Tommy Bustamante was hired as a firefighter for FFD back in May 1998. He was an invaluable member of the FFD's arson investigation program for more than 14 years early in his career, and he's managed the FFD's commodity program for almost 16 years, keeping stations stocked with everyday essential items: everything from cleaning and disinfecting products to paper towels, cookware, refrigerators, washers/dryers, rakes, snow shovels, and even American and Arizona flags.

Tommy greets you with a big smile and we are blessed to have him as a long-standing member of our "Fire Family".

Congratulations Tommy on your 24-year work anniversary!

Grant Kelly was hired by the Flagstaff Police Department in May 1995. He attended the ALEA Police Academy in Tucson AZ. He has worked the majority of his career in patrol with a few sabbaticals in the Criminal Investigations section. Ggrant served as a Field Training Officer and was instrumental in training many of our current supervisors when they were new officers.

Ggrant promoted to Sergeant in 2012. He has an excellent work ethic and is extremely passionate about Community Policing. He served as the Sunnyside Neighborhood Sergeant for several years. He was a certified Bomb Technician and served as a team leader for years. He spent many nights and weekends working as the on-call Bomb Technician. He always responded when he was needed to handle suspicious items.

Throughout his 27-year career, Ggrant has always offered a helping hand to patrol and detectives. Ggrant is a past recipient of our Lifesaving Award, City Managers Excellence Award, and Officer of the Year Award. He has dressed out and came in to work on his own when he learned of officer involved shootings, homicides, and other critical incidents. His file is full of commendations for outstanding customer service, conducting good investigations, ending a carjacking, and apprehending an armed and dangerous burglary suspect.
