3. COMM. 4E-22 (2023)
 COUNTY EXECUTIVE

WHEREAS, the Legislature of the County of Erie, electing a cents per gallon rate of sales and compensating use taxes on motor fuel and diesel motor fuel, in lieu of the percentage rate of such taxes, pursuant to the authority of Article 29 of the Tax Law of the State of New York.

NOW, THEREFORE, BE IT

RESOLVED, that be it enacted by the Legislature of the County of Erie, as follows:

SECTION 1. The Erie County Sales and Use Tax Resolution, being a resolution adopted by the Board of Supervisors of the County of Erie as Item 8 of Meeting Number 31, held July 27, 1965, Supervisors Proceedings, page 666, as amended, is hereby further amended by adding a new section 4-B to read as follows:

Section 4-B. Cents per gallon rate of sales and compensating use taxes on motor fuel and diesel motor fuel.

Notwithstanding any provision of this enactment to the contrary, for the period commencing June 1, 2023 and ending December 31, 2023, in lieu of the percentage rate of sales and compensating use taxes imposed on receipts from the retail sale of and consideration given or contracted to be given for, or for the use of, motor fuel and diesel motor fuel, such taxes shall be imposed at a rate of cents per gallon of such motor fuel or diesel motor fuel, in the manner prescribed by subdivision (m) of section 1111 of the New York Tax Law, provided that, for purposes of calculating the cents per gallon rate of tax, such receipts or consideration shall be limited

to two dollars per gallon of either such fuel. Provided that, if the average price of such fuels changes as described in such subdivision (m) of section 1111 of the Tax Law, the Commissioner of Taxation and Finance shall adjust the cents per gallon tax rate on such fuels in the manner prescribed in such subdivision (m) of section 1111 of the Tax Law.

SECTION 2. This resolution shall take effect June 1, 2023.

and be it further

RESOLVED, that the Clerk of the Legislature is hereby directed to seal and certify five copies of the resolution and provide the certified resolutions to the Department of Law for filing with the Secretary of State, the State Comptroller, and the Erie County Clerk, within five days of enactment, pursuant to section 1210(e) of the Tax Law; and be it further

RESOLVED, that no later than May 2, 2023, the Department of Law shall send a certified copy of this resolution via certified mail to the Commissioner of Taxation and Finance.; and be it further

RESOLVED, that certified copies of this resolution be forwarded to the County Executive's Office, the Comptroller's Office and the Division of Budget and Management.

4. COMM. 4E-26 (2023) AS AMENDED
COUNTY EXECUTIVE

WHEREAS, the Real Property Tax Services Director has transmitted to this Legislature transcripts of tax delinquencies and tax delinquent real properties for foreclosure pursuant to the In Rem provisions of the Erie County Tax Act, which will be known as In Rem Action No. 171, and has furnished this Legislature with the necessary abstracts from the Real Property Tax Services records of such delinquencies.

NOW, THEREFORE, BE IT

RESOLVED, that the In Rem provisions of the Erie County Tax Act be applied to such real property and the delinquent taxes set forth in said transcripts, as determined by the Real Property Tax Services Director from the transcripts of properties upon which the County of Erie owns a tax sale certificate which has been due and unpaid for a period of at least two years; and be it further

RESOLVED, that the County Attorney or his designee conduct and consummate such foreclosure proceeding known as In Rem Action No. 171 as directed by this Legislature and determined by the Real Property Tax Services Director; and be it further

RESOLVED, that this resolution shall take effect immediately; and be it further

RESOLVED, that certified copies of this resolution be transmitted to the Office of the County Executive, the Office of Budget and Management, the County Attorney, the Office of the Comptroller and the Office of Real Property Tax Services.

3. COMM. 4E-18 (2023)
COUNTY EXECUTIVE

WHEREAS, the COVID-19 pandemic exposed many disparities between communities including access to high-speed internet; and

WHEREAS, there is a continuous and increasing demand for telehealth services from both patients and healthcare providers; and

WHEREAS, Erie County Department of Health (ECDOH) was awarded from the Rockefeller Philanthropy Associates to purchase equipment to increase telehealth services in Erie County; and

WHEREAS, these funds, with the ECDOH's previous award from New York State for \$25,000, will specifically be increasing telehealth services by purchasing the necessary equipment for two mobile units utilized by ECDOH and equipment for the Jesse Nash Health Center that will be accessible to patients, providers, and residents to connect with their own providers; and

WHEREAS, this grant in the amount of \$25,000 and requires no local funding.

NOW, THEREFORE, BE IT

RESOLVED, that the Erie County Legislature hereby authorizes the Department of Health to enter into contract with Rockefeller Philanthropy Associates for the acceptance of a \$25,000 grant award and amend the 2023 General Fund Budget (Fund 110, Funds Center 12700) as follows:

RESOLUTION NO. 30

RE: Appointment to the Cornell
Cooperative Extension
Association of Erie County
(INTRO. 5-1)

**A RESOLUTION TO BE SUBMITTED BY
LEGISLATOR BASKIN**

WHEREAS, Cornell Cooperative Extension Association of Erie County is a subordinate governmental agency with an educational mission that operates under a form of organization and administration approved by Cornell University as agent for the State of New York; and

WHEREAS, the Cornell Cooperative Extension Association of Erie County is part of the national cooperative extension system, an educational partnership between County, State, and Federal governments; and

WHEREAS, as New York's land grant university, Cornell administers the system in this state; and

WHEREAS, each Cornell Cooperative Extension association is an independent employer that is governed by an elected Board of Directors with general oversight from Cornell University; and

WHEREAS, as per Article V, Section 3(B)(2) of the Cornell Cooperative Extension Association of Erie County Constitution, the county governing body shall be requested annually to appoint one (1) legislator to serve as an ex-officio director with voting privileges.

NOW, THEREFORE, BE IT

RESOLVED, that this honorable body appoints Mr. James Malczewski, Erie County Legislator for District 10 to the Cornell Cooperative Extension Association of Erie County's Board of Directors; and be it further

RESOLVED, that certified copies of this resolution be transmitted to the Legislator Malczewski, the President of the Cornell Cooperative Extension Association of Erie County's Board of Directors, and the Executive Director of Cornell Cooperative Extension Association of Erie County.

RE: Calling on NYS to Continue
Sharing eFMAP Funds with Its
Counties
(INTRO. 5-2)

**A RESOLUTION TO BE SUBMITTED BY
LEGISLATORS GREENE, MALCZEWSKI, MILLS & TODARO**

WHEREAS, the New York State 2024 proposed budget seeks to end the Affordable Care Act enhanced Federal Medical Assistance Percentage (eFMAP) federal pass-thru to New York State counties; and

WHEREAS, eFMAP is used to assist New York State and counties to pay for overspending in the Medicaid program; and

WHEREAS, eFMAP is used to help control property taxes; and

WHEREAS, this budgetary tactic would cost New York City \$345,000,000 and the counties outside of New York City \$280,000,000; and

WHEREAS, according to a New York Association of Counties report, the impact on Erie County would be annual loss of revenue of \$26,639,482; and

WHEREAS, based on Erie County's current property tax levy, which increased 2.7% for this year, a further increase of 8.17% to next year's property tax levy would be required to make up for this shortfall alone; and

WHEREAS, based on comments made by the New York Senate delegation of the United States State, it is clear that these funds were intended to pass-thru to the counties, and not just be spent by the states; and

WHEREAS, given the 2% property tax cap that exists for counties across New York State, such a move will result in significantly decreased services without any accompanying savings for Erie County taxpayers.

NOW, THEREFORE, BE IT

RESOLVED, that the Erie County Legislature calls on New York State Governor, Senate and Assembly to eliminate this revenue shifting plan from consideration as part of New York State's budget and continue to share these funds with New York State's counties; and be it further

RESOLVED, that copies of this resolution be forwarded to the Governor of the State of New York and the local Senate and Assembly delegations.

Protection Board
(INTRO. 5-3)

**A RESOLUTION TO BE SUBMITTED BY
LEGISLATOR BASKIN**

WHEREAS, the Erie County Agricultural and Farmland Protection Board advises this honorable body on the proposed establishment, modification, continuation or termination of any agricultural district, and renders expert advice relating to the desirability of agricultural districts, including advice as to the nature of farming and farm resources within any proposed or established area and the relation of farming in such area to Erie County; and

WHEREAS, per New York State Agricultural and Markets Law, Article 25-AA, Section 302, a county legislature chairperson is responsible for appointments to a county agricultural and farmland protection board; and

WHEREAS, Brett D. Kreher is a 4th generation poultry farmer in Clarence and has served as Chairperson of the Erie County Agricultural & Farmland Protection Board since 2012; and

WHEREAS, Daniel M. Henry is a vegetable and flower farmer in Eden and has served on the Erie County Agricultural and Farmland Protection Board for over 10 years.

NOW, THEREFORE, BE IT

RESOLVED, that Mr. Brett D. Kreher and Mr. Daniel M. Henry are re-appointed to the Erie County Agricultural and Farmland Protection Board for four-year terms; and be it further

RESOLVED, that certified copies of this resolution be transmitted to the Erie County Office of Agriculture.

RE: From the County Executive, Parks,
Recreation & Forestry Shelter
Rehabilitation
(COMM. 4E-17, 2023)

WHEREAS, the Erie County Department of Parks, Recreation & Forestry (Parks) has identified capital improvement projects at Ellicott Creek Park shelter numbers 11 and 26 and Emery Park shelter number 21 requiring rehabilitation; and

WHEREAS, the existing shelters have deteriorated over time, are in need rehabilitation and can pose a life safety hazard to the public if renovations are not completed; and

WHEREAS, without the renovation included in the project, the shelters would have to eventually be closed, reducing the rental income for the Parks Department; and

WHEREAS, the rehabilitation project includes structural repairs, repointing of existing Historic Works Projects Administration (WPA) masonry repairs, new roofs, and site improvements to make the shelters ADA compliant as well as in compliance with the State Historic Preservation Office (SHPO); and

WHEREAS, the Erie County Department of Public Works (DPW) received bids for the Parks Shelter Rehabilitation Project on January 5, 2023; and

WHEREAS, the lowest responsible bidder is Scrufari Construction Co., LLC; and

WHEREAS, the DPW is recommending award of the contract to the lowest responsible bidder.

NOW, THEREFORE, BE IT

RESOLVED, that the Erie County Legislature hereby authorizes the County Executive to enter into a contract with the lowest responsible bidder, Scrufari Construction Co., LLC, for the Erie County Department of Parks, Recreation & Forestry Shelter Rehabilitation Project for an amount not to exceed \$1,011,080, as follows:

Scrufari Construction Co., LLC

STATE OF NEW YORK
LEGISLATURE OF ERIE COUNTY
BUFFALO, N.Y., MARCH 23, 2023, A.D.

I HEREBY CERTIFY THAT at a regular session of the Legislature of Erie County held in the Old County Hall, in the City of Buffalo, on the 23rd day of March 2023, A.D., a resolution was adopted, of which the following is a true copy:

**Recognizing CAWTILE for Their Dedication to the
Environmental Health of Lake Erie**

WHEREAS, the Erie County Legislature seeks to honor institutions in Erie County that enhance the quality of life in the community through their efforts; and

WHEREAS, Citizens Against Wind Turbines in Lake Erie (CAWTILE) is a group of concerned citizens led by a courageous leader, Sharen Trembath, who are opposed to the construction of industrial wind turbines in Lake Erie; and

WHEREAS, CAWTILE's objective is to inform and educate the public about the impact and dangers of wind turbines on the ecologic health of freshwater lakes like Lake Erie; and

WHEREAS, CAWTILE previously organized and won against large wind power conglomerates such as New York Power (GLOW project) and Lake Erie Alternative Power, whose projects would have forever changed the ecological health of Lake Erie; and

WHEREAS, when CAWTILE heard of the most recent attempt to place wind turbines in Lake Erie, they sprang into action by quickly organizing a series of rallies, meetings, and letter-writing drives to raise awareness and support for their cause; and

WHEREAS, for the past three years, they relentlessly called, emailed, and wrote to local agencies, eliciting the help of Western New York elected leaders such as State Senator George Borrello, Assemblyman Andy Goodell, and County Legislator John Mills, who used their voices to advocate for a renewable energy study to determine the impact this proposed project would have on Lake Erie; and

WHEREAS, after years of advocacy and education efforts, on January 31, 2022, CAWTILE once again emerged victorious and was informed that NYSERDA withdrew its proposal.

NOW, THEREFORE, BE IT RESOLVED, the Erie County Legislature pauses in its deliberations to honor and recognize CAWTILE for the vital role they play in protecting our waters for future generations.

I HEREBY CERTIFY THAT *at a regular session of the Legislature of Erie County held in the County Hall, in the City of Buffalo, on the 23rd day of March 2023 A.D., a resolution was adopted, of which the following is a true copy:*

**Recognizing Camellia Meats for 10 years of carrying on
the Malczewski's Butter Lamb tradition**

WHEREAS, the Erie County Legislature seeks to honor institutions in Erie County that are responsible for upholding traditions that make up the cultural fabric of our community; and

WHEREAS, **Camellia Meats** was founded in 1935 by Mr. Edmund Cichocki Sr., a Polish immigrant who began his own butcher shop at 735 William Street making traditional Polish meat recipes; and

WHEREAS, **Camellia Meats** eventually moved to 1333 Genesee Street, expanded into a manufacturing plant, and throughout the years, continued to build the family business that has been operated by several generations of the Cichocki family; and

WHEREAS, in 1963, Dorothy Malczewski opened a poultry stand in the Broadway Market, the heart of the Buffalo Polish community, and began selling butter lambs around Easter season using the mold brought to America by her immigrant father from Krakow, Poland; and

WHEREAS, the butter lamb tradition originates as far back as the middle ages in Eastern Europe and is a reference to The Lamb of God, which represents Jesus and unites the Easter meal with the Eucharist of Holy Communion; and

WHEREAS, despite the Malczewski's Butter Lamb being sold in chain supermarkets, many people still make the journey to the Broadway Market as part of their annual Easter ritual; and

WHEREAS, in 2012, **Camellia Meats** purchased the Butter Lamb business and began production for Easter 2013 in order to continue this very important Polish, and now Buffalonian tradition, that has existed for over eight centuries.

NOW THEREFORE, BE IT RESOLVED, that the Erie County Legislature pauses in its deliberations to recognize **Camellia Meats** on the tenth anniversary of their production of the Malczewski Butter Lamb, and more importantly, for safeguarding a sacred cultural tradition that has spread throughout our community and become part of our local customs.

STATE OF NEW YORK
LEGISLATURE OF ERIE COUNTY
BUFFALO, N.Y., MARCH 23, 2023 A.D.

I HEREBY CERTIFY THAT *at a regular session of the Legislature of Erie County held in the County Hall, in the City of Buffalo, on the 23rd day of March, 2023 A.D., a resolution was adopted, of which the following is a true copy:*

Recognizing and Honoring Tanya Lords-Quinn from Millgrove Volunteer Fire Department During Women's History Month

WHEREAS, American women of every background have made historic contributions to the growth and strength of our nation in countless recorded and unrecorded ways; and

WHEREAS, during Women's History Month, we celebrate the numerous women whose courage and resolve have contributed to the character and success of our county, state, nation and the entire world; and

WHEREAS, this month, we honor women who have fought for equality and against the status quo, and who have broken the bonds of discrimination, partiality, and injustice for the benefit of all; and

WHEREAS, **Tanya Lords-Quinn** and the women of the Millgrove Volunteer Fire Department contribute greatly to the success and reputation of the organization; and

WHEREAS, these brave women create a legacy that continues to inspire generations of women to live with confidence, server their communities, and to improve our nation every single day; and

WHEREAS, American women courageously serve in the military, as police officers, first responders, and firefighters protecting the members of their communities, and this is especially true in the case of the women firefighters at the Millgrove Volunteer Fire Department, and

NOW, THEREFORE, BE IT RESOLVED, the Erie County Legislature pauses in its deliberations to honor and recognize from **Tanya Lords-Quinn** Millgrove Volunteer Fire Department for their efforts to continue strengthening our community.

Howard Simon

STATE OF NEW YORK
LEGISLATURE OF ERIE COUNTY
BUFFALO, N.Y., MARCH 23, 2023, A.D.

I HEREBY CERTIFY THAT at a regular session of the Legislature of Erie County held in the Old County Hall, in the City of Buffalo, on the 23rd Day of March 2023, A.D., a resolution was adopted, of which the following is a true copy:

Honoring Howard Simon on his Retirement from WGR Sports Radio

WHEREAS, The Erie County Legislature seeks to honor individuals in Erie County that enhance the quality of life in the community through their efforts; and

WHEREAS, **Howard Simon** was born in Brooklyn, grew up on Long Island, and first came to Buffalo in 1980 to attend Buffalo State College; and

WHEREAS, **Howard Simon** wanted to become a sports broadcaster from a very young age and after being immersed in Buffalo sports during his college years reading, watching, and listening to the local broadcasters and journalists, he knew he wanted to fulfill his dream here in Buffalo; and

WHEREAS, **Howard Simon** began his radio career in Elmira, New York and Toledo, Ohio, working in news, traffic reporting, and as a country music disc jockey before receiving his first opportunity to work in sports radio with WJL in the Western New York region; and

WHEREAS, **Howard Simon** made Buffalo his home when he met and married Joann in 1996 and together they have a son, Jonathan who shares his father's love of sports and currently works for the New York Yankees; and

WHEREAS, **Howard Simon's** career in Buffalo included working for WJL, WBEN, Empire Sports Network, and WGR where the broadcast team won a Marconi Award in 2009 for "Sports Station of the Year" and ranked 4th place for mid-market in 2022 by Barrett Sports Media; and

WHEREAS, **Howard Simon** broadcasted during the Buffalo Bills' four-straight Super Bowl appearances in 1991, 1992, 1993, and 1994, the Buffalo Sabres Stanley Cup Final series in 1999, the NCAA Tournament berths for each of the Big Four Schools, Buffalo Bandits championships, and a Buffalo Bisons championship; and

NOW, THEREFORE, BE IT

RESOLVED, the Erie County Legislature pauses in its deliberations to honor and recognize **Howard Simon** for thirty-three years of sports broadcasting where his work helped connect the community of Western New York sports fans as we celebrated thrilling victories and grieved heartbreaking defeats together.

WHEREAS, National Cocktail Day was created by Jace Shoemaker-Galloway in 2014; and

WHEREAS, cocktails were traditionally a mixture of spirits, sugar, water, and bitters; and

WHEREAS, today many classic mixed drinks conform to this, such as the Old-Fashioned, the Sazerac, and the Manhattan; and

WHEREAS, cocktails were inspired by British punches from the 18th century that were big bowls of spirits mixed with fruit juice, spices, and other flavors; and

WHEREAS, in 1862 Jerry Thomas, the father of American mixology, shared 10 cocktail recipes in his bartenders' guide, "How to Mix Drinks" or "The Bon Vivant's Companion;" and

WHEREAS, in 1917 Clara Bell Walsh invited 50 friends to her house in Missouri on a Sunday at high noon and coined it as a "cocktail party;" and

WHEREAS, cocktails became especially popular in the United States during prohibition, when speakeasies began adding honey or fruit juice to mask the taste of inferior liquor; and

WHEREAS, long after the repeal of prohibition, bartenders from across the world continue to draw inspiration from these traditional cocktails and techniques, to develop complex flavors, and create the next generation of libations.

LL INTRO. 1-1 (2022)

LOCAL LAW TO BE ENACTED BY
THE ERIE COUNTY LEGISLATURE
IN THE
COUNTY OF ERIE
LOCAL LAW INTRO. – NO. 1-1 - 2022
LOCAL LAW – NO. _____ - 2022

A Local Law authorizing twelve (12) and thirteen (13) year old licensed hunters to hunt deer with a firearm or crossbow during hunting season with the supervision of a licensed adult

SECTION 1. Legislative Intent

Historically, twelve (12) and thirteen (13) year old residents of New York State have only been able to hunt deer, with a bow or small game with appropriate firearms. This rule has left New York as the only state to prohibit twelve (12) and thirteen (13) year old hunters from using firearms to hunt deer.

The 2021 New York State Budget included legislation allowing residents aged twelve (12) and thirteen (13) to hunt deer with a firearm or crossbow under the supervision of an experienced adult hunter, provided the county in which they are hunting has opted into the program pursuant to Environmental Conservation Law 11-0935.

Environmental Conservation Law (ENV) 11-0935 provides a pilot program for counties to allow young residents, aged twelve (12) and thirteen (13) years old, the opportunity to safely learn to hunt deer with firearms under adult supervision. It is the intent of this law to permit twelve (12) and thirteen (13) year old residents to hunt deer with firearms and crossbows, by opting into New York's existing pilot program pursuant to Environmental Conservation Law 11-0935. It does not expand youth access to firearms it simply increases the opportunity to hunt bigger game.

Erie County is passing this local law as hunting is a valued tradition for many families. This new opportunity allows experienced, adult hunters to introduce the value of hunting to the next generation. Furthermore, teaching young people safe, responsible, and ethical hunting practices will ensure a rewarding experience for the youth, while providing quality food to families and contributing to important deer management population control practices.

A 2021 version of this law was passed by this honorable body and vetoed by County Executive Poloncarz. Executive Poloncarz cited the “many unfortunate firearm hunting accidents across the state and county, especially those involving youth hunters¹” as the reason for the law’s veto. The first year of the pilot program has ended and the Department of Environmental Conservation has

issued a report on hunting incidents across New York State, which is attached. According to the report, only two eligible counties failed to enter into the pilot program in 2021, Erie County and Rockland County. In the remaining 54 counties 9,859 youths aged 12-13 participated in the youth hunting program. Those 9,859 12 and 13-year-old children harvested 1,564 deer across New York State. There were zero recorded shooting incidents, hunting violations, or license revocations.

SECTION 2. Pilot Program Authorization

Pursuant to Environmental Conservation Law, ECL 11-0935, Erie County elects to participate in the temporary program allowing young hunters, ages twelve (12) and thirteen (13), to hunt deer with a firearm, to include rifles, shotguns, and muzzle loaded firearms or crossbow through 2023.

SECTION 3. State Requirements to Adhere Once Authorized

Per New York State requirements twelve (12) and thirteen (13) year old licensed hunters shall be allowed to hunt deer with the following requirements:

- Twelve (12) and thirteen (13) year old licensed hunters shall be under the supervision of a licensed adult hunter, aged 21 years or older, with a rifle, shotgun, or muzzle loading firearm in areas where, and during the hunting season in which, such firearms may be used; and
- Twelve (12) and thirteen (13) year old licensed hunters shall be allowed to hunt deer under the supervision of a licensed adult hunter, aged 21 years or older, with a crossbow during the times when other hunters may use crossbows; and
- Supervision of a licensed adult hunter, aged twenty-one (21) years or older, with at least three (3) years of experience who exercises dominion and control over the youth hunter at all times is required; and
- All licensed twelve (12) and thirteen (13) year old hunters as well as their adult supervisors shall be required to wear fluorescent orange or pink clothing while engaged in hunting to an extent and covering so designated pursuant to the law, rules, and regulations promulgated by the State of New York; and
- All licensed twelve (12) and thirteen (13) year old hunters shall remain at ground level while hunting deer with a crossbow, rifle, shotgun, or muzzleloader; and
- Notwithstanding any State or Federal Law to the contrary, this local law shall not authorize the hunting of bear by twelve (12) and thirteen (13) year old hunters with a firearm or crossbow.

SECTION 4. Effective Date

This local law shall take effect immediately upon filing with the Secretary of State.

SECTION 5. Severability

If any clause, sentence, paragraph, subdivision, section or part of this Local Law or the application thereof, to any person, individual, corporation, firm, partnership, entity or circumstance, shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional such order of judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part of this Local Law or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such judgment or order shall be rendered.

Deer Hunting by 12- and 13-Year-Old Hunters

- Prepared by -

Jeremy Hurst, NYSDEC Big Game Unit Leader

The 2021 New York State Budget included legislation that adopted a new section of the Environmental Conservation Law (11-0935) authorizing a license holder who is twelve or thirteen years of age to hunt deer with a crossbow, rifle, shotgun, or muzzleloading firearm under the supervision of an experienced adult hunter in eligible areas. The legislation established this new opportunity as a pilot program through 2023 and required counties to adopt a local law authorizing participation and notify the department of such participation.

DEC is pleased to provide the following report to the legislature which highlights the success of the inaugural program and fulfills the requirement of Environmental Conservation Law 11-0935(3) which states, *"The department shall prepare a report by February first of each year including the following information at a minimum: number of violations; hunting related incidents and revocations pursuant to section 11-0719; the number of counties participating; the number of minors participating; and the number of deer taken."*

County Participation

ECL 11-0935(2) defines eligible areas as: “a county that has passed a local law authorizing participation in the pilot program and has notified the department of such participation, however, that the following counties: Westchester; Richmond; Bronx; New York; Kings; Queens; Nassau; and Suffolk shall not be deemed to be eligible.” Thus, 54 of the 62 New York State counties were eligible to participate in the pilot program. Of the 54 eligible counties, only Erie and Rockland county did not pass a local law to allow 12- and 13-year-olds to hunt deer with a firearm or crossbow.

³ Portions of Albany and Monroe counties were excluded by state laws (ECL 11-0907(5)(a) and 11-0907(7)(b)) that restrict deer hunting in those areas to use of longbows only.

"It's a great way to get the young generation to hunt."

"Love the early opportunity with my father. Great bonding experience."

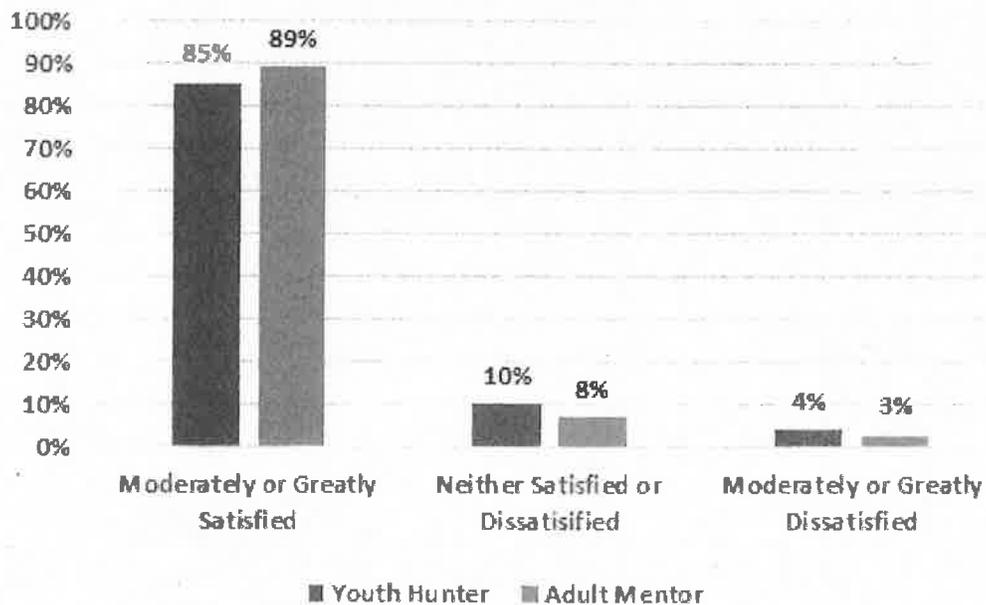

"The youth hunt is great...I think it builds a great trust and cooperation between DEC officers, young hunters and their parents, that extends well beyond the weekend. Great experience."

"This was a great opportunity. Thank you for allowing this and promoting younger hunters."

Holland B. from Ontario County got her first doe and buck in 2021. "What an amazing year!"

How Satisfied were you with your Youth Big Game Hunting experiences?

Recommendations

As evidenced in this report, it is clear that 12- and 13-year-old hunters can safely and successfully hunt deer with a firearm or crossbow and should be authorized to retain this important opportunity. In order to continue to cultivate the next generation of safe and responsible hunters and capitalize on the success of this program, DEC provides the following recommendations to expand youth hunting opportunities in New York:

- 1- **Make permanent the authorization for 12- and 13-year-old hunters to hunt deer with a firearm and crossbow.** We assessed participation and harvest by junior big game hunters through a post-season survey and asked about their level of satisfaction with their big game hunting opportunities in 2021. More than 9,800 young hunters (aged 12 and 13), representing approximately 9,500 families were eligible to hunt deer with a firearm or crossbow in 2021. These hunters were safe and successful, and satisfaction levels were extremely high. 85% of these young hunters and 89% of their adult mentors reported being moderately or greatly satisfied with their youth big game hunting experience this past year. Existing state law permanently allows hunters aged 12 and 13 to hunt small game with a firearm or long bow and big game with a long bow, when properly supervised. Establishing the same permanent provisions for 12- and 13-year-old hunters to hunt big game with a firearm will ensure that 12-year-olds can continue to hunt big game when they are 13 and that younger siblings have the same opportunity when they turn 12.
- 2- **Allow 12- and 13-year-old hunters to also hunt black bear with a firearm and crossbow.** Youths aged 12 and 13 have been legally able to hunt black bears with a longbow in New York since 2011 and have done so without incident. Hunting black bear with a longbow is unquestionably more challenging than hunting black bear with a firearm. Nonetheless, 12- and 13-year-old hunters have routinely demonstrated that they can safely and successfully harvest a black bear with a longbow. These same hunters, and all 12- and 13-year-old hunters, should be given the opportunity to also hunt black bear with firearms and crossbows.
- 3- **Extend the authorization for 12- and 13-year-old hunters to hunt deer with a firearm or crossbow to all of New York State (subject to other provisions of ECL) and remove the requirement for counties to pass a local law opting-in.** Of all the eligible counties in New York, only Erie and Rockland Counties did not pass a local law authorizing participation in the pilot program as required by 11-0935. However, in both of these counties, hunters aged 14-years or older can hunt deer and bear with firearms and crossbows. Similarly, Westchester and Suffolk Counties were specifically excluded from the provisions of 11-0935 despite an existing firearms season for deer in January in Suffolk County and provisions in 11-0903(7) authorizing the same potential opportunity in Westchester County. Young hunters in Erie, Rockland, Suffolk, and Westchester counties should not be forced to hunt elsewhere and should be given opportunity to hunt in the same locations and in the same manner as their peers, older siblings, and other family members.

LL INTRO. 3-1 (2022)

COUNTY OF ERIE

LOCAL LAW INTRO. NO. 3-1 -2022

LOCAL LAW NO. _____-2022

THE ERIE COUNTY LANGUAGE ACCESS ACT

A Local Law mandating the development of County Agency-specific language access plans, practices and training in the County of Erie.

Be it enacted by the Legislature of the County of Erie as follows:

Section 1. Legislative Intent and Findings

The County recognizes that a large percentage of its inhabitants speak languages other than English and that the well-being and safety of the County as a whole is put in jeopardy if the people of the County are unable to access County services or effectively communicate with County agencies.

This Legislature also finds and determines that language can be a substantial barrier for residents seeking to access government information, programs and services. This Legislature finds that Title VI of the Civil Rights Act of 1964 prohibits agencies receiving federal funds from discriminating against persons on the basis of race, color or national origin. This Legislature determines that Presidential Executive Order 13166 (August 11, 2000) requires federally funded agencies to act to ensure that individuals with limited English proficiency have access to programs and services.

This Legislature concludes that it is in the best interest of all County residents to ensure and improve language access to County programs and services.

Section 2. Definitions

As used in this law, the following terms shall have the meanings indicated:

County Agency: Any agency, department, division or office of Erie County government which provides programs and/or services to the public or programs and/or services made available to individuals in the custody of the Erie County Sheriff.

Designated Countywide Languages: The top six limited English proficiency languages spoken by the population of Erie County as determined by the Language Access Advisory Board.

Direct Public Services: Services administered by a County Agency directly to program beneficiaries and/or participants, including any services administered by an agency directly to individuals in the custody of the Erie County Sheriff.

Interpretation: An oral (spoken) or signed communication of a message from one language to another, in real time by a qualified human interpreter competent in both languages, keeping in mind cultural context, without adding, omitting, or changing the message's original meaning.

Limited English Proficiency: Persons for whom English is not their primary language and have difficulty communicating effectively in English.

Translation: The written rendition of a text in one language to a written text in another language, completed by a human translator competent in both languages.

Vital Documents: Those documents most commonly distributed to the public and individuals in County correctional facilities that contain or elicit important and necessary information regarding the provision of Direct Public Services.

Section 3. Language Access Requirements

Every County Agency shall provide language access services for direct public services it administers. Such language access services may include, but not be limited to:

1. Providing competent and timely interpretation services to individuals in their primary or preferred language. Competent interpretation shall mean a spoken or signed, real-time communication in which the qualified human interpreter is fluent in both the source and target language and is trained as an interpreter. The interpreter shall know relevant terminology and provide accurate interpretations by choosing equivalent expressions that convey the best matching and meaning to the source language and capture, to the greatest extent possible, all nuances intended in the source material;
2. Identifying and translating vital documents provided to the public, including but not limited to, forms and instructions provided to or completed by program participants and beneficiaries in each designated countywide language;
 - a. Existing vital documents must be translated within 365 days of the effective date of this law.
 - b. New vital documents, produced after the effective date, must be translated as soon as is practicable but no later than 120 days after the English version is released to the public, except for emergency communications which must be translated immediately, or at most up to 5 days following the release of the English version.
3. Translation of pre-recorded informational messages on agency phone lines that provide vital public information in English, including emergency alerts and public service announcements;

4. Translated copies of vital documents which are already made available to the public in English must be made available to the public in the same way as the current English version. Translated vital documents must be published alongside any English documents that may be available online through the County website;
5. Online applications or machine interpretation or translation software shall not be used;
6. Family members, other clients, and any other member of the public who is not a qualified interpreter, shall not be used for interpretation with respect to the provision of services or benefits;
7. Posting of multilingual signage in conspicuous locations about the availability of free interpretation services. Where practicable, the same information should be communicated via pre-recorded announcements in each designated countywide language on the public address system in public waiting areas;
8. Accommodations for communication access shall be available upon request including American Sign Language Interpretation via an on-site interpreter, Video Remote Interpreter (VRI), or Communication Access Realtime Translation for individuals who are deaf, hard of hearing or have hearing loss.
9. All language access services must be provided at no cost to the person seeking services from the Department.

Section 4. Language Access Plans

Every County Agency, in consultation with the Language Access Advisory Board, shall develop and implement an agency-specific language access implementation plan to describe how language access services will be provided and to ensure meaningful equal access to direct public services. County agencies with existing language access plans shall review such plans, in consultation with the Advisory Board, to ensure compliance with the provisions of this act.

A final copy of each county agency language access plan shall be submitted to the County Legislature and the Advisory Board and shall be published on the agency's website no later than 180 days after the effective date of this act. Agency plans must be implemented within 90 days following submission of the final plan.

Each County Agency shall update its language access implementation plan biennially, based on changes in the agency's service population or services and in conjunction with the designated language access coordinator and the Advisory Board, and publish such updated plan on its website.

Each language access plan shall set forth, at a minimum, the following:

1. Designate a language access coordinator to oversee the creation and execution of an agency language access implementation plan, collect language data, and issue an annual report. The name, title and contact information of such language access coordinator is to be posted in a conspicuous place on such agency's website;
2. Describe how such agency will provide the language access service required by Section 3, including the titles of all available translated documents and the languages into which they have been translated and the number of fully bilingual employees in public contact positions and the languages they speak;
3. Incorporate a uniform training plan for agency employees, including annual training on the language access policies and the provision of language assistance services as well as providing a procedure that allows employees to report issues and problems implementing the language access plan;
4. Incorporate a process for tracking and reporting agency language access data including the number and type of requests for language access services, what languages service requests are for, how each request was fulfilled, the number of complaints received by the agency regarding language access, and how complaints were resolved.
5. Determine the methods such agencies will employ with regard to providing language access services, both through agency staffing and contracts with third parties. Whenever possible, County Agencies should prioritize hiring local interpreters.
6. Consider the following factors in developing such implementation plan:
 - a. the number or proportion of LEP persons in the eligible service population;
 - b. the frequency with which LEP individuals come into contact with the agency, if such data exists. If no relevant data has been collected, such agency must exclude this factor from consideration;
 - c. the importance of the benefit, service, information, or encounter to the LEP person (including the consequences of lack of language services or inadequate interpretation or translation); and
 - d. the resources available to the agency and the costs of providing various types of language services
7. When a member of the public states they are deaf, hard of hearing, or have hearing loss, the County Agency's designated language access coordinator shall submit notice and keep record of notice made to The Erie County Office for People with Disabilities on behalf of the member of the public in need of language access services. The Office for People with Disabilities will support the members of the public with communication services.

Section 5. Amending Article 17 of the Erie County Charter

Erie County Local Law No. 1-1959, constituting the Erie County Charter, as amended, is hereby amended at Article 17 to add a new Section 1708 to read as follows:

Section 1708. Language Access Advisory Board. There shall be a Language Access Advisory Board to advise on matters relating to LEP individuals and language access. The Board shall consist of seven members including:

1. County Executive, or their designee;
2. County Clerk, or their designee;
3. Sheriff, or their designee; and
4. Four community members to be appointed by the County Executive. All four community member appointments will be subject to confirmation by the County Legislature.

Membership on the board shall be reflective of the diversity of the county's population and members shall be representatives from community organizations and faith-based organizations serving LEP and deaf, hard of hearing and hearing loss communities in Erie County. Members of the Board shall be appointed for a term of three years. No member may serve more than two terms, except that those members who are initially appointed to complete the unexpired term of a member may also be eligible to serve two subsequent terms of three years each. The Board shall annually designate one member to serve as Board chairperson. In the event of a vacancy occasioned other than by expiration of the term of office of the chairperson, the Board shall appoint a successor to that office from the Board's membership.

The Advisory Board shall be empaneled within ninety days following the effective date of this act. A quorum shall consist of a majority of the members of the Advisory Board entitled to vote on the matter under consideration. Approval of any matter shall require the affirmative vote of a majority of the members voting thereon. The Advisory Board shall adopt by-laws for the management and regulation of its affairs.

The Board shall:

1. Designate the top six languages LEP individuals speak in Erie County as the Countywide Languages. This process will take place every two years and will consider a wide variety of data sources, including but not limited to data collected by the U.S Census and American Community Survey, public schools, local interpreting agencies, federal refugee resettlement programs and County Agencies to determine which language groups are most in need of language services.
2. Advise County Agencies in developing and implementing their Language Access Plan.
3. Review Agency Language Access Plans and evaluate the implementation of those plans.
4. Create a mechanism to interact with public regarding proper language access plan implementation.

5. Review annual reports from County Agency language access coordinators and create a comprehensive annual report filed with the Legislature. Annual reports and recommendations will be made publicly available online through the County website.
6. Put forward additional policy recommendations as needed to improve language access services.

Section 6. Right to Privacy

The need for/use of language services by an individual contacting the County shall not be deemed by any County employee as a basis for inquiring into information related to an individual's immigration status or other personal attributes. No County employee shall inquire about or disclose confidential information, including, but not limited to, immigration status, unless such inquiry or disclosure is required by law.

Section 7. Effective Date

This Local Law shall take effect 180 days after it becomes law.

Section 8. Severability

If any clause, sentence, paragraph, subdivision, section or part of this law or the application thereof to any person, individual, corporation, firm, partnership, or business shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair or invalidate the remainder thereof but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part of this law, or in its specific application.

**LOCAL LAW TO BE ENACTED BY
THE ERIE COUNTY LEGISLATURE
IN THE
COUNTY OF ERIE
LOCAL LAW INTRO. – NO. 1-1 - 2023
LOCAL LAW – NO. _____ - 2023**

Providing for 10% property tax exemptions for Volunteer Firefighters and Ambulance workers in Erie County

SECTION 1: Legislative Intent

Volunteer firefighters and ambulance workers are vital to public safety in communities across Erie County. To encourage and reward the selfless acts of volunteerism displayed by our firefighters and ambulance workers, New York State now allows local municipalities to opt into a real property tax exemption for certain volunteer firefighters and volunteer ambulance workers.

This local law, pursuant to §466-a of the NYS Real Property Tax Law (RPTL), is intended to provide any enrolled member of an incorporated volunteer firefighter or volunteer ambulance company across Erie County a real property tax exemption of up to 10% of the assessed value of qualifying residential real property owned by a volunteer firefighter or ambulance worker in the district in which they volunteer.

It is further the intent of this body to extend this benefit to un-remarried spouses of volunteer firefighters and ambulance workers in instances where the volunteer dies after accruing twenty years of service or for those who die in the line-of-duty.

SECTION 2: Provision of a Real Property Tax Exemption to Enrolled Members of Incorporated Volunteer Firefighter and Ambulance Companies

The Erie County Legislature hereby provides a real property tax exemption of 10% of the assessed value of real property for taxes levied by Erie County for individuals that meet the following qualifications:

- The individual is an enrolled and certified member of an incorporated volunteer fire company, fire department, or volunteer ambulance service that provides services within the County of Erie and has a minimum of two years of service; and
- That the property receiving the benefit is located within the jurisdiction served by the incorporated fire department or volunteer ambulance service to which the volunteer belongs; and
- The individual resides in the County of Erie and the property receiving the benefit is the primary residence of the individual and is used exclusively for residential purpose, and any portion of the property not used for residential purposes shall be subject to taxation.

SECTION 3: Grant of Lifetime Real Property Tax Exemption for Certain Volunteer Firefighters and Volunteer Ambulance Workers who have Accrued Twenty Years of Volunteer Service

The Erie County Legislature hereby provides a lifetime real property tax exemption of 10% of the assessed value of real property for any individuals that have been certified by the authority having jurisdiction over an incorporated volunteer fire company, fire department or incorporated volunteer ambulance service as having accrued twenty or more years of active service, so long as their primary residence remains within the Erie County jurisdiction in which they served.

SECTION 4. Grant of Lifetime Real Property Tax Exemption for Un-remarried Spouses of Volunteer Firefighters and Volunteer Ambulance Workers Whose Spouses Qualify under Section 3 of this Law or Whose Spouses Die in the Line-of-Duty

The Erie County Legislature hereby provides a real property tax exemption for life to the spouse of any volunteer firefighter or volunteer ambulance worker who dies after accruing twenty years of service or who dies in the line-of-duty pursuant to the policies contained in New York State RPTL §466-a (4). Provided, however, that the volunteer was already eligible for, and receiving, this benefit under either Section 2 or Section 3 as applicable.

SECTION 5. Certification of Eligibility

For the purposes of the requirements set forth by §466-a of NYS RPTL and this Local Law, no benefits can be provided without a certification of eligibility filed with the local assessor's office, in who's jurisdiction the applicant's property is located.

A universal county certificate of eligibility shall be published by the Erie County Executive on the County website for submission to applicant's assessor's office within 30 days of the effective date of this local law.

As part of any certificate of eligibility in application for benefits described by this law, the applicant must provide a Letter of Certification, which includes the exact date enrolled and current active status on their volunteer fire department or ambulance service's letterhead along with a proof of residency.

SECTION 6. Effective Date

This local law shall take effect in the next full tax year following filing with the Secretary of State.

Any volunteer having accrued the minimum years of service described in this local law as of the effective date of this law shall be eligible to apply for the benefits described herein provided they meet all other eligibility requirements contained in this law.

SECTION 7. Severability

If any clause, sentence, paragraph, subdivision, section or part of this Local Law or the application thereof, to any person, individual, corporation, firm, partnership, entity or circumstance, shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional such order of judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part of this Local Law or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such judgment or order shall be rendered.

COUNTY OF ERIE

LOCAL LAW INTRO. NO. 2-1 -2023

LOCAL LAW NO. _____ -2023

THE PUBLIC ART ACT OF ERIE COUNTY

A Local Law providing for public financial support for public art in the County of Erie.

Be it enacted by the Legislature of the County of Erie as follows:

Section 1. Legislative Findings and Intent

The Erie County Legislature desires to support and promote worthwhile initiatives that help to promote the public good and improve the quality of life of our community. Like many other municipalities and local governments around the country, the Legislature wishes to further develop the County's financial support of public art through the County's construction of new infrastructure. This initiative seeks to make art accessible to all Erie County residents and visitors and to foster a sense of community connection and civic pride.

The County already has a robust financial contribution and commitment to arts and cultural institutions, through annual budgetary funding and occasional, one-time capital or operational funding for cultural assets. In addition, the County has been funding a position of Public Art Curator located at the Albright-Knox Art Gallery for several years.

The County also values artists and believes that artists should be compensated in a manner consistent with their experience. This will ensure that artists' expenses and labor on public art projects are adequately compensated and will strengthen our public art artists community by properly valuing their need in Erie County.

As contrasted with annual operational funding for the County's cultural assets (which are already financially subsidized and supported by the County of Erie), this initiative proposes to create a funding mechanism for public art related to certain Erie County capital construction projects. Under the proposal, depending on the size and type of the project, the County would allocate 1% of the cost of a building construction project (up to a maximum of \$10,000 allocated). The Committee will decide where in Erie County the public art will be installed in an annual Public Art Master Plan. Art won't need to be implemented where every capital improvement exists. All the 1% monies collected from the previous year's capital improvements will be allocated to fund the design, supplies and commission of the next year's Public Master Art Plan.

Section 2. Funding

Capital projects on buildings that are \$250,000 or greater, whether funded by capital (bonded) funds or operating funds, shall include the appropriation of funds equal to 1% of the cost of the

project, with said funds to be appropriated for the acquisition, maintenance and management of public art, except where the appropriating resolution, bond resolution or budget may provide otherwise; provided, however, that, where applicable, such amount shall be reduced to the extent that state or federal government funds are not authorized to be used for such purpose. The maximum allocated for public art shall be \$10,000 from each eligible capital project.

A "Public Art Fund" shall be created by the Division of Budget and Management to hold funds for implementation of the projects finalized in the Master Public Art Plan and/or projects chosen by the Arts in Public Places Committee.

The use of any funds appropriated for any project for public art purposes shall be in accordance with the Master Public Art Plan, except that any such funds provided from the proceeds of County serial bonds or notes shall be used only for public art purposes related to the project for which such bonds or notes were authorized. To the extent the total appropriation of a project is not used for the acquisition of works of art for said project, upon the approval of the County Legislature, the remainder may be used for:

1. Arts program administrative costs, insurance costs or for the repair and maintenance of any works of art acquired under this law; or
2. Supplementing other appropriations for the acquisition of works of art under this law or to place works of art in or near government facilities which have already been constructed.

Section 3. Definitions

As used in this law, the following terms shall have the meanings indicated:

"Public Art" includes any application of skill and taste to production of tangible objects according to aesthetic principles, including but not limited to paintings, sculptures, engravings, carvings, frescoes, mobiles, murals, collages, mosaics, statues, bas-reliefs, tapestries, photographs, fountains, streetscapes, drawings and ceramics, as well as decorative seating, topiary, and other decorative public use features.

"Capital Projects" includes: (a) new construction of a building or of additional space added to a building; and/or (b) any reconstruction or renovation of a building or part of a building, whether financed through the issuance of bonds or pay-as-you-go funding or other (non-County) sources of funds.

"Projects" shall not include those which are solely for rehabilitation of equipment.

"Cost of a Project" includes design, architectural and engineering fees, site work, construction, and contingency allowances for a project.

"Public Art Fund" means the new fund to which 1% of the value of a new capital project will be allocated to pursue Public Art initiatives (to a maximum of \$10,000 for each capital project).

“Committee” refers to the Arts in Public Places Committee.

“Master Public Art Plan” (“Plan”) means the annual plan created by the Committee by March 1 to ensure a coherent acquisition program and implementation guidelines for Public Art.

Section 4. The Arts in Public Places Committee

A. There shall be an Arts in Public Places Committee, hereinafter referred to as the “Committee,” consisting of five (5) members. The County Executive shall appoint three (3) members, and the Majority Caucus and Minority Caucus of the Legislature shall each appoint one member. All five members shall be subject to Legislature confirmation. The Chairperson of such Committee shall be selected from the members of the Committee for a term of one year.

B. The five (5) members shall be experts in the fields of art, art history, architecture or architectural history and must be Erie County residents and may not serve on any other County advisory board or be a County employee or officer. The members shall be professionally associated with local visual arts groups, such as art galleries or art schools, or have at least ten (10) years’ experience in creating professional art.

C. In addition to the five (5) voting members of the Committee, The County Executive, the Chairperson of the Legislature, the Chairperson of the Legislature’s Community Enrichment Committee, the Legislature Minority Leader, and the Commissioner of Public Works or their designees, shall serve as ex officio non-voting members of the Committee.

D. The Committee shall choose the methods of acquisition of public art for each project. Such methods of acquisition may include but are not limited to projects of preexisting art, direct commission, art competition, request for proposals, or acceptance of donations.

E. The Committee may, for each project, convene a project panel comprised of at least three members of the Committee, one of whom shall be designated Chairperson. The Committee may also appoint additional art experts as members of the project panel. The Committee may appoint additional members to the panel to serve as advisors, who may be community representatives, County employees, project managers or others who will have frequent contact with the public art when it is completed. An architect or engineer shall be an ex officio member of each panel. The panel shall review the scope of each project and shall make recommendations to the Committee on the nature of the public art to be considered for the project, on the method of acquisition for each project, on the specific artist and the specific art for each project and what portion of the budget for each project shall be used for refurbishing or restoring existing works of art or to be set aside for the maintenance of a work of art.

F. The acquisition and siting of all art work shall be approved by the County Executive and the County Legislature.

G. Ownership and title of all works of public art acquired by the County under this section shall be vested in the County of Erie.

H. The Committee shall create by-laws which will govern the conduct and operations of the Committee.

I. The Erie County Department of Environment and Planning shall serve as coordinator for the program and provide staff support to the Committee.

J. The Committee shall deliver an annual report to the County Executive and the County Legislature detailing its operations, Plan and art created under its auspices.

Section 5. Master Public Art Plan

The Committee shall prepare a Master Public Art Plan ("Plan") annually to ensure a coherent acquisition program and implementation guidelines, which shall be approved by the Erie County Legislature. The Committee shall hold a public hearing on the Plan prior to its approval. The Plan shall be approved by the Committee and submitted to the Legislature annually by March 1.

1. All acquisitions and sales of public art shall be in accordance with the Master Public Art Plan. The Committee shall recommend acquisitions, the hiring of artists, and shall oversee the public education and curatorial aspects of the acquisition program.
2. The Plan shall make affirmative efforts to be equitable and diverse and to include artists selected for public art projects who are racially and ethnically diverse. The siting of such art projects shall be throughout the County, but with efforts undertaken to place art in areas of diversity.
3. The Plan shall strive to use artists that are County residents.
4. The Plan shall emphasize the importance of adequate compensation of artists.
5. The Plan shall be voted on by the Legislature and presented to the Department of Environment and Planning by May 1st annually.
6. The Committee shall, through the Plan and its acquisition efforts, make efforts to call for artist submissions and publicize the intention to find appropriate art within thirty (30) days of the Plan's approval annually.
7. Final contracts for authorizing public art contracts and hiring of artists are subject to approval by the Erie County Legislature.

Section 6. Effective Date

This Local Law shall take effect upon filing with the New York State Secretary of State.

Section 7. Severability

If any clause, sentence, paragraph, subdivision, section or part of this law or the application thereof to any person, individual, corporation, firm, partnership, or business shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair or invalidate the remainder thereof but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part of this law, or in its specific application.

COUNTY OF ERIE

LOCAL LAW INTRO NO. 3-1-2023

EC LEG MAR 21 '23 08:39

LOCAL LAW NO. ____-2023

A LOCAL LAW Titled: The Occupancy Tax Modernization Act

BE IT ENACTED BY THE COUNTY OF ERIE AS FOLLOWS:

Section 1. Legislative Intent.

- a. The Erie County occupancy tax was established via local law by the Erie County Legislature in September 1974 and was amended via local law in 1975, 1983, 1987, and 2007. There has not been a comprehensive review of the various local laws governing the occupancy tax nor an effort to modernize and update the law in decades.
- b. The Erie County Legislature (“Legislature”) hereby finds and declares that short-term and vacation rental properties are in widespread use in Erie County, whether via hosting platforms such as Airbnb, VRBO, Homestay, or by other means.
- c. Unlike other counties in New York State that maintain occupancy tax collection agreements with hosting or “home-sharing” platforms such as Airbnb, Erie County does not have any such agreements with such platforms and/or operators that provide short term and vacation rental properties.
- d. The Legislature finds that there are unjustified variances and inconsistencies with this state of affairs, as hotels are required to collect taxes from guests pursuant to the County of Erie’s hotel occupancy tax law, but operators and platforms for short term and vacation rentals have not been collecting such tax, are not readily subject to any health and safety regulations, and are not registered with the County, despite offering identical or substantially similar services.
- e. The Legislature finds that the law should apply equally to all individuals and entities engaged in the rental of temporary accommodations, and that the current state of affairs has resulted in an unequal “playing field” for traditional hotels and motels compared to other types of short term and vacation rental properties. The Legislature further finds that this discrepancy also results in a loss of occupancy tax revenue to Erie County and its taxpayers.
- f. The Legislature finds that, pursuant to Chapter 614 of the Laws of 1974 of the State of New York, operators of these transient lodging facilities should be subject to the same occupancy taxes as their counterparts in the traditional lodging industry to help ensure fairness across the lodging sector in Erie County.

- g. The Erie County Legislature hereby finds that there is a need to bring the definition and administration of occupancy tax into the 21st Century by updating the various functions of the tax to meet the demands of the modern short-term rental industry within the parameters of the taxing authority delegated by the State of New York.
- h. The Legislature hereby intends this that this Local Law will perform the following functions and beneficial purposes:
 - 1. Clarify the reach of the tax to include non-traditional short-term and vacation rentals within Erie County;
 - 2. Require all operators of properties used for short-term and vacation rentals to register with the County for the collection of the tax;
 - 3. Bring all manner of short-term rental properties above ground to better ensure the safety of occupants and quality of life for the broader community;
 - 4. Modernize and enhance enforcement capabilities of the County to pursue scofflaws who fail to collect and remit the tax or misappropriate the same;
 - 5. Allow hosting platforms that have executed voluntary collection agreements with the County to collect and remit the tax on the operator's behalf;
 - 6. Establish the methodology used to determine taxable rent for all properties used for transient lodging. Accordingly, collection and remittance of the tax for short-term and vacation rentals will be principally placed on the corporate hosting platform through a voluntary collection agreement and secondarily placed on individual operators opting not to enter into any such agreement; and
 - 7. Reinvest in the continued development of the tourism to maintain and enhance infrastructure, create economic opportunity for residents, and increase the recreational appeal of Erie County.
- i. Therefore, except for the limited purposes provided by Section 25 of this Local Law, Erie County Local Law No. 12-1974, Erie County Local Law No. 8-1975, Erie County Local Law No. 5-1983, Erie County Local Law No. 1-1987, and Erie County Local Law No. 4-2007 are hereby repealed in their entirety and replaced with this Local Law.

Section 2. Definitions.

- a. Charter. The Charter of Erie County as established by Local Law 1-1959 and amended thereafter.
- b. Clerk. The elected Clerk of Erie County.
- c. Comptroller. The elected Comptroller of Erie County.

- d. Exempt Entity. A government, corporation, or association exempt from taxation under Section 4 of this local law.
- e. Hosting Platform. An application, technology, and/or similarly based service through which a third party desiring to offer an accommodation (a “host”) and a third party desiring to book an accommodation (a “guest”) have the opportunity to communicate, negotiate, and consummate a booking transaction for transient lodging accommodations pursuant to a direct agreement between a host and guest to which the hosting platform is not a party but still facilitates payments for rent on behalf of or for the host, and/or otherwise acts as intermediary between the host and the guest. Merely publishing an advertisement for transient accommodations does not make the publisher a hosting platform.
- f. Operator. Any person or entity operating premises where short-term rental occupancy transactions are conducted in Erie County, including but not limited to the owner or proprietor of such premises, lessee, sublessee, mortgagee in possession, licensee or any other person otherwise operating such premises.
- g. Occupancy. The use or possession, or the right to the use or possession of any room in a premises that is the subject of short-term rental occupancy transactions.
- h. Permanent Resident. A person occupying any room or rooms in a premises that is the subject of a short-term rental occupancy transaction for at least thirty consecutive days.
- i. Person. An individual, partnership, society, association, joint stock company, corporation, limited liability company, estate, receiver, trustee, assignee, referee, and any other person acting in a fiduciary or representative capacity, whether appointed by a court or otherwise, and any combination of the foregoing.
- j. Rent. The consideration received for occupancy valued in money, whether received in monetary form or otherwise.
- k. Room. Any room or rooms of any kind in any part or portion of a premises that is the subject of a short-term rental occupancy transaction, which is available for or let out for any purpose other than a place of assembly.
- l. Return. Any return filed or required to be filed as herein provided.
- m. Sheriff. The elected Sheriff of Erie County.
- n. Short-Term Rental. A building or portion of it which is regularly used and kept open as such for lodging on an overnight basis. The term ‘short-term rental’ includes a hotel, motel, hostel, apartment hotel, motor court or inn, boardinghouse or club, campground with cabins, home-sharing property or vacation rental, or similar hotel or motel type of accommodations by whatever name designated, whether or not meals are served, and

shall include those facilities commonly known as ‘bed-and-breakfast’ and ‘tourist’ facilities. “Short-term” and “vacation rentals” shall mean and include those units rented or leased to occupants – other than permanent residents – that are furnished apartments or living units in or consisting of a dwelling place ordinarily occupied for residential purposes or location that is otherwise made available for sleeping accommodations, directly by the owner or through an owner’s agent or hosting platform.

Section 3. Imposition of Tax.

- a. Except as otherwise provided by this Section, on and after the first day of June, 2023, there is hereby imposed and there shall be paid a tax of three percent upon the rent for every occupancy of a room or rooms in the County.
- b. For all short-term rental transactions where rental capacity of the premises exceeds thirty (30) rooms, the rate of tax on occupancy shall be five percent.
- c. If the charge for occupancy of a room includes only the cost of the room, board, and cleaning fees, any other charges that are separately stated and are only incurred at the option of the occupant and/or charged by a hosting platform shall not be included in the calculation of the occupancy tax imposed by this Local Law.
- d. If the operator does not separate the charge for room and board from other charges, excluding cleaning fees but including those added by a hosting platform, the entire charge to the occupant is taxable until the occupant becomes a permanent resident as defined by this Local Law.
- e. No tax shall be imposed upon a permanent resident as defined by this Local Law.

Section 4. Exempt Organizations

- a. Except as otherwise provided in this Local Law, any use or occupancy by any of the following shall not be subject to the tax imposed by this local law.
 - (1) The State of New York, or any of its agencies, instrumentalities, public corporations (including public corporations created pursuant to agreement or compact with another state or Canada), improvement districts or political subdivisions of the State;
 - (2) The United States of America, or any of its agencies and instrumentalities, insofar as it is immune from taxation;
 - (3) The United Nations or other world-wide international organizations of which the United States is a member; and
 - (4) Any corporation, association, trust or community chest, fund or foundation, organized and operated exclusively for religious, charitable or education purposes, or for the prevention of cruelty to children or animals, and no part of the net earnings of which

inures to the benefit of any private shareholder or individual and no part of the activities of which is carrying out propaganda, or otherwise attempting to influence legislation; provided, however, that nothing in this paragraph shall include an organization operated for the primary purpose of carrying on a trade or business for profit, whether or not all of its profits are payable to one or more organizations described in this paragraph.

- b. Where any organization described in paragraph three (3) of subdivision (a) of this Section conducts its activities in furtherance of the purposes for which it was organized, and, as part of said activities, it engages in short-term rental transactions on the premises in which such not-for-profit activities are conducted, occupancy of rooms in the premises and rent therefrom received by such corporation or association shall not be subject to tax hereunder.

Section 5. Territorial Limitations

The tax imposed by this local law shall apply only within the territorial limits of the County of Erie.

Section 6. Registration

- a. Within ten days after the effective date of this local law, or in the case of operators commencing business after such effective date, within three days after such commencement or opening, every owner and/or operator shall file with the Comptroller a Certification of Registration in a form prescribed by the Comptroller.
- b. The Comptroller shall, within five business days after such registration issue without charge to each operator a Certificate of Authority empowering such operator to collect the tax from the occupant and duplicate thereof for each additional short-term rental of such operator. Each certificate or duplicate shall be certified, bear the seal of Erie County, and state the short-term rental to which it is applicable. Such Certificate of Authority shall be prominently displayed by the operator in such manner that it may be seen and come to the notice of all occupants and persons seeking occupancy.
- c. Where a host or operator uses a hosting platform that has executed a voluntary collection agreement with the County, such host or operator shall submit an application for a Certificate of Authority clearly stating all information required under applicable law but may otherwise designate such hosting platform as primarily and solely liable for collection and remittance of the tax.
- d. If a Certificate of Authority is lost, stolen, or otherwise misplaced by an operator, such operator may apply, in a form prescribed by the Comptroller, for a replacement Certificate of Authority. Replacements shall be certified and issued to the operator at a cost of \$50.00.

- e. Failure to register a short-term rental with the Comptroller as required by this Section shall result in the imposition of a penalty amounting to one hundred dollars per day of non-registration. The Comptroller may, upon a showing of good cause by an owner or operator, waive up to 75% of the total amount of penalties incurred under this Subsection.
- f. Such certificates shall be non-assignable and non-transferrable and shall be surrendered immediately to the Comptroller upon:
 - (1) the cessation of business at the short-term rental;
 - (2) the sale, lease, assignment, or other transfer to another host or operator; or
 - (3) the designated hosting platform service named as designee on the certificate provided by this Section is sold, renamed, or otherwise transferred.

For the purposes of this Subsection, a change in ownership of the owner, hosting platform, operator, or the parent company of the same greater than or equal to 50% shall be considered a transfer.

- g. Violation of Subsection (e) of this Section shall immediately void any Certificate of Authority previously issued, in addition to any additional penalties otherwise imposed by this Local Law.

Section 7. Administration and Collection

- a. The tax imposed by this local law shall be administered and collected by the Comptroller of the County of Erie or the Comptroller's designee by such means and in such manner as are other taxes which are now collected and administered by such officers in accordance with the Charter or as otherwise are provided by this Local Law.
- b. The tax to be collected pursuant to this Local Law shall be stated, charged, and shown separately from the rent. At the time when the occupancy is arranged, contracted for or charged for, and upon any and all evidence of occupancy, any charge made shall be paid by the occupant to the operator as trustee for and on behalf of the County.
- c. The operator shall be liable for the collection thereof and for the tax. The operator and any officer of any corporate operator shall be personally liable for the tax collected or required to be collected under this Local Law, and the operator shall have the same right in respect to collecting the tax from the occupant. In respect to non-payment of the tax by the occupant payable at the time such tax shall become due and owing, the operator retains all applicable rights including, but not limited to, rights of eviction, repossession, and enforcement of any innkeeper's lien that the operator may have in the event of non-payment of rent by the occupant. An operator shall join the Comptroller as a party in any action or proceeding brought by the operator against an occupant under this Local Law.

- d. The tax imposed by this Local Law shall be paid upon any occupancy on and after the effective date of this Local Law except for any such occupancy reserved pursuant to a contract, lease or other arrangement made prior to such date. Where any tax has been paid hereunder upon any rent which has been ascertained to be worthless, the Comptroller may by regulation provide for credit and/or refund of the amount of such tax upon application therefore as provided by this Local Law.
- e. For the purpose of the proper administration of this Local Law and to prevent evasion of the tax hereby imposed, the following presumptions and burdens shall apply:
 1. It shall be presumed that all rents are subject to tax until the contrary is established.
 2. The burden of proving that a rent for occupancy is not taxable hereunder shall be upon the operator or the occupant.
 3. Where an occupant claims exemptions from the tax under the provisions of Section 4 of this Local Law, the rent shall be deemed taxable hereunder unless the operator shall receive from the occupant claiming such exemption a copy of a certificate issued by the Comptroller certifying that the named entity is exempt from taxation under Section 4 of this Local Law, together with a writing duly executed by the exempt entity named in the certificate issued by the Comptroller certifying that the occupant is its agent, representative or employee and that the occupancy is paid or to be paid by, and is necessary or required in the course of or in connection with the affairs of said exempt entity.
- f. A hosting platform may enter into a voluntary collection agreement with the County containing and specifying the following:
 1. The hosting platform shall be solely responsible and liable for collecting and remitting the applicable tax to the County for booking transactions completed through the respective hosting platform for short-term rentals as defined by Subsection 2(1) of this local law.
 2. The host or operator of the short-term rental who is not the hosting platform shall not be responsible for collecting and remitting the tax to the County on any transaction for which it has received confirmation that the hosting platform has collected the aforementioned tax and remitted it back to the County pursuant to a voluntary collection agreement.
 3. Neither the County, its officers, agents, and employees, or a hosting platform, its officers, agents, and employees, shall be required or made to furnish a copy or any portion of a voluntary collection agreement entered into between the County and a hosting platform. The hosting platform shall furnish to any operator using the hosting platform, a certificate, in a form to be determined by the Comptroller, confirming the existence and enforceability of such agreement.

- g. Where an operator of a short-term rental uses a hosting platform that has voluntarily entered into and executed a voluntary collection agreement with the County pursuant to Subsection 7(f) of this Local Law, such hosting platform, for the purposes of tax registration, collection, and remittance under this Local Law, shall only be liable for transactions completed through the respective hosting platform pursuant to the terms of such agreement.
- h. If the operator of a short-term rental uses a hosting platform that has not entered into and executed an agreement with the County pursuant to Subsection 7(f) of this Local Law, such operator shall be liable for the collection and remittance of the tax.

Section 8. Records.

Every operator shall keep records of every occupancy and of all rent paid, charged or due thereon and of the tax payable thereon, in such form as the Comptroller may by regulation require. Such records shall be available for inspection and examination at any time upon demand by the Comptroller or the Comptroller's duly authorized agent or employee and shall be preserved for a period of five years.

Section 9. Returns.

- a. Every operator or, in the case where a hosting platform has entered into voluntary collection agreement pursuant to Section 7(f) of this Local Law, such hosting platform, shall file with the Comptroller a return of occupancy and of rents, and of the taxes payable thereon for quarterly periods ending the last day of February, May, August, and November of each year, on and after the effective date of this Local Law subject to the limitations prescribed by Section 7(d) of this Local Law.
- b. Such returns shall be filed within twenty days from the expiration of the period covered thereby. The Comptroller may permit or require returns to be made by other periods and upon such dates as the Comptroller or his duly authorized designee may specify. If the Comptroller deems it necessary in order to ensure the payment of the tax imposed by this Local Law, the Comptroller may require returns to be made for shorter periods than those prescribed pursuant to the foregoing provisions of this Section and upon such dates as the Comptroller may specify.
- c. Where a hosting platform has entered into a voluntary collection agreement with the County pursuant to Section 7(f) of this Local Law, the mechanism for increasing the number of return dates per calendar year must be included in such voluntary collection agreement.
- d. The form of returns shall be prescribed by the Comptroller and shall contain such information as the Comptroller may deem necessary for the proper administration of this Local Law. The Comptroller may require amended returns to be filed. Such returns shall be delivered not later than twenty days following notice of the operator or hosting platform by the Comptroller and shall contain the information specified in the notice.

- e. If the return required by this Section is not filed, or if a return as filed is incorrect or facially insufficient, the Comptroller shall take all necessary steps to enforce the filing of such return or a corrected return. The Comptroller shall not waive tax liability or suspend collection of tax imposed by this Local Law.

Section 10. Payment of Tax.

- a. At the time of the filing a return of occupancy and of rents, each operator, or, in the case where a hosting platform has entered into voluntary collection agreement pursuant to Section 7(f) of this Local Law, such hosting platform shall pay to the Comptroller the taxes imposed by this Local Law upon the rents required to be included in such return, as well as all other moneys collected by the operator or hosting platform acting or purporting to act under the provisions of this Local Law.
- b. Where the Comptroller, as a matter of discretion, deems it necessary to protect revenues to be obtained under this Local Law, the Comptroller may require any operator or hosting platform required to collect the tax imposed by this Local Law to file a bond with the Office of Comptroller, issued by a surety company authorized to transact business in the State of New York and approved by the Superintendent of the New York State Department of Financial Services as to the solvency and responsibility, in such amount as the Comptroller may fix to secure the payment of any tax and/or penalties and interest due or which may become due from such operator or hosting platform.
- c. In the event that the Comptroller determines that an operator or hosting platform is to file such bond, the Comptroller shall give notice to such operator or hosting platform to that effect. The Comptroller shall specify the amount of the bond required in writing and send it to such operator or hosting platform by certified mail at the address provided by such operator or hosting platform. Evidence of such mailing shall create a presumption that such operator or hosting platform has been notified.
- d. Where an operator or hosting platform has been notified by the Comptroller that a bond shall be required pursuant to this Section, such operator or hosting platform shall file such bond within ten business days.
- e. An operator or hosting platform may, within ten business days, request in writing a hearing before the Comptroller or the Comptroller's designee at which the necessity, propriety, and amount of the bond shall be determined by the Comptroller, notice of which shall be sent by certified mail to the address provided by such operator or hosting platform. Such determination shall be final and shall be complied with within ten business days after the Comptroller notifies such operator or hosting platform.
- f. In lieu of the bond described in Subsection 10(b) of this Local Law, securities approved by the Comptroller or cash in such amount as the Comptroller may prescribe may be deposited. Such deposit shall be kept in the custody of the Comptroller who may at any time and without notice to the depositor, apply such deposit to any tax, interest, and/or

penalties due. For that purpose, any securities may be sold by the Comptroller at public or private sale without notice to the depositor.

Section 11. Determination of Tax.

- a. If a return required by this Local Law is not filed, or if a return when filed is incorrect or facially insufficient, the amount of the tax due shall be determined by the Comptroller from such information as may be obtainable.
- b. If necessary, the tax may be estimated on the basis of external indices, including but not limited to, the number of rooms, location, scale of rents, comparable rents, type of accommodations and service, number of employees and publicly reported earnings.
- c. Notice of such determination shall finally and irrevocably fix the tax unless the person against whom it is assessed, within thirty days following receipt of notice from the Comptroller of such determination shall apply to the Comptroller for a hearing. The Comptroller may redetermine the same *sua sponte*.
- d. After such hearing, the Comptroller shall give notice of such determination to the person against whom the tax is assessed. The determination of the Comptroller shall be reviewable by the Supreme Court of Erie County for error, illegality, unconstitutionality, or abuse of discretion pursuant to Article Seventy-Eight of the Civil Practice Law and Rules.
- e. No party aggrieved by the determination of the Comptroller shall have standing to bring an action under Article 78 of the Civil Practice Law and Rules challenging the Comptroller's determination unless the amount of any tax sought to be reviewed, with any and all penalties and interest thereon, shall be first deposited with the Comptroller.
- f. In addition to the requirements of Section 11(e) of this Local Law, any party challenging the determination of the Comptroller pursuant to Article 78 of the Civil Practice Law and Rules shall first file with the Comptroller an undertaking, issued by a surety company authorized to transact business in the State of New York and approved by the Superintendent of the New York State Department of Financial Services as to solvency and responsibility, in such amount as a Justice of the Supreme Court of Erie County shall approve to the effect that if such proceeding is dismissed or the tax confirmed, the petitioner shall pay all costs and charges which may accrue in the prosecution of the proceeding.
- g. At the option of the petitioner, such undertaking filed with the Comptroller may be in a sum sufficient to cover the taxes, penalties and interest thereon stated in such determination plus the costs and charges which may accrue against it in the prosecution of the proceeding, in which event the applicant shall not be required to deposit such taxes, penalties, and interest as a condition precedent to the application.

Section 12. Disposition of Revenues.

- a. All revenues resulting from the imposition of the tax under this local law shall be paid into the treasury of the County and shall be credited to and deposited in the general fund of the County.
- b. Within sixty days of the effective date of this Local Law, the Comptroller shall create a special fund, the sole purpose of which shall be the distribution of revenues to not-for-profit corporations and public benefit corporations dedicated to the promotion and facilitation of tourism in Erie County.
- c. Notwithstanding any provision of law to the contrary, with respect to tax imposed by this Local Law on and after January 1, 2024, all revenue resulting from such tax, including any interest and/or penalties thereon, shall be credited to and deposited in the fund created by the Comptroller pursuant to Subsection 12(b) of this Local Law.
- d. On and after January 1, 2024, all amounts deposited in the fund created pursuant to Subsection 12(b) of this Local Law shall be made available and distributed to Buffalo Niagara Convention & Visitors Bureau, Inc. pursuant to a lawfully executed agreement between Buffalo Niagara Convention & Visitors Bureau, Inc. and the County of Erie. Such agreement shall include a requirement that Buffalo Niagara Convention & Visitors Bureau, Inc. shall submit an annual report to the County Executive, County Legislature, and County Comptroller concerning the expenditure of distributions received from the County, the annual budget and business plan, and any additional information as may be required pursuant to such agreement.
- e. An agreement entered into pursuant to Subsection 12(d) of this Local Law shall be approved as to form by the County Attorney, approved by the County Legislature, for a period of three years. The County Executive shall, no later than January 1 of each year of the agreement term, execute a renewal of such agreement and shall file such renewal with the Clerk of the Legislature on or before the date of the first meeting of the Legislature for that year.
- f. In the event that Buffalo Niagara Convention & Visitors Bureau, Inc. to cease operations, lose or alter its 501(c)((6) status, or alter its purpose so that its mission and/or significant activities no longer fulfills the legislative intent of this Local Law, distributions pursuant to Subsection 12(c) of this Local Law shall immediately cease. Thereafter, all revenues received by the County pursuant to this Local Law shall be credited to and deposited in the general fund of the County until such time as an agreement is lawfully executed between the County and a qualifying entity to fulfill the legislative intent of this Local Law.
- g. All entities receiving distributions under this Section are subject to oversight by the Comptroller.

Section 13. Refunds.

- a. In the matter provided by this Section, the Comptroller shall refund or credit, without interest, any tax, penalty or interest erroneously, illegally or unconstitutionally collected or paid if application to the Comptroller for such refund shall be made within one year from the payment thereof. Whenever a refund is made by the Comptroller, the reasons therefore shall be stated in writing. Such application may be made by the occupant, operator, or hosting platform who has actually paid the tax.
- b. Such application may be made by an operator who has collected and paid over such tax to the Comptroller provided that the application is made within one year of the payment by the occupant to the operator, but not actual refund of moneys shall be made to such operator until it shall first be established to the satisfaction of the Comptroller, under such regulations as the Comptroller may prescribe, that the occupant has been repaid in the amount for which the application was made. The Comptroller may, in lieu of any refund, allow credit therefore on payments due from the applicant.
- c. An application for a refund or credit made as provided herein shall be deemed an application for a revision of any tax, penalty, or interest complained of and the Comptroller may receive evidence with respect thereto. After making a determination, the Comptroller shall notify the applicant who shall be entitled to review such determination by a proceeding pursuant to Article 78 of the Civil Practice Law and Rules, provided that such proceeding is instituted within thirty days following final notice of such determination and a final determination of tax due was not previously made. Such a proceeding shall not be instituted unless an undertaking is filed with the Comptroller in such amount and with such sureties as a Justice of the Supreme County of Erie County shall approve to the effect that if such proceedings be dismissed or the tax confirmed, the petitioner shall pay all costs and charges which may accrue in the prosecution of such proceeding.
- d. A person or entity shall not be entitled to a revision, refund or credit under this Section of a tax, interest or penalty which has been determined to be due pursuant to the provisions of Section 13 of this Local Law where such person or entity has had a hearing or an opportunity for a hearing, as provided by this Section, or has failed to avail himself or herself of the remedies therein provided.
- e. No refund or credit shall be made of a tax, interest or penalty paid after a determination by the Comptroller made pursuant to Section 11 of this Local Law unless it is found that such determination was erroneous, illegal or unconstitutional, either by the Comptroller after a hearing pursuant to this Section, or by a Court under Article 78 of the Civil Practice Law and Rules, pursuant to the provisions of this Local Law.

Section 14. Reserves.

In cases where the occupant, operator, or hosting platform has applied for a refund and has instituted a proceeding under Article 78 of the Civil Practice Law and Rules to review an adverse determination on an application for refund pursuant to Section 13 of this Local Law, the comptroller shall set up appropriate reserves to meet any decision adverse to the County.

Section 15. Remedies Exclusive.

- a. The remedies provided by Section 11 and Section 13 of this Local Law shall be the exclusive remedies available to any entity for the review of tax liability imposed by this Local Law.
- b. No determination or proposed determination of tax or determination on any application for refund shall be enjoined or reviewed by an action for declaratory judgment, or any other action not brought under Article 78 of the Civil Practice Law and Rules.

Section 16. Proceedings for Recover Tax.

- a. Whenever any operator, hosting platform or other person or entity required to collect and remit occupancy tax pursuant to this Local Law fails to collect and remit and tax, penalty or interest imposed by this Local Law, the Erie County Attorney shall, upon the request of the Comptroller bring or cause to be brought an action to enforce the payment of the same on behalf of Erie County in the Supreme Court of Erie County within sixty days of such request. Should the County Attorney fail to bring such action within sixty days of the Comptroller's request, the Comptroller may bring or cause to be brought such action on behalf of Erie County.
- b. If the Comptroller believes that any such operator, hosting platform, or any other person is about to cease business, leave the state or remove or dissipate the assets out of which the tax or penalties might be satisfied, and that any such tax or penalty will not be paid when due, the Comptroller may declare such tax or penalty to be immediately due and payable and may issue a warrant immediately.
- c. As an additional or alternate remedy, the Comptroller may issue a warrant, directed to the Sheriff commanding the Sheriff or the Sheriff's duly authorized designee, to levy upon and sell the real and personal property of the operator, hosting platform, or any person liable for the tax as described by this Local Law which may be found within Erie County for payment of the amount thereof with any penalties, interest, and the cost of executing the warrant.
- d. The Sheriff shall, within five business days following the receipt of the warrant, file a copy of such warrant with the Clerk. In the discretion of the Comptroller, a warrant of like terms, force and effect may be issued and directed to any officer or employee who shall have all the powers conferred by law upon the Sheriff under this Local Law, provided that such designee shall not be entitled to any fee or compensation in excess of the actual expenses paid in the performance of such duty.
- e. The Clerk shall, within five business days after a warrant has been filed by the Sheriff or the Comptroller's designee, enter in the judgment docket the name of the person or entity named in the warrant and the amount of the tax penalties, penalties, and interest for which the warrant is issued and the date when such copy is filed. If the Clerk fails to

enter such information onto the judgment docket within five days, the Comptroller may enter such information on his or her own accord. At such time as warrant information specified by this Subsection is entered onto the judgment docket, the amount of such warrant so docketed shall become a lien upon the interest in real and personal property of the operator, hosting platform, or persons liable for the tax pursuant to this Local Law against which the warrant is issued.

- f. The Sheriff or the Comptroller's designee shall proceed upon the warrant, in the same manner and with like effect, as provided by law in respect to executions issued against property upon judgments of a court of record.
- g. If a warrant is returned not satisfied in full, the Comptroller may, from time to time, issue new warrants and shall also have the same remedies to enforce the amount due thereunder as if the County had recovered judgment therefore and execution thereon had been returned unsatisfied.

Section 17. Notice Upon Sale.

- a. Whenever an operator shall make a sale, transfer or assignment in bulk or in part or the whole of a short-term rental operation or a lease, license or other agreement or right to possess or operate such short-term rental operation, the seller, transferor or assignor shall notify the Comptroller by registered mail of the proposed sale and of the price, terms and conditions thereof. Failure to do so shall result in a fine not to exceed ten thousand dollars imposed against the seller, transferor, assignor, and, in the case of a corporate entity, the officers, partners, members, or owners of such entity.
- b. Whenever an operator shall make a sale, transfer or assignment in bulk or in part or the whole of such operator's operation, lease, license or other agreement or right to possess or operate such short-term rental operation, otherwise than in the ordinary and regular course of business, the purchaser, transferee or assignee, shall at least ten days before taking possession of the subject of said sale, transfer or assignment or paying therefor, notify the Comptroller by registered mail of the proposed sale and of the price, terms and conditions thereof whether or not the seller, transferor or assignor, has represented to or informed the purchaser, transferor or assignee that it owes any tax pursuant to this Local Law, and whether or not the purchaser, transferee or assignee has knowledge that such taxes are owing, and whether any such taxes are in fact owing.
- c. Whenever the purchaser, transferee or assignee shall fail to give notice to the Comptroller as required by the Subsection 17(a), or whenever the Comptroller shall inform the purchaser, transferee or assignee that a possible claim for such tax exists, any sums of money, property, causes of action, or other consideration which the purchaser, transferee or assignee is required to remit to the seller, transferor or assignor shall be subject to a first priority right and lien for any such taxes theretofore or thereafter determined to be due from the seller, transferor or assignor to the County.

- d. The purchaser, transferee or assignee is forbidden to transfer to the seller, transferor or assignor any such sums of money, property, causes of action, or other consideration to the extent of the amount of the County's claim.
- e. Where a purchaser, transferee or assignee fails to comply with the provisions of this Section, the purchaser, transferee or assignee shall be liable for the payment to the County of all taxes, penalties, and interest theretofore or thereafter determined to be due to the County from the seller, transferor, or assignor.
- f. All such liability imposed by this Section may be assessed and enforced in the same manner as the liability for the tax under this Local Law.

Section 18. General Powers of the Comptroller.

In addition to the powers granted to the Comptroller elsewhere in this Local Law, the Comptroller is hereby authorized and empowered:

- a. To make, adopt and amend rules and regulations appropriate to the carrying out of this local law and the purposes thereof;
- b. To extend for cause shown, the time of filing any return for a period not exceeding thirty days; and for cause shown, to remit penalties but not interest computed at the rate of six percent per annum; and to compromise disputed claims in connection with the taxes hereby imposed;
- c. To request information from the New York State Department of Taxation and Finance or the Treasury Department of the United States relative to any person; and to afford information to such tax commission or such treasury department relative to any person, notwithstanding any other provision of this Local Law to the contrary;
- d. To delegate any functions hereunder to the Deputy Comptroller or any officer or employee of the Office of Comptroller;
- e. To prescribe methods for determining the rents for occupancy and to determine the taxable and non-taxable rents;
- f. To require any operator within the County to keep detailed records of the nature and type of hotel maintained, nature and type of service rendered, the rooms available and rooms occupied daily, leases or occupancy contracts or arrangements, rents received, charged and accrued, the names and addresses of the occupants, whether or not any occupancy is claimed to be subject to the tax imposed by this Local Law, and to furnish such information upon request to the Comptroller;
- g. To require any operator within the County to maintain any and all records required by this Local Law for a concrete length of time in excess of the five-year period required under Section 8 of this Local Law not to exceed five additional years;

- h. To permit an operator or hosting platform, upon a showing of good cause, to enter into an agreement with the County allowing the operator or hosting platform to make periodic payments in a manner and at such intervals to be prescribed by the Comptroller, provided that no such payment plan exceeds two years following the date that the return was due pursuant to Section 9 of this Local Law;
- i. To assess and determine the taxes imposed under this Local Law.

Section 19. Administration of Oaths.

- a. The Comptroller or the Comptroller's duly authorized employees or agents shall have power to administer oaths and take affidavits in relation to any matter or proceeding in the exercise of their powers and duties under this Local Law. The Comptroller shall have power to subpoena and require the attendance of witnesses and the production of books, papers and documents to secure information pertinent to the performance of this duties hereunder and of the enforcement of this Local Law and to examine them in relation thereto, and to issue commissions for the examination of witnesses who are out of state or unable to attend in person or excused from attendance.
- b. A Justice of the Supreme Court of Erie County either in court or at chambers shall have power to summarily enforce by proper proceedings the attendance and testimony of witnesses and the production and examination of books, papers and documents called for by the subpoena of the Comptroller under this Local Law.
- c. Any person who shall refuse to testify or to produce books or records or who shall testify falsely in any material matter pending before the Comptroller under this Local Law shall be guilty of a misdemeanor, punishment for which shall be a fine of not more than five thousand dollars or imprisonment for not more than one year, or both such fine and imprisonment.
- d. The officers who serve the summons or subpoena of the Comptroller and witnesses attending in response thereto shall be entitled to the same fees as are allowed to officers and witnesses in civil cases in courts of record, except as herein otherwise provided. Such officers shall be the Sheriff of Erie County, the Sheriff's duly appointed deputies or any officers or employees of the Comptroller who have been designated by the Comptroller to serve such process.

Section 20. Reference to Tax.

- a. Whenever reference is made in placards, promotion, publication or other form of public-facing signage or advertisement to the tax imposed by this Local Law, such reference shall be substantially in the following form: "Tax on occupancy of rooms for short-term accommodation."

- b. Whenever reference is made in any bill, receipt, statement or other evidence or memorandum of occupancy or rent charge issued or employed by the operator or hosting platform to the tax imposed by this Local Law, the phrase "occupancy tax" will suffice.

Section 21. Penalties and Interest.

- a. Any person failing to file a return or to pay over any tax to the Comptroller within the time required by this Local Law shall be subject to a penalty of five percent of the amount of tax due, plus interest at the rate of one percent of such tax for each month of delay excepting the first month after such return was required to be filed or such tax became due.
- b. The Comptroller may, if satisfied that the delay was excusable, waive all or any part of a penalty imposed by this Section. The Comptroller may not waive interest accrued at the rate of six percent annually. Such penalties and interest shall be paid and disposed of in the same manner as other revenues from this Local Law. Unpaid penalties and interest may be enforced in the same manner as the tax imposed by this Local Law.
- c. Any operator, occupant, or hosting platform failing to file a return required by this Local Law, or filing or causing to be filed any return, certificate, affidavit, representation, information, testimony or statement required or authorized by this Local Law, which is willfully false shall be subject to a fine not to exceed ten thousand dollars. The individual who engages in such conduct while acting as the agent of such operator, occupant or hosting platform shall be guilty of a misdemeanor. The Comptroller may, in his discretion, refer such violations to the Erie County District Attorney.
- d. Any occupant, operator, or hosting platform who violates the provisions of this local law, in addition to any other penalties so specified by this Local Law, shall be subject to a fine not to exceed ten thousand dollars. Such violations include, but are not limited to:
 - 1. Failing to file a bond required to be filed pursuant to Section 11 of this Local Law;
 - 2. Failing to file a registration certificate and such data in connection therewith as the Comptroller may by regulation or otherwise require;
 - 3. Failure to display or surrender the Certificate of Authority as required by this Local Law or assigning or transferring such Certificate of Authority;
 - 4. Failing to charge the tax imposed by this Local Law altogether or separately from the rent;
 - 5. Failing to keep the records required by Section 8 of this Local Law or otherwise required by the Comptroller by regulation.
- e. In addition to the penalties imposed by this Section and otherwise imposed elsewhere by this Local Law, entities in violation thereof shall be subject to daily fines not to exceed

five hundred dollars per day for each day such entity remains in violation of this Local Law. Such penalties shall be collected in the same manner as otherwise prescribed elsewhere in this Local Law.

- f. The certificate of the Comptroller, to the effect that a tax has not been paid, that a return bond or registration certificate has not been filed or that information has not been supplied pursuant to the provisions of this Local Law, shall be presumptive evidence thereof.

Section 22. Returns to be Secret.

- a. Within 120 days of the effective date of this Local Law, the County shall establish a confidential mechanism permitting owners and operators to submit returns, pay amounts owed, and transmit all other information required by this Local Law in electronic form.
- b. Except as provided by a proper judicial order, or as otherwise provided by law, it shall be unlawful for the Comptroller or any officer or employee of the Office of Comptroller to divulge or make known in any manner the rents or other information relating to the business of a taxpayer contained in any return required under the Local Law. The officers charged with the custody of such returns shall not be required to produce any return required by this Local Law or evidence of any information contained in them in any action or proceeding in any court or administrative proceeding except on behalf of the Comptroller in an action or proceeding brought under the provisions of this Local Law when the returns or facts shown thereby are directly involved in such action or proceeding, in either of which events the court may require the production of, and may admit into evidence, so much of said returns or of the facts shown thereby, as are pertinent to the action or proceeding and no more.
- c. Nothing herein shall be construed to prohibit the following:
 - (1) delivery to a taxpayer or a taxpayer's duly authorized representative of a certified copy of any return filed in connection with such taxpayer's obligation under this Local Law; or
 - (2) the publication of statistics so classified as to prevent the identification of particular returns and the items thereof;
 - (3) the inspection of the County Attorney or other legal representatives of the County of the return of any taxpayer who shall bring action to set aside or review the tax based thereon, or against whom an action or proceeding has been instituted for the collection of a tax or penalty; or
 - (4) confirming for any person or entity that a named operator does not have any undue outstanding tax liabilities, interest and/or penalties pursuant to this Local Law.

- d. Returns shall be preserved for five years and thereafter until the Comptroller permits them to be destroyed.
- e. Any violation of subdivision (a) of this Section shall be punishable by a fine not exceeding \$1,000. Any willful violation of subdivision (a) of this Section by an officer or employee of the County shall result in that officer or employee's immediate dismissal from office and prohibition from holding any public office for a period of five years thereafter.
- f. In the event that any person or operator fails to timely and accurately file a return and/or collect and remit the tax due and owing to the County, and/or fails to adhere to the terms and conditions of any agreement said party enters into with the County for the payment of taxes due hereunder, the restriction contained in subdivision (a) of this Section shall be lifted. Only authorized officers and employees of the Office of Comptroller, Division of Budget and Management, and Department of Law are permitted to release limited identifying information regarding the delinquency, including, but not limited to, an operator, person or taxpayer's name, names of the principals of said owner and/or operator, and the amount of the delinquency.

Section 23. Notices and Limitations of Time.

- a. Any notice authorized or required under the provisions of this local law may be given by sending the same by certified mail:
 - 1. In the case of an operator or hosting platform, to the address provided on the last return filed pursuant to the provisions of this Local Law; or
 - 2. In the case of an occupant, to the address provided by such occupant on the most recent application made to the Comptroller pursuant to Section 11 or Section 13 of this Local Law.
- b. The mailing of such notice shall be presumptive evidence of receipt by the entity to which the notice is addressed. Any time period which is determined according to the notice provisions of this Local Law shall commence to run from the date of mailing of such notice.
- c. The provisions of the Civil Practice Law and Rules or any other law conflicting with Chapter 614 of the Laws of 1974 relative to limitations of time for the enforcement of a civil remedy shall not apply to any proceeding or action taken by the County to levy, appraise, assess, determine or enforce the collection of any tax, interest, or penalty provided by this Local Law.
- d. Where an operator or hosting platform files a willfully false or fraudulent return with intent to evade the tax, no assessment of additional tax shall be made after the expiration of more than three years from the date of the filing of a return.

- e. Where no return has been filed by an operator or hosting platform as provided by Section 9 of this Local Law, the tax may be assessed at any time.
- f. Where, before the expiration of the period prescribed herein for the assessment of an additional tax, a taxpayer has consented in writing that such period be extended, the amount of such additional tax due may be determined at any time within such extended period. The period so extended may be further extended by subsequent consents in writing made before the expiration of the extended period. No extension authorized by this subsection shall, by itself or cumulatively, exceed two years past the original date of the return required by Section 9 of this Local Law.

Section 24. Effective Date.

This Local Law shall take effect upon filing with the New York Secretary of State and shall not be applied retroactively to the collection and remittance of taxes prior to the amendment to this local law taking effect.

Section 25. Completion of Unfinished Business.

Any matter undertaken or initiated and liabilities incurred under the provisions of the local laws repealed by Section 1 of this Local Law which are pending on the effective date of this Local Law shall be completed in the same manner and under the same terms and conditions and with the same effect as if conducted and completed in accordance with the provisions of the Local Laws herein repealed. Such matters include but are not limited to tax liability, interest and penalties previously incurred, warrants previously issued, and applications for refund previously made. Nothing in this Section shall be interpreted to exempt or excuse any operator or hosting platform from filing a certificate of registration with the Comptroller pursuant to Section 6(a) of this Local Law.

Section 26. Severability.

If any clause, sentence, paragraph, section, subsection, subdivision, or any part of this Local Law or the application therefore to any person, individual, corporation, firm, partnership, entity or circumstance, shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order of judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part of this Local Law and its subsequent amendments or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such judgment or order shall be rendered.

**LOCAL LAW TO BE ENACTED BY
THE ERIE COUNTY LEGISLATURE
IN THE
COUNTY OF ERIE
LOCAL LAW INTRO. – NO. 1-2 - 2023
LOCAL LAW – NO. _____ - 2023**

Providing for 10% property tax exemptions for Volunteer Firefighters and Ambulance workers in Erie County

SECTION 1: Legislative Intent

Volunteer firefighters and ambulance workers are vital to public safety in communities across Erie County. To encourage and reward the selfless acts of volunteerism displayed by our firefighters and ambulance workers, New York State now allows local municipalities to opt into a real property tax exemption for certain volunteer firefighters and volunteer ambulance workers.

This local law, pursuant to §466-a of the NYS Real Property Tax Law (RPTL), is intended to provide any enrolled member of an incorporated volunteer firefighter or volunteer ambulance company across Erie County a real property tax exemption of up to 10% of the assessed value of qualifying residential real property owned by a volunteer firefighter or ambulance worker in the district in which they volunteer.

It is further the intent of this body to extend this benefit to un-remarried spouses of volunteer firefighters and ambulance workers in instances where the volunteer dies after accruing twenty years of service or for those who die in the line-of-duty.

SECTION 2: Provision of a Real Property Tax Exemption to Enrolled Members of Incorporated Volunteer Firefighter and Ambulance Companies

The Erie County Legislature hereby provides a real property tax exemption of 10% of the assessed value of real property for taxes levied by Erie County for individuals that meet the following qualifications:

- The individual is an enrolled and certified member of an incorporated volunteer fire company, fire department, or volunteer ambulance service that provides services within the County of Erie and has a minimum of two years of service; and
- That the property receiving the benefit is located within the jurisdiction served by the incorporated fire department or volunteer ambulance service to which the volunteer belongs; and
- The individual resides in the County of Erie and the property receiving the benefit is the primary residence of the individual and is used exclusively for residential purpose, and any portion of the property not used for residential purposes shall be subject to taxation.

SECTION 3: Grant of Lifetime Real Property Tax Exemption for Certain Volunteer Firefighters and Volunteer Ambulance Workers who have Accrued Twenty Years of Volunteer Service

The Erie County Legislature hereby provides a lifetime real property tax exemption of 10% of the assessed value of real property for any individuals that have been certified by the authority having jurisdiction over an incorporated volunteer fire company, fire department or incorporated volunteer ambulance service as having accrued twenty or more years of active service, so long as their primary residence remains within the Erie County jurisdiction in which they served.

SECTION 4. Grant of Lifetime Real Property Tax Exemption for Un-remarried Spouses of Volunteer Firefighters and Volunteer Ambulance Workers Whose Spouses Qualify under Section 3 of this Law or Whose Spouses Die in the Line-of-Duty

The Erie County Legislature hereby provides a real property tax exemption for life to the spouse of any volunteer firefighter or volunteer ambulance worker who dies after accruing twenty years of service or who dies in the line-of-duty pursuant to the policies contained in New York State RPTL §466-a (4). Provided, however, that the volunteer was already eligible for, and receiving, this benefit under either Section 2 or Section 3 as applicable.

SECTION 5. Certification of Eligibility

For the purposes of the requirements set forth by §466-a of NYS RPTL and this Local Law, no benefits can be provided without a certification of eligibility filed with the local assessor's office, in who's jurisdiction the applicant's property is located.

A universal county certificate of eligibility shall be published by the Erie County Executive on the County website for submission to applicant's assessor's office within 30 days of the effective date of this local law.

As part of any certificate of eligibility in application for benefits described by this law, the applicant must provide a Letter of Certification, which includes the exact date enrolled and current active status on their volunteer fire department or ambulance service's letterhead along with a proof of residency.

SECTION 6. Effective Date

This local law shall take effect in the next full tax year following filing with the Secretary of State.

Any volunteer having accrued the minimum years of service described in this local law as of the effective date of this law shall be eligible to apply for the benefits described herein provided they meet all other eligibility requirements contained in this law.

SECTION 7. Severability

If any clause, sentence, paragraph, subdivision, section or part of this Local Law or the application thereof, to any person, individual, corporation, firm, partnership, entity or circumstance, shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional such order of judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part of this Local Law or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such judgment or order shall be rendered.

3. COMM. 4E-11 (2023)
COUNTY EXECUTIVE
WHEREAS, Erie County has a Household Hazardous Waste (HHW) Collection Program to provide residents with a safe, effective, and cost-free opportunity to dispose of household generated hazardous waste; and

WHEREAS, every year, Erie County hosts periodic household hazardous waste events, servicing approximately 2,000 households per year to properly dispose of chemicals that pose a health and safety hazard and might otherwise contaminate our water, land, or air; and

WHEREAS, Erie County introduced an HHW drop-off voucher service in 2020 that now has more than 1000 residents participating annually, that enables residents who could not attend a scheduled HHW collection event to make an appointment with a licensed HHW facility to drop off up to 50 pounds of acceptable HHW at no charge; and

WHEREAS, \$135,000 has been budgeted in SAP account 517629 of the County operating fund for HHW services for 2023 and \$60,00 for CESQG services in SAP account 517577; and

WHEREAS, Erie County would realize a fiscal benefit from partial, up to fifty percent, State reimbursement for expenses associated with the collection and disposal of household hazardous waste; and

WHEREAS, the Department of Environment and Planning (DEP) issued a Request for Proposals (RFP) on October 27, 2022 seeking proposals from qualified firms interested in providing Erie County with HHW and CESQG Collection and Management Services; and

WHEREAS, the following two (2) firms submitted proposals by the RFP deadline: MXI Environmental Services, LLC (MXI); and The Environmental Service Group (ESG); and

WHEREAS, Erie County assembled a Proposal Selection Committee, which conducted a review and selection process of the proposals; and

WHEREAS, considering the scope of specified services, and the results from the tallied matrices, it was the unanimous recommendation of the Committee members to award the HHW Collection Event contract to MXI, and the HHW drop-off voucher and CESQG services to ESG.

NOW, THEREFORE, BE IT

RESOLVED, that authorization is hereby given for the County Executive to enter into contract with Environmental Services Group for HHW voucher drop-off services and CESQG services; and be it further

RESOLVED, that authorization is hereby given for the County Executive to enter into contract with MXI Environmental Services, LLC for HHW collection event services; and be it further

COUNTY EXECUTIVE

WHEREAS, community solar providers generate profits through the distribution of billing credits to commercial and residential electric customers; and

WHEREAS, from time to time providers generate surplus credits that can't be absorbed by the existing customer base; and

WHEREAS, Project Economics, d/b/a PowerMarket, a New York company that provides services to the community solar industry, has generously offered to apply surplus credits from community distributed generation (CDG) projects it manages to the National Grid accounts of the Erie County Department of Public Works, Division of Buildings and Grounds ("the Department"), in order to reduce the Department's utility expenses by approximately \$15,000 over the next approximately five months; and

WHEREAS, these credits are being offered at no cost or obligation to Erie County and will provide savings to the County's budget line for utilities; and

WHEREAS, this is a one-time transfer of credits based on a surplus generated by the vendor.

NOW, THEREFORE, BE IT

RESOLVED, that the Erie County Legislature hereby authorizes the Erie County Department of Public Works to accept the credits for the purpose of reducing its utility expenses; and be it further

RESOLVED, that the Clerk of the Legislature forward two (2) certified copies of this Resolution to the Department of Public Works, and one (1) copy to each of the County Executive's Office and the Division of Budget and Management.

HOME RULE REQUEST – ASSEMBLY

WHEREAS, the County’s authority to arrange for the underwriting of bonds or notes at private sale through negotiated agreement expires on June 30, 2023; and

WHEREAS, Assembly Bill A.1250 and Senate Bill S.4596, now pending before the New York State Legislature, would authorize extension of the County’s authority to arrange for underwriting of bonds or notes at private sale through negotiated agreement through June 30, 2024;

NOW THEREFORE, BE IT RESOLVED, THAT A HOME RULE REQUEST IS MADE TO THE NEW YORK STATE LEGISLATURE AS FOLLOWS:

TO THE LEGISLATURE:

Pursuant to Article IX of the Constitution, the County of Erie requests the enactment of Assembly Bill A.1250, entitled “AN ACT to amend the local finance law, in relation to the sale of municipal obligations by the county of Erie”.

It is hereby declared that a necessity exists for the enactment of such legislation, and that the facts establishing such necessity are as follows:

The local government does not have power to enact such legislation by local law.

Such request is made by the chief executive officer of such municipality, concurred with by a majority of the total membership of the local legislative body.

AND BE IT FURTHER RESOLVED, that the Clerk of the Legislature be directed to forward copies of this home rule request, certified by the Erie County Executive and the Clerk of the Erie County Legislature, two copies to the New York State Assembly and two copies to the New York State Senate.

1. COMM. 5E-20 (2023)
COUNTY EXECUTIVE

WHEREAS, SUNY Erie needs to extend its marketing communications capabilities substantially into the digital advertising arena; and

WHEREAS, SUNY Erie seeks to increase its communications reach and frequency, especially to high school and traditional college-aged students, and all learners under age 35; and

WHEREAS, SUNY Erie wishes to extend its marketing messaging, especially for select online courses – some of which are the only ones of their kind in the state – that can be made available to students well beyond Erie County’s physical borders; and

WHEREAS, SUNY Erie would benefit substantially from engaging with a media partner to assist in the buying, management, scheduling, tracking and reporting of all advertising to increase its buying power and breadth of advertising channels; and

WHEREAS, SUNY Erie seeks to develop a true advertising plan to guide its decision making and result in better planning, budgeting, tracking and cost management of those ads, in addition to increased effectiveness; and

WHEREAS, SUNY Erie has completed a thorough and objective RFP process which produced eight submissions that were objectively reviewed by an independent committee, resulting in the recommendation to engage with The Martin Group; and

WHEREAS, SUNY Erie’s Board of Trustees approved this request at its recent January 26 meeting; and

WHEREAS, the Erie County Legislature must approve college contracts in excess of \$50,000.

NOW, THEREFORE, BE IT

RESOLVED, that the Legislature of the County of Erie hereby authorizes SUNY Erie to enter into a three-year contract with The Martin Group for an amount not to exceed \$300,000 in year one (ending 8/31/23) and \$500,000 annually in years two and three; and be it further

RESOLVED, that the source of funds to pay for this expense in year one is available and allocated in SUNY Erie’s Department of Marketing and Communications current budget, and the department is hereby authorized for expenditures in years two and three by SUNY Erie’s Board of Trustees, if County and or State funding is not secured in those subsequent budgets; and be it further

RESOLVED, the Officer-in-Charge of SUNY Erie or her designee is authorized to enter a contract with The Martin Group; and be it further

RESOLVED, that the County Executive is hereby authorized to execute any and all appropriate documents as may be necessary for the provision of this agreement; and be it further

RESOLVED, that the Clerk of the Legislature shall forward certified copies of this Resolution to the County Executive; the Director of the Division of Budget and Management; and SUNY Erie’s Officer-in-Charge and Interim Director of Marketing and Communications.

**A RESOLUTION TO BE SUBMITTED BY
LEGISLATORS TODARO, GREENE, MILLS and MALCZEWSKI**

Re: Calling on New York State to Not Impose a Tax on Streaming Services

WHEREAS, the New York State Assembly Bill A3009B, which is a budget proposal before that body, adds streaming services, such as Netflix, Hulu, Spotify and Audible, to items subject to sales and compensating use tax; and

WHEREAS, millions of New Yorkers enjoy watching quality programming, relaxing to music, or picturing the stories told while listening to narrated classic literature; and

WHEREAS, although services purporting to offer news in the form of digital newspapers or periodicals are exempt from the tax, individuals who use streaming services for otherwise educational, informational and self-improvement purposes will be subject to the additional tax; and

WHEREAS, the bulk of this tax will be allocated to New York City's Metropolitan Transportation Authority corporate transportation account special assistance fund in the amount of \$29 million on 2023-2024, \$48 million on 2024-2025, \$55 million on 2025-2026, and \$63 million per year thereafter; and

WHEREAS, this tax will also be allocated to New York City's Metropolitan Transportation Authority's metropolitan mass transportation operating assistance account in the amount of \$16 million on 2023-2024, \$27 million on 2024-2025, \$31 million on 2025-2026, and \$36 million per year thereafter; and

WHEREAS, the additional tax will also be allocated to New York State's public transportation systems operating assistance account in the amount of \$21 million on 2023-2024, \$35 million on 2024-2025, \$40 million on 2025-2026, and \$46 million per year thereafter; and

WHEREAS, streaming services such as those now proposed to be taxed were comforting and important to many during times of social distancing during COVID, and remain important to those facing isolation on a daily basis; and

WHEREAS, further, these streaming services allow groups to gather virtually and socialize while enjoying a shared viewing experience, without the financial, infrastructure and other costs associated with venturing away from home to gather in person; and

WHEREAS, while improving New York State's transportation infrastructure is important, it should not be accomplished by imposing additional taxes on services important to, and paid for by, New York State's residents; and

WHEREAS, rather driving New York residents to flee to other states with less burdensome tax structures, New York State should allow New York residents the opportunity to learn, connect, explore and relax in their own homes without an additional imposition of tax.

NOW, THEREFORE, BE IT

RESOLVED, that the Erie County Legislature calls on the New York State Governor, Senate and Assembly to eliminate taxing streaming services from consideration as part of New York State's budget; and be it further

RESOLVED, that copies of this resolution be forwarded to the Governor of the State of New York and the local Senate and Assembly delegations.

Fiscal Implications: None.

**A RESOLUTION TO BE SUBMITTED BY
LEGISLATORS MALCZEWSKI, TODARO, GREENE and MILLS**

Re: Calling on New York State to Not Impose a Good Cause Eviction Mandate

WHEREAS, the New York State Senate Bill S2892B seeks to prohibit eviction from a rented premises without good cause; and

WHEREAS, as part of this proposed law, a landlord must renew the lease of a tenant and must do so at a rate no higher than either 3% more than the previous lease or one and one-half times the consumer price index in August of the previous calendar year, whichever is greater; and

WHEREAS, such a clause can serve as a disincentive for property owners to incur costs to improve a property for the tenants residing therein, knowing that the property owner may not be able to recoup such an investment; and

WHEREAS, such a clause also makes it difficult to reuse the property for a different purpose, or sell the property to another investor; and

WHEREAS, knowing that rental prices are being controlled regardless of investment necessities that may occur, such a clause will tend to force rent for the tenant to increase to the cap in order to plan for the future, much like Erie County typically approaches the two percent property tax cap annually; and

WHEREAS, the law also prevents eviction after a lease has expired for a landlord to offer housing to a disabled brother or sister, or even for a parent or child in certain situations; and

WHEREAS, such a law is a mandate imposed on landlords, including small property owners, which could have the effect of reducing available housing stock, disincentivize improving remaining housing stock and artificially setting prices to the detriment of both the tenant and the landlord.

NOW, THEREFORE, BE IT

RESOLVED, that the Erie County Legislature calls on the New York State Governor, Senate and Assembly to not approve the Good Cause Eviction Law in its current form; and be it further

RESOLVED, that copies of this resolution be forwarded to the Governor of the State of New York and the local Senate and Assembly delegations.

Fiscal Implications: None.

RE: Authorization to Enter into an Intergovernmental Agreement for Software License and Service

Dear Honorable Members:

The accompanying resolution requests that the County Executive be authorized to execute an Intergovernmental Agreement with the South Central Planning and Development Commission, a political subdivision of the State of Louisiana. This agreement allows the purchase of software licensing and a service agreement for a suite of government management modules associated with highway permits.

Should your Honorable Body require further information, I encourage you to contact Commissioner William E. Geary, Jr. of the Department of Public Works. Thank you for your consideration on this matter.

DISCHARGE

MEMORANDUM

To: Honorable Members of the Erie County Legislature
From: Department of Public Works, Division of Highways & Division of Information and Support Services
Re: Authorization to Enter into an Intergovernmental Agreement for Software License and Service
Date: February 13, 2023

SUMMARY

The accompanying resolution requests authority for the County Executive to execute an Intergovernmental Agreement with the South Central Planning and Development Commission (SCPDC), a political subdivision of the State of Louisiana. This agreement allows the purchase of software licensing and service agreement for a suite of government management modules, called MyGovernmentOnline (MGO), specifically those modules associated with permits the highway division must issue and administer.

FISCAL IMPLICATIONS

The cost of this software and licensing agreement is \$18,000 for the first year. The funds are available in the Division of Highway's 2023 operating budget, Funds Center 1231010, Fund 210, GL Account 516020. The Division of Highway's permitting process generates fees on an annual basis which greatly exceed the costs of implementing this software and its annual fees.

REASONS FOR RECOMMENDATION

The implementation of this software will bring the permitting process within the Highway Division into the 21st century. This process allows customers to submit permit applications online as well as pay for their permits on line. It also will track permits via GIS giving the division the ability to locate and track all the changes to the Highway Division's assets due to permit work within the right of way.

BACKGROUND INFORMATION

See Reasons for Recommendation

CONSEQUENCES OF NEGATIVE ACTION

Without approval the County will need to remain in this antiquated state of permit application and approval. This situation decreases productivity and perpetuates the inefficient collection of revenue from these permits. There is the possibility of unrealized revenues doing business in its present form.

STEPS FOLLOWING APPROVAL

The agreement with SCPDC will be executed and the County's Division of Information and Support Services will work with SCPDC to implement the software.

A RESOLUTION SUBMITTED BY: DEPARTMENT OF PUBLIC WORKS DIVISION OF HIGHWAYS

RE: Authorization to Enter into an Intergovernmental Agreement for Software License and Service

WHEREAS, the Department of Public Works, Division of Highways has a permitting process for various types of work within the County highway right of way such as, residential, and commercial improvements, driveway/street access, etc.; and

WHEREAS, the Division of Highways wants to modernize and streamline the current permit process that is in place for accepting and reviewing applications and collecting permit fees; and

WHEREAS, the Division of Highways would like to enter into an Intergovernmental Agreement with South Central Planning and Development Commission, a political subdivision of the State of Louisiana, to purchase the software licensing and service agreement for a suite of government management modules called MYGOVERNMENTONLINE for this modernization process.

NOW, THEREFORE, BE IT

RESOLVED, that the Erie County Legislature hereby authorizes the County Executive to enter into an Intergovernmental Agreement with South Central Planning and Development Commission for the purchase of the software licensing agreement for a suite of government management modules called MYGOVERNMENTONLINE in the amount of \$18,000 for the first year; and be it further

RESOLVED, that sufficient funding is available in the Division of Highway's 2023 Operating Budget, Fund 210, Funds Center 1231010, Account 516020 – Professional Services, Contracts & Fees; and be it further

RESOLVED, that the Division of Information and Support Services will aid and provide support in the implementation this software; and be it further

DISCHARGE

ACCOMPANYING MEMORANDUM

To: Honorable Members of the Erie County Legislature
From: Erie County Sheriff's Office
Re: Incarcerated Individual Eye Care
Date: March 1, 2023

Summary of Recommended Action

The legislature needs to authorize the Sheriff's office to pay Atwal Eye Care for incarcerated individual eye care treatments.

Fiscal Implications of the Proposal

None. The payments will come from the 2023 Budget and will not have any impact on the 2023 County Budget.

Reasons for Recommendation

The Erie County Sheriff's Office is committed to providing access to medical treatment for the incarcerated population. Therefore, the Sheriff's Office seeks authorization to pay Atwal Eye Care up to \$75.00 per patient per visit for routine eye care plus fees associated with additional care procedures such as, but not limited to, cataract, cornea, and retina care and treatment.

Atwal Eye Care will provide in-patient care for vision services.

Furthermore, Atwal was the only provider willing to treat incarcerated individuals and has a secure ingress and egress for visits.

Consequences of Negative Action

Failure to approve this request will prevent the Sheriff's Office from complying with the incarcerated individual medical care mandates.

Steps Following Approval of Measure

Certified copies of this resolution shall be forwarded to the County Executive, the County Attorney, the County Comptroller, the Division of Budget and Finance, the Division of Purchasing, and the Sheriff's Office for implementation.

Dear Mr. Radford,

I write to express my support for the Buffalo Education Equity Task Force's efforts to solve the transportation crisis that is affecting Buffalo Public School students. Buffalo Public School students, age 3-13, have not received timely busing to and from school over the first two months of school being in session. In some cases, students wait for hours at the end of the school day for a bus to arrive and transport them home. This has been detrimental to the students' opportunity to learn and is causing a hardship on their families. I support the implementation of the proposed three bell schedule which would help alleviate this crisis.

The Buffalo Education Task Force has informed me that there are children that wait at their bus stops in the cold for an hour each day causing them to arrive late to school. In some cases, the bus never arrives. At some schools, the day is shortened so that children can line up in the auditorium to wait for their bus. In the evening, there are cases where children are not arriving home until 7:30pm-8:00pm.

A three-bell schedule will shift start times to 7:30am, 8:30am, and 9:30am. This solution will help alleviate the logistical issues of having fewer buses available due to the shortage of drivers. Our children's safety and education are our top priority. With implementation of this plan, I believe we can provide a safe solution for the needs of our students.

Sincerely,

Byron Brown

Meeting: 11/29/22 02:00 PM

Prepared By: Jim Montour

Wingo - Support for the 3 Bell System for Buffalo Public Schools

Whereas, approximately 1,500 Buffalo Public School students aged 3-13 (grades PK - 8) have not had access to a bus that picks them up and transports them to school on time or that efficiently takes them home after school over the first 2 months of school being in session;

Whereas, In some cases, students wait for hours at the end of their school day for a bus to pick them up and transport them home;

Whereas, In other cases, teachers load children onto buses thirty minutes before the school's designated end time in order to accommodate transportation schedules;

Whereas, This amounts to a segment of BPS students losing between 1 and 3 hours of instruction each day or spending between 1 and 3 hours either waiting for or on the bus at the end of the day;

Whereas, What might have begun as a logistical matter has quickly devolved into an issue of profound inequity, with hundreds of students waiting for morning buses and losing academic learning time,

Whereas, hundreds more are impacted at the end of each day, with tens of thousands of Buffalo Public School students being deprived of field trips, essential extended learning time activities, and modified sports;

Whereas, Superintendent, Dr. Tonja Williams, with input from teachers and parents, has put together a solution to this busing crisis called the 3 Bell System;

Whereas, this proposal includes adoption of a three-bell schedule and shifting school start times by no more than 30 minutes (to 7:30, 8:30, and 9:30);

Whereas, The benefits to this plan are clear: predictable and consistent bus coverage where students would be picked up no earlier than 6:30 a.m. and dropped off by 5:30 p.m., bus routes of no more than 50 minutes in length, fewer students riding each bus (thereby improving safety on buses), and additional capacity for extended learning, field trips, and athletics;

Whereas, Adopting this plan would immediately improve two of the most important aspects of student care in Buffalo: safety and academic standing; and

Whereas, the three-bell schedule will require weeks for full planning and implementation, and should be carefully planned and measured for success;

Now therefore be it resolved that the Buffalo Common Council hereby

1.) supports the careful consideration and application of Superintendent Dr. Tonja Williams' 3 Bell System for the Buffalo Public School System;

Updated: 11/29/2022 1:29 PM by Jim Montour A

- 2.) requests that the New York State Governor consider conditionally granting authority to the Superintendent of Buffalo Public Schools to be able to adopt a schedule for the 3 Bell System;
3. Directs the City Clerk to send copies of this resolution to the Buffalo Public Schools Superintendent, the Buffalo School Board, Governor Kathy Hochul, and the Buffalo Education Equity Task Force.

Samuel Radford III
Buffalo Education Equity Task Force

Dear Mr. Radford,

I write to express my support for the Buffalo Education Equity Task Force's efforts to solve the school transportation crisis in Buffalo, NY. As you know, the inability of Buffalo Public Schools students to receive adequate and timely busing to and from school is proving extremely detrimental to students' learning and imposing a significant hardship on parents. I support the adoption of a three-bell schedule as a solution to this crisis and would urge all parties involved to support it.

Earlier this week I had the opportunity to join one of the Task Force's meetings and hear about the crisis directly. I heard stories of students waiting in the freezing cold for over an hour for a bus to pick them up, class times being cut short in order to load students onto busses, and students being dropped many hours after school has adjourned. As a parent, a former member of the Board of Education for the Buffalo Public Schools, and a Member of Congress sitting on the House Education and Labor Committee, I find this situation entirely unacceptable.

Buffalo's students are already reeling from two years of pandemic-induced learning loss. According to the National Assessment of Education Progress (NAEP), scores in math for fourth graders in New York dropped ten points from 2019. That equates to almost an entire year of learning. Using national data, Harvard University's Center for Education Policy Research estimated the learning loss represents \$43,800 in decreased lifetime expected earnings per student. A July 2021 analysis conducted by McKinsey and Company found an expected decrease of \$49,000 to \$61,000 in expected lifetime earnings. If this current crisis continues, the losses for Buffalo's students will continue to compound.

A three-bell schedule, wherein school start times would be shifting to 7:30am, 8:30am and 9:30am, is a commonsense solution that would free up enough buses to adequately transport all Buffalo students. If there is anything I can do to assist you in your work towards the implementation of this plan, please do hesitate to ask.

Sincerely,

Re: Transportation/Bell-Time MOU

Dear Mr. Rumore:

Thank you for your recent letter outlining the teachers' position on the district's proposed Transportation/Bell-Time MOU. While I understand that we are in negotiations and awaiting the fact-finder's recommendations on this issue, the district and the community are eager for us to move this issue forward to a resolution that best meets the needs of the families we serve.

I fully believe that these transportation issues need to be addressed as soon as possible so that all children have the opportunity to attend the full array of school and after school programming the District has to offer. I also fully believe that we can do that if we work cooperatively and collaboratively, so that our families no longer face the transportation challenges that they have over the past several years. To that end, I'll address your concerns individually, point by point, as raised in your correspondence:

- The district asserts that ample notice has been proposed in the MOU, and any remaining issues may be addressed by working together. If thirty days is not sufficient for teachers, let's sit down to come up with a reasonable and workable schedule for everyone. Based on the feedback you have received; how much notice is appropriate for teachers? We look forward to hearing from you on the amount of notice that would be appropriate for teachers to receive.
- With respect to the duration of the MOU, we're open to discussing shorter or longer periods, the key is to work together to make it appropriate for our teachers, staff, and families. While your letter doesn't clearly state it, seems like you are saying the BTF would prefer a set time frame, correct? If that is the case, what is the length of the term you are proposing?

"Putting Children and Families First to Ensure High Academic Achievement for All"

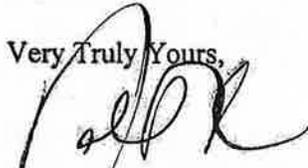

- This bullet does not raise a concern but rather, makes a statement. I can confirm that the district does not include in its MOU that the starting and ending times will be no more than one (1) hour. Does the BTF have an alternative suggestion based on the feedback it has received from its teachers?
- This bullet does not raise a concern but rather, makes a statement. I can confirm that the district is proposing in both the MOU in its contract proposal that the starting and ending times would be adjusted to no earlier than 7:30am and no later than 4:45pm. Does the BTF have an alternative suggestion based on the feedback it has received from its teachers?
- Regarding transfers, we understand our teachers' concerns, and value their dedication to our students, and we certainly understand that schedule changes, like any change, has the potential to be disruptive. What is BTF's proposal to address the issues identified based on the feedback you have received from teachers?
- The district is open to discussing this concern and addressing it based on the feedback we receive regarding bullet #2 above regarding the duration of the agreement.

I look forward to your responses to the questions above, and we are willing to meet at your earliest convenience to discuss them. For the remainder of this school year, I am proposing that we move forward together in developing a pilot program for the remainder of this school year, to begin at a reasonable and mutually agreed upon date. By piloting this program, we can determine what works, and what doesn't, so we can continue to work together to have a permanent plan in place starting in September 2023.

To that end, I want to thank the Teachers who took the time to vote on this important issue. However, it would be important for us to have as much information as possible as we discuss this issue further. What do our teachers at each school think? What were the results of the vote at each school? What are the feelings of elementary teachers and are they different than those of secondary teachers? The district has received the message that the proposed MOU is not acceptable to teachers, but if not this MOU, let's use our collective knowledge and experience on these issues to come up with some alternatives. What is the BTF proposing? What are your productive suggestions and goals to get this over the finish line?

Thank you again for your consideration and attention to these matters, and we look forward to discussing this further, along with any other issues or questions that arise. I'm available, let me know when you can sit down to talk this out.

Very Truly Yours,

Nathaniel Kuzma

Copy: Dr. Tonja Williams, Superintendent
Buffalo Board of Education

"Putting Children and Families First to Ensure High Academic Achievement for All"

containing language to be used in an agreement, I recommend adoption of the MOU proposed by the District.

ADULT LEARNING CENTER

THE UNION AND THE EMPLOYER:

The BTFs 4th proposal concerns various proposals for an increase in the rate of pay for those working in the Adult Learning Center. The parties were continuing to negotiate these elements even while the fact-finding process was ongoing, and the parties did expect to have a separate agreement on these issues without involvement from the fact finder.

SCHOOL BELL SCHEDULE FLEXIBILITY

THE EMPLOYER:

The District's proposal concerns getting flexibility in starting times to accommodate savings on bus routes, owing to a school bus driver shortage. The shortage is not just a local problem; much of the nation's schools are suffering from the same kind of driver shortage. Under the District's latest proposal of November 28, 2022, the flexibility would be limited to no more than one hour, with starting times to begin no earlier than 7:30 in the morning and ending times to be no later than 4:35 in the afternoon. The District would have to give notice before January 1st of the year in which the change will take effect.

THE UNION:

The BTF opposes any school bell-time schedule changes. It argues that in a survey, teachers overwhelmingly rejected the District's proposal, reiterating its concern with regard to resignations and retirements, with most resignations involving teachers leaving the District to

work in other school districts. Moreover, the BTF cites other problems with the District's proposal, most of which appear to have been cured at least in the District's most recent proposal of November 28, 2022. Two BTF concerns do stand out: first, that the District's proposal of schedule flexibility is for the term of the cba rather than just for one year, as in the current cba; and secondly, the District expanded starting and ending times, from starting and ending times no earlier than 7:50 a.m. nor later than 4:05 p.m., to no earlier than 7:30 a.m. nor later than 4:35 p.m.

DISCUSSION AND RECOMMENDATION:

The District's bus driver shortage can be mitigated with a slight alteration in starting times. The needs of the District's students to be educated without having to wait at the bus stop for an inordinate amount time seems to me to trump the BTF's interest in retaining the current starting times. While I am sensitive to teachers' overwhelming rejection of a change in starting and ending times, the primary purpose of their work, and the goal of the District, is to educate children. In light of the current bus-driver shortage, children's education is being hampered by the current schedule. **(Recommendation No. 12) I recommend adoption of the school bell schedule as proposed by the District in its November 28, 2022 proposal for a change to Article VIII (a)(1), as modified herein:**

Modify the current language by deleting the language of Article VIII(a)(1) beginning with "For the 2018-2019 school year (July 1, 2018 to June 30, 2019) only," and replace it and the rest of Article VIII(a)(1) with the following:

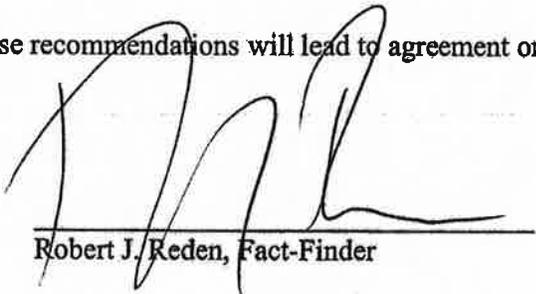

"For the 2023-2024 school year (July 1, 2023 to June 30, 2024) only, subject to renewal in subsequent years upon agreement between the parties, the District may change starting and ending times at schools to accommodate saving on bus routes under the following conditions:

- i. **Teachers will be notified in writing of any such change on or before April 1st of the year in which the change will take effect;**
- ii. **Upon notification of said changes, teachers at the affected schools will be placed at the top of the transfer list for the upcoming school year based on their seniority;**
- iii. **Unless agreed to by the faculty of the affected schools, no other changes within the starting and ending times will occur;**
- iv. **Starting and/or ending time changes will be no more than one (1) hour;**
- v. **The starting time shall begin no earlier than 7:30 a.m. and end no later than 4:35 p.m.”**

CONCLUSION:

My recommendations are based on the evidence presented and the arguments of the parties. I have made no recommendation regarding issues other than those set forth above that were in front of me. It is my sincere wish that these recommendations will lead to agreement on the other outstanding issues.

Solution to bus driver shortage must be implemented

By THE BUFFALO EDUCATION
EQUITY TASKFORCE

Buffalo Public Schools have been in session for more than 50 days. And for all that time, approximately 1,500 BPS students ages 3-13 (grades PreK-5) have not had access to a bus that picks them up and transports them to school on time or that efficiently takes them home after school. Young children wait in the morning cold for late buses. In some cases, they wait for hours at the end of the day for a bus to transport them home. In other cases, teachers load children onto buses 30 minutes before the school's designated end time. This amounts to a segment of BPS students losing one to three hours of instruction each day

or spending one to three hours either waiting for or on the bus at the end of the day. This situation has quickly devolved into an issue of profound inequity, with hundreds of students losing academic learning time. Students are also being deprived of field trips, essential extended learning time activities and modified sports.

All of this comes on the heels of a state report card revealing shattering, by low proficiency rates in math and English. One should safely argue our students need more time in the classroom, not less. The academic and social-emotional benefits of extended learning time, field trips and athletics are well-documented in research.

Fortunately, Superintendent Tom-ja Williams and her team, with input

from teachers and parents, have put together a common-sense solution to this busing crisis. The proposal includes adoption of a three-bell schedule and shifting school start times by no more than 30 minutes (to 7:30, 8:30 and 9:30). Students would be picked up no earlier than 6:30 a.m. and dropped off by 5:30 p.m., bus routes would be more than 50 minutes in length, fewer students would be riding each bus (thereby improving safety on buses), and there would be additional capacity for extended learning, field trips and athletics. Why has this plan not been implemented? We call on the Buffalo Teachers Federation and all elected officials to support, adopt and implement, with urgency and fidelity, Williams' sensible plan.

Teachers and BPS parents will be required to make modifications to their personal schedules to improve student outcomes, and the new schedule will require weeks for full planning and implementation. None of these complications compares to the harm done to children when they do not have access to a full and robust academic experience. With winter at our doorstep, this problem becomes that much more concerning. Our children depend on us to have their best interests at heart. Let's act together to show them we do.

Re: Upcoming IGT Payments for ECMCC

Dear Honorable Legislators:

I am writing to provide your Honorable Body with updates concerning the County's financial obligations for the benefit of the Erie County Medical Center Corporation (ECMCC) under the Intergovernmental Transfers program.

On March 10, 2023, my office will make a \$16,253,767 payment to the New York State Department of Health for the County's required share of a Disproportionate Share (DSH) obligation for ECMCC. This is for the "State Fiscal Year 2019-2020 Final Reconciled IGT Payment" and the "State Fiscal Year 2020-2021 Initial Reconciled IGT Payment."

On March 13, 2023, we will make a separate \$34,320,078 payment for DSH for the benefit of ECMCC. This is a "State Fiscal Year 2022-2023 Initial DSH IGT" payment.

We were informed of these payment obligations totaling \$50,573,845 on March 3 and 6, 2023, respectively. These payments are reduced and partially offset by federal Enhanced Federal Medical Assistance Percentage (eFMAP) funds through the CARES Act; were it not for that federal assistance, these payments would be millions of dollars larger. Additional IGT payments in 2023 may occur.

These ongoing indigent healthcare payment obligations, in these large amounts, are concerning and will continue to place fiscal pressure on the County.

If you have any questions, please do not hesitate to contact my office or the Division of Budget and Management.

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Hardwick".

2020-2022 Bonded Capital Projects Report

LINE NO.	SAP PROJ NO.	PROJECT DESCRIPTION (object or purpose)	ESTIMATED MAXIMUM COST	AMOUNT OF BONDS AUTHORIZED	STATE OR FEDERAL AID EXPECTED	OTHER	PAYGO	PROJECT DETAILS	DEPT	SPENT	COMMITTED	REMAINING
2020 CAPITAL BUDGET												
1	A.20001	DPW (Buildings and Grounds) - Harlem Road/Lancaster/Clarence Highway Facility - New Maintenance Building - General	2,500,000	2,500,000				The scope of the work involves new highway maintenance building to replace deteriorated, obsolete buildings. Existing highway maintenance facilities are housed in aged structures that have ongoing issues with leaks, building code violations, energy inefficiency, environmental issues, etc. In certain cases, further deterioration will render some building systems in poor or even inoperable condition. Antiquated building configurations restrict for certain maintenance activities and equipment use which creates operational inefficiency. Due to the age of facilities, and the changes in use and occupancy, the facilities must be replaced with new building to meet current operating standards, life safety, and NYS building code requirements. Funds would only be used to complete design and contract a new Highway Facility.	122	-	-	2,500,000
2	A.20002	DPW (Buildings and Grounds) - Roof Replacement and Exterior Waterproofing (Countywide) - General	1,000,000	1,000,000				The work will consist of exterior building repairs. Many of the County exterior building envelopes are well beyond their useful life and require replacement and/or reconstruction in order to maintain a safe working environment for the building occupants and to preserve the buildings. This work will include but is not limited to building exterior components such as roof repairs, doors, windows, skylights, roofing, caulking, waterproofing, masonry repair and repointing, and miscellaneous related work to the building exteriors. This work will include design and construction. Specific projects for design and construction services may include, but are not limited to; Fire Training Academy Roof Replacement, Family Court Roof Replacement and New County Hall West Facade Repairs.	122	861,075	25,518	113,407
3	A.20003	DPW (Buildings and Grounds) - Erie County Toxicology Laboratory/Pathology Renovations - Phase 6 - General	1,200,000	1,200,000				The Erie County Toxicology Laboratory/Pathology Morgue has infrastructure which has not been updated to current standards and is undergoing a 6-phase upgrade with Phases 1 through 5 completed 2019. This scope of work will include Phase 6 work and is not limited to; corridor upgrades, office space, and Administration Conference room. Phase 6 will be funded by 2020 Capital Funds including design and construction services. This is the last phase of the long term multi phased project.	122	1,089,596	57,301	53,103
4	A.20004	DPW (Buildings and Grounds) - Rath Building Improvements - General	1,000,000	1,000,000				The scope of the work includes but is not limited to; general site improvement on the grounds surrounding the building, reconstruction of the existing foundation, modernization of the existing high-rise elevators, replacement of the waterproofing membrane on the parking garage floor, installation of a new generator, structural repairs to the deteriorating structural beams in the basement and subbasement, potential reconstruction of the snowmelt system and miscellaneous improvements. This work would encompass design and construction costs associated with all items described above.	122	589,852	410,148	-
5	A.20005	DPW (Buildings and Grounds) - Rehabilitation of New Era Field - 8th Year CIA - General	5,048,867	2,085,435	2,085,434	877,998		The Lease Agreement between the Buffalo Bills', the Stadium Corporation and the County requires that all parties contribute a pro rata portion of the annual Capital Improvement Allowance projects. The 2020 work will encompass, but not be limited to general concrete repairs, Field House roof replacement/recoating, shock absorber replacement on main stadium light poles, switchgear replacement, domestic waterline replacement, miscellaneous mechanical, plumbing, electrical upgrades, miscellaneous paving and infrastructure stadium improvements. The scope will also include any outstanding life safety improvements and repairs. The work will be started in 2020 when the bond funds become available. This funding is for the County's portion of the 2020 Capital Improvement Allowance projects and is for design and construction.	122	3,926,371	119,884	1,002,612
6	A.20006	DPW (Buildings and Grounds) - Buffalo Niagara Convention Center Improvements - General	500,000	500,000				Continue multi-year phased capital improvements to the BNCC facility.	122	467,675	32,325	-
7	A.20007	DPW (Buildings and Grounds) - Erie County Energy Conservation Implementation Initiatives - General	11,537,729	2,500,000		537,729	8,500,000	A multi-year phased Energy Performance Contract has been executed. This project would be use to fund energy conservation measures, at various facilities throughout Erie County Buildings that will include, but not be limited to: general MEP equipment upgrades, retro-commissioning of existing HVAC and building automation systems, lighting improvement and lighting control installation, chilled water optimization, implementing demand control ventilation strategy, upgrading hot water controls, installation of more efficient heating and cooling equipment and other miscellaneous improvements. These projects would include design and construction services.	122	4,261,660	7,197,428	78,642
8	A.20008	Time and Attendance - Information and Support Services	1,000,000	1,000,000				Upgrade Time and Attendance application with new Time clocks and programming changes to SAP for moving all County Employee to positive pay.	105	48,533	-	951,468
11	A.20012	Shea's Strategic Expansion and Accessibility Project - Environment and Planning	750,000	750,000				Shea's Performing Arts Center seeks support to fund a crucial capital project that will guarantee Shea's viability well into the future: a multi-story Elevator Tower Project that provides greater accessibility to those with disabilities and mobility issues, while increasing our capacity for more restrooms, concessions, storage, and ease of access under today's ADA requirements.	162	-	-	750,000
12	A.20013	ROC Central For Families Living in Rural Poverty - Environment and Planning	400,000	400,000				More than ten years of research, programming, and strategic and resource planning have resulted in the decision to build a specially designed 19,000 sq. ft. building so southern Erie County families living in rural poverty have access to critical services. ESA, Eric Smith Associates, Architecture is the architect of record and Lemur Construction the chosen contractor. The building will cost approximately \$4.1M according to the most recent inflation adjusted budget estimates. Rural Outreach Center has begun the quiet phase of a private Capital Campaign with a goal to secure \$3M in private support; and has received gifts and pledges of more than \$500,000 to date. They request the remaining Capital Funds of \$1,184,465 from the Erie County Capital Committee in 2020.	162	400,000	-	-
13	A.20014	Buffalo History Museum - Pan Am: 120 Years - Environment and Planning	500,000	500,000				The Buffalo History Museum's National Historic Landmark building is the sole remaining structure from the 1901 Pan American Exposition. This project leverages our region as a tourism destination. They are focusing on three priority areas - exhibit revitalization, guest amenities, and restoration - to enhance our three building historic campus, with an emphasis on our National Historic Landmark.	162	500,000	-	-
14	A.20020	Countywide Parks Improvements and ADA Accessibility - Parks and Recreation	750,000	750,000				In 2003, the "Erie County Parks System Master Plan" was completed. The Master Plan provides direction for repair, restoration and development of the Erie County Parks. This is a multi-year/multi-phase plan. The work of this project is in accordance with the recommendations of the Master Plan and will provide improvements to, but not necessarily limited to, ADA Accessibility, electric/plumbing/utility upgrades, shelter/building upgrades, new picnic tables, new play structures and fall zone protection materials meeting current safety guidelines, demolition and removal of structures, paving of roads and pathways within the parks, delineation of park lands & boundaries, acquisition of property, security systems, HVAC upgrades, fire alarm upgrades, computer upgrades and parks equipment.	164	749,268	-	732
15	A.20021	Countywide Shelter, Building, and Comfort Station Rehabilitation and ADA Accessibility - Parks and Recreation	500,000	500,000				This is an ongoing rehabilitation effort that includes roof replacements, ADA accessibility, environmental abatement, and refurbishment including, but not limited to, windows, doors, flowing, siding, and masonry work.	164	461,785	8,125	30,090
16	A.20022	Countywide Roads, Pathways, and Parking Lot Improvements - Parks and Recreation	200,000	200,000				This project will include the resurfacing, rehabilitation, and building of various roads, pathways, and parking lots within the County Park System.	164	125,399	-	74,601
18	A.20024	Vehicles and Equipment - Parks and Recreation	300,000	300,000				This project would include the annual purchasing of vehicles and equipment necessary to facilitate operational requirements.	164	300,000	-	-
19	A.20025	Bethlehem Steel Redevelopment - Environment and Planning	2,133,000	800,000	1,333,000			This project is a continuation of efforts to redevelop the former Bethlehem Steel site into a state-of-the-art industrial park. Design and construction of the extension of utilities: water, sewer, electric, communications, and gas from off-site to the property and extending utilities on the property.	162	-	-	2,133,000
20	A.20030	Youth Detention Health, Safety, and Facility Upgrades - Youth Services	2,200,000	2,200,000				The Department of Social Services operates a secure youth detention facility. For 2020 capital, this funding is to address bathroom renovations, cell security, and aesthetic upgrades. This request is for the one remaining pods not already funded to meet the New York State Raise The Age initiative; whereby, older youth are served in the facility. To be certified for all of the pods to serve this high need population, the proposed updates are needed. The following updates are proposed: 1. Bathroom renovations - install new seamless low maintenance non-slip surface floor, upgrade exhaust systems in bathrooms, and replace fixtures with stainless steel. 2. Cell security upgrades - for each of the cells in the pod, reinforce walls and add slip-resistant flooring. 3. Update all doors, closers, and locks as per state requirements. In addition to upgrading the cell, the program seeks to create a parking lot in the secure rear of the facility. Currently the parking lot is exposed to the public in a high crime neighborhood. There is adequate space in the rear of the facility to develop a parking lot. Any unexpended funds will be used for other detention facility upgrades that meet capital requirements. For the pod renovations, the following renovations should be performed: flooring throughout, wall system upgrade (one pod), configuration and upgrade of door systems, wiring, lighting upgrade, institutional plumbing fixtures and showers, modifications in mechanical chases, millwork upgrade, privacy screening to fence, temporary power for construction, fire protection and security, painting, and other miscellaneous items. This is the final pod requiring renovation and much of the design work is already complete. Additional state reimbursement may be received to meet Raise-The-Age requirements.	122	-	-	2,200,000
21	B.20001	Preservation of Roads Construction - East & West Road - DPW/Highways	3,000,000	3,000,000				This is a program for the rehabilitation of East & West Road, located in the Town of West Seneca. This project will consist of new drainage, curbing, and a mill and overlay pavement section. The section of road from Union Road (Route 277) to Orchard Park Road is currently designed and scheduled for construction in 2020.	123	2,829,611	170,389	-
22	B.20002	Preservation of Roads Construction - North Main Street - DPW/Highways	2,500,000	2,500,000				This is a program for the rehabilitation of North Main Street located in the Town of Evans. This project will consist of new drainage, curbing and a mill and overlay pavement section. The section of road from Woodward Avenue to Route 5 is currently designed and scheduled for construction in 2020.	123	1,962,000	139,190	398,810

23	B.20003	Preservation of Roads Construction - Rehabilitation of Alden Crittenden Road and Bullis Road - DPW/Highways	3,380,000	3,000,000		380,000		This is a program for rehabilitation of Alden Crittenden Road and Bullis Road. This project will consist of new drainage, gutter/curb and a mill and overlay pavement section. The rehabilitation of Alden Crittenden will be from NYS Route 20 (Broadway) to the bridge located north of Colonial Woods. The rehabilitation of Bullis Road will be from Shearing Drive to Two Rod Road. This project is currently under design.	123	2,223,788	460,839	695,373
24	B.20004	Vehicle and Equipment Replacement - Highways - DPW/Highways	2,500,000	2,500,000				Where possible, the highway fleet is being drastically cut and new vehicles are "right sized" for the need. Most of the plow trucks used in Highways are over 10 years old, out of warranty, exceeding 200,000 miles and beginning to need some major maintenance items. This project will continue to replace the larger vehicle fleet over time. By replacing them over time, the large maintenance bills can be avoided and a smaller fleet can be maintained. Front line equipment is at a critical need for replacing; plow trucks, high lifts, tractors, sweepers and mowers. Another challenge is keeping within EPA/DEC compliance and having the proper equipment such as road sweepers and Vactor flush trucks for storm sewers.	123	2,500,000	-	-
27	B.20007	Federal Aid Construction - Maple Road (CR 192) - Pin 5761.76 - DPW/Highways	3,000,000	3,000,000				This is a Federal Aid Pavement Rehabilitation (Mill and Overlay) project. Maple road is rated a 5 in the GBNRTC Ratings for 2017. Limits for this project are from Hopkins Road to Transit Road in the Town of Amherst with daily traffic count of 23,000 vehicles per day. As part of the preliminary design, the consultant was required to prepare a conditions assessment of the existing storm sewer system along Maple Road. Based on their field investigation of 72 concrete drainage structures between Hopkins Road and Transit Road, 60% were found to be in poor condition and in need to immediate replacement, 23% considered in fair condition and 17% determined to be in good condition. Nearly all of the corrugated metal pipe connecting the drainage structures were identified as rotted and in need of replacement. Based on Engineers estimate, an additional \$3,000,000 is required to cover construction costs of the following: 60% of drainage structures, storm pipe connecting structures and curb/gutter above pipe.	123	2,725,573	-	274,427
28	B.20008	Road Slides Construction - Slide Remediation of Ketchum Road (Cr 501) - Construction - DPW/Highways	700,000	700,000				Project is for the remediation of the 2011 slide on Ketchum Road and reconstruction of the failed portion of the road so that it may be reopened to traffic.	123	33,861	-	666,139
31	B.20011	Preservation of Bridges and Culverts Design - North Ellicott Creek Road Bridge Replacement - DPW/Highways	1,900,000	1,900,000				This is a construction project for the North Ellicott Creek Bridge (BR 232-01/BIN 1072800) over the Ellicott Creek Diversion Channel in the Town of Amherst.	123	1,898,978	-	1,022
34	B.20014	Federal Aid Construction - Wehrle Drive - DPW/Highways	3,351,000	480,000	2,871,000			This is a Federal Aid Project for milling and overlay the Wehrle Drive corridor from Harlem Road to Aero Drive. This 2.4 mile section of roadway is a minor arterial with an AADT ranging from 7,922 to 23,468. Portions of the intersection at Wehrle and Cayuga need to be reconstructed given the poor condition of the pavement in intersection. This is a \$2.4 million project eligible for an 80/20 split, Federal versus County.	123	2,776,882	222,660	351,458
36	B.20017	Works Progress Admin (WPA) Era Rehabilitation - Parks and Recreation	300,000	300,000				The department has many Works Progress Admin (WPA) era structures that are in need of rehabilitation, due to former administration's years of neglect. These structures are historical in nature and are found in five (5) heritage parks. This is a recommendation of the Parks Master Plan update.	123	-	-	300,000
37	E.20001	Collegewide Improvements and Renovations - SUNY Erie Community College	7,500,000	3,750,000	3,750,000			Continue multi-year phased capital improvements to the College's City, North and South campus buildings, which will include, but not limited to, (a) Exterior Building Envelope Rehabilitation work including but not limited to repair and/or replacement of roofs, masonry, doors, windows and exterior facades; (b) Mechanical, Electrical and Plumbing work including but not limited to power, lighting, communications, energy consumption, plumbing, mechanicals, fire alarm systems, HVAC, backup generators and miscellaneous items; (c) Site work infrastructure improvements including but not limited to road, parking lot, lighting, signage, drainage, sewer, sidewalk, ADA Accessible ramps and curb replacement and repairs as necessary; (d) Life Safety and Code Compliance upgrades and repairs to miscellaneous building components and including the competition pool as necessary to address issues involving ADA, electrical, life safety, environmental and/or asbestos abatement compliance; and other miscellaneous items; (e) Green Bd is a safety hazard to pedestrians below. energy management, operational efficiency, improved indoor environmental quality and water efficiency as necessary.	122	3,187,644	201,608	4,110,748
38	E.20002	Collegewide Equipment - SUNY Erie Community College	1,080,000	1,080,000				For the past several years much of the equipment purchased by SUNY Erie has been funded by Erie County through a capital project. For 2019, the College requested and received the conversion of \$360,000 of this capital maintenance of effort (MOE) funding to operational MOE funding, and the remaining balance of \$1,440,000 remained as capital MOE funding for the acquisition of various equipment including vehicles, buildings and grounds equipment, technology-related capital needs, as well as furniture and fixtures. The College requests the same amount (\$360,000) be converted to operating MOE in the 2020 budget cycle, leaving \$1,080,000 as capital MOE support for 2020. It anticipates making the same request to shift another \$360,000 from capital MOE to operating MOE in 2021.	102	1,080,000	-	-

5	A.21105	DPW (Buildings and Grounds) – Preservation of County Buildings and Facilities	1,826,252	750,000	57,071	1,019,181		This fund will be used on all buildings Countywide to address any unforeseen issues that occur that cannot be covered by another project. This will include maintenance and/or improvements to various building components including but not limited to Exterior Building Envelope Rehabilitation (roofs, masonry, doors, windows and exterior facades), site improvements, Interior Upgrades (floors, walls, ceilings, including finishes and accessibility), Building Systems Rehabilitation (power, lighting, communications, energy consumption, plumbing, mechanicals, fire alarm systems, backup generators, and misc. items). These projects would include design and construction services to prevent further deterioration to a given building that could render some building systems in poor or even inoperable condition. Specific projects may include are not limited to; Rath Building Elevator Modernization, Old County Hall Clock Tower repairs.	122	400,487	477,318	948,448
6	A.21106	DPW (Buildings and Grounds) – Mechanical, Electrical, Plumbing, and Misc. Improvements (Countywide)	1,462,550	1,250,000	2,550	210,000		Many County Buildings are reaching the end of their respective useful life for much of its operating equipment considering the age of some buildings. Building systems and equipment need to be continually maintained, repaired and replaced when beyond its useful life. This work will include general upgrades to mechanical, electrical and plumbing components on all buildings throughout the county. This work can include various systems (including ancillary components) that need renovation/replacement include, but are not limited to, the following: Rath Parking Garage Sprinkler Replacement, Erie County Holding Center plumbing repairs, Rath Generator Replacement, Rath Electrical Assessment, Rath Snow Melt system repairs. Additional items appear as the year progresses that need renovation/replacement, including, but not limited to the following: fuel system piping replacement; fire alarm system, lighting and electrical power distribution systems, HVAC systems, controls, and programming, emergency/standby generators, and other misc. items.	122	831,064	389,915	241,570

7	F.21101	DPW (Buildings and Grounds) – Buffalo & Erie County Public Library – Various Improvements and Upgrades	500,000	500,000				This work will include, but is not limited to, building exterior components and various electrical, mechanical, and plumbing systems (including ancillary components) that need renovation, replacement or upgrades, such as doors (vestibule and exterior), windows, roofing and flashing, caulking, waterproofing, masonry/granite repair and repointing, concrete, landscaping, main and branch electrical panels, plumbing system valves and controls including domestic hot water system, heating and cooling system, fire alarm and detection system, security and life safety systems, lighting systems, continued or related hazardous materials survey, design, testing, abatement, and air/project monitoring, and other miscellaneous related work as required. 9	A.21108	DPW (Buildings and Grounds) – Erie County Toxicology Laboratory/Pathology Renovations - Phase 7	2,950,000	1,200,000			1,750,000	The Erie County Toxicology Laboratory/ Pathology Morgue has infrastructure which has not been updated to current standards and is undergoing a 7-phase upgrade with Phases 1 through 4 completed 2019, Phase 5 currently starting construction and Phase 6 currently completing design. This scope of work will include Phase 7 work and is not limited to; corridor upgrades, office space, Toilet and Locker Rooms, Administration Conference room and Exterior Repairs to the Dryvit system Phase 7 will be funded by 2021 Capital Funds including design and construction services. This is the last phase of the long term multi phased project.	122	-	-	2,950,000
10	A.21109	DPW (Buildings and Grounds) – Rehabilitation of Buffalo & Erie County Botanical Gardens	500,000	500,000				The County entered into an Agreement with the Botanical Gardens Society in 2004 to provide capital funding to implement the Master Plan for the Botanical Gardens. The County will continue this endeavor by continuing multi-year phased capital improvements throughout the facilities, including but not limited to the design and construction of four additional grow houses and associated utilities adjacent to the Admin Building, the exterior reconstruction of House 10 and other miscellaneous work as necessary for the continued operations of the Botanical Gardens.	122	350,761	148,976	263
11	A.21110	DPW (Buildings and Grounds) – Rath Building Improvements	3,750,000	750,000			3,000,000	The scope of work includes but is not limited to; general site improvement on the grounds surrounding the building, reconstruction and/or repairs to the existing snow melt system, modernization of the existing high-rise elevators, replacement of the waterproofing membrane on the parking garage floor, installation of a new generator, structural repairs to the deteriorating structural beams in the basement and subbasement and other miscellaneous improvements. Not all work will be able to be completed at the same time from a logistics perspective and number of repairs needed to be done to the Rath Building are being approached in phases. This work would encompass design and	122	50,650	1,733,779	1,965,571
12	A.21111	DPW (Buildings and Grounds) – Public Safety Campus – Hot Water Distribution Piping Replacement	500,000	500,000				The Public Safety Campus has a hot water distribution system that consistently leaks. Work to include but not limited to: architectural evaluation and design, removal and replacement of the hot water heating supply and return lines for the boiler, miscellaneous repairs as a result of work (drywall, painting, etc.).	122	199,481	300,519	-
13	B.21150	Capital Overlay Program (Countywide)	17,255,047	5,000,000	300,000		11,955,047	The 2021 capital overlay program provides for rehabilitation work to include, but not limited to, pavement and shoulder widening, drainage improvements, sight distance and safety improvements. Completion of these projects will result in future operating and maintenance savings along with safer travel for the traveling public.	123	13,907,696	322,097	3,025,255
14	B.21101	Preservation of Roads Construction – Lake Avenue Drainage	500,000	500,000				This is a program to improve the drainage along the Lake Avenue Corridor from Route 5 to the railroad tracks. An easement will be required to access properties to create positive drainage to drain the water from Lake Avenue to the creek.	123	-	-	500,000
15	B.21102	Preservation of Roads – Borden Road Phase 1	4,813,500	4,000,000			813,500	Project is to rehabilitate the entire length of Borden Road CR 322 which runs from Seneca Creek Road CR 325 in West Seneca to NY 130, Broadway in the Village of Depew, a length of approximately 3.5 miles. The project is to rehabilitate the pavement and install new closed drainage, curb and gutters.	123	593,345	4,119,771	100,385
16	B.21103	Road Slides Construction – Remediation of Slide on Back Creek Rd. CR 438	1,500,000	1,500,000				Project is to reconstruct a section of Back Creek Road CR 438 and the embankment between it and 18-mile Creek that collapsed in 2018 causing the road to be restricted to a single lane. Project includes embankment reconstruction stream stabilization, road reconstruction, installation of new closed drainage and guiderail.	123	-	4,250	1,495,750
17	B.21104	Vehicle and Equipment Replacement - Highways	2,000,000	2,000,000				Where possible, the highway fleet is being drastically cut and new vehicles are "right sized" for the need. Most of the plow trucks used in Highways are over 10 years old, out of warranty, exceeding 200,000 miles and beginning to need some major maintenance items. This project will continue to replace the larger vehicle fleet over time. By replacing them over time, the large maintenance bills can be avoided and a smaller fleet can maintain. Front line equipment is at a critical need for replacing; plow trucks, high lifts, tractors, sweepers, and mowers. Another challenge is keeping within the EPA/DEC compliance and having the proper equipment such as road sweepers and vactor flush trucks for storm sewers.	123	1,687,544	312,456	-
18	B.21105	Federal Aid Bridge Preservation - Construction	2,153,000	500,000	1,653,000			NYSDOT has designated several projects for the preservation of bridges with letting in 2021. These projects consist of maintenance items which prolong the life of Erie County's bridges and are eligible for federal funding under the Locally Administered Federal Aid Program.	123	761,288	1,383,242	8,470
19	B.21106	Highway Safety Improvements	500,000	500,000				Highway Safety Improvement funds would be used for correcting recognized highway deficiencies and upgrading highway appurtenances at locations on the county wide highway system that are determined to be hazardous, or are prone to higher incidences of accidents, through performance of a highway safety audit or study. The funds will be appropriated	123	500,000	-	-
20	A.21112	Countywide Parks Improvements and ADA Accessibility	1,950,000	750,000			1,200,000	In 2019, the "Erie County Parks System Master Plan" was updated. The Master Plan provides direction for repair, restoration and development of the Erie County Parks. This is a multi-year/multi-phase plan. The work of this project is in accordance with the recommendations of the Master Plan and will provide improvements to, but not necessarily limited to, preservation, enhancement, and improvement of existing system assets and landscape setting. Consultants aided in the completion of the mapping system, analyzing problems and opportunities, developing policies to protect and enhance the natural resources of the parks, and developing strategies for waterfront enhancement.	164	1,688,757	192,810	68,433
21	A.21113	Countywide Shelter, Building, and Comfort Station Rehabilitation and ADA Accessibility	500,000	500,000				This is an ongoing rehabilitation effort that includes roof replacements, ADA accessibility, environmental abatement, and refurbishment including, but not limited to, windows, doors, flooring, siding, and masonry work.	164	413,594	63,096	23,310
22	A.21114	Countywide Roads, Pathways, and Parking Lot Improvements	500,000	500,000				This project will include the resurfacing, rehabilitation, and building of various roads, pathways, trail linkages, and parking lots within the County Park System.	164	399,938	1,807	98,255
23	A.21115	Vehicles and Equipment	500,000	500,000				This project would include the annual purchasing of vehicles and equipment necessary to facilitate operational requirements.	164	458,620	38,799	2,581
24	B.21107	Culverts and Bridges	400,000	400,000				This project includes the rehabilitation/replacement of the Ward Drive Bridge over Big Gulf Creek at Chestnut Ridge Park. This bridge is currently in a red flag status and the load rating has once again been lowered.	123	394,991	4,179	830
25	A.21116	WPA Era Rehabilitation	400,000	400,000				The department has many Works Progress Admin (WPA) era structures that are in need of rehabilitation, due to former administration's years of neglect. These structures are historical in nature and are found in our five (5) heritage parks. This is a recommendation of the Parks Master Plan update.	122	67,901	33,350	298,749
26	A.21117	Bethlehem Steel Redevelopment	1,500,000	837,000	333,000	330,000		Design and construction of the extension of transportation infrastructure with utilities to provide needed public access to the site for vehicles and pedestrians. Transportation infrastructure shall include including roads with pedestrian infrastructure and multi-use trails. Utilities shall include: gas, water, sewer, electric and telecommunication utilities to and on the site.	162	-	-	1,500,000
27	F.21102	Escalator Demolition Space Renovations and Asbestos Abatement	1,300,000	1,000,000	150,000	150,000		This multi-phased project will include, but is not limited to: rehabilitation or removal of the old escalators, filling of the floor opening, expansion of the public meeting space at the Ring of Knowledge, and addition of public exhibit and related use space on the 1st and 2nd floors. This project will be for completing all activities relating to the rehabilitation and/or demolition of the existing escalators including asbestos abatement and other miscellaneous work as required. Phase one (2021) would rehabilitate the two long (2-story) escalator runs from the ground floor to the first floor, which have the highest traffic counts.	122	111,152	13,256	1,175,593
28	E.21101	Collegewide Equipment	720,000	720,000				For the past several years all equipment purchased by ECC has been funded by Erie County as a capital project. For 2021, the College requests \$720,000 the acquisition of various equipment including vehicles, buildings and grounds equipment, and technical equipment, as well as furniture and fixtures.	102	720,000	-	-

MEMORANDUM

To: Honorable Members of the Erie County Legislature
From: Erie County Department of Parks, Recreation & Forestry
Re: Grover Cleveland Golf Course Concession Agreement
Date: March 17, 2023

SUMMARY

Erie County Department of Parks, Recreation & Forestry wishes to enter into an agreement for the operation of the Grover Cleveland Golf Course Concessions with The 19th @ Grover Grill, LLC, operated by Paul V. Murdie and Michael J. Murdie Jr.

FISCAL IMPLICATIONS

The County of Erie will realize 5% of monthly gross revenues from the concessionaire contract.

REASONS FOR RECOMMENDATION

The vendor's proposal, as a result of a Request for a Proposal, was the only proposal the Department received after unsuccessfully going out to bid twice. It is important that we can once again offer the much-appreciated amenity of a food and beverage service to the patrons of Grover Cleveland Golf Course.

BACKGROUND INFORMATION

The need for a concessionaire at Grover Cleveland Golf Course has proven necessary for patrons, especially during the golf season. The RFP was opened on February 28, 2023, and closed on March 6, 2023. The RFP was advertised in three Legislature approved news outlets (Grand Island Dispatch, Lancaster Bee, Buffalo Challenger Newspaper) as well as on social media throughout the open RFP period. After the RFP period ended, the Department only received one proposal.

CONSEQUENCES OF NEGATIVE ACTION

The lack of a concessionaire will result in the dissatisfaction of park patrons and a loss of 5% in monthly gross revenues for the next three years.

STEPS FOLLOWING APPROVAL

Agreements will be signed between the vendor and the County of Erie. The 19th @ Grover Grill, LLC will set up its operation at Grover Cleveland Golf Course prior to the golf season.

A RESOLUTION SUBMITTED BY:
DEPARTMENT OF PARKS, RECREATION & FORESTRY

Re: Grover Cleveland Golf Course Concession Agreement

WHEREAS, The Erie County Department of Parks, Recreation & Forestry has contracted with an outside vendor for a number of years to operate the concession area at Grover Cleveland Golf Course; and

WHEREAS, the concessionaire has provided food and refreshments for park patrons to enjoy throughout the golf season; and

WHEREAS, The 19th @ Grover Grill, LLC of West Seneca, NY provided the only proposal for service, as well as a revenue fee for the County of Erie.

NOW, THEREFORE, BE IT

RESOLVED, the Erie County Legislature hereby authorizes the Erie County Executive to enter into an agreement with The 19th @ Grover Grill, LLC for operation of the concession stand at Grover Cleveland Golf Course; and be it further

RESOLVED, The Erie County Department of Parks, Recreation & Forestry will receive 5% of monthly gross revenues from The 19th @ Grover Grill, LLC for the length of the contract; and be it further

RESOLVED, the Clerk of the Legislature send certified copies of this Resolution to the County Executive's Office, the Division of Budget and Management, the Department of Law, and the Department of Parks, Recreation & Forestry.

MEMORANDUM

To: Honorable Members of the Erie County Legislature
From: Senior Services Department
Re: Authorization to Extend the Age-Friendly Center for Excellence Grant
Date: March 17, 2023

SUMMARY

The Department of Senior Services is requesting authorization to accept a 12-month (January 1, 2023- December 31, 2023), no-cost grant extension for the Age-Friendly Center for Excellence grant (163AFCE1921). The extension will allow the Department to utilize the remaining \$10,603 of grant funds to cover travel and training costs of employees working on Age-Friendly initiatives.

FISCAL IMPLICATIONS

The original grant and its extensions are 100% funded by the grantor.

REASONS FOR RECOMMENDATION

The Health Foundation of Western and Central New York previously awarded the Department a \$10,946 Age-Friendly Center for Excellence grant (163AFCE1921), to help facilitate the County becoming an Age-Friendly Center of Excellence by covering travel and training costs of employees working on the initiative. The grantor's offer of a no-cost grant extension through December 31, 2023, will allow the Department of Senior Services to utilize the remaining funding to complete grant activities.

BACKGROUND INFORMATION

The Age-Friendly Center for Excellence grant extension will help accelerate two initiatives that are currently in motion- Network of Age-Friendly Communities and Live Well Erie.

Erie County joined the AARP Network of Age-Friendly Communities in 2014. An Age-Friendly Community is one where local officials have committed to the types of changes that make communities more livable for people of all ages, especially older adults.

Dovetailing with the Age-Friendly Community work, the administration previously released its Live Well Erie plan, with older adults being one of the three population foci in the effort. The Live Well Erie plan is a cross-systems collaborative effort that incorporates collective impact methodology with results-based management. The older adult portion of Live Well Erie has three overarching goals: (1) Older adults will maintain an active and stimulating social life as they age; (2) Erie County will be accessible to people of all ages and physical abilities; and (3) Older adults will be able to maintain financial security throughout their lives.

CONSEQUENCES OF NEGATIVE ACTION

Erie County will not be able to move forward as an Age-Friendly Center for Excellence, and will lose the opportunity to take part in the educational and training opportunities this grant provides.

STEPS FOLLOWING APPROVAL

The Department of Senior Services will take the steps necessary to extend this grant.

**A RESOLUTION SUBMITTED BY:

RE: Authorization to Extend the Age-Friendly Center for Excellence Grant

WHEREAS, The Health Foundation of Western and Central New York had previously awarded the Department of Senior Services a \$10,946 Age-Friendly Center for Excellence grant (163AFCE1921) to help facilitate the County's becoming an Age-Friendly Center of Excellence by covering travel and training costs of employees working on the initiative; and

WHEREAS, the grantor has now offered a no-cost grant extension through December 31, 2023 to complete grant activities; and

WHEREAS, the grant remains 100% funded by the grantor.

NOW, THEREFORE, BE IT

RESOLVED, the Erie County Legislature hereby authorizes the County Executive to extend the grant award and amend the contract with Health Foundation for Western & Central New York for an additional twelve-month period ending December 31, 2023; and be it further

RESOLVED, that authorization is hereby given for the Division of Budget and Management to adjust items of appropriations and revenues which may be impacted by this grant; and be it further

RESOLVED, that certified copies of this Resolution be forwarded to the: County Executive's Office; Comptroller's Office; Division of Budget and Management; and the Department of Senior Services.

RE: Contract with Empower Children's Academy

Dear Honorable Members:

The Erie County Department of Health (ECDOH) is seeking authorization to enter into contract, as required by New York State Education Department (NYSED), with Empower Children's Academy in Niagara County to place a Clarence student in a Preschool Special Education program due to the unavailability of classroom placements in any Erie County Special Education programs.

MEMORANDUM

To: Honorable Members of the Erie County Legislature
From: Department of Health
Re: Contract with Empower Children's Academy
Date: March 17, 2023

SUMMARY

ECDOH's Children with Special Needs Division contracts with many Preschool Special Education Programs to provide classroom-based services to children, but currently all classrooms are full. New York State Education Department requires that if a school district within Erie County places a student in a NYSED approved special needs program, Erie County must contract with that program. In this case, a Clarence resident is being placed in a program at The Empower Children's Academy in Niagara County.

FISCAL IMPLICATIONS

Funding was budgeted for and is currently available for the contract in account 528000 Services to Handicapped Children to cover the costs incurred and the tuition rates for Special Needs Programs are set by NYSED.

REASONS FOR RECOMMENDATION

The contract is required by NYSED Part 200 of the Regulations of the Commissioner of Education pursuant to special education programs and services for students with disabilities, funding is available, and ensures an Erie County resident is able to attend a classroom-based service for Preschool Special Education.

CONSEQUENCES OF NEGATIVE ACTION

Erie County would not be in compliance with NSYED part 200 and could jeopardize the resident's access to a classroom-based Preschool Special Education program.

STEPS FOLLOWING APPROVAL

ECDOH will work with Budget and Management and County Attorney's Office on executing all terms of the contract.

RESOLUTION SUBMITTED BY:
DEPARTMENT OF HEALTH

Re: Contract with Empower Children's Academy

WHEREAS, the Erie County Department of Health's Children with Special Needs Division currently contracts with several tuition based programs; and

WHEREAS, according to the New York State Education Department (NYSED), if a Committee on Preschool Special Education places a child in a NYSED approved program, the county must contract with that program at rates fixed by NYSED; and

WHEREAS, the Clarence School District Committee on Preschool Special Education has placed a preschool student from Erie County with The Empower Children's Academy located in Niagara County; and

WHEREAS, The Empower Children's Academy is an approved NYS Education Department Preschool Special Education Program; and

WHEREAS, funds are available in Account 528000 Services to Handicapped Children to cover the costs incurred.

NOW, THEREFORE, BE IT

RESOLVED, the Erie County Legislature hereby authorizes the County Executive to enter into contract with The Empower Children's Academy; and be it further

RESOLVED, that sufficient funds are available to cover the cost of this contract within the Department of Health's Division of Children with Special Needs General Fund Budget in Account 528000 – Services to Handicapped Children; and be it further

MEMORANDUM

To: Honorable Members of the Erie County Legislature
From: Department of Health
Re: Contract with I3 Verticals Healthcare d/b/a H-Pac Computer Systems
Date: March 17, 2023

SUMMARY

The Department of Health's Public Health Laboratory is requesting authorization to contract with I3 Verticals Healthcare d/b/a H-Pac Computer Systems. The laboratory's current billing software system is over 20 years old and in need of an upgrade. The new software will allow better tracking of billing, revenue, insurance collections, and many more functions necessary for the laboratory's operations.

FISCAL IMPLICATIONS

This upgrade to the Public Health Laboratory's software was included in the Department of Health's 2023 budget for up to \$33,000. At this time, it is expected that the startup for the software plus 12 months of maintenance will total about \$26,000.

REASONS FOR RECOMMENDATION

Updating the billing software system at the Public Health Laboratory will increase efficiency and productivity of administrative staff, more accurately track various billing and payments, allow for better and more timely reporting, and many more necessary functions not currently able to be done due to the outdated system.

BACKGROUND INFORMATION

After reviewing proposals by four companies, the RFP review committee selected I3 Verticals Healthcare d/b/a H-Pac Computer Systems because its software will be able to hand all the needs of the laboratory including patient registration, billing, payments, insurance claims, multiple reporting functions, and many more functions, many of which that are not capable on the current system that is 20 plus years old, and fully integrate to other PH lab software systems. I3 Verticals Healthcare d/b/a H-Pac Computer Systems was also the lowest cost out of the four submissions that met all the requirements in the RFP.

CONSEQUENCES OF NEGATIVE ACTION

The Public Health Laboratory will continue to use outdated and inefficient billing software that doesn't meet many of the laboratory's needs.

STEPS FOLLOWING APPROVAL

ECDOH will enter into contract with I3 Verticals Healthcare d/b/a H-Pac Computer Systems.

A RESOLUTION SUBMITTED BY:
DEPARTMENT OF HEALTH

RE: Contract with I3 Verticals Healthcare d/b/a H-Pac Computer Systems

WHEREAS, The Department of Health's Public Health Laboratory needs to upgrade its software; and

WHEREAS, the current software is twenty years old and does not have many of the necessary functions for the operations of the laboratory; and

WHEREAS, upgrading the software will allow better tracking of billing, revenue, insurance collections, and many more functions necessary for the laboratory's operations; and

WHEREAS, a request for proposals committee reviewed proposals from four separate companies and selected I3 Verticals Healthcare d/b/a H-Pac Computer Systems based on the laboratory's needs and the cost of services; and

WHEREAS, the upgraded software will increase the productivity and efficiency of the administrative staff and provide more accurate accounting and reports.

NOW, THEREFORE, BE IT

RESOLVED, that the Erie County Legislature hereby authorizes the County Executive to enter into contract with I3 Verticals Healthcare d/b/a H-Pac Computer Systems for an amount not to exceed \$33,000; and be it further

RESOLVED, that sufficient funds to cover the cost of this contract exist within the Health Department's (fund 110, Funds Center 1273010) 2023 General Fund Budget in Account 516020 – Professional Services, Contracts and fees; and it be further

RESOLVED, that certified copies of this resolution will be forwarded to the Erie County Executive's Office, Division of Budget and Management, the Office of the Comptroller, the County Attorney's Office, and Department of Health.

Re: Contract with ApolloLIMS d/b/a CliniSys, Inc.
Date: March 17, 2023

SUMMARY

The Department of Health's Public Health Laboratory is requesting authorization to contract with ApolloLIMS d/b/a CliniSys, Inc. The laboratory currently contracts with ApolloLIMS for its operations software. ApolloLIMS will soon begin to do business as CliniSys, Inc.

FISCAL IMPLICATIONS

There are no fiscal implications beyond what was previously budgeted for this contract as it is a name change of the vendor.

REASONS FOR RECOMMENDATION

The operations software provided by ApolloLIMS maintains accurate data, results, inventory and much more for the operations of the laboratory. The laboratory would like to avoid a lapse in software support due to ApolloLIMS soon beginning to do business as CliniSys, Inc.

BACKGROUND INFORMATION

This resolution requesting authorization is coming due to the current vendor, ApolloLIMS, will soon begin doing business as CliniSys, Inc.

CONSEQUENCES OF NEGATIVE ACTION

The Public Health Laboratory would be unable to make vendor payments to ApolloLIMS d/b/a CliniSys, Inc. and not have the technical support when needed to maintain accuracy of test results, reporting, inventory, and more.

STEPS FOLLOWING APPROVAL

ECDOH will enter into contract with ApolloLIMS d/b/a CliniSys, Inc.

MEMORANDUM

To: Honorable Members of the Erie County Legislature
From: Department of Parks, Recreation & Forestry
Re: Creation of Parks Special Event Fees
Date: March 17, 2023

SUMMARY

The Department of Parks, Recreation & Forestry would like to charge special event fees to help cover the additional costs associated with such events that require extra planning, closures, and labor before, during, and after by Parks Department employees above and beyond their regular duties.

FISCAL IMPLICATIONS

This resolution will generate a new revenue source for the County to help cover the costs borne by the Parks Department to host such events.

REASON/BACKGROUND INFORMATION

Allowing special event fees will generate a new revenue source for the County to help cover the costs borne by the Parks Department. As per the recommendations made in The 2019 Erie County Parks Master Plan. Many municipal parks departments across the country, including the City of Buffalo, have various fees to help offset the additional costs for such events.

CONSEQUENCES OF NEGATIVE ACTION

The Department of Parks, Recreation & Forestry will continually incur extra costs for these special events, or some special events may not be approved.

STEPS FOLLOWING APPROVAL

The Department of Parks, Recreation & Forestry will initiate a special event fee immediately.

A RESOLUTION SUBMITTED BY:
DEPARTMENT OF PARKS, RECREATION & FORESTRY

RE: Creation of Parks Special Event Fees

WHEREAS, the Department of Parks, Recreation & Forestry has never charged for special events held at our facilities; and

WHEREAS, these special events often require additional planning, closures, and labor before, during, and after by Parks Department employees above and beyond their regular duties; and

WHEREAS, many municipal parks departments across the country, including the City of Buffalo, have various fees to account for additional costs associated with such events; and

WHEREAS, this will generate a new revenue source for the County to help cover the costs borne by the Parks Department to host such events; and

WHEREAS, as per recommendations made in The 2019 Erie County Parks Master Plan.

NOW, THEREFORE, BE IT

RESOLVED, that the Erie County Legislature hereby authorizes the creation of the below schedule of Special Event fees:

Re: District Attorney's Office
GIVE Grant
Immediate Consideration Requested

EC LEG MAR 21 '23 AM 9:41

Honorable Members:

Enclosed please find a proposed resolution and accompanying memorandum requesting authorization to accept grant funding from NYS Division of Criminal Justice Services for an additional position in the Gun Involved Violence Elimination (GIVE) Grant Budget.

Thank you for your immediate consideration of this matter. If your Honorable Body requires any further information, kindly contact our office and we will accommodate your request.

Very truly yours,

JOHN J. FLYNN
DISTRICT ATTORNEY

JJF/lh

MEMORANDUM

To: Erie County Legislature
From: John J. Flynn, District Attorney
Date: March 21, 2023
Re: GIVE Grant, Immediate Consideration Requested

I. Summary of Recommended Action

The proposed resolution requests authorization to enter into a contract with NYS DCJS to accept funding in the amount of \$68,482 to fund an additional prosecutor to aid in the investigation and prosecution of non-fatal shootings. As this is a new initiative under the state's Gun Involved Violence Elimination (GIVE) program, we are requesting authorization to create the position in the current GIVE Grant.

II. Fiscal Implications of Proposal

Funds in the approved 2022 Erie County District Attorney's GIVE Grant budget are being reallocated to properly reflect the increased funding level of \$68,482 awarded by the grantor. This funding is being awarded to add an additional Assistant District Attorney VI to devote to the prosecution of non-fatal shootings in Erie County.

- Grant Duration: Current GIVE grant - 1 years – 7/1/22 - 6/30/23
- Annualized salary for new Assistant District Attorney VI (JG 17) position being added to current budget: \$130,537
- Prorated salary for new Assistant District Attorney VI (JG 17) position being added to current budget 3/1/23 - 6/30/23: \$44,182
- Funding Source: Grant funding from NYS Division of Criminal Justice Services
- Position is Managerial Confidential

There will be no additional county tax dollars required to make the proposed changes.

III. Reason for Recommendation and Background of Proposal

The District Attorney's Office in partnership with the Buffalo Police Department have been awarded funding to investigate and prosecute non-fatal shootings. This funding is provided to ensure the comprehensive investigation of all non-fatal bullet to body shooting cases, with particular focus on circumstances where victims may be uncooperative and to support "evidence-based" prosecution. Typically, many of these cases initially may not have sufficient evidence and/or uncooperative witnesses and without enough resources to devote to these investigations, these cases remain uncharged. This additional funding will allow us to devote a prosecutor to aid Buffalo Police in investigating, charging and successfully prosecuting those cases.

We have been awarded \$68,482 in supplemental GIVE funding to fund an additional prosecutor from March through June of 2023. DCJS has indicated that this additional prosecutor will continue to be funded under the next GIVE grant cycle which runs from July 1, 2023 to June 30, 2024.

IV. Consequences of Negative Action

Failure to approve this request would hinder our ability to provide resources necessary to efficiently investigate and successfully prosecute non-fatal shootings.

V. Steps Following Approval of Measure

The District Attorney's Office will work with the Division of Budget and Management and the Department of Personnel to implement this proposal.

RESOLUTION SUBMITTED BY THE
DISTRICT ATTORNEY

Re: District Attorney's Office
GIVE Grant, Immediate Consideration Requested

WHEREAS, the District Attorney's Office's has been awarded \$68,482 under the NYS Division of Criminal Justice Services (DCJS) Non-Fatal Shooting Initiative grant which falls under DCJS's overall Gun Involved Violence Elimination (GIVE) initiative; and

WHEREAS, authorization is required by the Erie County Legislature for the County Executive to enter into a grant contract and accept funding for an additional prosecutor; and

WHEREAS, the District Attorney through the NYS Division of Criminal Justice Service's (DCJS) Gun Involved Violence Elimination (GIVE) Grant currently receives funding to help combat gun violence in Erie County; and

WHEREAS, Section 2507b of the Erie County Charter states that independent elected officials, including the District Attorney, have the power to manage their departments within the parameters of their adopted budget; and

**RE: Erie County Conditional Release Commission
2022 Annual Report**

Dear Honorable Members,

In accordance with Erie County Local Law No. 2-2015 which established the Erie County Conditional Release Commission, the Commission shall present an annual report to the Erie County Legislature, on its findings and actions on submitted applications.

As the Commissioner of the Erie County Probation Department who serves as an ex officio member of the Erie County Conditional Release Commission, this annual report is being submitted for your review on behalf of the Commission.

In 2021, all five members of the Erie County Conditional Release Commission (CRC) were appointed/re-appointed by the Erie County Executive upon advice and consent of this Honorable Body and this membership remains intact. The current Commission members include Karima Amin, Dixie Hunter, William Crowe, Robert Lonski and Penny Wolfgang. The terms of all Commission members will expire on December 31, 2025.

During the initial four-year period (2016-2019) of the Erie County Conditional Release Program, applications for conditional release from inmates at the Erie County Correctional Facility averaged 56 annually. However, in 2020 the Conditional Release Program only received 18 applications, in 2021 the program received 20 applications and last year it received 26 applications. It is significant to note though that according to the Erie County Sheriff's Office, in 2018 the average number of sentenced inmates at the Erie County Correctional Facility was 183 while in 2022 it was 98.

Below is an overview of the findings and actions on applications submitted in 2021 and 2022:

FINDINGS/ACTION	2021	2022
Application Withdrawn by Inmate	1	2
Ineligible for Release	15	22
Release Denied by CRC	0	1
Release Granted by CRC	**4	1

** Note, two applications received in 2021 were granted release by the Conditional Release Commission in early 2022.

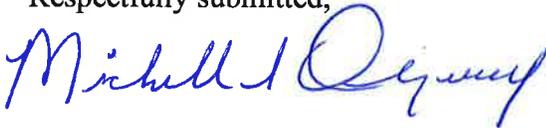

As noted in the above table, a significant percentage of the conditional release applications are determined ineligible for release primarily as a result of the applicant's legal history. Per NY Corrections Law §273, prior criminal convictions for several listed offenses inclusive of domestic violence offenses preclude eligibility for conditional release.

From program inception through December 31, 2022, the Erie County Probation Department has received 291 applications for conditional release consideration. The department has screened out 178 applications due to release ineligibility, 22 inmates withdrew their applications during the screening process while the Erie County Conditional Release Commission has interviewed and considered for release a total of 85 inmates. During this same period, 46 inmates who were interviewed/considered by the Conditional Release Commission were denied release while 39 were granted release. Of those individuals conditionally released from the Erie County Correctional Facility, 22 (or 56%) have successfully completed the program while two individuals remain active in the program.

The Erie County Probation Department continues on-going contact with personnel within the Erie County Correctional Facility in an effort to re-enforce program availability and ensure program information is readily available for inmates within the facility. Additionally, efforts have been initiated to increase communication lines between the Erie County Probation Department and both Erie County Correctional Facility and Project Blue staff that are located within the facility.

Should your Honorable Body require any additional information regarding the Erie County Conditional Release Commission, please do not hesitate to contact me.

Respectfully submitted,

Michelle Olszowy
Commissioner
Erie County Probation Department
