## MEMORANDUM

**Memo #20-067**

**TO: Chief Dan Musselman**

**FROM: Sgt. Ryan Turley**

**DATE: August 27th 2020**

**RE: LIQUOR LICENSE APPLICATION – SERIES 12- FOR “The Mayor”.**

---

On August 27th, I initiated an investigation into an application for Series 12 (Restaurant) liquor license filed by Jeffrey Craig Miller (Agent), David Carpenter (Controlling Person), Ryan Field (Controlling Person), Timothy Pacatte (Controlling Person) and Jared Field (Controlling Person). The license # is 112441, and it is for the Mayor located at 101 N. San Francisco St. A series 6 was recommended for approval by council on August 18th of this year.

I conducted a query through local systems and public access on all individuals listed above. I found no derogatory records for Jeffrey Miller, David Carpenter, Timothy Pacatte and Jared Field. In the previous investigation, I found a criminal investigation regarding Ryan Fields where there was a warrant issued for his arrest. Ryan had written a letter which is attached to the prior application indicating that the incident is of someone issuing bad checks in his name and denies any involvement in the matter. I did not find any evidence of current liquor violations for the above-mentioned applicants.

I spoke to Ryan Fields about this application. He confirmed Jeffery would attend the council meeting on September 15th, 2020. Ryan advised that they would be operating as a typical restaurant. He stated that he is training staff to only allow for 50% occupancy and that everyone who enters will have to order food and can not consume solely alcoholic drinks. He stated that patrons will have to be seat and cannot congregate like a typical bar. He stated that hours would be 11am to 10pm.
