SB 1735: 2025-2026; general appropriations act

Sponsor: Senator Kavanagh (with permission of committee on Rules), LD 3

Signed by the Governor

Overview

Appropriates monies for the operation of the state government in FY 2026.

History

The Arizona Legislature adopts a budget for each fiscal year (FY) that contains general appropriations. [Article IV, Section 20, Part 2](#) of the Constitution of Arizona requires the General Appropriations Act (feed bill) to contain only appropriations for the different state departments, state institutions, public schools and interest on public debt. Statutory changes necessary to reconcile the appropriations made in the feed bill and other changes are drafted into separate budget bills prepared according to subject area.

Provisions

The tables below indicate state **ongoing** General Fund (GF) and **other fund** (OF) changes for appropriated state agencies in FY 2026 stated in terms of changes to the [FY 2026 JLBC Baseline](#).

Major footnotes are stated in terms of changes to the [FY 2025 General Appropriations Act](#).
