Speed Radar Sign

Request Details			
Division	Engineering	Activity Code	62214
Project Amount	\$40,000	Related Projects	None
Grant Funding	No	Strategic Priority	Safe Community
Bond Eligible	No	Enter Project Status	New

Project Justification

Radar speed signs are considered a traffic-calming device designed to slow drivers down by alerting them to their speed. The City has installed these signs in various locations along local, collector and arterial roadways. This project is supported by a member of City Council.

Description of Operational Costs

The operating costs for the signs is not anticipated to impact current or future budgets.
