Hello Martina,

Thank you for the message. The City of Mirage is fine to use the Sourcewell cooperative contract since ADOT will be reimbursing the city with MAG HURF funds, not federal funds.

If you have any additional questions, please call me at 602-452-5013.

Dean

Good afternoon Dean,

Please see the email below from Cason Chambers, Operations Superintendent, City of El Mirage, and let us know if using this contract to procure the street sweeper is acceptable. I've also attached Tymco's SAM.GOV registration.

Martina,

I am emailing in reference to the FY25 PM-10 Certified Street Sweeper Application we submitted, which was approved. Our Finance Department would like verification that MAG is okay with us using a Sourcewell cooperative contract to procure the Tymco sweeper we have selected. Are you able to communicate this request to MAG and ask that they provide a statement as to whether or not they are willing to allow us to use this contract for procuring the sweeper? The contract is attached for reference if needed.

Let me know if you have any questions.

Thank you,

Cason Chambers
