5. A public hearing, closure of public hearing, followed by a discussion and recommendation to City Council on a zoning application to rezone 36 acres of land from Natural Reserve to Employment/Industry located 0.2 miles east of the southeast corner of Cactus Road and Main Street submitted by Whitley Morris, PLC. (Development Services - Planning and Zoning)

Chairperson Houston opened the Public Hearing.

Senior Planner Macias provided information on the zoning application and outlined the allowed and prohibited uses for the location. Applicant Alex Hayes with Whitley Morris, PLC, stated the request to rezone the site is to allow for project development and to add the community park. Mr.

Hayes detailed some of the changes that have been made based on resident feedback which includes additional landscaping for increased buffering.

Resident Scottie Gentry stated she has heard from residents that do not want this development to move forward, and they have started an online petition to protest the development. Resident Alexandra O'Hannon stated she continues to oppose this development even though the applicant has been working with residents on their concerns. Ms. O'Hannon stated she and others were assured the existing park in the area would be undisturbed only to find out that plan has changed also.

Commissioner Campbell-Sanderfield asked if the two entrances to the facility would affect traffic on Cactus Road and Mr. Hayes stated it should not as they are not expecting high traffic visits to the facility. Commissioner Campbell-Sanderfield asked what type of equipment is needed to complete the lifting of the property and applicant Adam Baugh with Withey Morris, PLC, stated there are only small areas that will require lifting, and they are working with staff and FEMA to ensure the process is done correctly.

Hearing no further comments, Chairperson Houston closed the Public Hearing.
