Re: Investigation of Covering up the Granville crashing into 7 cars and use of influence issue

Dear Chair Meyers:

Enclosed is a copy of the FOIL request my legislative office submitted to the City. Hopefully, we will have the body camera footage or admission that the body/dash camera was turned off before the April 24th meeting with our Sheriff.

It should also provide more information which is all non-confidential and publicly available.

I will share the results.

Very truly yours,

A handwritten signature in black ink that reads "Jeanne M. Vinal".
