SPEED CUSHION REQUEST FORM

Residents may begin the process for requesting speed cushions through the El Mirage Engineering Division. Please read the "City of El Mirage Speed Cushion Installation Program" on pages 1 and 2 to determine if your street is eligible and for the full process and requirements. The Engineering Division will review and approve/deny the request.

- Staff will have a traffic study performed on the street to determine vehicle speeds and volumes. Local and collector streets with 85th percentile speeds at least 5 miles per hour above the posted speed limit and volumes over 400 vehicles per day may qualify.
- If warrants are met, a Traffic Engineer will prepare a report and exhibit that will determine preliminary speed cushion locations.
- Staff will review the locations with emergency service departments and other affected agencies.
- Staff will create and send the Requestor a petition with the addresses required to collect signatures.
- 60% of properties within the Petition Area must sign and indicate "YES" for the request to be completed.

Please complete the information below:

Requested Street to be Considered: El Mirage Road from Well St to End St

Nearest Cross Street: Wells Street

Contact Name: Annie Ansell Address: 14414 N. El Mirage Road

Phone Number: 623-249-3812 Email Address: dcc.annie@gmail.com

I understand this request will be processed according to the procedures detailed in the "City of El Mirage Speed Cushion Installation Program". I agree to be the contact person for the above request.

Signature of Applicant Annie Ansell Date 12/3/2025
