

Proposal for  
City of El Mirage – Street Light Installation – WA685523

## Executive Summary

AJP Electric, Inc. is pleased to present this Proposal for the Street Light Installation (APS WA685523) for consideration by the City of El Mirage. This Proposal will provide estimate, approximate material schedule / availability, and other project information to be utilized by the project team as the project moves forward.

### Project Description

This project proposal is based on APS WA685523 El Mirage Street Light APN: 501-33-058 which ads a direct bury street light to the alley between 4<sup>th</sup> and 5<sup>th</sup> Avenues on the north side of Well St. This street light gets new service that is directly fed by the pad mount transformer approximately 65' north within the alley.
