Fuel

Fuel Drop \$75 Mon-Fri \$125 Sat, Sun, Nights
 Price Per Gallon: \$4.45
Price will vary with the market

Gen-Tech will deliver, lay out cable, and make terminations. Once rental is complete, Gen-Tech will remove all equipment from the site.

Delivery:	\$300.00
On-Site Labor:	\$1,250.00
Pick-up:	\$300.00
Environmental Fee:	\$63.90
*15% Damage Waiver:	\$1,015.65
Sub-total:	\$9,700.55
Tax:	\$892.45

Fuel is not included in this estimate

ESTIMATED COST: \$10,593.00

ALL FUEL INVOICES ARE NET 10 DAYS

*A Damage Waiver will be charged at 15% of rental rate, if no Certificate of Insurance is provided within 20 days of delivery, or the end of the rental whichever comes first. 24 hour fuel service is available, please call 623-937-1719 for current fuel prices. If you do not choose Gen-Tech to be your fuel provider, there will be a fuel service charge of \$6.50 per gallon if the equipment is not returned full of the proper fuel. A clean-up fee of \$75 per hour will be charged for equipment needing excessive cleaning. Our equipment requires maintenance every 250 hours and is the responsibility of the customer, unless otherwise scheduled with **GEN-TECH**. Prices contained in this estimate are not valid after 30 days of estimate date. There will be an additional 3% convenience fee added if paid by credit card. This proposal constitutes an estimation of rates only and is subject to change and/or availability of goods. Thank you for giving us the opportunity to earn your business. We look forward to providing you the best quality service possible.

Re: Award of Contract No. CTR- Generators, Accessories, Maintenance and Repair Services

Dear Mr. Slater, and Mr. Evaets:

Thank you for submitting a response to Invitation for Bid No. BPM002560. I am pleased to inform you that your company's offer has been selected for award. The initial contract term of one year shall begin on August 1st, 2020 and terminate on August 1st, 2021. Four (4) additional terms are available for renewal.

The procurement file for this solicitation, including evaluation documents and resultant contract, will be available shortly via the State's e-Procurement system, Arizona Procurement Portal (APP).

In order to complete the contract award process and in accordance with the Special Terms and Conditions, your company is required to submit a Certificate of Insurance. The certificate of insurance (COI) shall indicate that your company is in compliance with insurance requirements contained in the contract. Please submit your certificate of insurance to me as soon as possible. Once the COI has been received, the Offer and Acceptance form will be signed by the State completing the contract process.

You are cautioned not to begin any services under the contract until the Procurement Officer assigned to your contract has issued a purchase order against the contract through APP.

If you have any questions regarding your company's contract, please contact me mguyette@azdps.gov 602-223-2262. Thank you for your response and for your continued interest in doing business with the State of Arizona.

Executive Summary. Evaluation Report and Award Recommendation

THE ARIZONA DEPARTMENT OF PUBLIC SAFETY
2102 W. ENCANTO BLVD.
P O BOX 6638 MAIL DROP 1330
PHOENIX ARIZONA 85005

Solicitation Type:	Request for Proposal ("RFP")	Solicitation Number:	BPM002560
Solicitation Title:	Generators, Accessories, Maintenance & Repair Service	Specification Type:	Performance/Standards
Date Posted	May 9 th , 2020	Due Date	June 8 th , 2020

Material and/or Service Requirement: Generators, Accessories, Maintenance & Repair Service

Standards: The above entitled Request for Proposal ("RFP") was formally announced, advertised and evaluated in accordance with A.R.S. §41-2534 Competitive Sealed Proposals et. seq. and A.A.C. R2-7-C316(B) Evaluation of Offers.

Evaluation Criteria: RFP section 6, Special Instructions to Offerors.

1. Offeror's Experience and Capacity
2. Offeror's cost proposal
3. Offeror's Proposed Method of Approach

Evaluation of Offers: Offers received from Arizona Generator, Bud Giffin, Cummins and WW Williams were evaluated in accordance with the evaluation criteria specified in Section 6, Special Instructions to Offerors.

Negotiations/Clarifications: Negotiations/Clarifications were conducted with all offers received with clarifications to their original offers.

Award Recommendation: In order to meet the requirements of the WSB unit and facilities, recommendation is made to award contract to both Arizona Generator and Cummins.

- Both scored "Meets" for the Methodology requirements
- Arizona Generator had a slightly higher score than Cummins on the Experience and Capacity requirements. Primarily due to their previous experience working with WSB. Cummins scored high on the pricing for hourly labor rates and for the maintenance of the existing generators for facilities.

Additional negotiations are not recommended as the above offeror's proposals, as submitted, represent the best value for the State.
