Subject: Flagstaff Water Resources information
Attachments: IPD2021_Final.pdf

Hello All,

I am passing along some Flagstaff Water Resources and Reclamation information that I have been able to find since the last conversation on this topic. Attached you will find a flyer for Indigenous Peoples Day which includes a section on Water that I thought might be helpful to the Workgroup discussion. I also copied links below to case studies and information available on the City website. Erin Young, Water Resources Manager, did offer to attend a Commission meeting to present or answer questions.
