

Lab Composite Sampler Replacement

The water reclamation facility lab Composite Sampler is 10+ years old. With the equipment no longer in production materials/parts are starting to become harder to find for the equipment. Having reliable equipment is important to ensure the City stays in compliance with permits and regulations.

Submitted By	Nick Russo, Public Works Director
Request Owner	Nick Russo, Public Works Director
Est. Start Date	07/01/2021
Est. Completion Date	06/30/2022
Department	Wastewater
Type	Other

Lab Equipment
