TO: Mary C. O'Brien Accommodation School District/Pinal County ESA  
FROM: Christy Knorr, President of 1GPA  
RE: Scoreboards, Signs and Related Products, RFP 25-05P

It is the recommendation of 1GPA that the above referenced Request for Proposal (RFP) for Scoreboards, Signs and Related Products be awarded to the firms determined to have submitted the most advantageous offers as indicated below:

**Awarded Firms (alpha order)**

Associated Sign Company  
DunCor, LLC dba Summit West Signs  
Norcon Industries, Inc.  
Precise Sign Co. LLC

The purpose of this solicitation is to enter into contracts with qualified firms to provide an extensive array of scoreboards, signs, and related products and services including installation, inspection, maintenance and repair.

The proposal opening was held virtually on August 13, 2024 at 11:00AM through Zoom. Seven (7) proposals were received and reviewed by the evaluation committee. Firms were evaluated based on the evaluation criteria set forth in the RFP. A best and final was also issued to all susceptible firms after discussions were held.

It is determined a single award is not advantageous to 1GPA's Members. The solicitation authorized multiple awards to meet the needs of 1GPA's various types of members and locations in Arizona and other states. Award is recommended to the least number of Offerors who offered the most advantageous proposals. The recommended firms offer scoreboards, signs and related products and services.

This is a multi-year contract beginning **October 15, 2024** for one year. The contract may be extended up to a maximum of four (4) additional years on a year-to-year basis. Annual renewals would be based solely on the determination of 1GPA as to the performance, costs and general quality of the products and services provided by the successful vendors selected.
