# Potential Rescinding of Face Covering Proclamation

# CCHHS: Community Transmission

## Community Transmission

- Coconino County has a current **incidence rate of 19.8 per 100,000, percent positivity of 4.1%\***, and **COVID-19-Like-Illness incidence (CLI) of 1.2%\*\***.
- Coconino County is currently at a **moderate\*\*\*** level of community transmission.

| Benchmarks            | Minimal              | Moderate                | Substantial           |
|-----------------------|----------------------|-------------------------|-----------------------|
| Cases                 | <10<br>cases/100,000 | 10-100<br>cases/100,000 | >100<br>cases/100,000 |
| Percent Positivity    | <5%                  | 5-10%                   | >10%                  |
| COVID-19-Like-Illness | <5%                  | 5-10%                   | >10%                  |

# City's Monitoring Criteria

- Downward trajectory over four or more weeks
- Demonstrated ability to follow CDC guidelines
- Healthcare facility capacity for seriously ill
- Ability to provide testing, monitoring and contact tracing

# CCHHS: Community Vaccination

## Doses in Coconino

|  |                |
|--|----------------|
| Total number of COVID-19 vaccine doses administered: | <b>130,165</b> |
| Total number of COVID-19 vaccine doses ordered:      | <b>95,562</b>  |
| Percent of COVID-19 vaccine doses utilized:          | <b>136.2%</b>  |

## People in Coconino

|  |               |
|--|---------------|
| Total number of people who have received at least one dose of COVID-19 | <b>71,503</b> |
| Percent of people vaccinated:  | <b>48.6%</b>  |
| Number of people who are fully vaccinated against COVID-19:            | <b>62,016</b> |

# CDC: Updated Guidelines

## Fully Vaccinated Individuals

- Resume activities without wearing a mask or physically distancing except where required
- Masks still required
  - Public transportation
  - Healthcare centers
  - Jail/detention facilities

### Choosing Safer Activities

Available link: <https://www.cdc.gov/coronavirus/2019-ncov/daily-life-activities/participate-in-activities.html>

|            | Unvaccinated People | Examples of Activities  | Fully Vaccinated People |
|------------|---------------------|---|-------------------------|
|            |                     | <b>Outdoor</b>  |                         |
| Safest     |                     | Walk, run, wheelchair roll, or bike outdoors with members of your household                           |                         |
|            |                     | Attend a small, outdoor gathering with fully vaccinated family and friends                            |                         |
|            |                     | Attend a small, outdoor gathering with fully vaccinated and unvaccinated people                       |                         |
| Least Safe |                     | Dine at an outdoor restaurant with friends from multiple households                                   |                         |
|            |                     | Attend a crowded, outdoor event, like a live performance, parade, or sports event                     |                         |
|            |                     | <b>Indoor</b>   |                         |
| Least Safe |                     | Visit a barber or hair salon  |                         |
|            |                     | Go to an uncrowded, indoor shopping center or museum  |                         |
|            |                     | Attend a small, indoor gathering of fully vaccinated and unvaccinated people from multiple households |                         |
| Least Safe |                     | Go to an indoor movie theater   |                         |
|            |                     | Attend a full-capacity worship service  |                         |
|            |                     | Sing in an indoor chorus  |                         |
|            |                     | Eat at an indoor restaurant or bar  |                         |
|            |                     | Participate in an indoor, high intensity exercise class   |                         |

**Get a COVID-19 vaccine**

**Prevention measures not needed**

**Take prevention measures**  
Wear a mask, stay 6 feet apart, and wash your hands.

- Safety levels assume the recommended prevention measures are followed, both by the individual and the venue (if applicable).
- CDC cannot provide the specific risk level for every activity in every community. It is important to consider your own personal situation and the risk to you, your family, and your community before venturing out.

# Use of City Fields

# Use of City Fields

- Field permits began April 1<sup>st</sup>
- Limit to 100 individuals per field
- Return to play guidelines and adherence
- Applies to City fields only
- CDC guidelines for youth sports

|                              |                                |
|------------------------------|--------------------------------|
| Stay home when appropriate   | Don't spit                     |
| Wash/sanitize before & after | Bring own equipment            |
| Physical distancing          | Don't share towels or clothing |
| Face coverings               | Separate bags and equipment    |
| Cover coughs & sneezes       | Avoid physical contacts        |

# Council Discussion

# Council Discussion

- Face Covering Proclamation
  - Option 1: Maintain face covering proclamation
  - Option 2: Rescind face covering proclamation effective June 1<sup>st</sup>
  - Option 3: Rescind face covering proclamation effective a different date
- Use of City Fields
  - Option 1: Continue with 100 individuals per field with CDC guidelines
  - Option 2: No limitation on number of individuals with CDC guidelines
