Re: Parks & Recreation Equipment, Field Lighting Products, & Installation
BuyBoard Contract 512-16

The Local Government Purchasing Cooperative d/b/a BuyBoard® (Cooperative) awarded your company a contract under Parks & Recreation Equipment, Field Lighting Products, & Installation, Contract 512-16, for which the current term is set to expire September 30, 2018. At this time, we are renewing your contract through September 30, 2019. This will be the final renewal of this contract.

All discounts, terms, and conditions of your contract will remain the same. If you agree with the renewal, there is nothing you need to do. However, if you do not agree to this renewal, you must notify me immediately via email at connie.burkett@tasb.org.

Reminder: All purchase orders must be processed through the BuyBoard. Except as expressly authorized in writing by the Cooperative's administrator, you are not authorized to process a purchase order received directly from a Cooperative member. Accepting orders directly from a member entity without Cooperative authorization is a violation of the terms of your contract. We request your assistance in immediately forwarding any orders received directly from member entities. Purchase orders may be sent to us either by fax (800-211-5454) or by email (info@buyboard.com). If by chance an order sent directly to you has been unintentionally processed, please forward it to the Cooperative and note it as **RECORD ONLY** to prevent duplication.

If you have questions or comments concerning this renewal, please contact me as soon as possible at connie.burkett@tasb.org. We appreciate your interest and participation in The Local Government Purchasing Cooperative.

Sincerely,

Connie W Burkett, CTSSB
Contract Administrator

Re: Notice of The Local Government Purchasing Cooperative Award

Proposal Name and Number: Parks and Recreation Equipment and Field Lighting Products and Installation,
Proposal No. 512-16

Congratulations, The Local Government Purchasing Cooperative (Cooperative) has awarded your company a BuyBoard® contract based on the above-referenced Proposal. The contract is effective 10/1/2016 through 9/30/2017, with two possible one-year renewals. The contract documents are those identified in Section 3 of the General Terms and Conditions of the specifications.

To view the items your company has been awarded, please review the proposal tabulation No. 512-16 on the following web-site: www.buyboard.com/vendor. Only items marked as awarded to your company can be sold through the BuyBoard contract. In addition, on this website you will find the membership list which will provide you with the names of all entities with membership in our purchasing cooperative.

Enclosed with this letter you will find the following documents:

- Vendor Quick Reference Sheet
- Electronic Catalog Format Instructions
- Vendor Billing Procedures

You are advised that receipt of a purchase order directly from a Cooperative member is not within the guidelines of the Cooperative. Accepting purchase orders directly from Cooperative members may result in a violation of the State of Texas competitive bid statute and termination of this Cooperative BuyBoard contract. **Therefore, all purchase orders must be processed through the BuyBoard in order to comply.** Please forward by fax (1-800-211-5454) any order received directly from a Cooperative member. If you inadvertently process a purchase order sent directly to you by a Cooperative member, please fax the order to the above number and note it as **RECORD ONLY** to prevent duplication.

Per proposal specifications, awarded vendors will have 30 days or sooner to submit their electronic catalog including pricing. If the electronic data is not provided within 30 days or sooner of notice of award, we reserve the right to inactivate any company's award information from the BuyBoard until such time the electronic data is received.

On behalf of the Texas Association of School Boards, we appreciate your interest in the Cooperative and we are looking forward to your participation in the program. If you have any questions, please contact **BuyBoard Procurement Staff** at 800-695-2919.

Sincerely,

Arturo Salinas

AFFIRMATION REGARDING CONSTRUCTION-RELATED GOODS AND SERVICES

A contract awarded under this Proposal Invitation covers only the specific goods and services awarded by the BuyBoard. As explained in the BuyBoard Construction Related Goods and Services Advisory for Texas Members ("Advisory"), **Texas law prohibits the procurement of architecture or engineering services through a purchasing cooperative. This BuyBoard contract does not include such services. Architecture or engineering services must be procured by a Cooperative member separately, in accordance with the Professional Services Procurement Act (Chapter 2254 of the Texas Government Code) and other applicable law and local policy.**

The Advisory, attached to this Form F, provides an overview of certain legal requirements that are potentially relevant to a Cooperative member's procurement of construction or construction-related goods and services, including those for projects that may involve or require architecture, engineering or independent testing services.

By signature below, the undersigned affirms that Proposer has read and understands the Advisory attached to this Form F and is authorized by Proposer to make this affirmation. If Proposer sells construction-related goods or services to a Cooperative member under a BuyBoard contract awarded under this Proposal Invitation, Proposer will comply with the Advisory and applicable legal requirements, make a good faith effort to make its Cooperative member customers or potential Cooperative member customers aware of such requirements, and provide a Cooperative member with a copy of the Advisory before executing a Member Construction Contract with the member or accepting the member's purchase order for construction-related goods or services, whichever comes first.

BUYBOARD PROCUREMENT AND CONSTRUCTION-RELATED GOODS AND SERVICES ADVISORY FOR TEXAS MEMBERS

Why make purchases using BuyBoard? Purchasing through a cooperative or "interlocal contract" satisfies the requirement of local governments to seek competitive procurement for the purchase of goods or services.¹ Therefore, you may purchase goods and services from a vendor through BuyBoard without having to conduct your own competitive procurement. If, however, you are procuring construction-related services through a BuyBoard Job Order Contract (JOC) or contract for the installation of equipment or materials (e.g., athletic fields and surfaces, kitchen equipment, HVAC, playground equipment, or modular buildings), you may, as explained in this Advisory, need to procure certain aspects of these services using a separate procurement process outside of the BuyBoard and should consult your procurement officer and/or legal advisor for specific advice.

What is BuyBoard's Procurement Process? The BuyBoard uses a competitive procurement process to award contracts to vendors for goods and services that the BuyBoard determines, based on an evaluation of multiple criteria, represents the best value for its members.

How does BuyBoard award a contract to a vendor? As a condition of being awarded a BuyBoard contract, a vendor is bound by and must agree to comply with all the terms of the BuyBoard's proposal invitation (or specifications), the vendor's proposal response, and any additional contract terms negotiated with the BuyBoard member. Among other things, the vendor must honor the pricing submitted in the vendor's proposal. **THE PRICE YOU PAY FOR THE GOODS AND SERVICES COVERED BY THE BUYBOARD CONTRACT MAY BE LESS THAN THE AWARDED PRICING, BUT CANNOT BE MORE.** Additionally, the vendor must comply with the BuyBoard contract's general terms and conditions, and any additional terms and conditions that apply to the specific BuyBoard contract, as set out in the proposal invitation.

How does a BuyBoard member make purchases through the BuyBoard contract? You utilize the awarded BuyBoard contract by issuing a signed purchase order through the BuyBoard online application to procure the selected goods or services. Although BuyBoard must receive a copy of the signed purchase order, BuyBoard does not review or approve the purchase order or other supplemental agreement that you obtain – this is a matter between you and the vendor. If construction-related services are procured through the BuyBoard, additional contracts with professionals and the contractor may be required, depending on the nature and scope of the services. As stated above, you should consult your procurement officer and/or legal advisor for specific advice.

How do I know that my entity has made a purchase through the BuyBoard?

BuyBoard must have a copy of the purchase order in order for the purchase to be considered a BuyBoard procurement. To ensure that your entity has satisfied state law requirements for competitive procurement, make sure that the BuyBoard has your purchase order. Do not rely on the vendor to submit the purchase order on your behalf; it is your responsibility to make sure that the BuyBoard has the signed purchase order. You may log in to www.buyboard.com using your member I.D. and password to view the Purchase Order Status Report to confirm that the purchase order is in the BuyBoard system.

What should BuyBoard members consider when using BuyBoard for construction-related purchases? While purchasing goods and services through BuyBoard satisfies your legal requirement to competitively procure a good or service, as a general matter you must keep in mind other legal requirements that may relate to the purchase, especially when using BuyBoard for construction-related procurement.

12007 Research Boulevard • Austin, Texas 78759-2439
PH: 800-695-2919 • FAX: 800-211-5454 • www.buyboard.com

When making construction-related purchases through a BuyBoard contract, BuyBoard members must consider the following:

- **Best value determination.** In compliance with Texas law and any local policy, your entity must first determine that purchasing through an interlocal contract or purchasing cooperative is the procurement method that will provide best value.ⁱⁱ This is done by the governing body (e.g., board of trustees, council, commissioners' court, etc.) or may be delegated by the governing body to an individual or committee, with written notice.
- **Products or services not covered by the BuyBoard contract.** The BuyBoard contract covers only the specific goods and services awarded by the BuyBoard. If you want to purchase from a BuyBoard vendor goods or services from a BuyBoard vendor that are not covered by the vendor's BuyBoard contract, such as architectural, design, or engineering services, you must procure them separately in accordance with state law and local policy.
- **Architectural or Engineering and Independent Testing services.** If your procurement includes a construction component that requires architectural or engineering services, you must procure those services separately. **YOU MAY NOT PROCURE ARCHITECTURAL OR ENGINEERING SERVICES THROUGH A BUYBOARD CONTRACT.** Texas law requires architectural and engineering services to be obtained in accordance with the Professional Services Procurement Act (Chapter 2254 of the Texas Government Code) and prohibits them from being procured through a purchasing cooperative.ⁱⁱⁱ
 - **Architecture.** A new building owned by a political subdivision having construction costs exceeding \$100,000 or an alteration or addition to an existing building having construction costs exceeding \$50,000 must have architectural plans and specifications prepared by an architect.^{iv} (An "alteration" or "addition" for purposes of this requirement requires the removal, relocation, or addition of a wall or partition or the alteration or addition of an exit.)
 - **Engineering.** If the goods or services procured through the BuyBoard will involve engineering in which the public health, welfare, or safety is involved, the plans for structural, mechanical, electrical, electronic, fire suppression, geotechnical systems, foundation design, surface water drainage, plumbing and certain roof modifications and associated estimates must be prepared by an engineer, and the engineering construction must be performed under the direct supervision of an engineer.^v The Engineering Practice Act provides two exceptions to this rule – no engineer is required if (1) the project involves mechanical or electrical engineering and will cost \$8,000 or less, or (2) the project does not require mechanical or electrical engineering and will cost \$20,000 or less.^{vi}
 - **Independent Testing.** If acceptance of a facility by a public entity involves independent testing of construction materials engineering and/or verification testing services, the testing services should be procured under the Professional Services Procurement Act, and may not be procured under a BuyBoard contract.
 - **Written Certification.** Effective 09/01/2013, a local governmental entity purchasing construction-related goods and services through a cooperative in an amount that exceeds \$50,000 must designate a person to certify in writing that the project does not require the preparation of plans or specifications by an architect or engineer OR that an architect or engineer has prepared the plans or specifications.^{vii}

12007 Research Boulevard • Austin, Texas 78759-2439
PH: 800-695-2919 • FAX: 800-211-5454 • www.buyboard.com

- **Bonds.** You must also consider whether the vendor is required to provide a payment or performance bond. A payment bond is required for contracts that exceed \$25,000 to protect subcontractors who supply labor or materials for the project. A performance bond is required for a contract that exceeds \$100,000, to protect the local government if a contractor fails to complete the project.^{viii} Without payment and performance bonds, if the contractor fails to pay its subcontractors or to complete the project, the public entity that entered the contract can be held responsible for payment claims or costs to complete.
- **Construction Contract.** Even though the procurement of construction or construction-related services may be through the BuyBoard, your construction contract is between your entity and the contractor. The BuyBoard contract's general terms and conditions, standing alone, are not sufficient to document your entity's specific transaction. THEREFORE, YOU SHOULD USE AN APPROPRIATE FORM OF CONSTRUCTION CONTRACT JUST AS YOU WOULD DO IF YOU PROCURED CONSTRUCTION SERVICES INDEPENDENTLY, USING COMPETITIVE SEALED PROPOSALS. The contract must contain provisions required by state law including: performance and payment bonds, requirements for payment of prevailing wages to all construction workers, workers' compensation coverage for all workers and, on projects where contractor employees may have direct contact with students, criminal history record checks. Other provisions which should be considered in the construction contract are retainage, contingency, liquidated damages and dispute resolution, among others. By supplementing the BuyBoard contract with an appropriate form of construction contract, you ensure that your entity's unique interests are addressed and that your entity can enforce the contract directly.
- **Legal advice.** Because of the variety of laws that relate to construction-related purchasing and the potential risk of high exposure, you are well-advised to consult with your entity's legal counsel before procuring construction-related goods and services under any procurement method, including a purchasing cooperative.

This Advisory is provided for educational purposes only to facilitate a general understanding of the law. This Advisory is neither an exhaustive treatment on the subject nor is it intended to substitute for the advice of an attorney.

NATIONAL PURCHASING COOPERATIVE VENDOR AWARD AGREEMENT

In accordance with the Terms and Conditions associated with this Proposal Invitation, a contract awarded under this Proposal Invitation may be "piggy-backed" by another governmental entity. The National Purchasing Cooperative is an intergovernmental purchasing cooperative formed by certain school districts outside of Texas to serve its members throughout the United States. If you agree to be considered for a piggy-back award by the National Purchasing Cooperative, you agree to the following terms and agree to serve National Purchasing Cooperative members in the states you have indicated on the State Service Designation form, in your Proposal.

By signing this form, Proposer (referred to in this Agreement as "Vendor") agrees as follows:

1. Vendor acknowledges that if The Local Government Purchasing Cooperative ("Texas Cooperative") awards Vendor a contract under this Proposal Invitation ("Underlying Award"), the National Purchasing Cooperative ("National Cooperative") may - but is not required to - "piggy-back" on or re-award all or a portion of that Underlying Award ("Piggy-Back Award"). By signing this National Cooperative Vendor Award Agreement ("Agreement"), Vendor accepts and agrees to be bound by any such Piggy-Back Award as provided for herein.
2. In the event National Cooperative awards Vendor a Piggy-Back Award, the National Cooperative Administrator ("BuyBoard Administrator") will notify Vendor in writing of such Piggy-Back Award, which award shall commence on the effective date stated in the Notice and end on the expiration date of the Underlying Award, subject to annual renewals as authorized in writing by the BuyBoard Administrator. Vendor agrees that no further signature or other action is required of Vendor in order for the Piggy-Back Award and this Agreement to be binding upon Vendor. Vendor further agrees that no interlineations or changes to this Agreement by Vendor will be binding on National Cooperative, unless such changes are agreed to by its BuyBoard Administrator in writing.
3. Vendor agrees that it shall offer its goods and services to National Cooperative members at the same unit pricing and same general terms and conditions, subject to applicable state laws in the state of purchase, as required by the Underlying Award. However, nothing in this Agreement prevents Vendor from offering National Cooperative members better (i.e., lower) competitive pricing and more favorable terms and conditions than those in the Underlying Award.
4. Vendor hereby agrees and confirms that it will serve those states It has designated on the State Service Designation Form of this Proposal Invitation. Any changes to the states designated on the State Service Designation Form must be approved in writing by the BuyBoard Administrator.
5. Vendor agrees to pay National Cooperative the service fee provided for in the Underlying Award based on the amount of purchases generated from National Cooperative members through the Piggy-Back Award. Vendor shall remit payment to National Cooperative on such schedule as it specifies (which shall not be more often than monthly). Further, upon request, Vendor shall provide National Cooperative with copies of all purchase orders generated from National Cooperative members for purposes of reviewing and verifying purchase activity. Vendor further agrees that National Cooperative shall have the right, upon reasonable written notice, to review Vendor's records pertaining to purchases made by National Cooperative members in order to verify the accuracy of service fees.

PH: 800-695-2919 • FAX: 800-211-5454 • www.buyboard.com

6. Vendor agrees that the Underlying Award, including its General Terms and Conditions, are adopted by reference to the fullest extent such provisions can reasonably apply to the post-proposal/contract award phase. The rights and responsibilities that would ordinarily inure to the Texas Cooperative pursuant to the Underlying Award shall inure to National Cooperative; and, conversely, the rights and responsibilities that would ordinarily inure to Vendor in the Underlying Award shall inure to Vendor in this Agreement. Vendor recognizes and agrees that Vendor and National Cooperative are the only parties to this Agreement, and that nothing in this Agreement has application to other third parties, including the Texas Cooperative. In the event of conflict between this Agreement and the terms of the Underlying Award, the terms of this Agreement shall control, and then only to the extent necessary to reconcile the conflict.

7. This Agreement shall be governed and construed in accordance with the laws of the State of Rhode Island and venue for any dispute shall lie in the federal district court of Alexandria, Virginia.

8. Vendor acknowledges and agrees that the award of a Piggy-Back Award is within the sole discretion of National Cooperative, and that this Agreement does not take effect unless and until National Cooperative awards Vendor a Piggy-Back Award and the BuyBoard Administrator notifies Vendor in writing of such Piggy-Back Award as provided for herein.

WHEREFORE, by signing below Vendor agrees to the foregoing and warrants that it has the authority to enter into this Agreement.

FEDERAL AND STATE/PURCHASING COOPERATIVE DISCOUNT COMPARISON FORM

The Cooperative strives to provide its members with the best services and products at the best prices available. The Cooperative determines whether prices/discounts are fair and reasonable by comparing prices/discounts stated in your Proposal with prices/discounts you offer federal and state entities and other interlocal purchasing cooperatives (collectively referred to as "purchasing cooperative" in this form). Please respond to the following questions.

1. Provide the dollar value of sales to or through purchasing cooperatives at or based on an established catalog or market price during the previous 12-month period or the last fiscal year: \$ 1,230,812. (The period of the 12 month period is 1/2015 / 12/2015). In the event that a dollar value is not an appropriate measure of the sales, provide and describe your own measure of the sales of the item(s).

2. Based on your written discounting policies are the discounts you offer the Cooperative equal to or better than the best price you offer other purchasing cooperatives acquiring the same items regardless of quantity or terms and conditions?

YES NO

3. Based on your written discounting policies, provide the information requested below for other purchasing cooperatives, either in the chart below or in an equivalent format. Rows should be added to accommodate as many purchasing cooperatives as required.

PURCHASING GROUP	DISCOUNT (%)	QUANTITY/VOLUME	FOB TERM

Part II Certification	
Under penalties of perjury, I certify that:	
1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and	
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and	
3. I am a U.S. citizen or other U.S. person (defined below); and	
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.	
Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions on page 3.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. Information about developments affecting Form W-9 (such as legislation enacted after we release it) is at www.irs.gov/fw9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following:

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)

- Form 1088 (home mortgage interest), 1088-E (student loan interest), 1088-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding? on page 2.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued).
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting?* on page 2 for further information.

EDGAR VENDOR CERTIFICATION FORM
(2 CFR Part 200 and Appendix II)

When a Cooperative member seeks to procure goods and services using funds under a federal grant or contract, specific federal laws, regulations, and requirements may apply in addition to those under state law. This includes, but is not limited to, the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 CFR 200 (sometimes referred to as the "Uniform Guidance" or new "EDGAR"). All Vendors submitting proposals must complete this EDGAR Certification Form regarding Vendor's willingness and ability to comply with certain requirements which *may* be applicable to specific Cooperative member purchases using federal grant funds. This completed form will be made available to Cooperative members for their use while considering their purchasing options when using federal grant funds. Cooperative members may also require Vendors to enter into ancillary agreements, in addition to the BuyBoard contract's general terms and conditions, to address the member's specific contractual needs, including contract requirements for a procurement using federal grants or contracts.

For each of the items below, Vendor should certify Vendor's agreement and ability to comply, where applicable, by having Vendor's authorized representative check and initial the applicable boxes and sign the acknowledgment at the end of this form. If you fail to complete any item in this form, the Cooperative will consider and may list the Vendor's response on the BuyBoard as "NO," the Vendor is unable or unwilling to comply. A "NO" response to any of the items may, if applicable, impact the ability of a Cooperative member to purchase from the Vendor using federal funds.

1. Vendor Violation or Breach of Contract Terms:

Contracts for more than the simplified acquisition threshold currently set at \$150,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 USC 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Provisions regarding Vendor default are included in the BuyBoard General Terms and Conditions, including Section E.18, Remedies for Default and Termination of Contract. Any Contract award will be subject to such BuyBoard General Terms and Conditions, as well as any additional terms and conditions in any Purchase Order, Cooperative member ancillary contract, or Member Construction Contract agreed upon by Vendor and the Cooperative member which must be consistent with and protect the Cooperative member at least to the same extent as the BuyBoard Terms and Conditions.

The remedies under the Contract are in addition to any other remedies that may be available under law or in equity.

By submitting a Proposal, you agree to these Vendor violation and breach of contract terms.

Vendor Certification, Item 1 (Vendor Violation or Breach of Contract Terms)

- YES, I agree to the above.** (Initial: CEV)
- NO, I do NOT agree to the above.** (Initial: _____)

2. Termination for Cause or Convenience:

For any Cooperative member purchase or contract in excess of \$10,000 made using federal funds, you agree that the following term and condition shall apply:

The Cooperative member may terminate or cancel any purchase order under this Contract at any time, with or without cause, by providing seven (7) business days advance written notice to the Vendor. If this Agreement is terminated in accordance with this Paragraph, the Cooperative member shall only be required to pay Vendor for goods or services delivered to the Cooperative member prior to the termination and not otherwise returned in accordance with Vendor's return policy. If the Cooperative member has paid Vendor for goods or services not yet provided as of the date of termination, Vendor shall immediately refund such payment(s).

If an alternate provision for termination of a Cooperative member purchase for cause and convenience, including the manner by which it will be effected and the basis for settlement, is included in the Cooperative member's purchase order, ancillary agreement, or Member Construction Contract agreed to by the Vendor, the Cooperative member's provision shall control.

Vendor Certification, Item 2 (Termination for Cause or Convenience):

3. Equal Employment Opportunity:

Except as otherwise provided under 41 CFR Part 60, all Cooperative member purchases or contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 shall be deemed to include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR Part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

The equal opportunity clause provided under 41 CFR 60-1.4(b) is hereby incorporated by reference. Vendor agrees that such provision applies to any Cooperative member purchase or contract that meets the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 and Vendor agrees that it shall comply with such provision.

4. Davis-Bacon Act:

When required by Federal program legislation, Vendor agrees that, for all Cooperative member prime construction contracts/purchases in excess of \$2,000, Vendor shall comply with the Davis-Bacon Act (40 USC 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, Vendor is required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, Vendor shall pay wages not less than once a week.

Current prevailing wage determinations issued by the Department of Labor are available at www.wdol.gov. Vendor agrees that, for any purchase to which this requirement applies, the award of the purchase to the Vendor is conditioned upon Vendor's acceptance of the wage determination.

Vendor further agrees that it shall also comply with the Copeland "Anti-Kickback" Act (40 USC 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled.

Vendor Certification, Item 4 (Davis-Bacon Act):

- YES, I agree to the above.** (Initial: CJW)
- NO, I do NOT agree to the above.** (Initial: _____)

5. Contract Work Hours and Safety Standards Act:

Where applicable, for all Cooperative member contracts or purchases in excess of \$100,000 that involve the employment of mechanics or laborers, Vendor agrees to comply with 40 USC 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 USC 3702 of the Act, Vendor is required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 USC 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

11. Profit as a Separate Element of Price

For purchases using federal funds in excess of \$150,000, a Cooperative member may be required to negotiate profit as a separate element of the price. See, 2 CFR 200.323(b). When required by a Cooperative member, Vendor agrees to provide information and negotiate with the Cooperative member regarding profit as a separate element of the price for a particular purchase. However, Vendor agrees that the total price, including profit, charged by Vendor to the Cooperative member shall not exceed the awarded pricing, including any applicable discount, under Vendor's Cooperative Contract.

Vendor Certification, Item 11 (Profit as Separate Element of Price):

- ~~YES, I agree to the above.~~ (Initial: ~~_____~~)
- NO, I do NOT agree to the above.** (Initial: CEK)

12. General Compliance and Cooperation with Cooperative Members

In addition to the foregoing specific requirements, Vendor agrees, in accepting any Purchase Order from a Cooperative member, it shall make a good faith effort to work with Cooperative members to provide such information and to satisfy such requirements as may apply to a particular Cooperative member purchase or purchases including, but not limited to, applicable recordkeeping and record retention requirements.

Vendor Certification, Item 12 (General Compliance and Cooperation with Cooperative Members):

PROPOSAL INVITATION QUESTIONNAIRE

Proposal Invitation No. 512-16 Parks and Recreation Equipment and Field Lighting Products and Installation

In your proposal, does your company propose to provide installation or repair services under ANY of the following Specification Items: 17 through 47? If so, see below.

Please check (✓) one of the following:

- NO**, my company does NOT propose to provide installation or repair services under any of the Specification Items 17 through 47.
- YES**, my company does propose to provide installation or repair services under one or more of Specification Items: 17 through 47.

If you answered YES to the question above, you must include with your proposal responses to the questions below. The Cooperative will use your responses to the questions below in evaluating your Proposal to provide the goods and perform the construction or construction-related services ("work") under the BuyBoard contract contemplated by this Proposal Invitation ("contract"). You must fully answer each question, numbering your responses to correspond to the questions/numbers below. **You must attach your responses to this questionnaire**, sign where indicated below, and submit the signed questionnaire and your responses to all questions in one document with your Proposal. **You must submit the signed questionnaire and responses with your Proposal or the Proposal will not be considered.**

1. Describe Proposer's direct experience (not as a subcontractor) performing the work proposed under this contract. Include a brief description of the projects you have completed for Texas governmental entities in the last 5 years, and include for each the project name, scope, value, and date, and the name of the procuring government entity and entity contact person. Identify the contracts that best represent Proposer's capabilities relative to this contract.
2. Describe the resources Proposer has to manage, staff and successfully perform the work contemplated under this contract. State the number and summarize the experience of company personnel who may be utilized for the work, including those who will be available to Cooperative members for assistance with project development, technical issues, and product selection for work associated with this contract.
3. The contract does not include architectural or engineering services, which must be procured separately, outside of the Cooperative, in accordance with Chapter 2254 of the Texas Government Code (Professional Services Procurement Act). If you are performing work under the contract on a project that requires the services of an architect or professional engineer, how will you work with a Cooperative member and its designated architect or engineer with respect to services that must be procured outside the contract.

PH: 800-695-2919 • FAX: 800-211-5454 • www.vendor.buyboard.com

- 4. Describe the tasks and functions that can be completed by Proposer in-house without the use of a subcontractor or other third party.
- 5. Describe Proposer's financial capability to perform the contract. State or describe the firm's financial strength and rating, bonding capacity, and insurance coverage limits. State whether the firm, or any of the firm's past or present owners, principal shareholders or stockholders, or officers, have been a debtor party to a bankruptcy, receivership, or insolvency proceeding in the last 7 years, and identify any such debtor party by name and relationship to or position with your firm.
- 6. List all contracts, if any, in the last 10 years on which Proposer has defaulted or that have been terminated for any reason and for each provide the project name, scope, value and date and the name of the procuring governmental entity. Fully explain the circumstances of the default or termination.
- 7. List all litigation or other legal proceedings, if any, in the last 10 years brought against your firm, or any of the firm's past or present owners, principal shareholders or stockholders, officers, agents or employees, that relates to or arises from a contract similar to this contract or the work contemplated under this contract. (The list should include the contractor as well as the product supplier.). Provide the style of the lawsuit or proceeding (name of parties and court or tribunal in which filed), nature of the claim, and resolution or current status.
- 8. Describe in detail the quality control system Proposer will use, including third party auditing certification, to support the long-term performance and structural strength of the products to be used in a project under the contract.
- 9. If the work will require Proposer to tender performance and payment bonds, provide the name of the bonding company or surety that will issue such bonds.
- 10. Describe in detail all documented safety issues, if any, that have involved Proposer in the last 3 years related to the type of work contemplated under this contract. Provide a 3-year history of your firm's workers compensation experience modifier.

By signature below, I certify that the information attached to this Proposal Invitation Questionnaire in response to the above questions is true and correct and that I am authorized by my company to make this certification.

Public Restroom Company

Company Name

Signature of Authorized Company Official

Buy Board: Bid Scope of Work by Party:

GENERAL CONTRACTOR SCOPE OF WORK WITH/WITHOUT FOOTINGS:

General Scope of Work Background:

General Contractor or Owner shall survey the site, establish survey for the building pad and prefabricated building slab elevation and front corners, excavate for building footings (if required), locate footing sleeves for electrical, waste, and water, pour the footings (if required), furnish sand base adjacent to subgrade pad, and provide location for utility POC's nominally 6' outside the foundation.

Preparation of Building Pad:

General Contractor or Owner is responsible for providing the building subgrade pad or when required footings to frost depth per Public Restroom Company design specifications. PRC will provide detailed drawings for the subgrade building pad, utilities POC's, and if required the footings, attached to this scope of work.

Subgrade Pad/Foundation Requirements:

1. General Contractor or Owner shall survey the building site and provide a finished slab elevation for the prefabricated building. The building pad size we require is larger than the final actual building footprint. Provide building front corner stakes with 10' offsets.
2. Excavate the existing site to the depth of the required footings to local code if required.
3. Furnish coarse concrete sand adjacent to subgrade pad so PRC can cut the utility trenches, install underground utilities, and screed sand.

General/Owner verification of site access to allow Building Delivery:

1. You certify to PRC that suitable delivery access to the proposed building site is available. Suitable access is defined as 14' minimum width, 16' minimum height, and sufficient turning radius for a crane and 70' tractor-trailer.
2. Our cost is based upon the crane we provide being able to get within 35' from the building center and for the delivery truck to be no more than 35' from the crane center picking point.
3. If the path to the building site traverses curbs, underground utilities, landscaping, sidewalks, or other obstacles that could be damaged, it is the General/Owner's responsibility for repair and all costs, if damage occurs.
4. If trench plating is required, it shall be the cost responsibility of the General/Owner.
5. If unseen obstacles are present when site installation begins, it is the General/Owner's responsibility to properly mark them and verbally notify PRC before installation.

Installation Notice and Site Availability:

PRC will provide sufficient notice of delivery of the prefabricated building. The Owner shall make the site available during the delivery period. During the delivery period, on an improved

site, Owner should stop site watering several days before delivery to minimize the impact on the soils for the heavy equipment needed for installation.

Caution:

If site is not ready for our field crew to perform their installation and if no notice of delay in readiness from General/Owner is received, PRC will provide a change order for re-mobilization on a daily basis until the site is ready for us. Ready means that the site pad is completed, the corner required survey stakes are in place, the slab elevation stakes are in place, the location of the front of the building is confirmed on site, and access to the site is available from an improved roadway. General/Owner shall sign the change order before we will continue delivery.

Public Restroom Company will “turn-key” set the buildings including the hook up of utilities inside the building (only) when they are available. PRC will use its own factory trained staff for the installation.

Utility Connections:

1. The General/Owner is responsible for flushing all water service lines before final connection.
2. The **General/Owner** is responsible for the **final connections** of water, sewer, and electrical at the exterior of building POC's.
3. PRC provides a POC for water, a POC DWV waste line with a clean out your service connection, and an electrical schedule 80 PVC sleeve at an exterior POC.
4. PRC provides and connects the interior building utility connections and the General/Owner or their subcontractor makes the exterior connections to POC's for services.

Special Conditions, Permits, and Inspection Fees:

Follow any published specifications governing local building procedures for applicable building permit fees, health department fees, all inspection fees, site concrete testing fees, and compaction tests, if required by General/Owner. PRC is responsible for all required State inspections and final State insignia certification of the building, if applicable.

Jurisdiction for Off-site Work:

Jurisdiction, for permitting and inspection of this building shall be either the State agency who manages prefabricated building compliance in the state or the local CBO (when the State does not provide certification.) If the responsibility for building inspection is the local CBO, we will provide a certified plan set, calculations, and a third party engineer inspection report for any and all closed work the local official cannot see.

PUBLIC RESTROOM COMPANY SCOPE OF WORK:

Our In Plant/Off-Site Construction Scheduling System:

PRC has several off-site manufacturing centers in the United States, strategically located, that have the proper equipment and trained staff to fabricate our custom buildings to our high quality fit and finish standards. PRC manages quality control in our off-site production facility to comply with the approved drawings and provides an inspection certification and photos as required. When proprietary materials, which we have designed and fabricated, are part of the project, PRC supplies the manufacturing centers with these special parts or chemicals. We then schedule the in plant construction process to coordinate with your delivery date through our Operations Division field staff. We guaranty on time at cost delivery weather permitting.

Delivery and Installation:

Site Inspection:

PRC staff, upon site arrival, will verify the required dimensions of the building pad and the corner locations/elevation. We will also verify the delivery path from an accessible road or street and install the underground utilities to the point of connection nominally 6' from the exterior of the building.

Installation:

PRC will install the building turn-key, except for any exclusion (listed under "Exclusions," herein.)

Installation of Utilities Under the Prefabricated Building:

We fabricate off-site an underground utilities (water, and DWV piping and fittings) preassembled plumbing and electrical tree. Our site staff will set the underground tree in the excavated trench (excavation by general to the proper depth per local code) into code depth excavated trenches and our staff will install the coarse concrete sand to bed the piping per our submitted drawing..

Your utility POC's start nominally 6' from the building footprint where we pick up the task and connect your services to the building stub downs. We provide all the under slab piping (including the driven electrical ground rod or lightning rod, if applicable.) The General/Owner brings utility services to within 6' of the pad.

Connection of Utilities Post Building Placement:

After placement of the building on the pad by PRC, our field staff will tie in the water and sewer connection "inside" the building only and terminate at a point of connection (POC) outside the building clearly marked for each utility service. The General/Owner is responsible for final utility point of service connections at the nominal 6' from building locations.

Electrical:

PRC provides the electrical conduit to the POC 6' from the building. The General/Owner pulls the wire and ties it off on the electrical panel.

Plumbing:

PRC provides the POC up to 6' from the building footprint and the General/Owner connects the water to our stub out location.

Sewer:

Some sites depending on the local jurisdiction will require an outside house trap which General/Owner shall install if needed. PRC will provide you with a sewer point of connection including a clean out to which General/Owner will terminate the site sewer service.

Testing of Water, Sewer, and Electrical in Plant and Final Site Utility Connection:

Before the building leaves the manufacturing center, PRC certifies a pressure water piping test, DWV, and the electrical connections for compliance with code. While the building is fully tested for leaks at the plant before shipment, road vibration may loosen some plumbing slip fittings and require tightening once the building services (water) is completed. General/Owner is responsible for minor fitting tightening to handle small slip fitting leaks caused by transportation.

Time of Completion:

PRC estimates a schedule to complete our scope of work from receipt of written notice to proceed together with signed approved architectural submittals from all authorities required to approve them. The time of completion is listed on the final quotation sheet.

Exclusions/Exceptions:

1. Access issues for delivery of the building when the general contractor/owner has not provided a proper path to the final site. This exclusion covers sites whose access is limited by trees, inaccessible roadways, overhead power lines at location where crane will lift building, grade changes, berms, or uneven site grades, or when the path of travel is over improvements such as sidewalks, all of which are not within the scope of work by PRC. Traffic control requirements coordinated by the Owner.
2. Any trench plates needed for protection of site soils, sidewalks, or site utilities.
3. Sidewalks outside the building footprint.
4. Survey, excavation, and installation of the building pad and footings (if required) per our attached plans.
5. Soil conditions not suitable for bearing 1500 psf.
6. Improper water pressure, an undersized meter, or improper water flow to the building.
7. Building chlorination is by general.
8. Bonds, building permits, site survey, special inspection fees, minor trash removal, final utility connections, minor plumbing leaks if water is not available when building site work installation is complete, site soils or improvements if damaged during installation, landscaping.

9. Our crane costs, which are included herein, are based on a maximum 35' radius from the center pin of the crane to center point of the furthest building module roof. If additional distance requires a larger crane, additional costs will be assessed by change order to you.
10. The General/Owner shall be responsible for minor site debris removal or a location for placement on site, (nominally one pickup truck of shipping materials.)

Insurance and Prevailing Wage Certification:

PRC shall comply with the required insurance requirements, wage reports, and safety requirements for the project, including OSHA regulations.

Special Insurance to protect the Building before acceptance:

As PRC requires payment for each month of off-site construction, and since the building is not on owner property where their insurance will cover the building, we provide a special policy that insures the property even when paid for off-site until the building is finally accepted by the owner. The policy provides the owner and general contractor as additional insured during this period.

PRC provides the General and Owner a policy rider to cover the building while it is being built off-site, while in transit to the job site, during and after it is installed on-site until final acceptance. This special policy covers each building module (section) for up to \$200,000. This exceeds the cost of any building module we have offered for sale herein.

Errors and Omissions Insurance:

Our firm employs licensed architects, engineers, and drafting staff to provide design of our buildings. Since these buildings are required to meet accessibility standards and building codes on site, and since we are the designer, we carry Errors and Omissions Insurance (E & O) to protect our clients from any errors. The policy covers a limit of up to \$2,000,000 per occurrence and is more clearly explained in the insurance certificates we provide after receipt of a purchase order.

WARRANTY

All work performed by PUBLIC RESTROOM COMPANY (called "Company") shall be warranted to the Owner to be of commercial quality, free of faults and defects in material, workmanship, and title for 5 years from last date of installation if building is installed by Company or 1 year if building is installed by Owner or Owner's agent without on-site supervision by Company. PRC will furnish a 20 year warranty on the structural components of each building.

Company will repair or replace at their sole option any defects in work upon proper notice to the below stated address. This warranty applies only if all work performed by Company has been fully paid for, including change orders if applicable. Company has no responsibility for any neglect, abuse, or improper handling of building product.

The warranties expressed herein are exclusive, and are in lieu of all other warranties expressed or implied, including those of merchantability and fitness. There are no warranties which extend beyond those described on the face of this Warranty. The foregoing shall constitute the full liability of the Company and be the sole remedy to the Owner.

Term of Offer to Sell and General Contractor/Owner's Acceptance:

This offer is valid for acceptance within 30 days, or when a part of a public bid for the applicable duration imposed within the Owner's bid documents. Acceptance is by approving our post bid preliminary notice to begin drawings subject to final owner approval of our submittals and general contractor/owner receipt of a contract from the owner or a purchase order/contract.

Special Notice of Possible Project Cost Increases as a Result of Late Payments:

In the event of delayed or late payment, PRC shall have the right to remedies including late charges, overall project total cost increases, and other damages as allowed by applicable law. The contract price quoted herein is a discounted price based upon our receipt of progress payments as invoiced on the agreed billing schedule of PRC. In the event of non-payment, PRC will provide a 5 day written notice to cure and if payment is still not received, the discounted price for the payment due may increase, to an undetermined amount, to cover work stoppage, remobilization, cancellation of materials and subsequent restocking charges, resale of the contracted building to another party, storage fees, additional crane fees, travel and per diem costs for field crews, and any other cost applicable to the project, as allowed by law. Interest if applicable to non-payment will be assessed at the maximum amount allowed by law or 18% whichever is greater.

No modifications to this offer shall be authorized unless confirmed in writing by the President of PRC.
