RE: Annual Medical Physical Provider  
Date: May 30, 2023

Please find attached the FY 24 quote from 1582, LLC to perform the required annual firefighter medical testing and physical examinations.

Our department was unable to obtain the 3 new comparable written quotes as required per City procurement policies as there are no other vendors within the Metropolitan Phoenix area that have the ability to provide both the required NFPA 1582 standard Stress EKGs, along with the ability to provide mobile on site annual testing at the El Mirage Fire Department while maintaining a permanent physical practice location for in office follow-up visits or fitness for duty examinations as needed. Therefore, 1582 LLC is considered a sole source.
