- Future plans
- Closing

Meet our team: Jess Roberts

“I am so excited to work with the community and make a difference.”

She loves hiking, skiing, graphic design and looking through her telescope.

What is the Youth Climate Advisory Group?

- Advise on climate programs.
- Build youth power.
- Increase youth engagement in local climate action.
- A space for learning, dialogue, networking, and developing youth-led climate solutions.

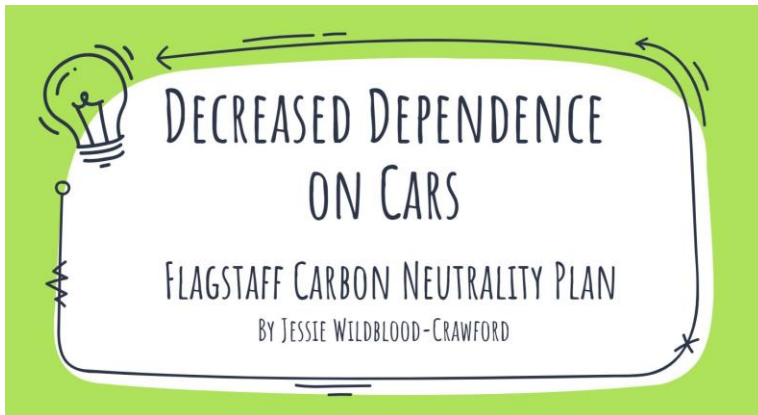

Meet our team: Samantha Gallegos

“Ever since elementary school I’ve enjoyed using my writing to create billions of worlds, and I hope to share my works with others someday, as well as inspire them to create too. I believe that writing can be a powerful tool, and I’d like to use it to make a change in the world.”

Accomplishments

- Carbon Neutrality Plan presentations
- Earth Day 2022
- Youth Climate Club
- Events

The Flagstaff Climate Advisory Group presents...

Youth Climate Club

The Youth Climate Club is for students from all schools who want to get involved in climate action. We do different climate action-based activities once a month.

First Meeting

Activity - Hike at Fatman's Loop
Date - October 29th
Time - 1:30
Age Limit - 8 to 18 years

Meet our team: Madison Crozier

“I really enjoy being in nature and admiring the beauty of it. I hope that as part of this group we can help the youth community of Flagstaff create a sustainable environment.”

She enjoys planting trees and butterfly gardens.

Current Projects

- FUSD Climate Action Report
- Cookies and Climate
- Capacity building
- Recruitment
- Online presence

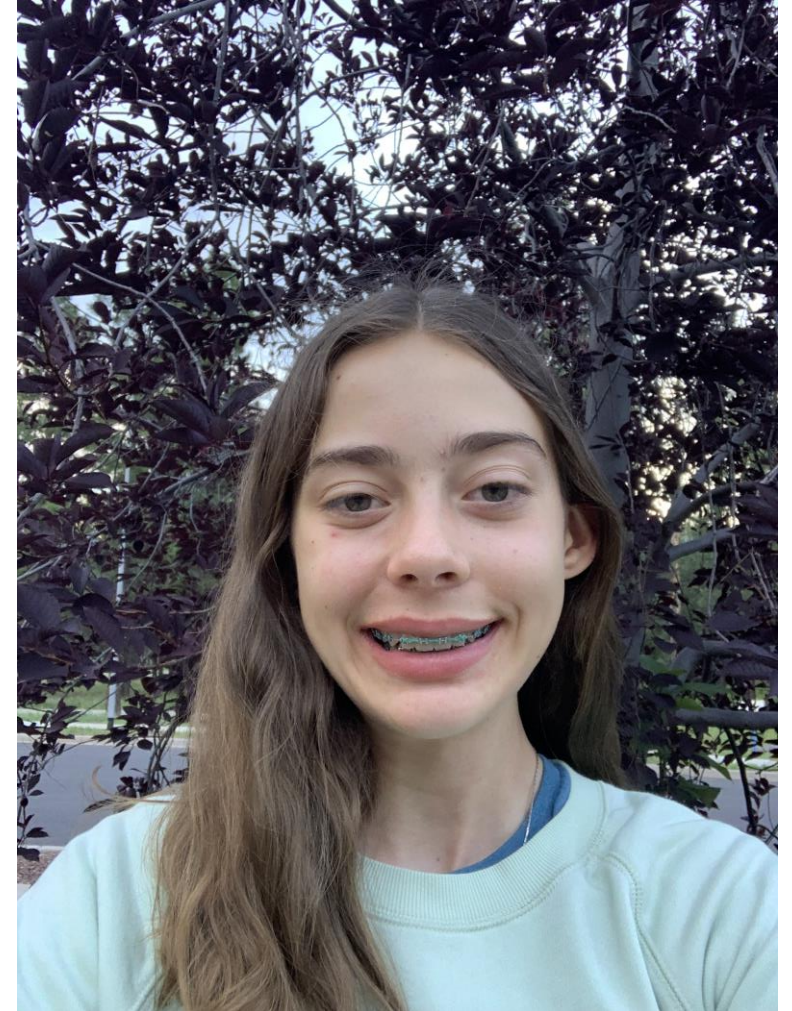

Meet our team: Scarlett Morales

“I love exploring nature and being outdoors.”

Favorite Climate Action: Riding my bike.

She enjoys reading fantasy books and drawing dragons.

Future Projects

- Youth Climate Summit
- Climate Action Day
- Climate action and education in schools

Meet our team: Lillian Woody

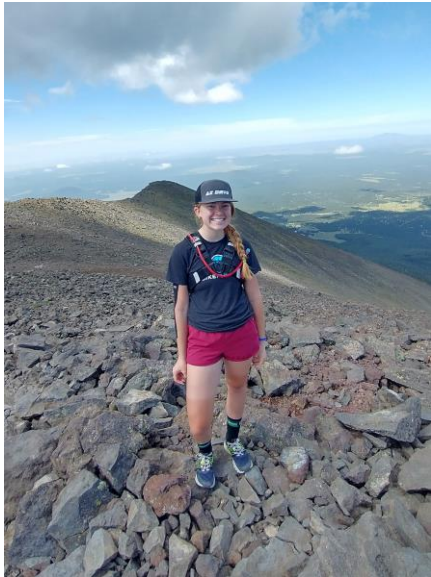

“I wanted to be apart of the YCAG so I could immerse myself into a group that has environmentally passionate people. I am looking forward to being proactive in the group as well as the community.”

My favorite climate action is education on sustainability.

Gratitude to our 2022 Spring Cohort Members

Jessie

I hope to be able to make a difference so future generations can continue to appreciate our world!

Elizabeth

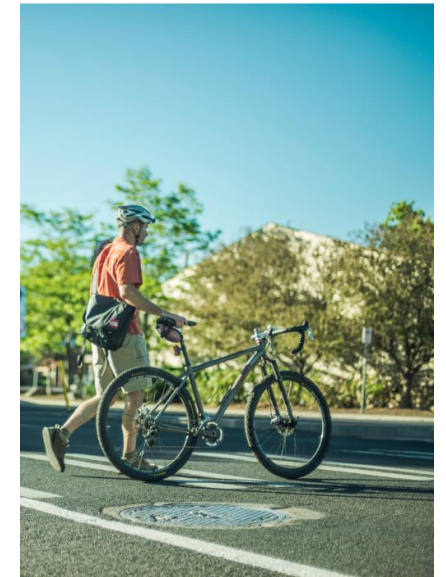

I am a dancer and write, record, and produce my own music. I want to reduce the damage already caused and prevent future contribution by raising awareness.

Indie

I am passionate about political activism, speaking at public events, and conversations on environmental justice.

McKenna

I am very passionate about climate action, especially the education and transportation aspects.

Closing

- Thank you to those who have supported youth climate action
- Our ask...
 - Support youth in reaching goals
 - Build a stronger foundation for youth voices in the climate action space

Thank you
