

MEMORANDUM

APPROVED

TO: Paul Marzocca – Police Chief
THROUGH: Michael Ashley – Deputy Director of Police Administration
FROM: Matthew Ecker – Administrative Officer *ME*
Richard Braughton – Police Administrative Specialist *RB*
SUBJECT: 2020 VEHICLE PURCHASE
DATE: August 12, 2020

Paul Marzocca
8-13-2020

As part of the Capital Improvement Project that was approved by Council last year, the police department requested \$195,000 to purchase three fully-equipped patrol vehicles. Working with state contract vendors, we designed those vehicles—two unmarked Chevrolet Tahoes and one fully-marked Chevrolet Silverado 4X4—to meet our specifications. The price for the Tahoes is \$113,419.28; the price for the Silverado is \$56,330.63, for a total of \$169,749.91. Radios for the vehicles are priced at \$19,175.29. This brings the total quoted price to \$188,925.20.

Chevrolet redesigned the Tahoe for the 2021 models. Because of this redesign, pricing on some of the aftermarket components remains fluid. While we have solid quotes from our upfitter, AEP, they suggested that we leave some “wobble room” in our budget, as they may see unanticipated price increases from some of their wholesalers. This should not present a problem, since the approved amount is \$6,074.80 more than the quoted amount. We just want to be careful not to cut our purchase order margin too thin.

Attached please find three quotes, two from Courtesy Chevrolet (State Contract Vendor ADSP017-166120) for the vehicles and upfit, and the third from Motorola (State Contract Vendor CTR046830) for the radios. Those quotes cover not only the price of the trucks, but also all the modifications and accessories needed to make them ready for patrol use.

With all the quotes finalized, and with the total price being below the previously authorized budget threshold, we are ready to move forward with the purchase. We respectfully request that we be allowed to order these trucks and radios as configured. This process will require two separate purchase orders: one to Courtesy Chevrolet and the second to Motorola.

If there is anything further we can do to assist you, staff, or Council with the authorization of this purchase, please don't hesitate to let us know.
