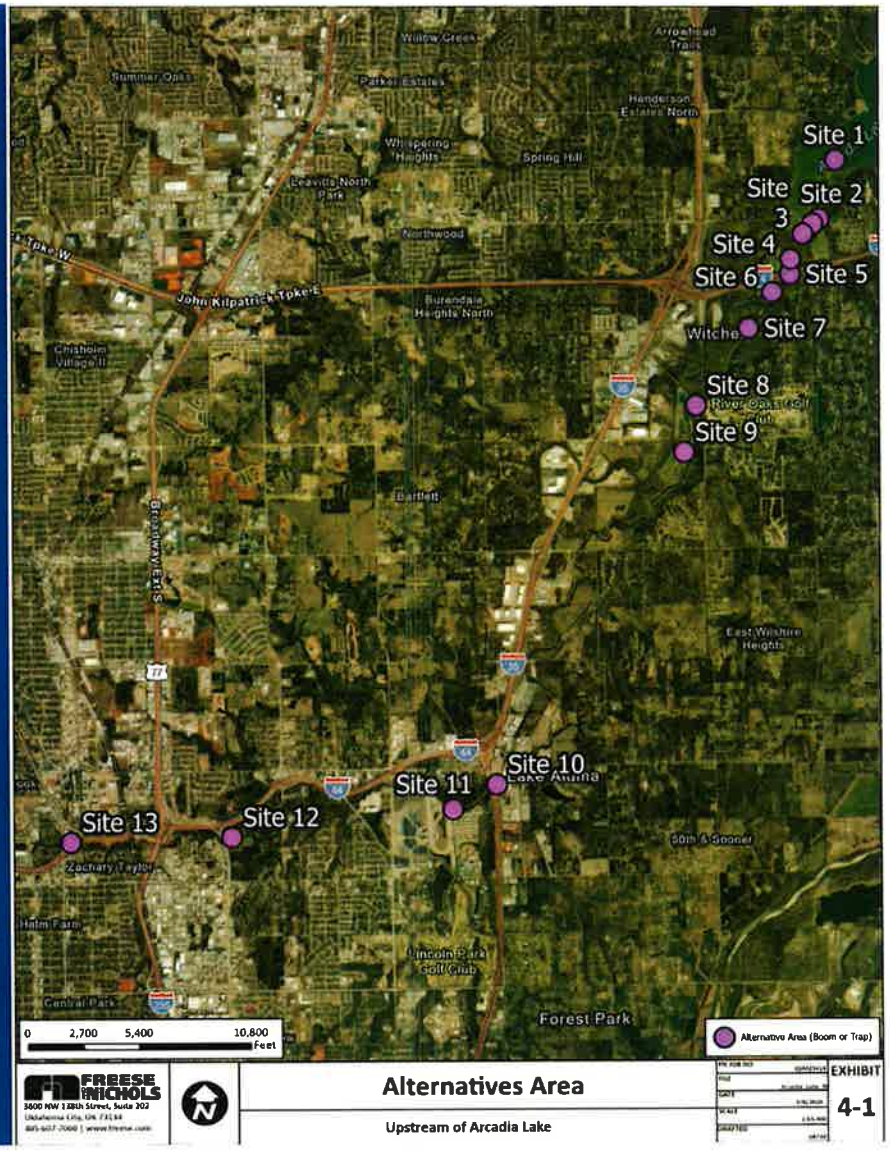

Photos from www.elastec.com

Trash Interception Technologies

- Trash Booms – floating barriers directing debris
- Trash Traps – floating cage systems capturing debris
- Litter Fence Booms – boom with subsurface netting

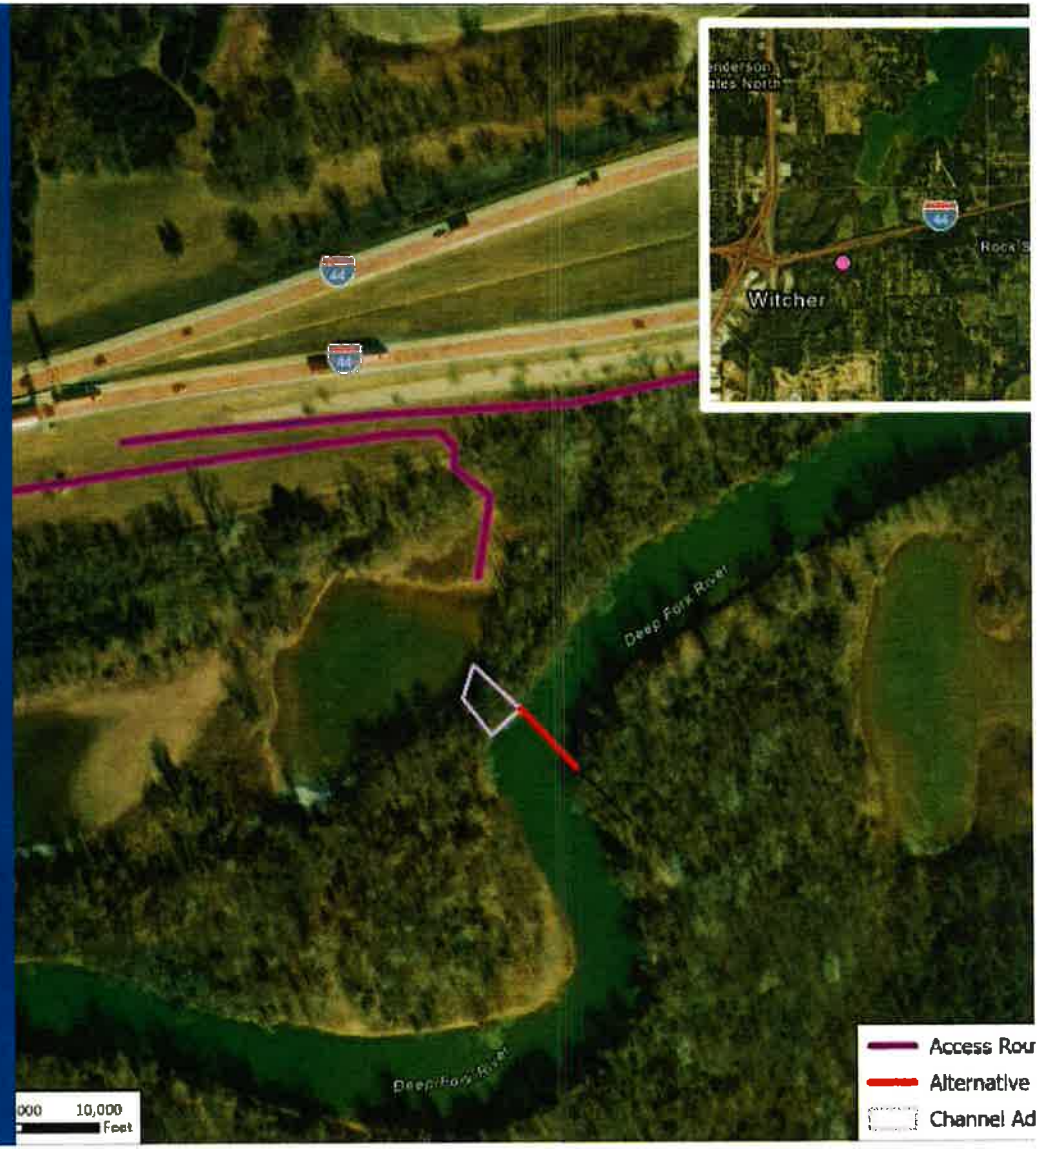

Potential Site Screening

- Preliminary locations identified based on review of available area
- Refined based on accessibility for construction and maintenance/ collection of trash
- Review of hydraulic characteristics and percentage of watershed
- Review of environmental, recreation, & wildlife constraints

Recommended Site Option

South of I-44 (Turner Turnpike)

Recommended Site Option

South of Hefner Road

Recommended Site

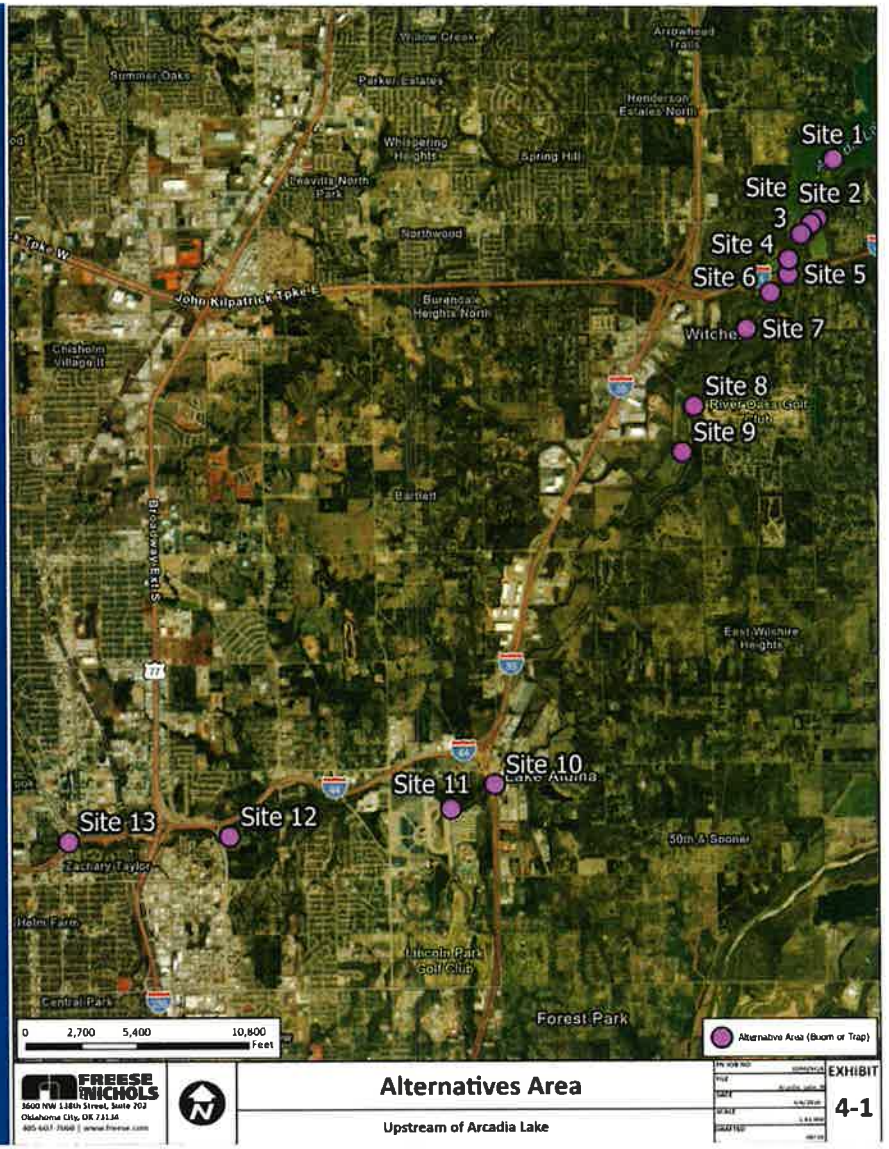

South of I-35 and 63rd St.

Partnership & Outreach

- Majority of identified sites are located on USACE, ODOT, or OTA property and within Oklahoma City
- Access agreements necessary for construction and maintenance
- Public outreach to explain the need for the project and how they can help by reducing litter that gets to the Deep Fork

NEXT STEPS: Coordinate with stakeholders & Select plan to implement

David Penick Park Highlights

David Penick Park is a 3.6-acre neighborhood style park, tucked in a residential area on the western side of town. Its location, within higher density residential living allows it to serve a large swath of people. Its mix of space, amenities, and layout allows the location to serve both passive and active use.

The park is named after David Eugene Penick; an Edmond resident. Unfortunately, David passed away at a young age; therefor there was a push by residents to ensure his impact on the community was remembered. The park was formally dedicated in David's name in 1996. The City used funds from the Community Development Block Grant to erect the sign that bears his name. Born in Oklahoma City in 1965; he was a husband, father, and construction worker. David's civic duties revolved around youth sports, especially softball. It was echoed by residents that David's commitment to youth softball was evident by the time he dedicated himself to others on the field. Not just as a coach, David took interest in the kids he grew to know, even coming to watch their games as just a spectator. Thanks to David's and many other's efforts in promoting youth softball; Edmond softball in the mid 90's was very good and is still going strong now.

The park sits off the NE corner of Fretz Ave and Wayne St; it is mainly surrounded by residential properties. Not only does the park serve recreational purposes, but a large stormwater channel offers benefits to the City during storm events. Good soil at the park allows the grass and trees to show less signs of nutrient deficiencies and grow with vigor - which in park user terms means that you can lay in soft lush grass under a nice shade tree as you read a book or watch kids play. With a good diversity of species, you can find Loblolly Pines, Bradford Pears, Crape Myrtles, Chinese Pistaches, American Elms, Bosnia Pines, Lacebark Elms, Vitex, and various types of mature Oak trees. Many strategically placed benches allow users to soak up the wonderful shade provided by the trees. With roughly 1,650 ft of sidewalks, there are plenty of walking paths for parents to get their steps in while kids play. With good sidewalk ramps and relatively flat contouring, the park is an easier park to traverse. The park has two playgrounds and one swing area, all connected by sidewalks. The playgrounds include swirl slides, fireman poles, climbing pieces, sensory panels, and straight slides. Most park use comes from nearby residents walking over, but the five parking spots on Wayne St and the on-street parking along Sante Fe Dr are adequate for the site. David Penick Park is one of the many amazing neighborhood parks that make up the whole park system of Edmond.

Arcadia Lake Monthly Revenue Report Feb 26

Weather Conditions for current month	
Average Monthly Temp.	52.3
Highest for month	84
Precipitation data	0.41
Low for month	16
Snow fall	0

Revenues are up when compared to the same time last year. This was the highest February on record. This is likely due to the above average temperatures we had last month.

MONTHLY ACTIVITY REPORT

Reporting Period:	2/1/2026 to 2/28/2026
Submitted By:	Nick Garrett, Arcadia Lake Maintenance Supervisor

Maintenance Report:

- Regular vehicle and equipment inspections.
- Custodial duties. Trash collection, litter clean up, restroom facilities, pavilions, disc golf course, greenway trails, grills and fire ring cleaning.
- Regular maintenance on restroom facilities and pavilions. Inspect lift stations weekly, break up sludge blankets where needed.
- Reopen Park restrooms following extreme cold weather shut down. Repair all leaks.
- Replace grill at site 205.
- Hydrant repair in SCP arrowhead loop.
- Install chimney cap at Seminole pavilion.
- Tree trimming on SCP greenway trail. Removed dead tree near Cherokee pavilion.
- Place new rubber mulch at EP lower playground. Trim trees around EP playground.
- Remove sand and place new rubber mulch at SCP beach playground. Trim all trees near the playground. Mow and correct drainage around the playground.
- Campground electrical pedestal inspections. Replace 50-amp breakers at sites 420 and 421.
- Begin removing sand from CSP beach playground.

ACTION TO BE TAKEN:	☐ *Discussion Only*	☐ *Procedural Change*
	☒ *Information Only*	☐ *Possible City Council Policy Recommendation*

IN THE NEWS

TENNIS BALL RECYCLING BINS INSTALLED

We are excited to announce that we have added tennis ball recycling bins at Edmond Center Court! Instead of tossing your used balls in the trash, you can now drop them in the recycling bins. Old tennis balls can be reused for things like playground, walkers, elmentary classroom chairs, desks and dog parks. All of which is a pretty cool way to give them a second life.

BEE HEALTHY OPENING MARCH 2

Bee Healthy will be opening their doors back up for the March-October season beginning March 2!
Hours of operation:

Monday-Friday
10:00am-2:00pm; 3:30-6:30pm

On tournament days, hours of operations will vary. We can't wait for the smoothies to come back!

TOURNAMENT SEASON APPROACHING

As we head into spring, tournament season is quickly approaching and March is shaping up to be one of our busiest months yet. With 14 tournaments on the calendar, players of all ages and levels will have plenty of opportunities to compete, improve their rankings, and gain valuable match experience. From junior events to collegiate competition, March offers something for everyone across Oklahoma.

Highlighting the month is the USTA Oklahoma Level 6 tournament that will take place March 14-15. Level 6 events provide a great entry point for athletes looking to build ranking points, gain tournament confidence, and prepare for higher-level competition later in the season.

March schedule

- March 5 Santa Fe High School Open
- March 6 Harrah Tournament
- March 7 Texas A&M Quad Duals
- March 9 Guthrie Open
- March 10 Carl Albert Tournament
- March 11 Santa Fe 9th Grade Event
- March 13-14 Washburn Duals
- March 14-15 USTA OK Level 6
- March 23 Deer Creek Invitational
- March 24-25 EPS Middle School Open
- March 26 Carl Albert Tournament
- March 27-28 EPS State Qualifier
- March 30 Choctow Nicoma Park Open
- March 31 ACC Studies Open

SPRING BREAK CAMP IS BACK!

Reminder: Spring Break Tennis Camp at Edmond Center Court is right around the corner! This action-packed camp for kids ages 6–12 is the perfect way to stay active, build skills, and have fun during school break. Campers will improve their strokes, footwork, and overall game through group lessons, drills, organized play, target training, fitness activities, and individual attention from our outstanding professional coaching staff.

Players are grouped by age and skill level to ensure every child feels confident and supported, while also enjoying fun activities that promote teamwork, sportsmanship, and friendship. Join us March 16–19, 2026 by clicking here to register!

BEE HEALTHY HIRING

Bee Healthy Cafe is hiring part-time BEEmates at Edmond Center Court! If you love smoothies, positive vibes, and making people smile, this could be your first (or next) favorite job. We're looking for friendly, reliable team players who bring the best vibes and aren't afraid to hustle during a big rush. You'll blend smoothies, ring up guests, and keep the café looking awesome. It's a fast-paced, upbeat environment with real opportunities to grow, learn new skills, and build experience that goes way beyond the counter. Contact Ari at 003@beehealthycafe.com to learn more.

UPCOMING EVENTS & MORE

JUNIOR TENNIS TALK WITH BETH AND CAITEE

REMINDER

NEW INDOOR COURTS POLICY

As many of you know, our courts—especially the indoor courts—see a tremendous amount of play. As the facility has aged, we've noticed increasing staining on the court surfaces. Unfortunately, cleaning tennis courts is challenging and can risk damaging the surface or removing texture, which impacts ball speed and overall playability.

After conducting research and consulting with colleagues nationwide, we have decided to implement a new policy allowing water with lids only on the indoor courts. Food, gum, and sports drinks are no longer permitted.

You will also see that we've placed mats under all benches. We ask both customers and staff to keep water bottles on these mats to help protect the courts. If by chance you spill your water on the mat or on the court, please notify staff immediately and they will clean it up.

We understand this may be an inconvenience, but these steps will help us maintain the quality of our courts for everyone's enjoyment. Thank you for your cooperation.

New signage located in the entryway to the indoor courts

MONTHLY ACTIVITY REPORT

Reporting Period:	02/01/26 to 2/28/2026
Submitted By:	Brian Soerensen, Director of Golf

Activities:

Golf Course Activities:

- We hosted Jeff Wiley's 80th Birthday Party in the Boardroom on Sunday, February 1st from 12:00pm-4:00pm.
- We hosted a party for Abbey Barry in the Event Center Ballrooms A & B on Sunday, February 1st from 3:00pm-5:00pm.
- We hosted Tony Scott in the Boardroom for a meeting on Wednesday, February 4th from 8:30am-10:30am.
- We hosted the Edmond Memorial Baseball Booster Club in the Event Center on Wednesday, February 4th from 6:30pm-9:00pm. (130 people)
- The Maintenance Crew covered areas of our Tahoma 31 Bermuda grass around the greens before the storm that is negatively impacted by very cold temperatures. We are experimenting to see if this will have positive results.
- We hosted our 26th Annual 2-Man Ironman on Saturday, February 7th. The tournament was SOLD OUT with 44 Teams Participating. 3rd Flight Winners Luke Genrty/Regan Henderson 62.4, 2nd Flight Winners Rex Clarkson/Richard Cordis 58.7, 1st Flight Winners Jay Smith/Shaun Smith 64.1.
- We hosted Compass Legal in Ballroom A of the Event Center on Thursday, February 5th from 6:00pm-8:30pm.
- We hosted the Cimarron Middle School 7th Grade Cotillion in the Event Center from 6:00pm-9:00pm on Friday, February 6th.
- We hosted the Sequoyah Middle School 7th Grade Cotillion in the Event Center from 6:00pm-10:00pm on Saturday, February 7th.
- We hosted the Professional Moms in the Boardroom on Wednesday, February 11th from 11:00am – 2:00pm.
- We hosted a reunion for UCO Baseball Players from the 1990s in Ballroom A of the Event Center on Wednesday, February 11th from 5:30pm-8:00pm.
- We hosted a dinner for Sarah-Emily Steinhardt in the Boardroom on Wednesday, February 11th from 6:00pm-8:00pm.
- We hosted a Taylor Made Demo Day on Friday, February 13th from 12:00pm-5:00pm.
- We hosted a Baptism Dinner for Whitney Bueno in the Boardroom on Saturday, February 14th from 6:00pm-9:00pm.
- We hosted our 2026 KickingBird Women's Golf Association on Monday, February 16th at 9:30am in the Event Center. We had a great turnout of over 70 ladies. Last year was the first year our Women's Golf Association was over 100 players.
- We hosted the Edmond Democratic Women in the Event Center on Monday, February 16th from 6:00pm-8:00pm.
- We hosted a dinner for Compass Legal in Ballroom A of the Event Center on Tuesday, February 17th from 6:30pm-8:30pm.
- We hosted an Enterprise Mobility meeting in Ballroom A&B of the Event Center from on Wednesday, February 18th from 9:00am-3:00pm.
- We hosted Edmond Women's Club in the Event Center in Ballrooms A&B on Thursday, February 19th.
- We hosted a dinner for Joy Rodriguez in the Boardroom on Friday, February 20th from 6:00pm-9:00pm.

- We hosted the Cheyenne 7th Grade Cotillion in the Event Center on Friday, February 20th from 6:00pm-9:00pm.
- We hosted a Callaway Fitting Day on Saturday, February 21st from 10:00am – 2:00pm.
- We hosted Oklahoma Home Centers for a business/lunch meeting on Saturday, February 21st from 11:00am-4:00pm.
- We hosted an 8th Grade Cimarron Middle School Cotillion in the Boardroom on Saturday, February 21st from 6:30pm-9:00pm.
- We hosted an Oklahoma Christian School 6th Grade Social in the Event Center from 6:00pm-9:00pm.
- We hosted Enterprise Mobility in Ballrooms A&B of the Event Center from 9:00am-3:00pm on Wednesday, February 25th.
- We are hosting an Edmond Democratic Women Meeting on Wednesday, February 25th from 7:00pm-8:30pm.
- We hosted our 2026 KSMGA Annual Meeting Thursday, February 26th from 8:30am-10:00am. The association is already full with 175 members and 11 on the waiting list.
- We hosted an Edmond Memorial High School Swine Weekd Golf Tournament on Friday, February 27th - 1:00pm shotgun with 128 players signed up.
-

Rounds of Golf Played:

- 3,215 total rounds played – 3,016 paid rounds generating $212,204 in revenue after taxes removed.

Golf Advisory Board:

- The Golf Advisory Board met on Wednesday, February 18th, 2026. The board member, Frank Knox, called the meeting to order and the minutes of the previous meeting were approved. Brian then gave a brief review of Revenue and Expenses for January. Total revenue for the Month of January 2026 was $169,635. There were 2,044 paid rounds of golf for the month and 2,186 rounds total. The average dollar-per-player for the month of January was $73.70 per player. Green fee revenue for the month is $48,499 and the driving range revenue is $20,842. Electric cart rentals have generated $20,646. Pro Shop revenue for the month of January was $22,691. The Restaurant hit their monthly numbers warranting us revenue share in the amount of $7,051. Key expenses for January included $2,045 for operational supplies (shopping bags, golf pencils, and scorecards) alongside office upgrades and a new safe. Additionally, $2,626 was spent for winter storm greens preparation, and $2,675 was spent on irrigation relocation to accommodate the upcoming employee parking lot construction.
  Total revenue for the month was $169,635 and total expenses were $186,896 for a loss of $17,261. Brian then gave his staff report and highlighted a few important items. We hosted 14 non-golf events in the event center and board room during the month of January. We rescheduled the sold-out 2026 Iron Man Tournament to Saturday, February 7, following a delay caused by a winter storm. We recognized the winners of the Iron Man Tournament: Chase Smith and Shawn Smith (64.1) in the first flight, Rex Clarkson and Richard Cordis (58.7) in the second flight, and Luke Gentry and Regan Henderson (62.4) in the third flight. The Women's Association kickoff meeting was held on Presidents Day with at least 70 participants signed up. The Senior Men's Association had their Annual Kickoff meeting February 28 at 8:00 am. Completed the KickingBird Golf budget presentation to the city manager and finance team on February 10. During the winter storm in early February, we utilized tarps on areas on the golf course to protect our turf from the cold temperatures. We initiated the discussion on range ball price increases. It was noted that these increases will help with increasing revenue to help fund future improvements and maintain high quality range balls and turf for our customers. The board motioned to vote for the suggested price increase of $3.50 for a warm-up bucket(15 Balls), $7 for a small bucket(30 Balls), and $14 for a large bucket(60 Balls). It was passed with five "Ayes" and one "Nay".

MONTHLY ACTIVITY REPORT

Edmond PARKS AND RECREATION

Reporting Period:	2/1/2026 to 2/28/2026
Submitted By:	Zach Paty, Park Maintenance Supervisor

Contract Maintenance Report:

- Met with a fencing contractor about quoting out replacing the safety nets at the soccer complex for 5 of the fields.
- Met with a landscape contractor about quoting a replacement of the retaining wall around Hafer pavilion #4.
- One of the tree pruning contractors used a forestry mower to mow down invasive and advantageous plant material in the native grass area at Bickham Rudkin Park.
- Met with an electrical contractor about repairs to the skate park lighting.
- Met with an electrical contractor about converting from metal halide to LED for the Mitch Park parking lot lights.
- One of the landscape contractors brush-hogged fire breaks in flashy fuel areas adjacent to residential and commercial areas.
    - Smith House
    - Edmond 66 Park
    - Creek Bend Trail
    - Hafer Park ROW
    - 22 acres on at Northtimbers
- Playground manufacturer worked on installing the new playgrounds at Westborough Park.
- Met with a court surfacing contractor about quotes to resurface the pickleball courts at Kickingbird.

Staff Maintenance Report:

- Park facilities and grounds checks.
- Litter removal in the parks and other managed areas.
- Janitorial services to all the park support buildings.
- Prepared pavilions for any rentals.
- Checked building heaters for function.
- Cleaned up and mulched leaves in the parks and other locations.
- Partnered with UF staff to work on pruning goals and initiatives of newly planted trees.
- Bed maintenance work to beds in parks and downtown.
    - Adding mulch
    - Adding compost
    - Cutting back grasses and perennials
    - Addressing erosion issues
- Cleaned up graffiti at various locations.
- Removal of advantageous and invasive plant material at the nature preserve.
- Turning on irrigation systems and making the necessary repairs.
    - Changing seals on backflows
    - Replacing broken drip line and spray heads
    - Replacing bad solenoids
- Turned on the booster pump station at the soccer complex.
- Repaired a broken water line in the soccer east concession/bathroom building.
- Disc golf course improvements
    - Poured new t-pads
    - Installed new pin locations
    - Installed new benches
    - Started work on erosion control boxes around t-pads
- Playground inspections.
- Filled in holes around the new City Hall building that were left from construction.

MONTHLY ACTIVITY REPORT

- Site prep work for the new playground installation at Westborough Park.
- Repaired the ADA ramp for the AMBUCS playground at Mitch Park.

Recreation Bullets for February 2026

- Alex's art will be in our parks! Johnson Park has been going through a refresh. Last year UCO students cleaned and painted structures at the park with bold, vintage-inspired solid colors. The next phase of the refresh is set for UCO Students to brighten the space up even more this spring with fun, playful shapes and games on the ground and sidewalk at the park. As a part of this, our very talented Art Media Specialist Alex has been asked to put some of his awesome artwork on the surfaces at Johnson Park! There is a workday scheduled for March 16. If anyone is interested in helping with painting at Johnson Park, please contact Sean Washington.
- This month Amanda begins Pollinator Steward Certification training through pollinator.org. The weekly training will run through April and provide education on how we can support pollinator conservation efforts through infrastructure and outreach. This will also open access to a new network of resources for us. Once training is complete, one habitat creation / conservation project must be completed, and one outreach or education action must be completed before certification is awarded.

Edmond
PARKS AND RECREATION

MONTHLY ACTIVITY REPORT

- The NRPA has asked Amanda to share Edmond's experience in hosting BioBlitz during a webinar with other municipalities, institutions, and groups who are wanting to learn how to host their own BioBlitz events. This will be part of the NRPA's nationwide Planning Hub for the Parks for Pollinators BioBlitz initiative this year. Amanda's topic will be BioBlitz + Maintenance. After speaking with the folks from the NRPA it is very clear that we have exceptional resources in our city and having so many supportive working relationships between departments is something we should be proud of!
- 138 people visited our monthly Seeds + Starts Swap in Febuary! This provides a fun way for all skill levels of gardeners and plant enthusiasts to share their bounty! Details and times for upcoming *swapportunities* can be found online:

MONTHLY ACTIVITY REPORT

Reporting Period:	2/1/2026 to 2/28/2026
Submitted By:	Emily Harmon, Marketing and Special Events Coordinator / Farmer's Market Manager

1. February is typically a slower month due to a lack of produce, but shoppers still visited the market, and vendors were happy with sales.
2. As the weather changed over to warmer temperatures, the market did move outside and that helped increase visibility and sales.
3. The vendor meeting for the 2026 season took place on Saturday, February 28th. We had over 100 people in attendance and got to meet all the new vendors joining the market this year. It is gearing up to be a great season for the Edmond Farmer's Market!
4. The average number of vendors represented in February: 28.
5. January Hot Sellers: Beef, Gluten Free products, Baked Goods, Salsa, Cheese.

SPECIAL EVENTS

1. The internal Luminance committee met and 2026 will be the year for a NEW event: Christmas in July at Mitch Park. Featuring Santa, vendors, activities, a couple of Luminance displays, and more, this will be a new way to promote sponsors and increase visibility for the annual Luminance events.

ACTION TO BE TAKEN:	☐ *Discussion Only*	☐ *Procedural Change*
	☒ *Information Only*	☐ *Possible City Council Policy Recommendation*
