STANDARD TERMS AND CONDITIONS

(Last Updated May 2, 2023)

*The term "Contractor" may substitute for the term "vendors," "consultants," or "firms," depending on the purpose of the underlying Contract.

IN GENERAL

1. **PARTIES:** The City of Flagstaff ("City") and the contractor identified in the Contract ("Contractor") may be referred to individually as "Party" or collectively as "Parties."
2. **NOTICE TO PROCEED:** Contractor shall not commence performance until after the City has issued a Notice to Proceed.
3. **LICENSES AND PERMITS:** Contractor at its expense shall maintain current federal, state, and local licenses, permits, and approvals required for performance of the Contract and provide copies to City upon request.
4. **COMPLIANCE WITH LAWS:** Contractor shall comply with all applicable federal, state, and local laws, regulations, standards, codes, and ordinances in performance of the Contract.
5. **NON-EXCLUSIVE:** Unless expressly provided otherwise in the Contract, the Contract is non-exclusive, and the City reserves the right to contract with others for materials or services.
6. **SAMPLES:** Any sample submitted to the City by the Contractor and relied upon by City as representative of quality and conformity shall constitute an express warranty that all materials and/or service to be provided to City shall be of the same quality and conformity.

MATERIALS

7. **PURCHASE ORDERS:** The City will issue a purchase order for the materials covered by the Contract, and such order will reference the Contract number.
8. **QUALITY:** Contractor warrants that all materials supplied under the Contract will be new and free from defects in material or workmanship. The materials will conform to any statements made on the containers or labels or advertisements for the materials and will be safe and appropriate for use as normally used. The City's inspection, testing, acceptance, or use of materials shall not serve to waive these quality requirements. This warranty shall survive termination or expiration of the Contract.
9. **ACCEPTANCE:** All materials and services provided by Contract are subject to final inspection and acceptance by the City. Materials and services failing to conform to the Contract specifications may be rejected in whole or part. If rejected, Contractor is responsible for all costs associated arising from rejection.
10. **MANUFACTURER'S WARRANTIES:** Contractor shall deliver all Manufacturer's Warranties to the City upon the City's acceptance of the materials.

13. **NO REPLACEMENT OF DEFECTIVE TENDER:** Every tender of materials shall fully comply with all provisions of the Contract. If a tender is made which does not fully conform, this shall constitute a breach and Contractor shall not have the right to substitute a conforming tender without prior written approval from the City.
14. **DEFAULT IN ONE INSTALLMENT TO CONSTITUTE TOTAL BREACH:** Contractor may not substitute nonconforming materials and/or services. Delivery of nonconforming materials and/or services, or a default of any nature, shall constitute a breach of the Contract as a whole.

16. **LIENS:** All materials and other deliverables supplied to the City shall be free of all liens, other than the security interest held by Contractor, until payment in full is made by the City. Upon request of the City, Contractor shall provide a formal release of all liens.
17. **CHANGES IN ORDERS:** The City reserves the right at any time to make changes in any one or more of the following: (a) methods of shipment or packing; (b) place of delivery; and (c) quantities. If any change causes an increase or decrease in the cost of or the time required for performance, an equitable adjustment may be made in the price or delivery schedule, or both. Any claim for adjustment shall be evidenced in writing and approved by the City Purchasing Director prior to the institution of the change.

PAYMENT

18. **INVOICES:** A separate invoice shall be issued for each shipment and each job completed. Such taxes include but are not limited to federal and state income tax, social security tax, unemployment insurance taxes, transaction privilege taxes, use taxes, and any other taxes or business license fees as required.

Exception: The City will pay any taxes which are specifically identified as a line-item dollar amount in the Contractor's bid, proposal, or quote, and which were considered and approved by the City as part of the Contract award process. In this event, taxes shall be identified as a separate line item in Contractor's invoices.

- 21. FEDERAL EXCISE TAXES:** The City is exempt from paying certain Federal Excise Taxes and will furnish an exemption certificate upon request.

- 31. ACCEPTANCE:** If the City rejects Contractor's work due to noncompliance with the Contract, the City, after notifying Contractor in writing, may require Contractor to correct the

deficiencies at Contractor's expense, or cancel the work order and pay Contractor only for work properly performed.

32. **WARRANTY:** Contractor warrants all work for a period of one year following final acceptance by the City. Upon receipt of written notice from the City, Contractor at its own expense shall promptly correct work rejected as defective or as failing to conform to the Contract, whether observed before or after acceptance, and whether or not fabricated, installed, or completed by Contractor, and shall bear all costs of correction. If Contractor does not correct deficiencies within a reasonable time specified in the written notice from the City, the City may perform the work and Contractor shall be liable for the costs.
