The Honorable Olivia M. Owens

Clerk of the Legislature
Erie County Legislature
92 Franklin Street
Buffalo, NY 14202

Dear Honorable Ms. Owens:

Thank you for forwarding Erie County Legislature Resolution INTRO. 12-1 (2026) regarding the One Fair Price Act and surveillance pricing. I appreciate the opportunity to review the Legislature's position on this matter.

Protecting consumers from deceptive and unfair business practices is an important responsibility, and I appreciate the Legislature's efforts to address emerging concerns related to the use of consumer data in pricing decisions. As technology continues to evolve, it is important that policymakers carefully evaluate how these practices impact New Yorkers.

While I support transparency and fairness in the marketplace, I also believe any new regulations should be thoughtfully crafted to avoid placing unnecessary burdens on businesses, particularly small businesses that are already operating in a challenging economic and regulatory environment. Striking the appropriate balance between consumer protection and economic competitiveness remains an important consideration.

Thank you for transmitting this resolution and for keeping my office informed of the actions of the Erie County Legislature. I appreciate your correspondence and the opportunity to consider the Legislature's views on this issue.

Sincerely,

Andrew Molitor

Member of the New York State Assembly
