## MEMORANDUM

**Memo #21-19**

**RE: LIQUOR LICENSE APPLICATION – SERIES 12- FOR “Stinkin  
Crawfish”**

---

On February 23rd, 2021, I initiated an investigation into an application for a series 12 (Restaurant) liquor license filed by Jared Repinski (Agent), Chris Su (Controlling Person) and Man Lam (Controlling Person). This is a new license application and the Application number is 137070. It is for the Stinkin Crawfish which is located at 1435 S. Milton Rd.

I conducted a query through local systems and public access on Repinski, Su, and Lam and discovered no derogatory records on any of the applicants. I found evidence that Jared Repinski has taken the mandatory liquor law training. I conducted a search for any current and previous liquor licenses or violations by these individuals and none were discovered for Su and Lam. Jared Repinski works for a company which assists in liquor licensing.

I made contact with Jared Repinski over the phone, and he confirmed that he would be attending the council meeting on March 16th. The business hours for the restaurant have not been established yet.
