Memo # 19-004

TO Interim Chief Musselman

FROM Sgt. Collin Seay

DATE January 17th, 2019

REF Liquor License Series 7 (Beer and Wine Bar) Application for Person Transfer for Pay N Take

On January 17th, 2018, I initiated an investigation into an application for a series 7 liquor (Beer and Wine Bar) license person transfer for Pay N Take located at 12 W Aspen in Flagstaff. The application license number is 07030051.

The license transfer is being requested by Edward Talkington (Agent) and Daniel Powell (Controlling Person). I spoke with Edward over the phone, and he advised me he bought the Series 7 license from the previous owner, Paul Brinkmann, and he plans on continuing the exact same business model that Brinkman used. Edward advised this is he and Daniel's first liquor license, and they are sub-leasing the location from Brinkmann. He advised me they are both in the process of completing the mandatory liquor training provided by the Arizona Department of Liquor and would try to have it complete before the council date. Pay N Take is currently operating under an interim Series 7 license (#INP030004226), and I did not locate any violations against this license. Edward and Daniel do not possess any other liquor licenses. I could not locate any previous liquor violations against the license with the previous ownership.

I checked Edward and Daniel through public access and local systems, and no derogatory records could be found of the applicant. Edward advised they would serve alcohol from 10:30 am to 10:00 pm on weekdays, and they may stay open until 11:00 pm or Midnight on weekends. Edward advised they would both be present for questions at the February 5th council date.
