**Finance Disclosure**

This proposal is not an offer of credit; payments are for illustration purposes only. All transactions are subject to credit review, final approval and terms are subject to credit worthiness as determined by our finance partners and lending institutions. \*Trade payoff provided by the customer, customer is responsible for payoff and fees that exceed the amount shown. Dealer may adjust trade value of trade vehicle to reflect changes in condition or mileage of trade vehicle between date of current appraisal and acceptance of this proposal by customer. \*\*Any taxes shown on this order are estimated, actual taxes, as applicable, will be invoiced to the purchaser at the prevailing tax rates available at the time of vehicle invoice. The dealer Inventory Tax is collected and then forwarded to the county tax assessor-collector to offset taxes on motor vehicle inventory (this is not a federal tax and not mandatory). \*\*\* Effective 07-01-03, a surcharge of 1% of the sales price less trade-in will be charged and collected on the purchase of 1997 year or newer diesel engine trucks with a GVW greater than 14,000 lbs. \*\*\*\* A documentation fee is not required by law, but may be charged to buyers for handling documents.

**Equipment Disclosure**

By signing this agreement the purchaser is agreeing to all the terms and conditions set forth herein. Purchaser or the person signing this order on behalf of the purchaser have carefully reviewed this order and fully understand that the vehicle listed above will contain the equipment listed on the face of this order and all standard equipment as designated by the manufacturer. This proposal is based on the dealers' current and expected inventory, which is subject to change. Dealer is not obligated to retain any specific vehicle in stock, nor maintain and specific inventory levels. Manufacturer has reserved the right to change the price of any vehicle not currently in dealers' inventory, without notice to dealer. If quoted vehicle is not currently in dealers stock, dealer reserves the right to change the proposal to reflect any price increases form the manufacturer. All warranties are of the manufacturer; Industrial Power does not make or give warranties. Delivery time is subject to manufacturer and vendor availability.
