

FEMA

November 15, 2021

Rudy Perez
Emergency Services Planner
Maricopa County Department of Emergency Management
5636 E. McDowell Rd
Phoenix, AZ 85008

Dear Mr. Perez:

The Federal Emergency Management Agency (FEMA) has completed its review of the *Maricopa County Multi-Jurisdictional Hazard Mitigation Plan 2021* and has determined that this plan is eligible for final approval pending its adoption by Maricopa County and all participating jurisdictions. Please see the enclosed list of approvable pending adoption jurisdictions.

Formal adoption documentation must be submitted to FEMA Region 9 by at least one participating jurisdiction within one calendar year of the date of this letter, or the entire plan must be updated and resubmitted for review. FEMA will approve the plan upon receipt of the documentation of formal adoption.

Once the plan is approved, each participating jurisdiction must adopt the plan within five calendar years of the date of the approval. The adoption of the plan by each jurisdiction ensures that jurisdiction's continued eligibility for funding under FEMA's Hazard Mitigation Assistance (HMA) programs. All requests for funding, however, will be evaluated individually according to the specific eligibility, and other requirements of the particular program under which applications are submitted.

If you have any questions regarding the planning or review processes, please contact the FEMA Region IX Hazard Mitigation Planning Team at fema-r9-mitigation-planning@fema.dhs.gov.

Sincerely,

for Alison Kearns
Risk Analysis Branch Chief
Mitigation Division
FEMA Region IX
